A hand-drawn site plan on graph paper. The plan shows a rectangular property with a dashed line indicating a boundary. Inside the property is a rectangular area labeled "House". To the left of the house is a vertical line labeled "Curb". To the right of the house is a vertical line labeled "Driveway". A horizontal line labeled "Proposed Wrought Iron Fence" runs across the bottom of the property. The plan includes various dimensions and labels: "340ft" for the left boundary, "129ft" for the bottom boundary, "30' BSL" for a boundary segment, "10ft" for a top boundary segment, and "5ft" for a side boundary segment. A north arrow is located on the left side, pointing upwards. The scale is indicated as "Scale 1" = 60'". The word "REAR" is written at the top center. The plan also shows "PL" (Proposed Line) and "R6" (Residential Single-Family) zoning. The graph paper has a grid with numbers 5 to 140 on both the x and y axes.
