**WHEREAS**, the issue of illegal dumping and the collection of solid waste in unincorporated areas of Bexar County has been a continuing problem for a number of years and in 2012 Representative Ruth Jones McClendon requested an opinion from the Texas Attorney General concerning whether a county may provide mandatory solid waste collection services in an area of the county that is within the extraterritorial jurisdiction (ETJ) of a municipality but that is not receiving such service from the municipality; and

**WHEREAS**, Texas Attorney General (AG) Opinion GA-0988, February 5, 2013, concluded that Section 364.031 of the Health and Safety Code authorizes cooperative agreements between a municipality and a county that would permit the county to provide mandatory solid waste disposal service in an area of the county that is within the ETJ of the municipality that is not receiving such services from the municipality; and

**WHEREAS**, in early June 2015, Bexar County Precinct 4 Commissioner Tommy Calvert contacted the Solid Waste Management Department Director to discuss solid waste disposal services in the Camelot II residential neighborhood, an area in unincorporated Bexar County and within the City of San Antonio's ETJ; and

**WHEREAS**, Bexar County does not require mandatory solid waste disposal services for residents of unincorporated Bexar County, and although the Camelot II neighborhood is within the City's ETJ, state statute does not allow the City to mandate or provide solid waste collection or disposal services in areas outside the City limits; and

**WHEREAS**, this Ordinance would authorize the negotiation and execution of a cooperative agreement between the City and Bexar County to permit the County to provide mandatory solid waste collection and disposal services in the Camelot II neighborhood, an area within the City's ETJ, in accordance with the Texas Attorney General Opinion GA-0988; **NOW THEREFORE**,

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:**

§  
§

**INTERLOCAL AGREEMENT FOR SOLID  
WASTE COLLECTION AND  
TRANSPORTATION SERVICES IN THE  
CAMELOT II AREA OF BEXAR COUNTY**

**COUNTY OF BEXAR**

§  
§

The City of San Antonio (“COSA”), a home-rule municipality in Bexar County, Texas, and Bexar County, Texas (“County”), enter this agreement pursuant to the authority granted by each governing body and acting through Ordinance No. 2015-08-xx-xxxx, passed and approved by the San Antonio City Council on August xx, 2015, and through a *Order/Resolution/Motion* passed and approved by the Bexar County Commissioners Court on August xx, 2015. The Interlocal Cooperation Act, Texas Government Code Chapter 791, provides that governmental entities of the State may contract with each other to provide governmental functions and services and provide fire protection and associated services to protect public health; and

WHEREAS, the collection, transportation and disposal of municipal solid waste within the COSA city limits is mandated by the San Antonio City Code and these services are performed by the San Antonio Solid Waste Management Department; and

WHEREAS, the collection, transportation and disposal of municipal solid waste generated in unincorporated areas of Bexar County is not mandated by the County Commissioners. The issue of illegal dumping of solid waste in Bexar County has been a continuing problem for a number of years and in 2012 Representative Ruth Jones McClendon requested an opinion from the Texas Attorney General concerning whether a county may provide mandatory solid waste collection services in an area of the county that is within the extraterritorial jurisdiction (ETJ) of a municipality but that is not receiving such service from the municipality; and

WHEREAS, Texas Attorney General (AG) Opinion GA-0988, February 5, 2013, concluded that Section 364.031 of the Health and Safety Code authorizes cooperative agreements between a municipality and a county that would permit the county to provide mandatory solid waste disposal service in an area of the county that is within the ETJ of the municipality that is not receiving such services from the municipality; and

WHEREAS, in early June 2015, Bexar County Precinct 4 Commissioner Tommy Calvert contacted the Solid Waste Management Department Director to discuss solid waste disposal services in the Camelot II residential neighborhood, an area in unincorporated Bexar County and within the City of San Antonio’s ETJ; and

WHEREAS, Bexar County does not require mandatory solid waste disposal services for residents of unincorporated Bexar County, and although the Camelot II neighborhood is within the City’s ETJ, state statute does not allow the City to mandate or provide solid waste collection or disposal services in areas outside the City limits; and

WHEREAS, it is to the mutual benefit of COSA and the County that the collection, transportation and disposal of solid waste in the Camelot II neighborhood be provided by the County, and COSA will permit the County to provide mandatory solid waste collection and disposal services in the Camelot II neighborhood, an area within the City's ETJ, in accordance with the Texas Attorney General Opinion GA-0988;

NOW THEREFORE, in consideration of the terms, rights and duties contained in this Interlocal Agreement, COSA and BEXAR County, through their respective governing bodies, agree that this cooperative agreement between COSA and Bexar County would permit Bexar County to provide mandatory solid waste disposal service in an area of Bexar County that is within the ETJ of COSA that is not receiving such services from COSA (Camelot II), in accordance with Section 364.031 of the Health and Safety Code and the conclusion provided in Texas Attorney General (AG) Opinion GA-0988, February 5, 2013. COSA and Bexar County agree as follows:
