

TEXAS A&M FOREST SERVICE

This letter serves to announce our new State-Wide Community Wildfire Protection Plan Grant Program for Texas A&M Forest Service (TFS). The purpose of this grant program is to encourage the development of community wide protection plans and mitigation projects for fuels reduction. These funds are being provided through a grant from the U.S. Forest Service and is subject to the provisions contained in 2 CFR 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (www.ecfr.gov/).

Planning for wildfires must take place long before a community is threatened. Once a wildfire starts, the only option available to firefighters is to attempt to suppress the fire before it reaches a community. A Community Wildfire Protection Plan (CWPP) is unique in that it empowers communities to share the responsibility of determining the best strategies for protecting a community and allows communities to make informed choices to decrease the hazards around them.

Eligible CWPP grant applicants are local county or community governments in the State of Texas who have been identified by TFS for funding based on the intent to develop a new CWPP or update an existing CWPP. Private or non-profit organizations are not eligible for grant funds.

There are two stages to the application process. First, an applicant should complete the application and submit it to:

Texas A&M Forest Service
Mitigation & Prevention Office
Attn. CWPP Coordinator
2127 S. First Street
Lufkin, TX 75901

Second, the application is reviewed by the grant committee for eligibility, feasibility, cost-effectiveness as well as completeness before returning their decision. Results will be returned within thirty days of receipt of the application.

Applications will be accepted until all funds have been awarded. Early applications are encouraged. Priority will be given to applications received prior to October 15, 2015. The grant cost period will begin upon the effective date of Subrecipient Agreement and end on the termination date specified in the Subrecipient Agreement.

If you have any questions about the guideline, application, or the amount of funds available please do not hesitate to contact me at (979) 450-2578.

Components of a CWPP

A Community Wildfire Protection Plan (CWPP) is a written document that identifies the steps a community will take to reduce its risk of damage from a wildland fire. The plan addresses the community's wildland fire response capability, as well as the protection of homes and structures within the community. The plan also should identify and prioritize areas of private, state and federal land where fuels treatment projects are necessary to reduce wildland fire threats to the community and its infrastructure. Finally, the CWPP should include details about how steps outlined in the plan will be implemented.

- Community Wildfire Protection Plans are generally developed by local government with assistance from state and federal agencies and other interested partners.
- Plans can take a variety of forms and may be as simple or complex as necessary, based on the specific needs and desires of the local community or county.
- While plans do not need to be overly complicated they should effectively address values-at-risk, priorities for action and local forest and range conditions.
- The minimum requirements for a CWPP are:
 - Collaboration. A CWPP must be collaboratively developed. Local officials and state officials must meaningfully involve federal agencies that manage land in the vicinity of the community and other interested parties, particularly non-governmental stakeholders.
 - Prioritized Fuel Reduction. A CWPP must identify and prioritize areas for hazardous fuel reduction treatments on both federal and non-federal land and recommend the types and methods of treatment that, if completed, would reduce the risk to the community.
 - Treatment of Structural Ignitability. A CWPP must recommend measures that homeowners and communities can take to reduce the ignitability of structures throughout the area addressed by the plan.
- The Healthy Forests Restoration Act (HFRA) requires that three entities mutually agree to the final contents of a CWPP:
 - The applicable local government (e.g. counties or cities);
 - The local fire department(s); and
 - The state agency responsible for forest management.
- Benefits to the community include:
 - The opportunity to establish a locally appropriate definition and boundary for the Wildland Urban Interface (WUI).
 - The requirement for federal agencies, when planning fuel reduction projects, to give priority to projects that provide for the protection of at-risk-communities or watersheds, or that implement recommendations in a CWPP.
 - Expedited National Environmental Policy Act (NEPA) procedures for federal agencies implementing fuel reduction projects identified in a CWPP. (If a federal agency is planning a fuels reduction project to implement a recommendation in a CWPP that lies within the WUI and is located no further than 1 ½ miles from the community boundary, the federal agency does not need to analyze any other alternatives under NEPA.)
- When allocating federal funds for fuel reduction projects on nonfederal lands, federal and state agencies should, to the maximum extent applicable, give priority to communities that have adopted Community Wildfire Protection Plans.

State-Wide Community Wildfire Protection Plan Grant Program General Guidelines

1. Grant funds will be awarded to local county or community governments using a competitive matrix, based on the intent to develop a new CWPP or update an existing CWPP and Communities at Risk as determined by the Texas Wildfire Risk Assessment Portal (TxWRAP).
2. Minimum requirements of a CWPP:
 - a. Form a core working group made up of representatives from the appropriate local governments, local fire authority, law enforcement, federal partners and the Texas A&M Forest Service.
 - b. Contact and involve other land management agencies as appropriate.
 - c. Contact and encourage active involvement in plan development from a broad range of interested organizations and stakeholders.
 - d. Work with partners to establish a baseline map of the community that defines the community's WUI and displays inhabited areas at risk, forested area that contain critical human infrastructure and forested areas at risk for large-scale fire disturbance.
 - e. Work with partners to develop community risk assessments for each Community at Risk, as identified by TxWRAP, that considers fuel hazards; risk of wildfire occurrence; homes, businesses, and essential infrastructure at risk; other community values at risk; and local preparedness capability (TFS shall provide assessment templates).
 - f. Rate the level of risk for each factor and incorporate into the base map as appropriate.
 - g. Use the base map and community risk assessments to facilitate at least three collaborative community discussions that lead to the identification of local priorities for fuel treatment, reducing structure ignitability, and other issues of interest such as improving fire response capability.
 - h. Clearly indicate whether priority projects are directly related to protection of communities and essential infrastructure or to reducing wildfire risk to other community values.
 - i. Develop a detailed implementation strategy to accompany the CWPP Include a tracking sheet of all stakeholder meetings, which indicates date and topic of the meeting.
 - j. Finalize the CWPP and communicate the results to the community and key partners.

(See Texas A&M Forest Service's "**Community Wildfire Protection Plan Guide**" at <http://tfsweb.tamu.edu/uploadedFiles/FRP/New - Mitigation/Unsafe Debris Burning/CWPP2.pdf> and "**A Leader's Guide to Developing Community Wildfire Protection Plans**" at [http://tfsweb.tamu.edu/uploadedFiles/FRP/New - Mitigation/Unsafe Debris Burning/CWPP%20leaderguide\(1\).pdf](http://tfsweb.tamu.edu/uploadedFiles/FRP/New - Mitigation/Unsafe Debris Burning/CWPP%20leaderguide(1).pdf)).
3. Major categories of expenditures in the development of a Community Wildfire Protection Plan:
 - a. Contracting services
 - b. Personnel time
 - c. GIS software and hardware
4. Funding limits per application are:
 - a. The maximum grant to develop a CWPP is \$10,000. A limit of one per application per community will be considered. Texas A&M Forest Service reserves the right to amend project funding limits.
 - b. This is a 100% federal pass-through grant. No match is required.
 - c. No advance payments will be issued. Grant funds will only be distributed when CWPP is finalized and approved by the TFS grant committee.
 - d. Expenses prior to the approval date will not be eligible for this grant. A final report must be submitted detailing the accomplishments of the project and any publicity that was generated. One hard copy of the CWPP and an electronic version of the completed CWPP must be submitted

State-Wide Community Wildfire Protection Plan Grant Program

with the final report. Additionally, one copy each of all supporting documentation with the final report is required. Upon approval of completed CWPP, applicant will submit an invoice to TFS for the funding amount authorized in the Subrecipient Agreement.

- e. Applicants must certify eligibility to receive federal funds and must comply with applicable federal regulations.
5. Applications will be accepted by Texas A&M Forest Service until all funding is awarded. Applications will be processed in order of receipt.

State-Wide Community Wildfire Protection Plan Grant Program General Procedures

Section I. -- Program Overview

1.1 High Risk Wildland Urban Interface Areas

The Texas A&M Forest Service (TFS) has identified wildland urban interface communities with high wildfire risks, that are highly motivated, may be considered for a Community Wildfire Protection Plan (CWPP). TFS will choose communities where the most hazard reduction and public outreach is likely to occur by partners and stakeholders. TFS will provide grant opportunities to high-risk areas to use as seed funding for the preparation of a CWPP.

1.2 Purpose and Administration

TFS, in cooperation with federal partners, has established the State-Wide CWPP Grant Program. The funds are available to designated communities with the major objective as follows:

- Develop Community Wildfire Protection Plan

This grant program is funded by the United States Department of Agriculture Forest Service and is administered by Texas A&M Forest Service, an agency of the State of Texas, a member of the Texas A&M University System, headquartered in College Station, Texas.

Section II. -- Program Eligibility

2.1 Eligible Organizations

Local county or community governments identified by TFS to be eligible for funding based on the intent to develop a new CWPP or update an existing CWPP. Applicants must have a Federal Employer Identification Number (EIN) and a Data Universal Numbering System (DUNS) number. If an applicant does not have a DUNS number, it may register for one at www.dnb.com.

2.2 Project Eligibility

Preparation of a CWPP includes:

- Local wildfire risk assessments.
- Creation of community wildfire awareness programs and empowerment for homeowners and stakeholders.
- The formation of new Firewise communities.
- Support and encourage innovative ideas pertaining to wildland urban interface issues.
- Evaluate programs at the local level to increase mitigation options throughout the state.
- Provide leadership for encouragement of stand-alone programs.
- Encourage opportunities for local communities within the county to address wildland urban interface issues.

2.3 Desired Results

In the State-Wide CWPP Grant Program, it is estimated that county and community personnel, or their designee, will develop a CWPP that will effect community changes in the following ways:

- The preparation of a CWPP.
- Local wildfire risk assessments, in conjunction with the responsible fire departments.
- GIS-based project area maps.
- Encourage homeowners to have some type of defensible space clearing on their property.
- Heighten public awareness of wildland urban interface issues and concerns.

Section III. --Administrative Requirements

3.1 Authority

All awardees must provide an official resolution, passed by the organization's governing body, which sanctions the project, commits the organization to the project, and designates an individual who will execute the agreements.

Note: Authorizing resolutions do not need to be submitted until project funding is approved, but they must be on file before grant payments will be made.

3.2 Grant Requirements

The maximum grant to develop a CWPP project is \$10,000. A limit of one application per county or community will be considered. TFS reserves the right to amend grant funding limits.

3.3 Cost Period

The grant cost period will begin upon effective date of Subrecipient Agreement and end on the termination date specified in the Subrecipient Agreement. Grant payments will be made upon receipt and approval of required documentation and upon passing TFS review of CWPP (see **Section V -- Project Inspection & Reporting**).

3.4 Grant Expenditures

Grant funds may be used to contract with a qualified professional with experience in the preparation of an approved CWPP. All purchases of materials involving grant funds must conform to the General Procurement Standards in 2 CFR 200.318. Minority-owned, women-owned, and other Historically Underutilized Businesses (HUB) should be encouraged to bid on these jobs. Contracted services must be awarded based on competitive proposals.

If an application is selected for award funding under the State-Wide CWPP Grant Program, the awardee must ensure that it complies with all applicable local, state, and federal laws. Awardees who receive more than \$500,000 annually from federal sources will be required to submit a copy of their OMB A-133 audit to TFS.

3.5 Prior Approval

The work eligible for payment under the grant may not begin before the effective date of the Subrecipient Agreement.

3.6 Record Keeping

Awardees must maintain project records in accordance with all applicable federal regulations as specified in 2 CFR 200. This includes the following: (1) records shall comply with generally accepted accounting principles (2 CFR 200.49 and 2 CFR 200.302) and (2) records will be maintained for three years following payment (2 CFR 200.333).

Section IV. --Procedures for Awarding Grants

4.1 Allocation of Funds

Grant funds will be awarded using a competitive matrix, based on the intent to develop a new CWPP or update an existing CWPP and Communities at Risk as determined by the Texas Wildfire Risk Assessment Portal (TxWRAP).

4.2 Funding Evaluation Criteria

Minimum requirements of a CWPP:

- Form a core working group made up of representatives from the appropriate local governments, local

State-Wide Community Wildfire Protection Plan Grant Program

- fire authority, law enforcement, federal partners and the Texas A&M Forest Service.
- Contact and involve other land management agencies as appropriate.
- Contact and encourage active involvement in plan development from a broad range of interested organizations and stakeholders.
- Work with partners to establish a baseline map of the community that defines the community's WUI and displays inhabited areas at risk, forested area that contain critical human infrastructure and forested areas at risk for large-scale fire disturbance.
- Work with partners to develop community risk assessments for each Community at Risk, as identified by TxWRAP, that considers fuel hazards; risk of wildfire occurrence; homes, businesses, and essential infrastructure at risk; other community values at risk; and local preparedness capability (TFS shall provide assessment templates).
- Rate the level of risk for each factor and incorporate into the base map as appropriate.
- Use the base map and community risk assessments to facilitate at least three collaborative community discussions that lead to the identification of local priorities for fuel treatment, reducing structure ignitability, and other issues of interest such as improving fire response capability.
- Clearly indicate whether priority projects are directly related to protection of communities and essential infrastructure or to reducing wildfire risk to other community values.
- Develop a detailed implementation strategy to accompany the CWPP Include a tracking sheet of all stakeholder meetings, which indicates date and topic of the meeting.
- Finalize the CWPP and communicate the results to the community and key partners.

(See Texas A&M Forest Service's "**Community Wildfire Protection Plan Guide**" at <http://tfsweb.tamu.edu/uploadedFiles/FRP/New - Mitigation/Unsafe Debris Burning/CWPP2.pdf> and "**A Leader's Guide to Developing Community Wildfire Protection Plans**" at [http://tfsweb.tamu.edu/uploadedFiles/FRP/New - Mitigation/Unsafe Debris Burning/CWPP%20leaderguide\(1\).pdf](http://tfsweb.tamu.edu/uploadedFiles/FRP/New - Mitigation/Unsafe Debris Burning/CWPP%20leaderguide(1).pdf))

4.3 CWPP Review Team

A grant application review team will consist of TFS members of the Mitigation & Prevention Department.

4.4 Execution of Agreements and Documents

Awardees will enter into a contract, called a Subrecipient Agreement, with TFS. The Subrecipient Agreement will stipulate what is to be accomplished with the grant, payment terms for the grant, methods used to determine compliance, and any penalties or actions which TFS will take in the event of noncompliance. The Subrecipient Agreement will also release TFS from any liability associated with contractors, volunteers or city employees working on this project.

Along with the Subrecipient Agreement, each awardee must sign certain "Assurances and Certifications," which describe the federal laws with which it must comply. It will be the responsibility of the awardee to ensure that all documents are fully executed within a period of 30 days after receiving the Subrecipient Agreement packet. Failure to comply with this schedule may result in the grant offer being withdrawn.

4.5 Timetable

All applications for assistance under this program must be sent to:

Texas A&M Forest Service
Mitigation & Prevention Office
Attn: CWPP Coordinator
2127 S. First Street
Lufkin, TX 75901

Awardees must return the signed Subrecipient Agreement packet within 30 days of receipt. All grant awards are contingent upon receipt of federal funding by TFS.

Section V. --Project Inspection, Reporting, & Payment

5.1 Review of Projects

TFS reserves the right to inspect projects at any time. All educational materials developed (signage or written) must be reviewed by a TFS Mitigation and Prevention representative prior to final printing to insure that TFS CWPP standards are met. Project work not in compliance must be corrected before the work will be approved and grant payments will be made.

5.2 Project Completion Report

Within 30 days of project completion, the awardee must send the CWPP Coordinator at Texas A&M Forest Service an accounting of the project that includes **one hard copy and one electronic copy of the following:**

- (1) The final report detailing the accomplishments of the project and any publicity it generated.
- (2) The completed CWPP.
- (3) All supporting documentation (documents, materials, and brochures).

5.3 Payments to Grant Awardees

Awardee must submit invoice for payment directly to the CWPP Coordinator, Texas A&M Forest Service. No payments will be made until all proper paperwork has been received and approved by the State-Wide Community Wildfire Protection Plan Grant Program application review team.

Section VI. --Application Instructions

6.1 Application Period

The closing date for CWPP grant applications is when all funds have been awarded. All projects will have the same reporting requirements. Priority will be given to applications received prior to October 15, 2015.

Applications should be mailed to:

Texas A&M Forest Service
Mitigation & Prevention Office
Attn: CWPP Coordinator

**CERTIFICATION REGARDING
DRUG-FREE WORKPLACE REQUIREMENTS (GRANTS)
ALTERNATIVE I - FOR GRANTEEES OTHER THAN INDIVIDUALS**

This certification is required by the regulations implementing Sections 5151-5160, of the Drug-Free Workplace Act of 1988 (Pub. L. 100-690, Title V, Subtitle D; 41 U.S.C. 701 et seq.), 7 CFR Part 3017, Subpart F, Section 3017.600, Purpose. The January 31, 1989, regulations were amended and published as Part II of the MAY 25, 1990, Federal Register (pages 21681-21691). Copies of the regulations may be obtained by contacting the Department of Agriculture agency offering the grant.

(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS ON REVERSE)

Alternative I

A. The grantee certifies that it will or will continue to provide a drug-free workplace by:

(a) Publishing a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession, or use of a controlled substance is prohibited in the grantee's workplace and specifying the actions that will be taken against employees for violation of such prohibition;

(b) Establishing an ongoing drug-free awareness program to inform employees about —

(1) The dangers of drug abuse in the workplace;

(2) The grantee's policy of maintaining a drug-free workplace;

(3) Any available drug counseling, rehabilitation, and employee assistance programs; and

(4) The penalties that may be imposed upon employees for drug abuse violations occurring in the workplace;

(c) Making it a requirement that each employee to be engaged in the performance of the grant be given a copy of the statement required by paragraph (a):

(d) Notifying the employee in the statement required by paragraph (a) that, as a condition of employment under the grant, the employee will —

(1) Abide by the terms of the statement; and

(2) Notify the employer in writing of his or her conviction for a violation of a criminal drug statute occurring in the workplace no later than five calendar days after such conviction;

(e) Notify the agency in writing, within 10 calendar days after receiving notice under subparagraph (d)(2) from an employee or otherwise receiving actual notice of such conviction. Employers of convicted employees must provide notice, including position, title, to every grant officer on whose grant activity the convicted employee was working, unless the Federal agency has designated a central point for the receipt of such notices. Notice shall include the identification number(s) of each affected grant;

(1) Taking appropriate personnel action against such an employee, up to and including termination, consistent with the requirements of the Rehabilitation Act of 1973, as amended; or

(2) Requiring such employee to participate satisfactorily in a drug abuse assistance or rehabilitation program approved for such purposes by a Federal, State, or local health, law enforcement, or other appropriate agency;

(g) Making a good faith effort to continue to maintain a drug-free workplace through implementation of paragraphs (a), (b), (c), (d), (e) and (f).

B. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant:

Instructions for Certification

1. By signing and submitting this form, the grantee is providing the certification set out on pages 1 and 2.
2. The certification set out on pages 1 and 2 is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, the agency, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.
3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If know, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.
4. Workplace identifications must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio studios).
5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).
6. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules:

"Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15);

"Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body charged with the responsibility to determine violations of the Federal or State criminal drug statutes;

"Criminal drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance;

"Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including: (i) all "direct charge" employees; (ii) all "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and, (iii) temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if sued to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

ASSURANCES - NON-CONSTRUCTION PROGRAMS

Public reporting burden for this collection of information is estimated to average 15 minutes per response, including time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of this collection of information, including suggestions for reducing this burden, to the Office of Management and Budget, Paperwork Reduction Project (0348-0040), Washington, DC 20503.

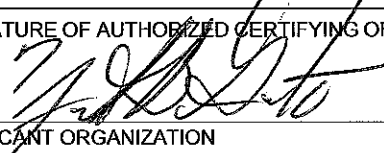

PLEASE DO NOT RETURN YOUR COMPLETED FORM TO THE OFFICE OF MANAGEMENT AND BUDGET. SEND IT TO THE ADDRESS PROVIDED BY THE SPONSORING AGENCY.

NOTE: Certain of these assurances may not be applicable to your project or program. If you have questions, please contact the awarding agency. Further, certain Federal awarding agencies may require applicants to certify to additional assurances. If such is the case, you will be notified.

As the duly authorized representative of the applicant, I certify that the applicant:

1. Has the legal authority to apply for Federal assistance and the institutional, managerial and financial capability (including funds sufficient to pay the non-Federal share of project cost) to ensure proper planning, management and completion of the project described in this application.
2. Will give the awarding agency, the Comptroller General of the United States and, if appropriate, the State, through any authorized representative, access to and the right to examine all records, books, papers, or documents related to the award; and will establish a proper accounting system in accordance with generally accepted accounting standards or agency directives.
3. Will establish safeguards to prohibit employees from using their positions for a purpose that constitutes or presents the appearance of personal or organizational conflict of interest, or personal gain.
4. Will initiate and complete the work within the applicable time frame after receipt of approval of the awarding agency.
5. Will comply with the Intergovernmental Personnel Act of 1970 (42 U.S.C. §§4728-4763) relating to prescribed standards for merit systems for programs funded under one of the 19 statutes or regulations specified in Appendix A of OPM's Standards for a Merit System of Personnel Administration (5 C.F.R. 900, Subpart F).
6. Will comply with all Federal statutes relating to nondiscrimination. These include but are not limited to: (a) Title VI of the Civil Rights Act of 1964 (P.L. 88-352) which prohibits discrimination on the basis of race, color or national origin; (b) Title IX of the Education Amendments of 1972, as amended (20 U.S.C. §§1681-1683, and 1685-1686), which prohibits discrimination on the basis of sex; (c) Section 504 of the Rehabilitation Act of 1973, as amended (29 U.S.C. §794), which prohibits discrimination on the basis of handicaps; (d) the Age Discrimination Act of 1975, as amended (42 U.S.C. §§6101-6107), which prohibits discrimination on the basis of age; (e) the Drug Abuse Office and Treatment Act of 1972 (P.L. 92-255), as amended, relating to nondiscrimination on the basis of drug abuse; (f) the Comprehensive Alcohol Abuse and Alcoholism Prevention, Treatment and Rehabilitation Act of 1970 (P.L. 91-616), as amended, relating to nondiscrimination on the basis of alcohol abuse or alcoholism; (g) §§523 and 527 of the Public Health Service Act of 1912 (42 U.S.C. §§290 dd-3 and 290 ee- 3), as amended, relating to confidentiality of alcohol and drug abuse patient records; (h) Title VIII of the Civil Rights Act of 1968 (42 U.S.C. §§3601 et seq.), as amended, relating to nondiscrimination in the sale, rental or financing of housing; (i) any other nondiscrimination provisions in the specific statute(s) under which application for Federal assistance is being made; and, (j) the requirements of any other nondiscrimination statute(s) which may apply to the application.
7. Will comply, or has already complied, with the requirements of Titles II and III of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (P.L. 91-646) which provide for fair and equitable treatment of persons displaced or whose property is acquired as a result of Federal or federally-assisted programs. These requirements apply to all interests in real property acquired for project purposes regardless of Federal participation in purchases.
8. Will comply, as applicable, with provisions of the Hatch Act (5 U.S.C. §§1501-1508 and 7324-7328) which limit the political activities of employees whose principal employment activities are funded in whole or in part with Federal funds.

9. Will comply, as applicable, with the provisions of the Davis-Bacon Act (40 U.S.C. §§276a to 276a-7), the Copeland Act (40 U.S.C. §276c and 18 U.S.C. §874), and the Contract Work Hours and Safety Standards Act (40 U.S.C. §§327- 333), regarding labor standards for federally-assisted construction subagreements.
10. Will comply, if applicable, with flood insurance purchase requirements of Section 102(a) of the Flood Disaster Protection Act of 1973 (P.L. 93-234) which requires recipients in a special flood hazard area to participate in the program and to purchase flood insurance if the total cost of insurable construction and acquisition is \$10,000 or more.
11. U.S. DEPARTMENT OF AGRICULTURE

Certification Regarding Debarment, Suspension, and Other
Responsibility Matters - Primary Covered Transactions

This certification is required by the regulations implementing Executive Order 12549, Debarment and Suspension, 7 CFR Part 3017, Section 3017.510, Participants' responsibilities. The regulations were published as Part IV of the January 30, 1989, Federal Register (pages 4722-4733). Copies of the regulations may be obtained by contacting the Department of Agriculture agency offering the proposed covered transaction.

(BEFORE COMPLETING CERTIFICATION, READ INSTRUCTIONS ON NEXT PAGE)

- (1) The prospective primary participant certifies to the best of its knowledge and belief, that it and its principals:
 - (a) are not presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from covered transactions by any Federal department or agency;
 - (b) have not within a three-year period preceding this proposal been convicted of or had a civil judgment rendered against them for commission of fraud or a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State or Local) transaction or contract under a public transaction; violation of Federal or State antitrust statutes or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property;
 - (c) are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal, State or Local) with commission of any of the offenses enumerated in paragraph (1) (b) of this certification; and
 - (d) have not within a three-year period preceding this application/proposal had one or more public transactions (Federal, State or Local) terminated for cause or default.
- (2) Where the prospective primary participant is unable to certify to any of the statements in this certification, such prospective participant shall attach an explanation to this proposal.

INSTRUCTIONS FOR CERTIFICATION

1. By signing and submitting this form, the prospective primary participant is providing the certification set out on the reverse side in accordance with these instructions.
2. The inability of a person to provide the certification required below will not necessarily result in denial of participation in this covered transaction. The prospective participant shall submit an explanation of why it cannot provide the certification set out on this form. The certification or explanation will be considered in connection with the department or agency's determination whether to enter into this transaction. However, failure of the prospective primary participant to furnish a certification or an explanation shall disqualify such person from participation in the transaction.
3. The certification in this clause is a material representation of fact upon which reliance was placed when the department or agency determined to enter into this transaction. If it is later determined that the prospective primary participant knowingly rendered an erroneous certification, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.
4. The prospective primary participant shall provide immediate written notice to the department or agency to whom this proposal is submitted if at any time the prospective primary participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
5. The terms "covered transaction," "debarred," "suspended," "ineligible," "lower tier covered transaction," "participant," "person," "primary covered transaction," "principal," "proposal," and "voluntarily excluded," as used in this clause, have the meanings set out in the Definitions and Coverage sections of the rules implementing Executive Order 12549. You may contact the department or agency to which this proposal is being submitted for assistance in obtaining a copy of those regulations.
6. The prospective primary participant agrees by submitting this form that, should the proposed covered transaction be entered into, it shall not knowingly enter into any lower tier covered transaction with a person who is debarred, suspended, declared ineligible, or voluntarily excluded from participation in this covered transaction, unless authorized by the department or agency entering into this transaction.
7. The prospective primary participant further agrees by submitting this form that it will include the clause title "Certification Regarding Debarment, Suspension, Ineligibility and Voluntary Exclusion - Lower Tier Covered Transaction," provided by the department or agency entering into this covered transaction, without modification, in all lower tier covered transactions and in all solicitations for lower tier covered transactions.
8. A participant in a covered transaction may rely upon a certification of a prospective participant in a lower tier covered transaction that it is not debarred, suspended, ineligible, or voluntarily excluded from the covered transaction, unless it knows that the certification is erroneous. A participant may decide the method and frequency by which it determines the eligibility of its principals. Each participant may, but is not required to, check the Nonprocurement List.
9. Nothing contained in the foregoing shall be construed to require establishment of a system of records in order to render in good faith the certification required by this clause. The knowledge and information of a participant is not required to exceed that which is normally possessed by a prudent person in the ordinary course of business dealings.
10. Except for transactions authorized under paragraph 6 of these instructions, if a participant in a covered transaction knowingly enters into a lower tier covered transaction with a person who is suspended, debarred, ineligible, or voluntarily excluded from participation in this transaction, in addition to other remedies available to the Federal Government, the department or agency may terminate this transaction for cause or default.

Certification of Contracts, Grants, Loans, and Cooperative Agreements

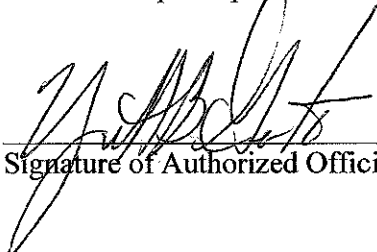

The undersigned certifies, to the best of his or her knowledge and belief, that:

1. No federal appropriated funds have been paid or will be paid, by, or on behalf of, the undersigned, to any person for influencing, or attempting to influence, an officer or employee of an agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with the awarding of any federal contract, the making of any federal grant, the making of any federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any federal contract, grant, loan, or cooperative agreement.
2. If any funds other than federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a member of Congress, an officer or employee of Congress, or an employee of a member of Congress in connection with this federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form-LLL, "Disclosure of Lobbying Activities," in accordance with its instructions.
3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants and contracts under grants, loans, and cooperative agreements), and that all subrecipients shall certify and disclose accordingly.

This certification is a material representative of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by Section 1352, Title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000, and not more than \$100,000, for each such failure.
