Comments:	
Anticipated Future Requirements and Action:	
Procurement Alternative:	Should this contract not be approved, SAPD's Training Academy cadets and field officers may not be properly equipped to combat multiple threat scenarios such as chemical, biological, radiological, nuclear (CBRN) agents, toxic industrial chemicals (TICs) and toxic industrial materials (TIMs). This protective equipment is required to replace the current gas mask kits that have expired. If not approved, replacement gas mask kits would be purchased out of contract and expose the City to increased costs due to non-contract buying.
Using Department (s):	San Antonio Police Department
