**Contract
Specifcics/Notes**

VEHICLE SPECIFICATIONS: This contract is established by a Vehicle Series number outlined in the Texas Fleet Specification No. 071-072-AT-2015. Each vehicle series lists the make and model and all minimum equipment required by the State. The Texas Fleet Specification is referenced throughout these instructions and can be accessed online at: TEXAS FLEET SPECIFICATION NO. 071-072-AT-2015 (pdf) ([http://www.txsmartbuy.com/ShopFlow/Documents/Contract%20Attachments/071-072-STATE OF TEXAS SPECIFICATION AT_2015 \(3\) \(2\).pdf](http://www.txsmartbuy.com/ShopFlow/Documents/Contract%20Attachments/071-072-STATE OF TEXAS SPECIFICATION AT_2015 (3) (2).pdf))

COLORS: Base prices include the manufacturer's standard solid colors. Customers should contact the Contractor for available colors and shades. The color must be specified by the Customer at the ordering time and can be entered in the Line Item note.

OPTIONS: Options will be available in the *Add to Cart* view for each vehicle. Quotes or Charges can also be added in the *Add to Cart - Charges* section.

Any option which is not part of the Texas Standard Equipment including the ones offered by the Contractor at "no cost" must be entered into the system.

This contract is intended to cover the State's normal requirements for fleet vehicles with options that have historical usage and to offer best value for vehicles with options. Items/options that are not specifically listed in this contract may be purchased from the manufacturer's catalog provided by the Contractor. The Contract price for the catalog items offered by each awarded contractor can be found by going to the Contractor's link shown below:

STATE AGENCY EMISSIONS REQUIREMENTS: Effective September 1, 2007, Texas Govt. Code 2158.009 requires that state agencies shall purchase a certain percentage of low-emissions passenger vehicles based on its total vehicle purchases during any state fiscal biennium.

Govt Code 2158.009, LOW-EMISSIONS VEHICLES PURCHASING REQUIREMENT (a) Repealed by Acts 2009, 81st Leg., R.S., Ch. 900, Sec. 7, eff. September 1, 2009.

(b) A state agency authorized to purchase passenger vehicles or other ground transportation vehicles for general use shall ensure that not less than 25 percent of the vehicles the agency purchases during any state fiscal biennium, other than the purchase of which is exempted from this subsection by Subsection (c) or (d), are vehicles that meet or exceed the emissions standards necessary to be rated by the United States Environmental Protection Agency as a Tier II, Bin 3, emissions standard vehicle that has a greenhouse gas score of eight under regulations of that agency as they existed September 1, 2007.

(c) A state agency is exempt from Subsection (b) to the extent that a vehicle described by that subsection that meets the agency's operational needs is not commercially available.

(d) Subsection (b) does not apply to a state agency's purchase of a vehicle to be used by a peace officer, as defined by Article 2.12, Code of Criminal Procedure, whose duties include the apprehension of persons for violation of a criminal law of this state.

STATE AGENCY DOCUMENTATION: Texas Fleet Management program requires that the State Agency's procurement file must be documented with one of the following clauses:

- **This agency operates 15 or less motor vehicles, excluding law enforcement or emergency vehicles, and is not subject to alternative fuel requirements.**
- **This agency operates more than 15 vehicles, excluding law enforcement or emergency vehicles. This purchase is for an alternative fuel vehicle.**
- **This agency operates more than 15 vehicles, excluding law enforcement or emergency vehicles. This purchase is for a vehicle that will be converted to alternative fuel prior to being placed in service.**
- **This agency operates more than 15 vehicles, excluding law enforcement or emergency vehicles. This purchase is for a law enforcement or emergency vehicle.**
- **A valid, current waiver number is on file with the Comptroller of Public Accounts (CPA) for this vehicle.**
- **This agency is exempt from Texas Government Code, Chapter 2158, and Section 2158.009, Subsection (b) to the extent that a vehicle described by that subsection is either not commercially available or the primary vendor does not meet the agency's operating requirements. A detailed written justification must be included in the procurement file which is subject to audit.**

Texas Inspection Sticker shall be attached prior to delivery to the receiving entity (2 year Inspection Sticker for vehicles through ¾ ton pickups and 1 year Inspection Sticker for 1 ton trucks and up, excluding cab and chassis units delivered without bodies).</p>
<p>Warranty Details</p>	<p>Unless the Customer has purchased an extended warranty, the warranty shall be in accordance with the Texas Fleet Specification, Section A.12.</p>
<p>Adding New Products to the Contract</p>	<p>Following the contract award, additional products or services of the same general category that could have been encompassed in the award of this contract, and that are not already on the contract, may be added. TPASS customers are encouraged to request additional items by contacting the TPASS Contract Management Office.</p>
<p>Delivery Delays by Contractor</p>	<p>Default in promised Delivery Days After Receipt of Order (ARO) without accepted reasons or failure to meet specifications authorizes the Customer to purchase goods and services of this contract elsewhere and charge any increased costs for the goods and services, including the cost of re-soliciting, to the Contractor.</p> <p>LATE DELIVERY FEE: The ordering entity will have the option to charge the vendor a fee of \$50 per vehicle per day for late delivery. Late fee applies ONLY when vendor has not requested and received PRIOR WRITTEN approval from the ordering entity, to make delivery after the number of days established by the contract or the purchase.</p> <p>Providing vehicle(s) which do not meet all specification requirements does not constitute delivery, and the late fee will continue to accrue until the vendor delivers vehicles in full compliance with the specifications to the ordering entity's FOB point. The ordering entity will have the option to deduct any accumulated late delivery fees prior to payment of the invoice. All late deliveries shall be recorded in Vendor Performance Tracking System (VPTS) by the Customer and the Contractor shall be required to submit a corrective action plan to CPA.</p>
<p>Compliant Products by Contractor</p>	<p>Failure to pay a damage assessment is cause for contract cancellation and/or debarment or removal of the contractor, as applicable, from the State Centralized Master Bidders List (CMBL Compliant Products by Contractor Delivery does not occur until the Contractor delivers products, materials or services in full compliance with the specifications to Customer F.O.B. destination, unless delivery is specifically accepted, in whole or in part, by the Customer. Providing products, materials or services which do not meet all specification requirements does not constitute delivery.</p>
<p>Purchase Order Cancellation</p>	<p>The Customer may request that a Contractor cancel a specific line item or an entire purchase order. There shall be no fees charged for cancellation of an item and/or order prior to shipment by the Contractor. The cancellation must be processed through the TxSmartBuy system.</p>

<p>Restocking Fee for Returned Products</p>	<p>The Customer may request that a Contractor accept return of products already delivered. If the return is required through no fault of the Contractor, the Contractor may request a reasonable restocking charge. The Customer may pay a restocking charge if the CPA or Customer determines that the charge is justifiable. As a guideline, such charges shall not exceed 10%.</p>
<p>Substitutions</p>	<p>During the Contract term, the Contractor shall not substitute a product or brand unless the Contractor has obtained prior written approval from the TCMO in coordination with the Customer. The Contractor must have written confirmation from the TCMO of the substitution before making delivery.</p>
