Mayor Taylor opened the Public Hearing on the Comprehensive Development Agreement among the City of San Antonio, Weston Urban LLC and Frost Bank for the purchase of the Frost Bank Tower and adjacent garage by the City; the sale of City-owned properties to Weston Urban LLC to facilitate the development of 265 residential units in the central business district; and the construction of a Class A office tower in downtown San Antonio to be occupied by Frost Bank. She stated that the hearing was being held in accordance with Chapter 2267 of the Texas Government Code and the City's adopted Public-Private Partnership Guidelines.

Lori Houston presented the Downtown Public Private Partnership (P3) noting that they had received the proposal in August 2014. She stated that the transaction would include the sale of three properties: 1) Municipal Plaza Building, 2) San Fernando Gym, and 3) Surface Parking Lot at 403 N. Flores Street. She noted that the City would purchase the Frost Bank Tower which would allow for the consolidation of City Operations. She reported that Weston Urban would build a new tower to serve as the Frost Bank Headquarters located at the current Frost Motor Bank Site. She indicated that this would be the first Office Tower in the Downtown Area in 26 years and that 265 Downtown Housing Units would be built. She stated that the City of San Antonio would sell the Municipal Plaza Building but retain the City Council Chambers including Mezzanine Levels M and 1, as well as the B Room. She noted that Weston Urban would purchase Floors 2 through 11, Plaza Room C, and the remaining Plaza Rooms. She indicated that they would redevelop the property into 65 housing units and 3,500 square feet of retail on the Commerce Street Frontage. She mentioned that the operations at San Fernando Gym would be relocated to another facility and Weston Urban would redevelop the property for housing. She added that they would develop the surface lot at 403 N. Flores along with property they own nearby into 130 housing units.

Mrs. Houston stated that the City of San Antonio would acquire the Frost Bank Tower which includes 445,617 square feet and a 732-space parking garage. She noted that the building was connected to the Municipal Plaza Building via a tunnel. She reported that on October 17, 2014, a competing proposal was received from Primera Partners proposing a direct sale of the Riverview Towers located at 111 Soledad Street. However, the City of San Antonio did not pursue the competing proposal as it did not have parking or other economic benefits that would be realized by the Weston Urban Proposal. She stated that they hired the Glen Company to complete a Fair Market Appraisal of the Frost Bank Tower which came in at \$47.5 Million. She mentioned that a Space Needs Analysis was completed to determine how much of the Frost Bank Tower that the City would occupy utilizing an open space floor plan. It was determined that the City would utilize 12 floors, the Basement Level, and some of the Street Level. She noted that the City could lease out six floors to third party office users and the remaining Street Level Space to retail users. She reported that a Building Assessment was conducted for the Frost Bank Tower which identified \$6.7 Million in improvements. She indicated that a 30-Year Cash Flow Analysis showed a net savings of \$1.2 Million to the City Budget over 30 years. She added that staff was exploring other opportunities to increase the net savings to include the disposition and sale of the Continental Hotel Building and property at 506 Dolorosa. She mentioned that they were also exploring the opportunity to relocate ITSD from their office on Frio Street to the Frost Bank Tower.

Mrs. Houston reported that the transaction would be memorialized in a Comprehensive Development Agreement (CDA) between the City of San Antonio, Weston Urban, and Frost Bank. She stated that the CDA would include several other agreements and contracts as exhibits to include the following: 1) Real Estate Contract for the purchase of the Frost Bank Tower; 2) Real Estate Contracts for the purchase of the three City Properties; 3) Master Lease Agreement for Frost Tower to be occupied by Frost Bank during the construction of the New Tower; 4) Development and Incentive Agreement for the construction of the New Tower and housing projects; 5) Pre-Paid Purchase Price Deposit; 6) Parking Lease Agreement for 85 spaces in the Frost Bank Garage; and 7) Lease/License Agreement for shared use of the tunnel that connects Frost Bank to the Municipal Plaza Building.

Mrs. Houston stated that the City of San Antonio would purchase the Frost Bank Tower for \$51 Million. She noted that Frost would provide the City with at least \$1.9 Million toward the \$2.9 Million of improvements needed for the building through a lease arrangement during the 36-month Master Lease Period. She added that the City would deposit \$5.5 Million as the Pre Paid Purchase for the Frost Bank Tower which will be applied to the Purchase Price at closing. She stated that Weston Urban would construct a 400,000 square foot Tower at the Frost Motor Bank Location to include a Parking Garage. She noted that Frost Bank would occupy 250,000 square feet of the Tower. She outlined the incentives to include a SAWS Impact Fee Waiver and other City Fee Waivers as prescribed in the Inner City Reinvestment Infill Policy (ICRIP). She added that Weston Urban would purchase three properties from the City which when combined with the properties that Frost will sell to Weston Urban, will facilitate the construction of at least 265 Housing Units.

Mrs. Houston explained that the design effort for the New Tower would take 12 months and would be completed in the Summer of 2016. She stated that the new City Administrative Office Tower would be ready for move-in by Spring of 2020. She added that Weston Urban would renovate the Municipal Plaza for housing and anticipated completion in the Spring of 2023. She highlighted the consolidation and economic development benefits and outlined next steps.

Having heard all comments from those citizens wishing to be heard, Mayor Taylor closed the Public Hearing.
