**WHEREAS**, pursuant to Texas Government Code §2054.0565, the City of San Antonio ("City") is not required to conduct its own competitive bidding when utilizing contracts procured by the Texas Department of Information Resources ("DIR"); and

**WHEREAS**, the DIR provides a portfolio of contracts with competitively bid pricing that are awarded in accordance with all state procurement laws and rules applicable to Texas state agencies for information technology products and services; and

**WHEREAS**, on November 19, 2009, City Council passed Ordinance 2009-11-19-0904 to allow the City to utilize the Texas Department of Information Resources ("DIR") contracts to provide the City with information technology equipment, software, and maintenance and support services; and

**WHEREAS**, City Council passed Ordinance 2011-10-20-0851, Ordinance 2013-01-10-0014, Ordinance 2015-03-12-0179, Ordinance 2016-06-30-0527, Ordinance 2017-11-09-0893, Ordinance 2019-04-04-0280, and Ordinance 2020-04-16-0272 to continue to allow the City to utilize the DIR contracts; and

**WHEREAS**, by utilizing these DIR contracts, the City has been able to leverage the purchasing power of the State of Texas to realize cost and resource savings as well as other advantages and conveniences in procuring information technology products and services, including reduced solicitation and negotiating time, consistent contract terms and conditions, and consistency in the products and services available; and

**WHEREAS**, the City wishes to continue to utilize these DIR contracts in an additional amount of up to \$51,322,058.00 for various City departments to purchase information technology equipment, software, and maintenance and support services as needed and dependent upon available funds within their adopted budgets; **NOW THEREFORE:**

**BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:**

**SECTION 1.** The continued use of the contracts portfolio of the State of Texas Department of Information Resources to purchase information technology equipment, software, professional and technical services, telecommunications services, and maintenance and
