City, Landlord and Tenant have made and entered into an agreement of even date herewith (the "*Master Agreement*") whereby, among other things, City has agreed to undertake and perform certain obligations with respect to the performance of maintenance operations for identified portions of the Premises for a limited duration, as therein set forth.

NOW, THEREFORE, in consideration of the foregoing Recitals and the mutual covenants and agreements contained herein, Landlord and Tenant do hereby agree as follows:

ARTICLE I DESCRIPTION OF PREMISES; TERM

1.1 <u>Premises</u>. Subject to the Permitted Encumbrances, Landlord hereby leases to Tenant, and Tenant hereby leases from Landlord, the Premises to be developed, improved, occupied and used solely for the Permitted Uses.

1.2 <u>Term.</u> This Lease shall commence on the Effective Date and shall expire at 11:59 p.m., local time, on December 31, 2113 (the "*Term*"), unless terminated on an earlier date according to the terms of this Lease.

ARTICLE II PERMITTED USES

- 2.1 <u>Permitted Uses.</u> With respect to any portion of the Premises subject to a Development Sublease, such portion of the Premises shall be used, occupied, developed and improved solely for the purposes permitted in the Development Sublease. With respect to any portion of the Premises not subject to a Development Sublease, such portion of the Premises may be used for such purposes that are (a) consistent with the use of that portion of the Premises as of the Effective Date of this Lease, or on the date on which any Development Sublease covering such portion of the Premises has expired or terminated according to its term, or (b) approved by the City Manager or the City Manager's designee.
- 2.2 <u>Non-Discrimination</u>. Tenant shall not discriminate against any person or persons because of race, color, religion, national origin, age, sex, sexual orientation, gender identity, veteran status or disability in the development, improvement and conduct of operations on the Premises.
- 2.3 <u>Prohibited Uses</u>. Neither Tenant nor any Subtenant shall install or permit the installation on the Premises of a "wireless communication system" (as that term is defined in the Unified Development Code of the City of San Antonio as of the Effective Date or may be hereafter amended or supplemented, and including any other terminology therein having the same or similar meaning).

ARTICLE III DEVELOPMENT SUBLEASES AND ENCUMBRANCE OF SUBLEASE PREMISES

- 3.1 <u>Development Subleases</u>. Tenant may not transfer or assign its interest under this Lease, in whole or in part, or sublet the Premises, in whole or in part, without the prior, written approval of Landlord, which approval shall be obtained prior to the execution of any such sublease by Tenant (such an approved sublease being referred to herein as an "*Development Sublease*") and may be given or withheld in Landlord's sole discretion. Upon approval of each Development Sublease, Landlord and Tenant shall request that City release its Reserved Rights with respect to the portion of the Premises subject to such Development Sublease. Notwithstanding the foregoing, Landlord hereby delegates to the City Manager and the City Manager's designee the right to approve subleases (the "*Minor Subleases*") within the existing buildings on the Premises identified on <u>Exhibit B</u> (the "*Existing Buildings*") and any such Minor Sublease shall not be considered to be a Development Sublease under this Lease.
- 3.2 <u>No Encumbrance of Landlord's Interests</u>. Irrespective of any terms set forth in any Development Sublease or Minor Sublease, Landlord will not be required to encumber its fee simple estate in the Premises with any lien or other encumbrance whatsoever and will not be obligated to execute or subordinate its interest in the Premises to any Leasehold Mortgage securing any indebtedness of any Subtenant or Tenant. Neither Tenant nor any Subtenant may grant any

underground, surface or aerial easements encumbering any part of the Land without first obtaining Landlord's approval unless such easements expressly terminate upon the termination of this Lease or the Development Sublease (as applicable).

- 3.3 <u>Non-Disturbance and Attornment</u>. Landlord, at the request of a Tenant or Subtenant, shall enter into non-disturbance and attornment agreements with one or more Leasehold Lenders in a form reasonably acceptable to Landlord.
- 3.4 <u>Notice of Default</u>. Each Development Sublease shall obligate each party to the Development Sublease to provide to Landlord copies of any notice(s) of default given by such party to the other party at the same time that such notice(s) of default are given.
- 3.5 <u>Tenant's Right to Finance</u>. Tenant shall not have the right to mortgage its leasehold estate under this Lease unless it obtains the prior written consent of Landlord, to be given or withheld in Landlord's sole discretion.
- 3.6 <u>Subtenant's Leasehold Mortgage</u>. If authorized under the terms of a Development Sublease, a Subtenant may encumber its leasehold estate thereunder by a Leasehold Mortgage that is consistent with the terms of the Development Sublease.
- 3.7 <u>Covenant to Enforce</u>. Tenant covenants and agrees to enforce the payment and performance obligations of each Subtenant under each Development Sublease and Minor Sublease.
- 3.8 <u>Right of Re-Entry</u>. Landlord reserves the right of ingress and egress for its agents, employees and permittees over and across the Premises for all reasonable purposes of Landlord. The exercise of such rights by Landlord shall not unreasonably interfere with or disturb the operations of Tenant or any Subtenant and Landlord shall give reasonable notice (not less than 48 hours) prior to exercising such rights, except in the case of an emergency.

ARTICLE IV RENT AND EXPENSES

- 4.1 <u>Base Rent</u>. For each calendar year during the Term, Tenant agrees to pay in advance the sum of Ten Dollars (\$10.00) (the "*Base Rent*"). Base Rent for the first year shall be payable upon execution of this Lease, and thereafter on or before January 1 of each succeeding calendar year. The Base Rent shall be paid in lawful money of the United States of America, at such place or places as Landlord may from time to time designate. The obligations of Tenant hereunder shall be separate and independent covenants and agreements, and the Base Rent, Additional Rent (defined below), and all other sums payable by Tenant hereunder shall continue to be payable in all events without deduction or offset, prior notice or demand.
- 4.2 <u>Other Expenses</u>. Tenant shall pay directly all expenses of every kind and nature relating to or arising from the Premises, including Impositions and expenses arising from the leasing, management, operation, maintenance, repair, use or occupancy of the Premises, except only as otherwise expressly provided in this Lease. In the event that City shall pay certain of the

foregoing expenses, as provided under the terms of the Master Agreement, Landlord shall accept City's payment as satisfaction of the Tenant's obligation to pay the expenses so paid by City.

- 4.3 <u>Net Lease</u>. This is an absolutely net lease. Accordingly, Landlord shall not have any liability or responsibility for any expense or charge for the Premises (except as otherwise provided in this Lease).
- 4.4 <u>Impositions</u>. Throughout the Term, Tenant shall pay, or cause to be paid, all Impositions as and when same shall become due and payable, provided that Tenant may pay any Imposition in installments if permitted by Law. Notwithstanding the foregoing, Tenant shall not be responsible for any Impositions that accrued prior to the Commencement Date, or any fines, fees, charges, penalties or interest imposed by any Governmental Authority with respect to periods of time prior to the Commencement Date or with respect to any violation of Law issued and outstanding as of the Commencement Date not caused by Tenant.
- a. Tenant shall pay or cause to be paid all Impositions directly to the Governmental Authority charged with the collection thereof and provide to Landlord, upon request, copies or other evidence reasonably satisfactory to Landlord of payment. Tenant may contest or permit a Subtenant to contest the collection or assessment of any Imposition by legal proceedings or other appropriate action. If Tenant so elects to contest or permit a Subtenant to contest such amounts, Tenant shall, prior to the prosecution or defense of any such claim, notify Landlord in writing of its decision to pursue such contest and, to the extent procedurally required and to avoid the consequences of delinquency, Tenant (or the Subtenant) shall pay the amount in question prior to initiating the contest. After the conclusion of such contest, Tenant or the Subtenant (as applicable) shall pay the amount, if any, determined to be due.
- b. If a Leasehold Mortgage requires escrow payments of any Impositions payable by a Subtenant to its Leasehold Lender, such escrow will be evidence of satisfaction of Section 4.4, above, provided that Tenant shall remain obligated to cause all Impositions to be timely paid to the applicable Governmental Authorities in accordance with such Sublease and provide Landlord with proof of timely payment.
- c. If all or any part of an Imposition is refunded (whether through cash payment or credit against future or other Impositions), the party who paid the Imposition to which the refund relates shall be entitled to the refund.
- d. Because the Premises are publicly owned and/or currently used for public purposes, Landlord and Tenant contemplate that Tenant's leasehold estate will be exempt from taxation. If taxes are assessed in the future, Tenant may protest such assessment, as set forth in Section_4.4.a, above. However, in no event shall Landlord be required to join in such protest by Tenant or incur any costs associated with the protest.
- 4.5 <u>Invoices for Additional Rent</u>. Landlord may (but shall have no duty to) invoice Tenant for any amounts representing Additional Rent, and such invoices shall be paid by Tenant within thirty (30) days of the date of such invoice. Landlord's delay in rendering, or failure to render, any statement or bill for Additional Rent for any expense will not waive Landlord's right to thereafter render a statement or collect such Additional Rent for that or any subsequent period.

If Landlord delivers to Tenant an incorrect statement or invoice for any Additional Rent, Landlord shall have the right to give Tenant a corrected statement and to collect the corrected amount without liability of any kind to Tenant.

ARTICLE V DELIVERY OF PREMISES

- 5.1 <u>"AS IS"</u>, "WHERE IS". Except as otherwise expressly provided in this Lease, Tenant hereby accepts the Premises from Landlord on an "AS IS", "WHERE IS" basis with all faults. Tenant hereby accepts the Premises as being in good and satisfactory condition and suitable for Tenant's intended purposes.

OTHER THAN THE MASTER 5.2 AGREEMENT, THIS LEASE CONTAINS THE ENTIRE AGREEMENT BETWEEN LANDLORD AND TENANT WITH RESPECT TO THE SUBJECT MATTER HEREOF AND SUPERSEDES ANY AND ALL PRIOR AND CONTEMPORANEOUS AGREEMENTS, UNDERSTANDINGS, PROMISES AND REPRESENTATIONS MADE BY EITHER PARTY TO THE OTHER CONCERNING THE SUBJECT MATTER HEREOF AND THE TERMS APPLICABLE HERETO OTHER THAN THE MASTER AGREEMENT. LANDLORD'S OBLIGATIONS ARE LIMITED TO THOSE EXPRESSLY SET FORTH IN THIS LEASE. AND SHALL NOT INCLUDE ANY IMPLIED OBLIGATIONS, DUTIES OR WARRANTIES, ALL OF WHICH ARE DISCLAIMED BY LANDLORD AND WAIVED BY TENANT. IN PARTICULAR, AND WITHOUT LIMITING THE FOREGOING, LANDLORD DISCLAIMS, AND TENANT WAIVES, ANY WARRANTY AS TO THE CONDITION OF THE PREMISES (AND ALL IMPROVEMENTS THEREON), THE ACCURACY OF THE LEGAL DESCRIPTION SET FORTH ON EXHIBIT A ATTACHED HERETO, THE EXISTENCE OF ANY ENCROACHMENTS, AND THE MERCHANTABILITY, HABITABILITY, SUITABILITY OR FITNESS FOR ANY PARTICULAR USE OR PURPOSE OF THE PREMISES OR ANY PART THEREOF. TENANT ACKNOWLEDGES THAT TENANT HAS HAD ADEQUATE OPPORTUNITIES TO INSPECT THE PREMISES, ALL IMPROVEMENTS THEREON AND ALL OTHER ASPECTS OF THE PREMISES WHICH ARE CONTAINED IN THIS DISCLAIMER OR OTHERWISE.
- 5.3 <u>Ingress-Egress</u>. Without limiting the foregoing, Landlord makes no representation or warranty of any kind concerning access to and from the Premises, or any part thereof. Tenant shall be solely responsible for securing access to the Premises and all parts thereof.

ARTICLE VI UTILITIES, STORMWATER CONTAINMENT AND INTRASTRUCTURE

- 6.1 <u>Utilities</u>. Landlord shall have no responsibility or liability for the availability, unavailability, discontinuation, use or loss of use of water, wastewater, gas, electricity, sewer, telephone, cable television, Internet, communication services, and all other services and utilities, and the connections or hook-ups for such utilities for the Premises, and any costs associated therewith.
- 6.2 <u>Stormwater Detention</u>. Landlord shall have no responsibility or liability for compliance with any requirements of any Governmental Authority for the capture, containment or detention of stormwater run-off on any part of the Premises.
- 6.3 <u>Utility Infrastructure</u>. Landlord shall no responsibility or liability for the installation of future utility infrastructure or the maintenance or repair of any existing utility infrastructure.
- 6.4 <u>Chilled Water System</u>. Unless waived by Landlord, Tenant and each Subtenant shall be required to obtain chilled water services from the SAWS distribution system in the San Antonio central business district for each of the Improvements, to the extent that such distribution system is available to serve an Improvement and service to that Improvement is reasonably feasible under the circumstances and available technology.

ARTICLE VII INDEMNIFICATION

- 7.1 <u>Indemnity</u>. The parties acknowledge that they are political subdivisions of the State of Texas and are subject to, and comply with the applicable provisions of the Texas Tort Claims Act, as set out in the Civil Practice and Remedies Code, Section 101.001, *et. seq.*, and the remedies authorized therein regarding claims or causes of action that may be asserted by third parties for accident, injury or death.
- 7.2 <u>Landlord's Disclaimer of Liability</u>. Landlord shall not be liable for any bodily or personal injury or property damage to either persons or property sustained by Tenant, its employees, agents, contractors, workers or other persons if caused by any act or omission of Tenant, its employees, agents or contractors or any other occupants of the Premises. Any and all Claims for which Tenant may be held liable under any workers' compensation, unemployment compensation, disability benefits law or under any similar law applicable to such employees, agents, contractors or workers will be the sole obligation and responsibility of Tenant.
- 7.3 Governmental Immunity and Third-Party Rights. The provisions of this Article VII are solely for the benefit of the parties hereto and are not intended to create or grant any rights, contractual or otherwise, to any other person or entity or waive any governmental immunity available to Tenant or Landlord under Texas law or waive any other defenses available to Tenant or Landlord under Texas law.

ARTICLE VIII INSURANCE

- 8.1 Tenant's Insurance Requirements. As of the Effective Date, Tenant shall not be required to carry any insurance under this Lease with the Parties agreeing to rely upon such program of insurance and self-insurance as the City may elect to maintain for the time being with respect to the Landlord Premises. Landlord reserves the right during the Term of the Lease to require insurance coverage and to further modify such insurance coverage requirements and limits when Landlord determines same to be necessary to maintain the insurance coverages at levels that are customary for the uses contemplated herein. Landlord shall be entitled, upon request and without expense, to receive copies of any and all policies, including current and past declaration pages, schedules and all endorsements thereto as they apply to the requirements of this Lease, and may make a reasonable request for deletion, revision, or modification of particular policy terms conditions, limitations or exclusions (except where policy provisions are established by law or regulation binding upon either of the parties hereto or the underwriter of any such policies). Upon such request by Landlord, Tenant shall exercise every reasonable effort to accomplish such changes in policy coverages, and shall pay the cost thereof.
- 8.2 <u>Development Subleases and Minor Subleases</u>. All insurance requirements concerning the Development Subleases and Minor Subleases shall be set forth in the Development Subleases and Minor Subleases.
- 8.3 Notices for Insurance Purposes. So long as such endorsements and coverage is commercially available, any insurance policies required from Tenant hereunder shall provide for notification of Landlord in the event of any notice of cancellation, non-renewal or material change in coverage and shall give such notices not less than thirty (30) days prior to the change, or ten (10) days' notice for cancellation due to non-payment of premiums, which notice must be accompanied by a replacement certificate of insurance. All insurance requirements concerning the Development Subleases and Minor Subleases shall be set forth in the Development Subleases and Minor Subleases.
- 8.4 Right to Purchase Insurance Upon Default. If Tenant fails to secure or maintain insurance required under this Lease, or fails to secure and maintain the aforementioned endorsements, Landlord may (but will have no obligation or duty to) obtain such insurance and shall be reimbursed for the amount of the premiums for such insurance and other related costs by Tenant upon demand and/or deduct and retain such amounts from any sums due to Tenant under this Lease, if any, at Landlord's sole discretion. Procuring of said insurance by Landlord, however, is not the exclusive remedy for failure of Tenant to maintain said insurance or secure said endorsements. In addition to any other remedies Landlord may have upon Tenant's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required or fails to reimburse Landlord if Landlord should elect to purchase any such insurance in accordance herewith, Landlord shall have the right to terminate this Lease.
- 8.5 <u>Governmental Immunity and Third-Party Rights</u>. The provisions of this <u>Article VIII</u> are solely for the benefit of the parties hereto and are not intended to create or grant any rights, contractual or otherwise, to any other person or entity or waive any governmental immunity

available to Tenant or Landlord under Texas law or waive any other defenses available to Tenant or Landlord under Texas law.

ARTICLE IX CASUALTY

- 9.1 <u>Claim Settlement</u>. In the event of a Casualty, Tenant shall give prompt written notice thereof to Landlord. Tenant shall take all actions reasonably and prudently necessary to promptly present claims in accordance with the requirements of the Casualty Loss Insurance. Tenant shall take all actions reasonably and prudently necessary to obtain the maximum recovery provided under the Casualty Loss Insurance and will provide Landlord with regularly updated information concerning the status of such claim or claims. Tenant, as Landlord's agent, will have the authority to settle, compromise, litigate, mediate, appeal or otherwise resolve any and all matters related to a Casualty or the Casualty Loss Insurance, subject to Landlord's approval. At its election, Landlord may participate in any meetings or conferences with insurers to negotiate the settlement or resolution of any disputed claim.
- 9.2 <u>Casualty Notice</u>. Within sixty (60) days after the date of a Casualty, Tenant will deliver to Landlord and the City Manager a notice (a "Casualty Notice") setting forth Tenant's estimate of:
 - a. the scope of the Restoration Work;
 - b. the costs of the Restoration Work; and
 - c. the time required to complete the Restoration Work.

Upon receipt of the Casualty Notice, the City Manager will have a period of sixty (60) days to determine whether or not to authorize Tenant to proceed with the Restoration Work. Unless and until the City Manager has provided notice to Tenant to proceed with the Restoration Work ("Notice to Proceed"), Tenant shall take only such actions as are reasonably and prudently necessary to mitigate harm or loss to the affected property.

- 9.3 Approvals. Following receipt of a Notice to Proceed from the City Manager, Tenant shall submit all proposed plans and specifications for the Restoration Work to the City Manager or his/her designee for review and approval prior to submitting any plans to obtain a building permit (such review and approval to be separate and apart from any approvals which may be required to be obtained from City in the exercise of its municipal authority). In the event the City Manager or his/her designee fails to raise any objection to the proposed plans and specifications within thirty (30) days following their submission to the City Manager or his/her designee, the proposed plans and specifications shall be deemed approved. The City Manager or his/her designee's prior, written approval shall be required prior to any Restoration Work and for any material modification, alteration or amendment of any plans and specifications for such Restoration Work.
- 9.4 <u>Proceeds of Casualty Insurance</u>. In the event of a Casualty for which the City Manager or his/her designee has provided a Notice to Proceed, the Insurance Proceeds will be used

to fund the Restoration Work. Neither Landlord nor Tenant shall have any duty or obligation to contribute or make available any funds for the Restoration Work other than the Insurance Proceeds.

- 9.5 <u>Abatement During Restoration</u>. All obligations of Landlord and Tenant under the terms of this Lease which are inconsistent with the damaged state of the Improvements shall be abated from the date of such Casualty until the restoration and rebuilding of the Improvements to Substantial Completion.
- 9.6 <u>Delivery of Information</u>. In the event of a Casualty, Landlord and Tenant agree to promptly deliver to the other any and all information it has or may receive concerning the Casualty including, without limitation, its causation, the Casualty Loss and the availability of Insurance Proceeds.
- 9.7 <u>Restoration Work</u>. Upon receipt of the Notice to Proceed, Tenant agrees that the Restoration Work shall be undertaken to restore the affected Improvements to the extent reasonably possible with the Insurance Proceeds and any other available funding.
- 9.8 Exclusions. The provisions of this Article IX shall not apply to any damage or destruction of property related to any buildings or Improvements that are subject to a Development Sublease. For purposes of this Lease, a "Casualty" shall not be deemed to include damages to Improvements that are subject to a Development Sublease and "Restoration Work" shall not be deemed to include any work related to Improvements that are subject to a Development Sublease. Landlord and Tenant agree that the terms and conditions of the applicable Development Sublease will govern all rights and obligations related to casualties or restoration work related to the portion(s) of the Premises subject to that Development Sublease.

ARTICLE X CONSTRUCTION STANDARDS

Any and all construction, alterations, renovations, repairs, Restoration Work or other work with regard to the Premises (whether or not undertaken in response to a Casualty) shall be performed, in all material respects, in accordance with the terms of the City Manager or his/her designee's approval under <u>Section 9.2</u> (as applicable to Restoration Work) and the following Construction Standards:

- 10.4 <u>Insurance</u>; <u>Bonds</u>. No work shall commence until Landlord has been provided with insurance coverage and payment and performance bonds reasonably acceptable to Landlord.
- 10.5 <u>Exclusions</u>. The provisions of this <u>Article X</u> shall not apply to any construction, alterations, renovations, repairs, restoration work or other work related to any Improvements that are subject to a Development Sublease. Landlord and Tenant agree that the terms of the applicable Development Sublease will govern all rights and obligations related to any construction, alterations, renovations, repairs, restoration work or other work related to the portion(s) of the Premises subject to that Development Sublease.

ARTICLE XI CONDEMNATION

- 11.1 <u>Conditions for Termination</u>. If all or any part of the Premises should be taken for any public or quasi-public use under applicable Law, or by right of eminent domain or should be sold to the condemning authority in lieu of condemnation, then this Lease shall terminate as to that portion of the Premises taken of the date when physical possession of such Premises is taken by the condemning authority. This Lease shall not terminate as to any portion of the Premises that is not taken.
- 11.2 <u>Restoration Upon Condemnation</u>. If the remaining Premises are capable of restoration to permit the Permitted Uses, the procedures and requirements set forth in this Lease concerning the Restoration Work will apply to the restoration following such taking or sale as if the award in condemnation or consideration received from the condemning authority were the Insurance Proceeds, it being understood that the restoration of any portion of the Premises covered by a Development Sublease shall be governed by the Development Sublease.
- 11.3 <u>Rights to Condemnation Proceeds</u>. For any taking described in <u>Section 11.1</u>, above, Landlord shall be entitled to all of the consideration (whether payment or award) for such Premises so taken or sold, subject to the rights of a Subtenant under a Development Sublease or a Minor Sublease.

ARTICLE XII REPAIRS AND MAINTENANCE

Tenant shall, at its own risk and expense, maintain or cause to be maintained (a) all parts of the Improvements including (without limitation) the equipment, furniture, fixtures, mechanical systems, boiler, plumbing systems, utility connections and infrastructure, lighting systems, sound systems, heating and air conditioning systems or other similar items, all of which shall at all times be kept in first class condition and repair (whether new or restored Improvements), reasonable wear and tear excepted; and (b) all parts of the Improvements free from waste at all times, and in a clean, sanitary and safe condition in accordance with all applicable Law, ordinances, regulations and standards of any governmental authority having jurisdiction over the operation of the Premises. Tenant shall keep or cause to be kept the Premises reasonably neat, clean, and free from dirt or rubbish at all times.

ARTICLE XIII EVENTS OF DEFAULT

13.1 <u>Tenant's Default</u>. An Event of Default by Tenant will exist if:

- a. <u>Monetary Default</u>. Tenant fails to pay or perform any of its monetary obligations under this Lease within thirty (30) days after Landlord has furnished written notice of such default to Tenant.
- b. <u>Insolvency</u>. The sale of Tenant's interest in the Premises (or any part thereof) under attachment, execution or similar legal process, or the making by Tenant of an assignment for the benefit of creditors, or the appointment of a receiver or trustee for the business or property of Tenant, unless such appointment shall be vacated within sixty (60) days of its entry, or Tenant shall make a transfer in fraud of its creditors.
- c. <u>Bankruptcy</u>. The commencement of a case under the Federal Bankruptcy Code by or against Tenant, or the filing of a voluntary or involuntary petition proposing the adjudication of Tenant as bankrupt or insolvent under any state or federal bankruptcy or insolvency law, or an arrangement by Tenant with its creditors, unless the petition is filed by a party other than Tenant and is withdrawn or dismissed within sixty (60) days after the date of its filing.
- d. <u>Termination of Existence</u>. Tenant's existence shall have terminated, whether voluntarily or involuntarily.
- e. <u>Execution or Levy on Premises</u>. A lien, judgment or attachment is filed against any portion of the Land or Improvements (except as permitted under a Sublease) for any other reason, and such lien, judgment or attachment is not released or removed within sixty (60) days of the creation of such lien, by bonding, substitution of collateral or otherwise.
- f. Other Non-Monetary Defaults. Tenant fails to cure a default by Tenant in the performance of any covenant, agreement or obligation of Tenant under this Lease (excluding a default described in Sections 13.1. a through 13.1. e, above) within sixty (60) days after Landlord has furnished to Tenant written notice of such default, provided, however, if such default is curable but cannot reasonably be cured by the exercise of reasonable diligence within such sixty (60) day period, then such failure to cure will not be an Event of Default if (i) within such sixty (60) day period Tenant gives written notice to Landlord setting forth the reasons that such default cannot be cured by the exercise of reasonable diligence within such sixty (60) day period and Tenant's reasonable estimate of the amount of time which will be required to effect such cure, (ii) Tenant commences curative action within such sixty (60) day period and thereafter diligently pursues the curative action, (iii) upon request of Landlord, but in no event more often than monthly, Tenant provides written notice to Landlord of the efforts undertaken by Tenant, the curative work remaining to be done and the estimated time required for completion of the curative action, and (iv) such default is cured within six (6) months from the date of Tenant's receipt of the notice of default.

- 13.2 <u>Remedies</u>. Upon the occurrence of an uncured Event of Default, Landlord may do any one or more of the following:
- a. Terminate this Lease, in which event Tenant shall immediately surrender the Premises to Landlord, and if Tenant fails to do so, Landlord may, without prejudice to any other remedy which it may have for possession or arrearages in rent, enter upon and take possession of the Premises and expel or remove Tenant and any other person who may be occupying said Premises or any part thereof (subject to any Recognition and Non-Disturbance Agreement previously entered into between Landlord and a Subtenant);
- b. Without terminating this Lease, enter upon and take possession of the Premises and expel or remove Tenant and any other person who may be occupying said Premises or any part thereof (subject to any Recognition and Non-Disturbance Agreement previously entered into between Landlord and a Subtenant), and, if Landlord so elects, relet the Premises (subject to any Recognition and Non-Disturbance Agreement previously entered into between Landlord and a Subtenant) on such terms as are reasonable and as Landlord may deem advisable and receive the rent therefor:
- c. Perform, at Landlord's sole election and on behalf and at the expense of Tenant, any obligation of Tenant under this Lease which Tenant has failed to perform and of which Landlord shall have given Tenant notice, the cost of which performance by Landlord, together with interest thereon at the highest lawful rate, shall be payable by Tenant to Landlord upon demand; or
- d. Exercise any other legal or equitable right or remedy which it may have, subject to the non-recourse limitations in this Lease, including the right to enjoin prohibited uses and to specifically enforce the Permitted Uses restrictions of this Lease.
- 13.3 No Election of Remedies, Non-Waiver. If Landlord elects to re-enter or take possession of the Premises after Tenant's default, Tenant hereby waives notice of such re-entry or repossession and of Landlord's intent to re-enter or retake possession. Pursuit of any of the remedies set forth in Section 13.2 above will not preclude pursuit of any other remedies herein provided or provided by Law, nor shall pursuit of any other such remedy constitute a forfeiture or waiver of any rent due to Landlord hereunder or of any damages occurring to Landlord by reason of the violation of any of the terms, provisions and covenants herein contained. Forbearance by Landlord to enforce one or more of the remedies herein provided upon an Event of Default shall not be deemed or construed to constitute a waiver of the Event of Default that is the basis therefor. The loss or damage which Landlord may suffer by reason of termination of this Lease or the deficiency arising by reason of any reletting by Landlord, as above provided, shall include the expense of repossession and of correcting any unrepaired conditions in the Premises.
- 13.4 <u>Re-entry by Landlord</u>. Tenant agrees that any re-entry by Landlord may be pursuant to judgment obtained in forcible detainer proceedings or other legal proceedings or without the necessity for any legal proceedings, as Landlord may elect, and Landlord shall not be liable in trespass or otherwise. Rightful exercise by Landlord of any one or more remedies hereunder granted or otherwise available shall not be deemed to be an acceptance of surrender of the Premises by Tenant, whether by oral agreement or by operation of Law, it being understood

that such surrender can be affected only by the written acceptance by Landlord. No alteration of security devices and no removal or other exercise of dominion by Landlord over the property of Tenant or others at the Premises shall be deemed unauthorized or constitute a conversion, Tenant hereby consenting, after any Event of Default, to the aforesaid exercise of dominion over Tenant's property (or others) within the Premises.

- 13.5 <u>Tenant's Continuing Liability</u>. If Landlord elects to repossess the Premises without terminating this Lease, Tenant shall be liable for and shall pay to Landlord all rent, Sublease Revenue and other indebtedness incurred or accrued to the date of such repossession, plus rent required to be paid by Tenant to Landlord during the remainder of this Lease Term until the date of expiration of the Term as provided for herein, diminished by any net sums thereafter received by Landlord through reletting the Premises during said period (after deducting expenses incurred by Landlord as provided for herein). In no event shall Tenant be entitled to any excess of any rent obtained by reletting over and above the rent herein reserved. Landlord shall use its best efforts to attempt to relet the Premises.
- 13.6 <u>Landlord's Expenses of Enforcement</u>. Following any Event of Default by Tenant, Tenant shall also be liable for and shall pay to Landlord, in addition to any sum provided to be paid above, and all reasonable expenses incurred by Landlord in enforcing Landlord's remedies, including without implied limitation, reasonable attorney's fees.
- 13.7 <u>Remedies in Event of Bankruptcy or Other Proceeding</u>. In addition to Landlord's rights and remedies established by Law or set forth elsewhere in this Lease, upon the occurrence of any insolvency event described in <u>Section 13.1</u>, Landlord shall have the following rights and remedies with respect to Tenant or Tenant as debtor-in-possession or the trustee appointed in any such proceeding, being collectively referred to as "Tenant" only for the purposes of this <u>Section 13.7</u>:
- a. If Tenant assumes this Lease and proposes to assign the same (pursuant to Title 11 U.S.C. § 365, or as the same may be amended) then notice of such proposed assignment, setting forth (x) the name and address of such proposed assignee, (y) all of the terms and conditions of such offer, and (z) the adequate assurance to be provided to Landlord including, without limitation, the assurances referred to in Title 11 U.S.C. § 365(b)(1)(C), as it may be amended, must be provided to Landlord no later than thirty (30) days prior to the date that Tenant shall make application to such court for approval to enter into such assignment, and Landlord shall thereupon have the prior right and option, to be exercised by notice to Tenant given at any time prior to the effective date of such proposed assignment, to accept, or to cause Landlord's designee to accept, an assignment of this Lease upon the same terms and conditions and for the same consideration, if any, as the bona fide offer made by such proposed assignee less any brokerage commissions which may be payable out of the consideration to be paid by such proposed assignee for the assignment of this Lease;
- b. If Tenant assumes this Lease and proposes to assign the same, and Landlord does not exercise its option pursuant to <u>Section 13.7. a</u>, above, in addition to all of Landlord's rights and remedies established by Law or set forth elsewhere in this Lease, Tenant hereby agrees that:

- i. such assignee shall assume in writing all of the terms, covenants and conditions of this Lease and such assignee shall provide Landlord with assurances satisfactory to Landlord that it has the experience in operating facilities having the same or substantially similar uses as the Permitted Use, sufficient to enable it so to comply with the terms, covenants and conditions of this Lease and successfully operate the Premises;
- ii. if such assignee makes any payment to Tenant, or for Tenant's account, for the right to assume this Lease (including, without limitation, any lump sum payment, installment payment or payment in the nature of rent over and above the Base Rent and Impositions payable under this Lease), Tenant shall pay over to Landlord ninety percent (90%) of any such payment; and
 - iii. such assignee shall be a non-profit corporation chartered by City.
- c. All reasonable costs and fees of attorneys and other professionals expended by Landlord as a result of any of the insolvency events described in <u>Section 13.1</u> or in this <u>Section 13.7</u> shall be repaid to Landlord by Tenant upon demand.
- 13.8 <u>Surrender of the Premises</u>. Upon the expiration or earlier termination of this Lease, or upon the exercise by Landlord of its right to re-enter the Premises without terminating this Lease, Tenant shall immediately surrender the Premises and all keys, security codes and other access requirements for the Premises to Landlord, together with all of Tenant's permanent alterations, and all of Tenant's other permanent Improvements in good order, condition and repair, except for ordinary wear and tear and casualty. Upon the expiration of this Lease, Tenant will, if requested by Landlord, execute a Release of Lease, in recordable form, containing Tenant's release of all its interest in the Premises and such other documents as Landlord may reasonably request in connection therewith. The provisions of this <u>Section 13.8</u> are subject to the terms of any Recognition and Non-Disturbance Agreement previously entered into between Landlord and a Subtenant.
- 13.9 Ownership. All Improvements, alterations, additions and betterments to the Premises by Tenant or all Subtenants shall become the property of Landlord on the Expiration Date or earlier date of the termination of this Lease (subject to any Recognition and Non-Disturbance Agreement previously entered into between Landlord and a Subtenant).
- 13.10 Force Majeure. Whenever a period of time is prescribed for the performance of a party's covenant, agreement or obligation under this Lease, other than the covenant, agreement or obligation to pay money, there will be excluded from the computation of such period of time any delay in such party's performance resulting from a Force Majeure Event. Each party shall use commercially reasonable efforts to mitigate delays caused by such Force Majeure Event. When such Force Majeure Event has occurred, each affected party shall provide notice to the other party, within a reasonable time after the Force Majeure Event, of (a) the nature of the Force Majeure Event, (b) the effect of the Force Majeure Event on such party's ability to perform under this Lease, and (c) the expected duration of such inability to perform, if known. When a Force Majeure Event no longer prevents such party from (x) performance of its obligations under this Lease, or (y) satisfying the conditions precedent to such party's obligations, it shall immediately give the

party written notice to that effect and shall resume performance under this Lease no later than two (2) Business Days after the notice is delivered.
