She noted that it could be used as a Hair Salon, Single-Family Residence, or both. Councilmember Warrick asked of the staff recommendation. Mrs. Hernandez replied that the lot was one of two remaining Single-Family Zoned Lots on the block and was adjacent to a Multi-Family Residence. She stated that there was Commercial Zoning on the block and that there were lots that could be developed as Commercial or Apartments. She added that the Hair Salon had one of the lowest impacts of Commercial Use and was a good example of a Conditional Use. Councilmember Warrick asked of the consensus on the Neighborhood Plan from 2001. Mrs. Hernandez stated that the R-4 and Multi-Family Residential Units were consistent with the Urban Low Density Designation. Councilmember Warrick thanked everyone that was in attendance and noted that the case was about land use. Councilmember Gonzales asked staff to speak to the conditional use permit. Mrs. Hernandez stated that staff had analyzed the Site Plan to understand the design. She noted that parking would occur in the rear of the structure and have minimal impact on Perry Court. She added that there were three conditions tied to the conditional use: 1) Must maintain the residential character; 2) Hours of operation are restricted; and 3) Limited to one sign of three square feet on the façade of the property. She stated that the base zoning must be maintained so it remained “Residential.” Councilmember Gonzales asked Mr. Andrew Guerra if he would stay in this location for a while. Mr. Guerra replied that he would like to set roots and retire at this location.

Councilmember Saldaña stated that it was hard to dispute the level of investment by Mr. Guerra and looked to the neighbors for their input. He asked if this was strictly a conditional use for the Hair Salon. Mr. Rod Sanchez confirmed that it was. Councilmember Viagran asked what would occur if the zoning request was denied.
