Re: 2018-2019 Base Repair Task Order Contract Package 11 – Contract Award

Dear Mr. Bayer:

On January 9, 2018 contractor bid proposals for the referenced project were opened and read aloud. Two bid proposals were submitted with none containing errors.

The lowest responsive bidder for this contract is Clark Construction of Texas, Inc. with a total base bid of \$2,139,567.48. Clark Construction is headquartered in San Antonio, TX and has done a significant amount of base repair related projects for the City of San Antonio and others in the surrounding area. Clark Construction has been awarded similar contracts of size and scope in recent years and the City of San Antonio has been pleased with their work. Due to no knowledge of poor performance which would exclude Clark Construction from being recommended for award, LAN recommends the award of this contract to Clark Construction of Texas, Inc. Below is a listing of the contractors who bid on the contract and their total base bids:

- | | |
|--------------------------------------|----------------|
| 1. Clark Construction of Texas, Inc. | \$2,139,567.48 |
| 2. Curran Contracting Company | \$3,421,502.35 |

Attached herewith are the following:

- 1) One (1) pdf copy of the bid tabulations
- 2) One (1) pdf copy of the summary of the low bidder's prices, which is 23.1% below the responsive contractor's bid proposal average and 20.8% below the Engineers Estimate.

If you have any questions, please do not hesitate to contact me at (210) 499-5082, or by email at sjaniol@lan-inc.com.
