

Local Preference Program (LPP) Ordinance

The 82nd Texas Legislature adopted a revision to the law that allowed the City of San Antonio (City) to adopt a policy that would grant contracting preferences to local businesses for certain types of contracts. The City adopted such a policy, known as the Local Preference Program, described in the San Antonio City Code Chapter 2, Article XII, effective for solicitations issued after May 1, 2013.

This solicitation is subject to the Local Preference Program. For more information on the program, refer to the Local Preference Program Identification Form attached to this solicitation.

In order to receive consideration the Local Bidder must complete and return the attached Local Preference Identification Form.

- Column A:** The "Estimated Annual Quantity" is based on the unit of measure used in the "No./Unit" column, where "/" means "per". Example: The estimated annual usage for "200 cases at 150/case for a total quantity of 30,000 bags.
- Columns B, C, D, E:** Enter the Bidder Part Number, Manufacturer Part Number, Manufacturer Name, and Description of the item being offered. If you propose an alternate, it must be of equal or better quality than the item identified in the "Item Description" column.
- Column F:** Enter the Catalog List Price from the published catalog being offered. The Catalog List Price must not exceed two digits to the right of the decimal point. Example: \$11.25 is acceptable. \$11.259 is not acceptable.
- Column G:** Enter the Proposed % Discount from the published catalog being offered for this item. The proposed discount percentage must be the same for this item regardless of packaging size.
- Column H:** Enter the Contract Price for this item. The Contract Price is the Catalog List Price minus the Proposed Discount.
- Column I:** Enter the Unit of Measure of the proposed item. This column will verify that the packaging is equivalent to the unit of measure used in the column "No./Unit".
- Column J:** Enter the quantity contained in each Unit of Measure of item proposed. This column will verify that the packaging of the proposed item is equivalent to the item identified in the "Item Description" column. The intent is to compare same product in 10 oz to 12 oz bottle by ounce, or 150 each per case versus 145 ea per case by each rather than case price.
- Column K, L, M:** Enter the Catalog Name, Catalog Publication Date, and Page Number of the proposed item.
- Column N:** This is the price of the contract price (H) divided by the quantity per unit of measure (J).
- Insert Bidder Name Below:**

Gulf Coast Paper Company

NOTE: GREYED-OUT FIELDS CANNOT BE EDITED.
