**WHEREAS**, in accordance with Section 31.010(b) of the Act, the Board is authorized to enter into agreements to dedicate revenue from the tax increment fund to pay for eligible project costs that benefit the TIRZ; and

**WHEREAS**, on June 15, 2018, the Board adopted Resolution T31 2018-06-15-01R, attached and incorporated in this Agreement as **Exhibit A**, authorizing approval of the negotiation of this Agreement with Developer to provide reimbursement for eligible expenses in an amount not to exceed TWO-MILLION EIGHT-HUNDRED AND SEVENTY-FIVE THOUSAND DOLLARS AND ZERO CENTS (\$2,875,000.00); and

Changes and Amendments of this Agreement, the Parties may extend the deadlines in the Construction Schedule, but not past the expiration of the TIRZ. If the parties cannot reach an agreement on the extension of the Construction Schedule, or if Developer fails to complete the Project in compliance with the revised Construction Schedule, this constitutes a material breach.

6.8 PAYMENT OF APPLICABLE FEES. Developer is responsible for paying Project construction costs of all applicable permit fees and licenses which have not been lawfully waived and are required for construction and completion of the Project.

6.9 INFRASTRUCTURE MAINTENANCE. To the extent this provision is applicable to this agreement, Developer, at its own expense, shall maintain or cause to be maintained all Public Improvements until said improvements' dedication to the City and for one (1) year after Completion as evidenced by written acceptance required by Section 6.4 above. The cost of repair, replacement, reconstruction and maintenance for defects discovered during the first year after Completion shall be paid by Developer or the bond company and shall not be paid out of the TIRZ Fund. After the expiration of the one-year extended warranty bond, the cost of the repair, replacement, reconstruction and maintenance of Public Improvements dedicated to the City shall be the responsibility of the City.

The City and the Board hereby agree that 1) all meetings of the Board as well as all administrative functions shall be coordinated and facilitated by the TIF Unit; and 2) all notices for meetings of the Board shall be drafted and posted by City staff, in accordance with the City Code and state law. TIF Unit authority also extends to control of the Board Agenda in conjunction with established City policy.
- 7.5 ELIGIBLE PROJECT COSTS. Upon review of the TIF Unit staff, the Board shall consider for approval Developer's request(s) for reimbursement of eligible Project costs. Costs shall be considered eligible only if approved by the Board, incurred directly and specifically in the performance of, and in compliance with, this Agreement and with all applicable laws.

- 7.6 COLLECTION OF AD VALOREM TAXES. While this Agreement is effective, the City shall use its best efforts to levy and collect ad valorem taxes due on the TIRZ Property and to contribute the Available Tax Increment toward reimbursing the Developer for the costs of acquiring the Project Site.

## ARTICLE VIII. COMPENSATION TO DEVELOPER

- 8.1 CPPR APPROVAL. Upon (a) the financial and partnership closing for the Tax Partnership Closing; and (b) Developer's purchase of the land constituting the Project Site as evidenced by the delivery to TIF Unit staff of a deed evidencing fee simple title to the Project Site in the name of the Developer; and (c) the commencement of construction as evidenced by Developer's submission to the TIF Unit of true and correct copies of the following documents: (1) executed construction contract, (2) Permit Ready Letter, (3) Notice to Proceed, and (4) secured payment and performance bonds naming the City as an obligee, Developer may submit to the TIF Unit a completed CPPR for a reimbursement of ONE MILLION FOUR HUNDRED THIRTY-SEVEN THOUSAND FIVE HUNDRED DOLLARS AND ZERO CENTS (\$1,437,500.00) comprising 50% of the total TIF Funding Award, which shall be paid to Developer as a part of the Tax Partnership Closing transaction. Upon submission of sufficient proof to the TIF Unit that the development project is 50% complete Developer may submit a completed CPPR for a reimbursement of ONE MILLION FOUR HUNDRED THIRTY-SEVEN THOUSAND FIVE HUNDRED DOLLARS AND ZERO CENTS (\$1,437,500.00) comprising the second payment and 50% of the total TIF Funding Award. Such proof must include, but is not limited to, AIA certification from a Texas-licensed architect that the project is 50% complete. City reserves its right to verify the 50% completion directly with the Texas-licensed architect. Should there be discrepancies in the CPPR or if more information is required, Developer will have thirty (30) calendar days upon notice by the City and/the Board to correct any discrepancy or submit additional requested information. Failure to timely submit the additional information requested by the City may result in the delay of Developer's requested reimbursement.
- 8.2 MAXIMUM REIMBURSEMENT OF DEVELOPER. Following TIF staff review, the Developer shall receive, in accordance with the Project Plan, total reimbursements related to the Project of a maximum of TWO MILLION EIGHT HUNDRED SEVENTY-FIVE THOUSAND DOLLARS AND ZERO CENTS (\$2,875,000.00) on eligible Project Costs.

- e. To reimburse Developers for public improvements, as provided in the applicable Agreements and in the Project Plan to the extent that funds in the TIRZ Fund are available for this purpose.

8.5 SOURCE OF FUNDS. The sole source of the funds to reimburse Developer shall be the Available Tax Increment levied and collected on the real property located in the TIRZ and contributed by the Participating Taxing Entity, in this case the City, to the TIRZ Fund.

8.6 PARTIAL PAYMENTS. If Available Tax Increment does not exist in an amount sufficient to make payments in full when the payments are due under this Agreement, partial payment shall be made in the order of priority required by Section 8.4 above, and the remainder shall be paid as Tax Increment becomes available. No fees, costs, interest, expenses or penalties shall be paid to any party on any late or partial payment.

8.7 INVALID PAYMENTS. If any payment to Developer is held invalid, ineligible, illegal or unenforceable under applicable federal, state or local laws, then and in that event, Developer shall repay such payment in full to the City for deposit into the TIRZ Fund.

#### **ARTICLE X. WORKERS COMPENSATION INSURANCE COVERAGE**

- 10.1 This Article is applicable only to construction of Public Improvements, the costs for which the Developer is seeking reimbursement from the City and the Board, and is not intended to apply to the private improvements made by the Developer.
- 10.2 DEFINITIONS.
- a. *Certificate of coverage ("certificate")* - A copy of a certificate of insurance, a certificate of authority to self-insure issued by the commission, or a coverage agreement (TWCC- 81, TWCC-82, TWCC-83, or TWCC-84), showing statutory workers' compensation insurance coverage for the person's or entity's employees providing services on a Phase of the Project for the duration of the project.
  - b. *Duration of the project* - includes the time from the beginning of the work on the Phase of the Project until the Developer's/person's work on the project has been completed and accepted by the City.
  - c. *Persons providing services on the Project ("subcontractor" in §406.096 of the*

*Texas Labor Code*) - includes all persons or entities performing all or part of the services the Developer has undertaken to perform on the Project, regardless of whether that person contracted directly with the Developer and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the Project. "Services" include, without limitation, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to a Project. "Services" does not include activities unrelated to the Project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.

- 10.3 Developer must provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements that meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the Developer providing services on the Project, for the duration of the Project.
- 10.4 Developer must provide a certificate of coverage to the City prior to being awarded the contract.
- 10.5 If the coverage period shown on the Developer's current certificate of coverage ends during the duration of the Phase of the Project, Developer must, prior to the end of the coverage period, file a new certificate of coverage with the City showing that coverage has been extended.
- 10.6 Developer shall obtain from each person providing services on a project, and shall provide to the City:
  - a. a certificate of coverage, prior to that person beginning work on the Project, so the City will have on file certificates of coverage showing coverage for all persons providing services on the Project; and
  - b. no later than seven (7) days after receipt by Developer, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the Phase of the Project.
- 10.7 Developer will retain all required certificates of coverage for the duration of the Project and for one year thereafter.
- 10.8 Developer will notify the City in writing by certified mail or personal delivery, within ten (10) days after the Developer knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the Project.
- 10.9 Developer will post on the TIRZ property a notice, in the text, form and manner prescribed by the Texas Workers' Compensation Commission, informing all persons providing services on the Project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.

10.10 Developer will contractually require each person with whom it contracts to provide services on a Project, to:

- a. provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements that meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all of its employees providing services on the Project, for the duration of the applicable Phase of the Project;
- b. provide to the Developer, prior to that person beginning work on the Project, a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the Project, for the duration of the applicable Phase of the Project;
- c. provide the Developer, prior to the end of the coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the applicable Phase of the Project;
- d. obtain from each other person with whom it contracts, and provide to the Developer:
  - (i) a certificate of coverage, prior to the other person beginning work on the Project; and
  - (ii) a new certificate of coverage showing extension of coverage, prior to the end of the coverage period, if the coverage period shown on the current certificate of coverage ends during the duration of the applicable Phase of the Project;
- e. retain all required certificates of coverage on file for the duration of the applicable Phase of the Project and for one year thereafter;
- f. notify the City in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the Project; and,
- g. perform as required by paragraphs a-f above with the certificates of coverage to be provided to the person for whom they are providing services.

10.11 By signing this Agreement or providing or causing to be provided a certificate of coverage, Developer represents that all its employees to provide services on the Project will be covered by workers' compensation coverage for the duration of the applicable Project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self Insurance Regulation. Providing false or misleading information may subject Developer to administrative penalties, criminal penalties, civil penalties, or other civil actions.

10.12 Developer's failure to comply with any of these provisions is a breach of this Agreement and entitles the City and/or Board to declare the Agreement void and exercise all legal remedies if the Developer does not cure the breach within ten (10) days after receipt of notice of breach from the City without necessity of the sixty (60) day cure period as set

forth in Section 11.3.2 of this Agreement.

## ARTICLE XI. TERMINATION AND RECAPTURE

- 11.1 TERMINATION. For purposes of this Agreement, termination means the expiration of the term as provided by Section 2.1 of this Agreement, the failure to complete the project per Section 5.1 and termination as set forth in this Article XI; provided, however, that any such termination shall be subject to the notice and cure periods set forth in this Agreement. Completing the Project is a material term or condition of this Agreement. The affordability requirement set forth in Section 2.2 is a material term of this Agreement. In addition, the City and/or the Board may terminate this Agreement, subject to any notice and cure periods, in the following manners: (1) Termination without Cause, (2) Termination for Cause, and (3) Termination by law. Upon termination, no further payments will be made, except as otherwise set forth in this Agreement.
- 11.2 TERMINATION WITHOUT CAUSE. This Agreement may be terminated by mutual consent and a written agreement of both Parties. In such case, the Parties shall agree upon the reason(s) of such termination, the termination conditions, any proposed pay-back plan of disbursed funds, and the proposed effective date of such termination.
- 11.3 TERMINATION FOR CAUSE/DEFAULT. Upon written notice (a "Notice of Default") providing adequate identification of Developer's failure to comply with any material term or condition of this Agreement (a "Default"), which must be provided in accordance with Article XVII, the City and/or the Board shall have the right to terminate this Agreement for cause, in whole or in part, if Developer: (1) fails to comply with any material term or condition of this Agreement and (2) subsequently fails to cure such failure to comply within the applicable notice and cure period, and such failure shall be deemed a Default.
- 11.3.1 NOTICE OF DEFAULT. After sending a written Notice of Default, the City will not distribute TIRZ funds to Developer unless and until the default is cured.
- 11.3.2 CURE. Upon written Notice of Default resulting from a Default, such Default will be cured within sixty (60) calendar days from the date of the Notice of Default (the "Cure Period"), unless otherwise extended as mutually agreed upon by the Parties. In the case of a Default that cannot with due diligence be cured within such Cure Period, at the reasonable discretion of the Director of the City's Neighborhood & Housing Services (or successor) Department, the Cure Period may be extended provided that Developer will immediately upon receipt of Notice of Default advise the City and the Board of Developer's intent to cure such Default within the extended period granted. If the City and/or Board reasonably determines that there are no reasonable means to cure the default, Developer shall be apprised of that as well as the facts leading to that conclusion in the Notice of Default and said Notice of Default may serve as notice of termination (a "Notice of Termination").
- 11.3.3 FAILURE TO CURE. In the event Developer fails to cure a Default within the Cure Period (or extended period), the City and the Board may, upon issuance to Developer of a written Notice of Termination, terminate this Agreement in

whole or in part. Such notification shall include the reasons for such termination, the effective date of such termination; and, in the case of partial termination, the portion of the Agreement to be terminated.

- 11.3.4 REMEDIES UPON DEFAULT. The Parties shall have the right to seek any remedy in law to which they may be entitled, in addition to termination and repayment of funds, if a Party defaults under the material terms of this Agreement. The City and Board shall have the right to recapture all the disbursed funds pursuant to this Agreement and the Developer shall repay all disbursed funds to the TIRZ Fund.
- 11.4 TERMINATION BY LAW. If any state or federal law or regulation is enacted or promulgated which prohibits the performance of any of the duties herein, or, if any law is interpreted to prohibit such performance, this Agreement shall automatically terminate as of the effective date of such prohibition.
- 11.5 RECAPTURE. Upon Notice of Termination delivered in accordance with Section 11.3 above and Article XVII of this Agreement, the City and/or the Board, shall have the right to recapture all disbursed funds made under this Agreement and Developer shall repay disbursed funds as requested by the City and/or the Board in the said Notice of Termination within sixty (60) days from the effective date of the Notice of Termination. All recaptured funds made under this Agreement shall be deposited into the TIRZ Fund of the Midtown TIRZ. The Parties acknowledge that recapture as set forth in this Section 11.5 shall be available only in the event of a Termination for Cause or failure by Developer or its successor to comply with the affordability requirement set forth in Section 2.2.
- 11.6 CLOSE-OUT. Regardless of how this Agreement is terminated, Developer will effect an orderly transfer to City or to such Person or entity as the City may designate, at no additional cost to the City, all completed or partially completed documents, records, or reports, produced as a result of or pertaining to this Agreement, regardless of storage medium, if so requested by the City, or shall otherwise be retained by Developer in accordance with Article XIV. Records, of this Agreement. Reimbursements due to Developer will be conditioned upon delivery of all such documents, records, or reports, if requested by the City. Within ninety (90) calendar days of the effective date of completion, or termination or expiration of this Agreement, Developer shall submit to City and/or the Board all requests for reimbursements in accordance with Section 6.12 above through the effective date of termination. Failure by Developer to submit requests for reimbursements within said ninety (90) calendar days shall constitute a waiver by Developer of any right or claim to collect Available Tax Increment that Developer may be otherwise eligible for pursuant to this Agreement.

## ARTICLE XII. INDEMNIFICATION

- 12.1 **DEVELOPER covenants and agrees TO FULLY INDEMNIFY AND HOLD HARMLESS, the CITY (and the elected officials, employees, officers, directors, and representatives of the CITY), and the BOARD (and the officials, employees, officers, directors, and representatives of the BOARD), individually or collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties,**

proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal injury or death and property damage, made upon the CITY, and/or upon the BOARD, directly or indirectly arising out of, resulting from or related to DEVELOPER, any agent, officer, director, representative, employee, consultant or subcontractor of DEVELOPER, and their respective officers, agents, employees, directors and representatives while in the exercise of the rights or performance of the duties under this AGREEMENT, all without however, waiving any governmental immunity available to the CITY and/or the BOARD, under Texas Law and without waiving any defenses of the parties under Texas Law. IT IS FURTHER COVENANTED AND AGREED THAT SUCH INDEMNITY SHALL APPLY EVEN WHERE SUCH COSTS, CLAIMS, LIENS, DAMAGES, LOSSES, EXPENSES, FEES, FINES, PENALTIES, ACTIONS, DEMANDS, CAUSES OF ACTION, LIABILITY, AND/OR SUITS ARISE IN ANY PART FROM THE NEGLIGENCE OF CITY, THE ELECTED OFFICIALS, EMPLOYEES, OFFICERS, DIRECTORS AND REPRESENTATIVES OF CITY, UNDER THIS AGREEMENT.

- 12.2 It is the EXPRESS INTENT of the parties to this AGREEMENT, that the INDEMNITY provided for in this section, is an INDEMNITY extended by DEVELOPER to INDEMNIFY, PROTECT and HOLD HARMLESS, the CITY, and the BOARD, from the consequences of the CITY'S and/or the Board's OWN NEGLIGENCE, provided however, that the INDEMNITY provided for in this section SHALL APPLY only when the NEGLIGENT ACT of the City and/or Board is a CONTRIBUTORY CAUSE of the resultant injury, death, or damage, and shall have no application when the negligent act of the City and/or the Board is the sole cause of the resultant injury, death, or damage. DEVELOPER further AGREES TO DEFEND, AT ITS OWN EXPENSE and ON BEHALF OF THE CITY AND/OR THE BOARD AND IN THE NAME OF THE CITY AND IN THE NAME OF THE BOARD, any claim or litigation brought against the CITY and its elected officials, employees, officers, directors, volunteers and representatives, in connection with any such injury, death, or damage for which this INDEMNITY shall apply, as set forth above.

#### ARTICLE XIII. LIABILITY

- 13.1 DEVELOPER. As between the City, the Board, any participating taxing entity, and Developer, Developer shall be solely responsible for compensation payable to any employee, contractor, or subcontractor of the Developer, and none of Developer's employees, contractors, or subcontractors will be deemed to be employees, contractors, or subcontractors of the City, the Board, or any participating taxing entity or as a result of the Agreement.
- 13.2 CITY AND BOARD. To the extent permitted by Texas law, no director, officer, employee or agent of the City, the Board, or any other participating taxing entity shall be personally responsible for any liability arising under or growing out of this Agreement.

#### ARTICLE XIV. RECORDS

- 14.1 RIGHT TO REVIEW. Following notice to the Developer, the City reserves the right to conduct, at its own expense, examinations, during regular business hours, the books and records related to this Agreement including such items as contracts, paper, correspondence, copy, books, accounts, billings and other information related to the performance of the Developer's services hereunder. The City also reserves the right to perform any additional audits relating to Developer's services, provided that such audits are related to those services performed by Developer under this Agreement. These examinations shall be conducted at the offices maintained by Developer.
- 14.2 PRESERVATION OF RECORDS. All applicable records and accounts of the Developer relating to this Agreement, together with all supporting documentation, shall be preserved and made available in Bexar County, Texas by the Developer throughout the term of this Agreement and for twelve (12) months after the termination of this Agreement, and then transferred for retention to the City at no cost to the City upon request. During this time, at Developer's own expense, may require that any or all of such records and accounts be submitted for audit to the City or to a Certified Public Accountant selected by the City within thirty (30) days following written request.
- 14.3 DISCREPANCIES. Should the City discover errors in the internal controls or in the record keeping associated with the Project, Developer shall be notified of such errors and the Parties shall consult on what steps may be necessary to correct such discrepancies within a reasonable period of time, not to exceed sixty (60) days after discovery and notification by the City to the Developer of such errors or discrepancies. The Board shall be informed of the action taken to correct such discrepancies.
- 14.4 OVERCHARGES. If it is determined as a result of such audit that Developer has overcharged for the cost of the Public Improvements, then such overcharges shall be immediately returned to the TIRZ Fund and become due and payable with interest at the maximum legal rate under applicable law from the date the City paid such overcharges. In addition, if the audit determined that there were overcharges of more than 2% of the greater of the budget or payments to Developer for the year in which the discrepancy occurred, and the TIRZ Fund is entitled to a refund as a result of such overcharges, then Developer shall pay the cost of such audit.

#### **ARTICLE XV. NON-WAIVER**

- 15.1 ACTIONS OR INACTIONS. No course of dealing on the part of the City, the Board, or the Developer nor any failure or delay by the City, the Board, or the Developer in exercising any right, power, or privilege under this Agreement shall operate as a waiver of any right, power or privilege owing under this Agreement.
- 15.2 RECEIPT OF SERVICES. The receipt by the City of services from an assignee of the Developer shall not in and of itself be deemed a waiver of the covenant(s) in this Agreement against assignment or an acceptance of the assignee or a release of the Developer from further observance or performance by Developer of the covenant(s) contained in this Agreement. No provision of this Agreement shall be deemed waived by the City unless such waiver is in writing, and approved by the City through an ordinance

passed and approved by its City Council.

## ARTICLE XVI. ASSIGNMENT

- 16.1 ASSIGNMENT BY CITY. The City and/or Board may assign their rights and obligations under this Agreement to any governmental entity the City creates without prior consent of Developer. If the City and/or Board assign their rights and obligations under this Agreement then the City and/or the Board shall provide Developer written notice of assignment within thirty (30) days of such assignment.
- 16.2 ASSIGNMENT BY DEVELOPER. Developer may sell or transfer its rights and obligations under this Agreement only upon approval and written consent by the Board, as evidenced by Board Resolution, when a qualified purchaser or assignee specifically agrees to assume all of the obligations of the Developer under this Agreement. The City, by and through its Director of the Neighborhood and Housing Services Department or successor department, must consent to such assignment in writing prior to any assignment. All approved assignees will be bound by the affordability requirement set forth in Section 2.2 and the project completion requirement set forth in Section 5.1.
- 16.3 WORK SUBJECT TO AGREEMENT. Any work or services referenced herein shall be by written contract or agreement and, unless the City grants specific waiver in writing, such written contract or agreement shall be subject by its terms, insofar as any obligation of the City is concerned, to each and every provision of this Agreement. Compliance by Developer's contractor and/or subcontractors with this Agreement shall be the responsibility of Developer.
- 16.4 NO THIRD PARTY OBLIGATION. The City and/or the Board shall in no manner be obligated to any third party, including any contractor, subcontractor, or consultant of the Developer, for performance of work or services under this Agreement.
- 16.5 LENDING INSTITUTIONS. Any restrictions in this Agreement on the transfer or assignment of the Developer's interest in this Agreement shall not apply to and shall not prevent the assignment of this Agreement to a lending institution or other provider of capital in order to obtain financing for the Project. Developer shall notify the City of all such assignments to a lending or other provider of capital. In no event, shall the City and/or the Board be obligated in any way to the aforementioned financial institution or other provider of capital. The City shall issue a check or other form of payment only to Developer.
- 16.6 WRITTEN INSTRUMENT. Each transfer or assignment to which there has been consent, pursuant to Section 16.2 above, shall be by instrument in writing, in form reasonably satisfactory to the Board, and shall be executed by the transferee or assignee who shall agree in writing, for the benefit of the City and the Board, to be bound by and to perform the terms, covenants and conditions of this Agreement. Four (4) executed copies of such written instrument shall be delivered to the TIF Unit. Failure to obtain the Board's consent by resolution or the City's consent as set forth herein, or failure to comply with the provisions herein, shall prevent any such transfer or assignment from becoming effective. In the event the Board and the City approves the assignment or transfer of this Agreement,

Developer shall be released from such duties and obligations.

- 16.7 NO WAIVER. No provision of this Agreement shall be deemed waived by the City unless such waiver is in writing, and approved by City Council in the form of a duly passed ordinance.

The Charter of the City of San Antonio and the City of San Antonio Code of Ethics prohibit a City officer or employee, as those terms are defined in Section 2-52 of the Code of Ethics, from having a direct or indirect financial interest in any contract with the City. An officer or employee has a "prohibited financial interest" in a contract with the City or in the sale to the City of land, materials, supplies or

Developer further warrants and certifies that it has tendered to the City a Contracts Disclosure Statement in compliance with the City's Ethics Code.

#### **ARTICLE XIX. INDEPENDENT CONTRACTORS**

- 19.1 NO AGENCY. All Parties expressly agree that in performing their services, the Board and Developer at no time shall be acting as agents of the City and that all consultants or contractors engaged by the Board and/or Developer respectively shall be independent contractors of the Board and/or the Developer. The Parties hereto understand and agree that the City and the Board shall not be liable for any claim that may be asserted by any third party occurring in connection with services performed by Developer, under this Agreement unless any such claim is due to the fault of the City.
- 19.2 NO AUTHORITY. The Parties further understand and agree that no party has authority to bind the others or to hold out to third parties that it has the authority to bind the others.

#### **ARTICLE XX. TAXES**

Developer shall maintain in current status all Federal, State, and local licenses and permits required for the operation of the business conducted by the Developer.

#### **ARTICLE XXI. PREVAILING WAGES**

- 21.1 The TIF Program is a discretionary program, and it is the policy of the City that the requirements of Chapter 2258 of the Texas Government Code, entitled "Prevailing Wage Rates," will apply to TIF Development Agreements. Developer agrees that the Developer will comply with City Ordinance No. 71312 and its successors such as Ordinance No.

2008-11-20-1045 and will require subcontractors to comply with City Ordinance 71312 and its successors such as Ordinance No. 2008-11-20-1045 and shall not accept affidavits.

- 21.2 In accordance with Chapter 2258, Texas Government Code, and Ordinance No. 2008-11-20-1045, a schedule of the general prevailing rate of per diem wages in this locality for each craft or type of workman needed to perform this Agreement is included as **Exhibit G**, and made a part of this Agreement. - 21.3 Developer is further required to cause the latest prevailing wage determination decision to be included in bids and contracts with the Developer's general contractor and all subcontractors for construction of each phase. The Developer shall forfeit as a penalty to the City \$60.00 for each laborer, workman, or mechanic employed, for each calendar day, or portion thereof, that such laborer, workman or mechanic is paid less than the said stipulated rates for any work done under said contract, by Developer or any subcontractor under the Developer. The establishment of prevailing wage rates in accordance with Chapter 2258, Texas Government Code shall not be construed to relieve the Developer from his obligation under any Federal or State Law regarding the wages to be paid to or hours worked by laborers, workmen or mechanics insofar as applicable to the work to be performed under this Agreement.

In the event an amendment to the Construction Schedule will result in a material change to this Agreement, then such amendment shall comply with the requirements of Section 22.1. No change under this section may result in an increase in the maximum contribution of the City or any other participating taxing entity. Developer may rely on the determination of the Director of the City's Neighborhood & Housing Services (or successor) Department, whether a change in the Construction Schedule would result in a material change to the overall Project requirements.
- 22.3 AUTOMATIC INCORPORATION OF LAWS. Changes in local, state and federal rules, regulations or laws applicable to the Board's and the Developer's services under this Agreement may occur during the term of this Agreement and any such changes shall be automatically incorporated into this Agreement without written amendment to this Agreement, and shall become a part as of the effective date of the rule, regulation or law.

#### ARTICLE XXIII. SEVERABILITY

- 23.1 If any clause or provision of this Agreement is held invalid, illegal or unenforceable under present or future federal, state or local laws, then said clause or provision shall not affect any other clause or provision, and the remainder of this Agreement shall be construed as if such clause or provision was never contained herein. It is also the intent of the Parties that in lieu of each invalid, illegal, or unenforceable provision, there be added as a part of this Agreement a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

#### **ARTICLE XXIV. LITIGATION EXPENSES**

- 24.1 City policy on litigation is that, except to the extent prohibited by law, Persons who are engaged in litigation or Adversarial Proceedings related to TIF against the City are ineligible to obtain or continue the use of TIF as principals or participants for the duration of the litigation. A principal or participant includes the Developer and the Developer's affiliates, which shall be deemed to be any entities under common control with, or controlled by, Developer. Accordingly, the City shall not consider a project proposing the use of TIRZ, designate a TIRZ, enter into any TIF contracts or agreements with, or authorize or make any TIF payment to Persons engaged in litigation or Adversarial Proceedings related to TIF with the City. Ineligible Persons shall be excluded from participating as either participants or principals in all TIRZ projects during the term or pendency of their litigation.

- 24.3 Under no circumstances will the Available Tax Increment received under this Agreement be used, either directly or indirectly, to pay costs or attorney fees incurred in any Adversarial Proceeding against the City, the Board or any other public entity. Nothing contained in this Article shall effect or otherwise affect the indemnity provisions contained in Article XII. above.

B. In the case of default for causes beyond ACG's reasonable control, which cannot with due diligence be cured within such sixty (60) day period, the City may, in its sole discretion, extend the cure period provided that ACG shall: (1) immediately upon receipt of Notice of Suspension advise City of ACG's intention to institute all steps necessary to cure such default and the associated time frame; and (2) institute and thereafter prosecute to completion with reasonable dispatch all steps necessary to cure same.

C. A suspension under this Section 15 may be lifted only at the sole discretion of the City upon a showing of compliance with or written waiver by City of the term(s) in question.

D. With the exception of payment for work in progress or materials ordered prior to receiving a Notice of Suspension, City shall not be liable to ACG or to ACG's creditors for costs incurred during any term of suspension of this Agreement.

**SECTION 16. TERMINATION**

A. City shall have the right to terminate this Agreement for non-compliance, in whole or in part, at any time before the date of completion specified in Section 5 of this Agreement whenever City determines that ACG has failed to comply with any term of any Agreement with the City and fails to cure any issue

of non-compliance within a sixty (60) day period from the date of the City's written notification. Should ACG fail to cure any default within this period of time, the City may as its sole and exclusive remedies, upon issuance to ACG of a written Notice of Termination, terminate this Agreement in whole or in part and either: (1) withhold further payments to ACG; or (2) require the repayment of the loan. Such notification shall include: (1) the reasons for such termination; (2) the effective date of such termination; and, (3) in the case of partial termination, the portion of the Agreement to be terminated.

B. In the case of default for causes beyond ACG's reasonable control, which cannot with due diligence be cured within such sixty (60) day period, the City may, in its sole discretion, extend the cure period provided that ACG shall: (1) immediately upon receipt of Notice of Termination advise City of ACG's intention to institute all steps necessary to cure such default and the associated time frame; and (2) institute and thereafter prosecute to completion with reasonable dispatch all steps necessary to cure same.

C. Except as provided in Section 16(A), the Economic Development Program Loan may be terminated in whole or in part only as follows:

1. By the City (with the consent of the ACG) in which case the two parties shall agree upon the termination conditions, including the repayment of funds, the effective date and in the case of partial termination, the portion to be terminated; or
2. By the ACG upon written notification to the City, setting forth the reasons of such termination, a proposed pay-back plan of any funds loaned, the effective date, and in the case of partial termination, the portion to be terminated. However, if, in the case of partial termination, the City determines in its sole discretion that the remaining portion of the award will not accomplish the purpose for which the award was made, the City may terminate the award in its entirety under Section 16(A).

D. Notwithstanding any exercise by City of its right of suspension under Section 15 of this Agreement, or of early termination pursuant to this Section 16, ACG shall not be relieved of repayment of loaned funds under this Agreement or any liability to City for actual damages due to City by virtue of any breach by ACG of this Agreement.

## **SECTION 17. SPECIAL CONDITIONS AND TERMS**

ACG understands and agrees that if ACG is a "business" and if the City's contribution under this Agreement is a "public subsidy" as that term is defined in Chapter 2264 of Subtitle F, Title 10 of the Government Code (80 (R) HB 1196), the following applies: if ACG convicted of knowingly employing an undocumented worker) ACG shall repay the Loan Funds and interest within six months of final conviction. Interest shall accrue at the rate of .5% per month until the time of such repayment from the date of final conviction.

## **SECTION 18. SUBCONTRACTS**

A. ACG shall use reasonable business efforts to ensure that the performance rendered under all subcontracts directly related to the project improvements complies with all terms and provisions of this Agreement as if such performance were rendered by ACG.

B. ACG, in subcontracting any of the project improvements contemplated hereunder, expressly understands that in entering into such subcontracts, City is in no way liable to ACG's subcontractor(s).

C. ACG assures and shall obtain assurances from all of its subcontractors providing services directly related to the project improvements, where applicable, that no person shall, on the grounds of race, creed, color, disability, national origin, sex or religion, be excluded from, be denied the benefit of, or be subjected to discrimination under any program or activity funded in whole or in part under this Agreement.

#### **SECTION 19. DEBARMENT**

By signing this Agreement, ACG certifies that it will not knowingly award any funds provided under this Agreement to any party which is debarred, suspended or otherwise excluded from or ineligible for participation in assistance programs by the CITY.

#### **SECTION 20. RIGHTS UPON DEFAULT**

It is expressly understood and agreed by the Parties hereto that any right or remedy provided for in this Agreement shall not preclude the exercise of any other right or remedy under any other agreements between ACG and the City or under any provision of law, nor shall any action taken in the exercise of any right or remedy be deemed a waiver of any other rights or remedies. Failure to exercise any right or remedy hereunder shall not constitute a waiver of the right to exercise that or any other right or remedy at any time.

#### **SECTION 21. NON-ASSIGNMENT**

This Agreement is not assignable without the written consent of City and the passage of a City Ordinance approving such assignment. Any other attempt to assign the Agreement shall not relieve ACG from liability under this Agreement and shall not release ACG from performing any of the terms, covenants and conditions herein. ACG shall be held responsible for all funds received under this Agreement.

#### **SECTION 22. ORAL AND WRITTEN AGREEMENTS**

All oral and written agreements between the Parties to this Agreement relating to the subject matter of this Agreement that were made prior to the execution of this Agreement have been reduced to writing and are contained in this Agreement.

#### **SECTION 23. AUTHORIZED RELIEF FROM PERFORMANCE (*Force Majeure*)**

City may grant temporary relief from performance of this Agreement if the ACG is prevented from compliance and performance by an act of war, order of legal authority, act of God, or other unavoidable cause not attributed to the fault or negligence of the ACG. The burden of proof for the need for such relief shall rest upon the ACG. To obtain release based upon *force majeure*, the ACG must file a written request with the City. Should City grant temporary relief to ACG, it shall in no case relieve ACG from any repayment obligations as specified in Section 3(C) and 3(D) of this Agreement.
