**FY 2019-2020 Task Order Contract
Storm Water Projects Package A**

City Council A Session Item 14

September 12, 2019

Nefi Garza, P.E., Assistant Director

- Task order contracts facilitate quick execution of construction, repair and maintenance of interconnected storm water projects citywide
- Can be applied to small construction projects such as:
 - Channelization
 - Street construction
 - Storm drains
 - Culverts
 - Inlets
 - Detention ponds
 - Outfall structures

- Beneficial for sets of small projects
- Consistency through use of same contractor
- Ensured contractor availability
- Reduction in resources and cost related to the bidding process
- No minimum guarantee for volume of work
