13.01 It is expressly understood and agreed that any and all items of personal property owned, placed or maintained by Lessee on the Leased Premises during the term hereof shall be and remain Lessee's property. Provided that Lessee is not in default under this Lease Agreement, it may remove or cause to be removed all such items from the Leased Premises. At Lessor's sole election, any such items remaining on the Leased Premises more than thirty (30) days after the expiration of the term hereof, shall then belong to Lessor without payment of consideration therefor.

13.02 All foundations, buildings, alterations, additions or improvements (hereinafter "Improvements")

made upon the Leased Premises by Lessee are and shall be the property of Lessee during the Lease Term hereof. During said term, absent the Director's written approval, such Improvements shall be conveyed, transferred or assigned, only to a person or entity to whom this Lease Agreement simultaneously is being transferred or assigned, whereupon the holder of the leasehold interest hereunder shall own the Improvements. #### **ARTICLE 14. ENVIRONMENTAL COMPLIANCE**

14.01 Lessee acknowledges that there may be environmental issues associated with the Leased Premises. Lessee agrees that it shall, at its sole expense, comply with all applicable federal, state and local statutes, laws, ordinances, rules and regulations concerning environmental investigation and hazards, including, but not limited to, regulations promulgated by the Environmental Protection Agency, as well as all inspection, financial liability and inventory control recording requirements, and that it shall provide Lessor with copies of any certificates of registration from the Texas Commission on Environmental Quality (hereinafter "TCEQ") related to the Leased Premises, together with copies of any required proof of financial responsibility and other documentation reasonably required by the Director or applicable regulatory agency.

Lessee shall not cause the release, or permit its employees, agents, permittees, contractors, subcontractors, sublessees, or others in Lessee's control, supervision, or employment, to release (whether by way of uncapping, pouring, spilling, spraying, spreading, attaching or otherwise), into or onto the Leased Premises or any other location upon or above adjacent property (including the air, ground and ground water thereunder and the sewer and storm water drainage systems thereon), any quantity of hazardous substances (as defined or established from time to time by applicable local, state, or federal law and including, among other things, hazardous waste and any other substances that have been or may in the future be determined to be toxic, hazardous or unsafe). To the extent any such release may exceed quantities or volumes permitted by applicable federal, Texas or local law, Lessee shall immediately notify the Director, TCEQ, and Local Emergency Planning Committee, as may be required under the federal Emergency Planning and Community Right To Know Act. The Lessee, or any occupant of Leased Premises, shall be responsible for compliance with said Act, in the event of any such release.

14.03 Lessee shall, to the extent funds are available in the construction budget for the San Pedro Creek

Improvements Project, remedy any release or threatened release caused by Lessee's operations, as described above and, whether resulting from such release or otherwise, remove any hazardous materials, special wastes and any other environmental contamination caused by Lessee on, under or upon the Leased Premises, as may be required by a governmental or regulatory agency responsible for enforcing environmental laws and regulations. Such work shall be performed, at Lessee's sole expense, after Lessee submits to Lessor a written plan for completing such work. Lessor shall have the right to review and inspect all such work at any time, using consultants and representatives of its choice, at Lessor's sole cost and expense. Specific cleanup levels for any environmental remedial work shall be designed to meet all of the applicable environmental laws and regulations, to the satisfaction of the appropriate government or regulatory agency responsible for enforcing environmental laws and regulations.

14.04 In addition to any other rights of access herein regarding the Leased Premises, Lessor shall, upon reasonable notice, have access thereto in order to inspect and confirm that the Lessee is using same in accordance with all applicable environmental laws and regulations. Lessee shall, upon the Director's demand and at Lessee's sole expense, demonstrate to said Director (through such tests, professional inspections, samplings, or other methods as may be reasonably required by said Director) that Lessee has not caused or permitted any release of hazardous substances or contaminants in excess of quantities or volumes permitted by applicable federal, Texas or local law. Qualified independent experts, chosen by Lessee, subject to Lessor's approval, which approval shall not be unreasonably withheld, shall conduct any such tests and assessments. Lessee shall provide copies of reports from any such testing or assessments to Lessor upon receipt. Should Lessee not provide same to Lessor, Lessor may conduct, or cause to be conducted, such tests, inspections, samplings and assessments, and Lessee shall reimburse Lessor for all costs of such actions, no later than thirty (30) days following receipt by Lessee of invoices therefor. Lessor reserves the right to conduct any of the above actions, at the Director's discretion, when in the opinion of same, additional or supplemental assessments are in Lessor's best interest.

14.05 Lessee, at Lessor's request, shall make available for inspection and copying, upon reasonable notice and at reasonable times, any or all of the non-privileged documents and materials Lessee has prepared pursuant to any environmental law or regulation, which may be retained by Lessor or submitted to any governmental regulatory agency; provided, such documents and materials relate to environmental regulatory compliance and pertain to the Leased Premises. If any environmental law or regulation requires Lessee to file any notice or report of a release or threatened release of regulated materials on, under or about the Leased Premises, Lessee shall promptly submit such notice or report to the appropriate governmental agency and simultaneously provide a copy of such report or notice to Lessor. In the event that any written allegation, claim, demand, action or notice is made against Lessee regarding Lessee's failure or alleged failure to comply with any environmental law or regulation, Lessee, as soon as practicable, shall notify Lessor in writing and provide same with copies of any such written allegations, claims, demands, notices or actions so made.

#### **ARTICLE 15. SIGNS**

Lessee shall neither erect signs nor distribute advertising matter upon the Leased Premises without the prior written consent of the Director.

#### **ARTICLE 16. REGULATIONS**

Lessee's officers, agents, employees and servants shall obey all rules and regulations promulgated by Lessor, its authorized agents in charge of the Leased Premises, or other lawful authority, to insure the safe and orderly conduct of operations and traffic thereon.

#### **ARTICLE 17. DEFAULT AND REMEDIES**

17.01 Each of the following shall constitute an event of default by Lessee:

- A. Lessee shall neglect or fail to perform or observe any of the terms, provisions, conditions or covenants herein contained, and if such neglect or failure should continue for a period of thirty (30) days after receipt by Lessee of written notice of same, or if more than thirty (30) days shall be required because of the nature of the default, if Lessee shall fail within said thirty (30) day period to commence and thereafter diligently proceed to cure such default.
- B. Lessee shall voluntarily discontinue its operations at the Leased Premises for a period of sixty (60) consecutive days.

17.02 In the event any default shall occur, Lessor then, or at any time thereafter, but prior to the removal of such condition of default, shall have the right, at its election, either to terminate this Lease Agreement, by giving at least five (5) days written notice to Lessee, at which time Lessee will then quit and surrender the Leased Premises to Lessor, but Lessee shall remain liable as hereinafter provided, or enter upon and take possession of the Leased Premises (or any part thereof in the name of the whole), without demand or notice, and repossess the same as of the Lessor's former estate, expelling Lessee and those claiming under Lessee, forcibly if necessary, without prejudice to any remedy for arrears of rent or preceding breach of covenant and without any liability to Lessee or those claiming under Lessee for such repossession.

17.03 Lessor's repossession of the Leased Premises shall not be construed as an election to terminate this Lease Agreement nor shall it cause a forfeiture of rents or other charges remaining to be paid during the balance of the term hereof, unless a written notice of such intention be given to Lessee, or unless such termination is decreed by a court of competent jurisdiction.

17.04 If Lessor shall terminate this Lease Agreement or take possession of the Leased Premises by reason of a condition of default, Lessee and those holding under Lessee, shall forthwith remove their goods and effects from the Leased Premises. If Lessee or any such claimant shall fail to effect such removal forthwith, Lessor may, without liability to Lessee or those claiming under Lessee, remove such goods and effects and store same for the account of Lessee or of the owner thereof at any place selected by Lessor, or, at Lessor's election, and upon giving fifteen (15) days' written notice to Lessee of date, time and location of sale, Lessor may sell the same at public auction or private sale on such terms and conditions as to price, payment and otherwise, as Lessor in its sole discretion may deem advisable. If, in Lessor's judgment, the cost of removing and storing, or of removing and selling any such goods and effects, exceeds the value thereof or the probable sale price thereof, as the case may be, Lessor shall have the right to dispose of such goods in any manner Lessor may deem advisable.

17.07 Lessee shall be responsible for all costs of removal, storage and sale, and Lessor shall have the right to reimbursement from the proceeds of any sale for all such costs paid or incurred by Lessor. If any surplus sale proceeds remain after such reimbursement, Lessor may deduct from such surplus any other sum due to Lessor hereunder and shall pay over to Lessee any remaining balance of such surplus sale proceeds.

17.08 If Lessor shall enter into and repossess the Leased Premises as a result of Lessee's default in the performance of any of the terms, covenants or conditions herein contained, then Lessee hereby covenants and agrees that it will not claim the right to redeem or re-enter the said Premises to restore the operation of this Lease Agreement, and Lessee hereby waives the right to such redemption and re-entrance under any present or future law, and does hereby further, for any party claiming through or under Lessee, expressly waive its right, if any, to make payment of any sum or sums of rent, or otherwise, of which

Lessee shall have made default under any of the covenants of the Lease Agreement and to claim any subrogation of the rights of Lessee under these presents, or any of the covenants thereof, by reason of such payment.

17.09 All rights and remedies of Lessor herein created or otherwise existing at law are cumulative, and the exercise of one or more rights or remedies shall not be taken to exclude or waive the right to the exercise of any other. All such rights and remedies may be exercised and enforced concurrently, whenever and as often as deemed desirable.

17.10 If proceedings shall, at any time, be commenced for recovery of possession, as aforesaid, and compromise or settlement shall be effected either before or after judgment whereby Lessee shall be permitted to retain possession of the Leased Premises, then such proceeding shall not constitute a waiver of any condition or agreement contained herein or of any subsequent breach thereof or to this Agreement.

17.11 Any amount paid or expense or liability incurred by Lessor for the account of Lessee may be deemed to be additional rental and the same may, at the option of Lessor, be added to any rent then due or thereafter falling due hereunder.

#### **ARTICLE 18. HOLDING OVER**

It is agreed and understood that any holding over by Lessee, with Lessor's consent, after the termination of this Lease Agreement, shall not renew and extend same, but shall operate and be construed as a tenancy from month-to-month, upon all the terms and conditions set forth herein. In the event that Title to any buildings shall vest upon TMFC at the end of the primary term, then Lessee shall also pay rent for such building at rental rates equal to fair market value as determined by a third party appraiser chosen by Lessor. Lessee shall be liable to Lessor for all loss or damage resulting from such holding over against Lessor's will after the termination of this Lease Agreement, whether such loss or damage may be contemplated at this time or not. It is expressly agreed that acceptance of the foregoing rental by Lessor, in the event that Lessee fails or refuses to surrender possession, shall not operate to give Lessee any right to remain in possession beyond the period for which such amount has been paid nor shall it constitute a waiver by Lessor of its right to immediate possession thereafter.

#### **ARTICLE 19. ASSIGNMENT AND SUBLET**

19.01 Lessee shall not transfer or assign this Lease Agreement or Lessee's interest in or to the Leased Premises, or any part thereof, without having first obtained Lessor's prior written consent, which may be given only by or pursuant to a resolution enacted by the TMFC; provided, however, that the foregoing shall not apply to and prevent the assignment of this Lease Agreement to any corporation, or other entity with which Lessee may merge or consolidate.

19.02 Lessee shall not sublet the Leased Premises or any part thereof without having first obtained the Director's written consent. In the event Lessee requests permission to sublease, the request shall be submitted to the said Director, prior to the effective date of the sublease requested, and shall be accompanied by a copy of the proposed sublease agreement(s) and of all agreement(s) collateral thereto.

19.03 Each transfer, assignment or subletting to which there has been consent shall be by written instrument, in a form satisfactory to Lessor, and shall be executed by the transferee, assignee or sublessee who shall agree, in writing, for the benefit of Lessor to be bound by and to perform the terms, covenants and conditions of this Lease Agreement. Four (4) executed copies of such written instrument shall be delivered to Lessor. Failure either to obtain Lessor's prior written consent or to comply with the

provisions herein contained, shall operate to prevent any such transfer, assignment or subletting from becoming effective.

19.05 Should the assignment of this Lease Agreement be approved by Lessor and to the extent that such assignee assumes Lessee's obligation hereunder, Lessee shall, as a result of such assignment, be released from such obligation except for environmental claims where Lessor shall have the right to hold Lessee or previous leaseholder jointly and severally liable. Should the subletting of the Leased Premises be approved by Lessor, however, Lessee agrees and acknowledges that it shall remain fully and primarily liable under this Lease Agreement, notwithstanding any such sublease and that any such sublessee shall be required to attorn to Lessor hereunder.

19.06 The receipt by the Lessor of rent from an assignee, subtenant or occupant of the Leased Premises shall not be deemed a waiver of the covenant in this Lease Agreement against assignment and subletting or an acceptance of the assignee, subtenant or occupant as a tenant or a release of the Lessee from further observance or performance by Lessee of the covenants contained in this Lease Agreement. No provision of this Lease Agreement shall be deemed to have been waived by the Lessor, unless such waiver be in writing, signed by the Director.

#### **ARTICLE 20. FIRE AND OTHER DAMAGE**

In the event that the improvements upon the Leased Premises constructed by and/or owned by Lessee are damaged or destroyed by fire or any other casualty during the term of this Lease Agreement or any extension hereof, regardless of the extent of such damage or destruction, Lessee shall, no later than one hundred twenty (120) days following the date of such damage or destruction, commence to repair, reconstruct or replace the damaged or destroyed improvements and prosecute the same with reasonable diligence, so that the improvements shall, at Lessee's sole expense, be restored no later than one (1) year following such damage or destruction to substantially the condition it was in prior to said damage or destruction. Should the commencement, construction or completion of said repair, reconstruction or replacement be prevented or delayed by reason of war, civil commotion, acts of God, strikes, governmental restrictions or regulations, fire or other casualty, or any other reason beyond the control of Lessee, the time for commencing or completing the repair, reconstruction or replacement, as the case may be, shall automatically be extended for the period of each such delay.

#### **ARTICLE 21. LAWS AND ORDINANCES**

Lessee agrees to comply promptly with all laws, ordinances, orders and regulations affecting the Leased Premises, including, but not limited to, those related to its cleanliness, safety, operation, use and business operations. Lessee shall comply with all Federal and State regulations concerning its operation on the Leased Premises.

#### **ARTICLE 22. TAXES AND LICENSES**

Lessee shall, at its sole cost and expense, pay if applicable on or before their respective due dates, to the appropriate collecting authority, all Federal, State and local taxes and/or fees, which are now or may hereafter be levied upon the Lessee, Leased Premises, the business conducted thereon or upon any of Lessee's property used in connection therewith including, but not limited to, any possessory interest taxes. Lessee shall also maintain, in current status, all Federal, State and local licenses and permits required for the operation of its business.

## **ARTICLE 23. NONDISCRIMINATION & AFFIRMATIVE ACTION REGULATIONS**

23.01 Lessee understands and agrees to comply with the Non-Discrimination Policy of the City of San Antonio contained in Chapter 2, Article X of the City Code and further, shall not discriminate on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity, veteran status, age or disability, unless exempted by state or federal law, or as otherwise established herein. As part of said compliance, Lessee shall adhere to Lessor's Non-Discrimination Policy in the solicitation, selection, hiring or commercial treatment of vendors, suppliers or commercial customers; further, Lessee shall not retaliate against any person for reporting instances of such discrimination.

23.02 Lessee for itself, its representatives, successors and assigns, as a part of the consideration hereof, does hereby covenant and agree, as a covenant running with the land, that: (1) no person, on the grounds of race, color, creed, sex, age, religion, national origin or handicap, shall be excluded from participation in, denied the benefits of, or be otherwise subjected to discrimination, in the use of said facilities; and (2) that in the construction of any improvements on, over or under such land and the furnishing of services thereon, no person on the grounds of race, color, creed, sex, age, religion, national origin or handicap shall be excluded from participation, denied the benefits of, or otherwise be subjected to discrimination.

## **ARTICLE 24. FORCE MAJEURE**

If either party shall be delayed or prevented from the performance of any act required hereunder by reason of acts of God, strikes, lockouts, labor troubles, war, terrorism, inability to procure materials, restrictive governmental laws or regulations or other cause, without fault and beyond the control of the party obligated (the financial inability of the party excepted), performance of such act shall be extended by a period equal to the period of such delay; provided, however, that nothing in this paragraph shall excuse Lessee from the prompt payment of any rental except as may be expressly provided otherwise in this Lease; and further provided that the party relying on this paragraph shall provide written notice to the other party notifying such other party of the force majeure event promptly after such force majeure event, and shall proceed with all diligence to complete the performance of the act upon the cessation of the force majeure event.

## **ARTICLE 25. ATTORNEYS' FEES**

In the event that Lessor brings an action under this Lease Agreement, and prevails therein, it shall be entitled to recover from Lessee its reasonable attorneys' fees, not to exceed the actual amount of attorneys' fees incurred in the defense or prosecution thereof.

## **ARTICLE 26. SEVERABILITY**

If any clause or provision of this Lease Agreement is illegal, invalid or unenforceable under present or future laws, it is the parties' intention that the remainder hereof not be affected. In lieu of each clause or provision that is illegal, invalid or unenforceable, the parties intend that there be added, as a part of this Lease Agreement, a clause or provision, as similar in terms to such illegal, invalid or unenforceable clause or provision, as may be possible, yet be legal, valid and enforceable.

## **ARTICLE 27. AMENDMENT**

This Lease Agreement, together with its authorizing ordinance, constitutes the entire agreement between the parties. No amendment, modification or alteration of the terms of this Lease Agreement shall be binding, unless the same be in writing, dated subsequent to the date hereof, and duly executed by the parties hereto.

## ARTICLE 28. NOTICES

Notices to Lessor shall be deemed sufficient if in writing and sent, registered or certified mail, postage prepaid, addressed to Texas Municipal Facilities Corporation, c/o City Clerk, P. O. Box 839966, San Antonio, Texas 78283-3966 and to Director, City of San Antonio, Center City Development and Operations Department, at the same address and to such other address as may be designated, in writing, by the Director from time to time. Notices to Lessee shall be deemed sufficient if in writing and sent, registered or certified mail, postage prepaid, addressed to Lessee at the address shown herein. Either party to this Lease Agreement may change its address by giving notice of such change as herein provided.

## ARTICLE 29. RELATIONSHIP OF PARTIES

Nothing contained herein shall be deemed or construed by the parties hereto, or by any third party, as creating the relationship of principal and agent, partners, joint venturers or any other similar such relationship, between the parties hereto. It is understood and agreed that neither the method of computation of rent, nor any other provision contained herein, nor any acts of the parties hereto, creates a relationship other than one of Lessor and Lessee.

## ARTICLE 30. CUMULATIVE REMEDIES NO WAIVER - NO ORAL CHANGE

The specific remedies of the parties under this Lease Agreement are cumulative and do not exclude any other remedies to which they may be lawfully entitled, in the event of a breach or threatened breach hereof. The failure of either party ever to insist upon the strict performance of any covenant of this Lease Agreement, or to exercise any option herein contained, shall not be construed as its future waiver or relinquishment thereof. Lessor's receipt of a rent payment, with knowledge of the breach of any covenant hereof, shall not be deemed a waiver of such breach. Further, no waiver, change, modification or discharge by either party of any provision of this Lease Agreement shall be deemed to have been made or be effective, unless in writing and signed by the party to be charged. In addition to other remedies herein, the parties shall be entitled to an injunction restraining the violation, or attempted violation, of any of the covenants, conditions or provisions hereof, or to a decree compelling performance of same; subject, however, to other provisions herein.

## ARTICLE 31. GENERAL PROVISIONS

Whenever this Lease Agreement calls for approval by Lessor, such approval shall be evidenced, in writing by the Director. #### **ARTICLE 32. PARTIES BOUND**

This Lease Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns, as permitted hereby.
