Project Name: Tickets To Literacy

Project Liaison: Frank Villani

Date of Event: Oct/Dec /June

Description of Event/Purpose (Describe in 200-300 words):

Tickets to literacy enables students/schools from each district to access subsidized tickets for main stage literacy based live theatrical performances at The Magik Theatre. Student tickets are \$5 and many Title 1 schools cannot afford that amount. Tickets to literacy enables Magik to offer these schools ticketing from \$4 to free depending on the school's financial capability and number of students attending. Some schools cannot attend main stage productions, many times because of transportation costs, so for those schools Magik offers touring productions. Tour productions have a similar pricing structure to main-stage, with a minimum guarantee of \$400. Magik accesses funds from Tickets to Literacy to help subsidize these touring shows for schools that cannot afford the full touring price. Magik maintains a list of schools by District that utilize the subsidize ticketing and supply this to all Council offices annually.

☒ Invoices of how funds will be allocated (I certify that I have attached all invoices related to this request. I understand that any missing invoices will not be covered by funds and purchases need to exclude alcohol, gift/gas cards, livestock, equipment or supplies from city departments and delegate agencies):
