Modified Proposals. Proposals may be modified provided such modifications are received prior to the time and date set for submission of proposals, and submitted in the same manner as original proposals. For hard copy proposals, provide a cover letter with the proposal, indicating it is a modified proposal and that the original proposal is being withdrawn. For electronic proposals, a modified proposal will automatically replace a prior proposal submission. See below for information on submitting Alternate Proposals.

City shall not be responsible for lost or misdirected proposals or modifications.

Respondents must sign the Signature Page on hard copy proposals and return the RFCSP document to City. For electronic proposals, Respondent's electronic submission, with accompanying affirmations, constitutes a binding signature for all purposes. Respondents are cautioned that they are responsible for the security of their log on ID and password, since unauthorized use could result in Respondent's being held liable for the submission.

Certified Vendor Registration Form. If Respondent has not completed City's Certified Vendor Registration (CVR) Form, Respondent is required to do so prior to the due date for submission of proposals. The CVR form may be accessed at: <http://www.sanantonio.gov/purchasing/>. Respondents must identify the correct name of the entity that will be providing the goods and/or services under the contract. Hard Copy Alternate Proposals. Alternate proposals must be submitted in separate sealed envelopes in the same manner as submission of other proposals. Catalog Pricing. (This section applies to proposals using catalog pricing.)

The proposal will be based on manufacturer's latest dated price list(s). Said price list(s) must denote the manufacturer, latest effective date and price schedule.

Respondents shall be responsible for providing one copy of the manufacturer's catalog for each manufacturer for which a proposal is submitted. Respondent shall provide said catalog at the time of submission of its proposal. Manufacturers' catalogs may be submitted in any of the following formats: paper copy or CD ROM for proposals submitted on paper, or PDF file for proposals submitted electronically.

Respondents may submit price lists other than the manufacturer's price list. Said price list(s) must denote the company name, effective date and price schedule. These price lists are subject to approval of City's Purchasing & General Services Department.

Specified items identified herein, if any, are for overall proposal evaluation and represent the commonly and most used items. Net prices entered for those specified items must reflect the actual price derived from quoted price list less all discounts offered.

Restrictions on Communication.

Respondents are prohibited from communicating with: 1) elected City officials and their staff regarding the RFCSP or proposals from the time the RFCSP has been released until the contract is posted as a City Council agenda item; and 2) City employees from the time the RFCSP has been released until the contract is awarded. These restrictions extend to "thank you" letters, phone calls, emails and any contact that results in the direct or indirect discussion of the RFCSP and/or proposal submitted by Respondent. Violation of this provision by Respondent and/or its agent may lead to disqualification of Respondent's proposal from consideration.

Exceptions to the restrictions on communication with City employees include:

Respondents may ask verbal questions concerning this RFCSP at the Pre-Submittal Conference.

Respondents may submit written questions, or objections to specifications, concerning this RFCSP to the Staff Contact Person listed on the Cover Page on or before **January 24, 2018 at 2:00 p.m. CT**. Such additional information must be provided within two business days from City's request. Respondents may also respond to requests by the Staff Contact Person for best and final offers, which do allow respondents to change their proposals. Requests for best and final offers will be clearly designated as such. During interviews, if any, verbal questions and explanations will be permitted. If interviews are conducted, respondents shall not bring lobbyists. The City reserves the right to exclude any persons from interviews as it deems in its best interests.

Respondents and/or their agents are encouraged to contact the Small Business Office of the Economic Development Department for assistance or clarification with issues specifically related to the City's Small Business Economic Development Advocacy (SBEDA) Program policy and/or completion of the required SBEDA forms. The point of contact, Lucy Barbosa, may be reached by telephone at (210) 207-3910 or by e-mail at Lucy.Barbosa@sanantonio.gov. *This exception to the restriction on communication does not apply, and there is no contact permitted to the Small Business Office regarding this solicitation, after the solicitation closing date.*

If this solicitation contains DBE/ACDBE requirements, respondents and/or their agents may contact the Aviation Department's DBE/ACDBE Liaison Officer for assistance or clarification with issues specifically related to the

Upon completion of the evaluation process, Respondents shall receive a notification letter indicating the recommended firm and anticipated City Council agenda date, and a review of the solicitation process.

Pre-Submittal Conference.

If a Pre-Submittal Conference is scheduled, it will be held at the time and place noted on the Cover Page. Respondents are encouraged to prepare and submit their questions in writing in advance of the Pre-Submittal Conference in order to expedite the proceedings. City's responses to questions received by this due date may be distributed at the Pre-Submittal Conference and posted with this solicitation. Attendance at the Pre-Submittal Conference is optional, but highly encouraged. Site Tours, if any, will begin at the conclusion of the conference.

This meeting place is accessible to disabled persons. Call the Staff Contact Person for information on the location of the wheelchair accessible entrance, or to request an interpreter for the deaf. Interpreters for the deaf must be requested at least 48 hours prior to the meeting. For other assistance, call (210) 207-7245 Voice/TTY.

Any oral response given at the Pre-Submittal Conference that is not confirmed in writing and posted with this solicitation shall not be official or binding on the City.

Changes to RFCSP.

Changes to this RFCSP made prior to the due date for proposals shall be made directly to the original RFCSP. Changes are captured by creating a replacement version each time the RFCSP is changed. It is Respondent's responsibility to check for new versions until the proposal due date. City will assume that all proposals received are based on the final version of the RFCSP as it exists on the day proposals are due.

No oral statement of any person shall modify or otherwise change or affect the terms, conditions or specifications stated in the RFCSP.

Preparation of Proposals.

All information required by the RFCSP must be furnished or the proposal may be deemed non-responsive and rejected. Any ambiguity in the proposal as a result of omission, error, unintelligible or illegible wording shall be construed in the favor of City.

Proposal Format. Each proposal shall be typewritten, single spaced and submitted on 8 1/2" x 11" white paper. If submitting a hard copy, place proposal inside a three ring binder. The use of recycled paper and materials is encouraged. Unnecessarily elaborate brochures, artwork, bindings, visual aids, expensive paper, or other materials beyond that sufficient to present a complete and effective submission are not required. Font size shall be no less than 12-point type. All pages shall be numbered and, in the case of hard copy submissions, printed one-sided. Margins shall be no less than 1" around the perimeter of each page. Websites or URLs shall not be submitted in lieu of the printed proposal or electronic submission through City's portal. **ORIGINAL and/or ELECTRONIC** proposals must include **ALL** the sections and attachments in the sequence listed in the RFCSP Section 003, Proposal Requirements, and each section and attachment must be indexed and, for hard copy submissions, **ONLY REQUIRED SECTIONS AND ATTACHMENTS listed by asterisk in Section 003, Proposal Requirements, Part B MUST** be divided by tabs and indexed in a Table of Contents page. For electronic submissions, whether through the portal or on a CD or flash drive, each separate section should be attached as a separate file. Failure to meet the above conditions may result in disqualification of the proposal or may negatively affect scoring.

Correct Legal Name. If Respondent is found to have incorrectly or incompletely stated the name of the entity that will provide goods and/or services, the proposal may be rejected.

Line Item Proposals. Any proposal that is considered for award by each unit or line item must include a price for each unit or line item for which Respondent wishes to be considered. All proposals are awarded on the basis of low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an "all or none" proposal in the Supplemental Terms & Conditions.

All or None Bid. Any proposal that is considered for award on an “all or none” basis must include a price for all units or line items. In an “All or None” bid, a unit price left blank shall result in the proposal being deemed nonresponsive and disqualified from consideration. An “All or None” bid is one in which City will award the entire contract to one respondent only.

Delivery Dates. Proposed delivery dates must be shown in the proposal where required and shall include weekends and holidays, unless specified otherwise in this RFCSP. Proposed delivery times must be specific. Phrases such as “as required”, “as soon as possible” or “prompt” may result in disqualification of the proposal. Special delivery instructions, if any, may be found in the Specifications / Scope of Services section of this document, or in the Purchase Order.

Tax Exemption. The City of San Antonio is exempt from payment of federal taxes, and State of Texas limited sales excise and use taxes. Respondents must not include such taxes in proposal prices. An exemption certificate will be signed by City where applicable upon request by Respondent after contract award.

Description of Supplies.

Any brand names, catalog or manufacturer’s reference used in describing an item is merely descriptive, and not restrictive, unless otherwise noted, and is used only to indicate quality and capability desired.

Proposals submitted for comparable items must clearly identify the proposed product, model, and type, as applicable, and shall include manufacturer specification sheet(s) for each proposed item with proposal response. Product specifications shall be the most current available and be sufficiently detailed and descriptive so as to permit City to determine the item’s suitability and compliance with proposal specifications. City shall be the sole judge of equality and suitability of comparable items.

Pro-rata adjustments to packaging and pricing may be allowed at the sole discretion of City.

Samples, Demonstrations and Pre-award Testing. If requested by City, Respondent shall provide product samples, demonstrations, and/or testing of items proposed to ensure compliance with specifications prior to award of the contract. Samples, demonstrations and/or testing must be provided within 7 calendar days of City’s request. Failure to comply with City’s request may result in rejection of a proposal. All samples (including return thereof), demonstrations, and/or testing shall be at Respondent’s expense. Samples will be returned upon written request. Requests for return of samples must be made in writing at the time the samples are provided. Otherwise, samples will become property of City at no cost to City. Samples that are consumed or destroyed during demonstrations or testing will not be returned.

Estimated Quantities for Annual Contracts.

Designation as an “annual” contract is found in the contract’s title on the Cover Page of this document. The quantities stated are estimates only and are in no way binding upon City. Estimated quantities are used for the purpose of evaluation. City may increase or decrease quantities as needed. Where a contract is awarded on a unit price basis, payment shall be based on the actual quantities supplied.

Respondents shall thoroughly examine the drawings, specifications, schedule(s), instructions and all other contract documents.

Respondents shall make all investigations necessary to thoroughly inform themselves regarding plant and facilities for delivery of material and equipment, or conditions and sites/locations for providing goods and services as required by this RFCSP. No plea of ignorance by Respondent will be accepted as a basis for varying the requirements of City or the compensation to Respondent.

Confidential or Proprietary Information. All proposals become the property of City upon receipt and will not be returned. Any information deemed to be confidential by Respondent should be clearly noted; however, City cannot guarantee that it will not be compelled to disclose all or part of any public record under the Texas Public Information Act, since information deemed to be confidential by Respondent may not be considered confidential under Texas law, or pursuant to a Court order.

Interlocal Participation.

City may engage in cooperative purchasing with other governmental entities or governmental cooperatives (“Entity” or “Entities”) to enhance City’s purchasing power. At City’s sole discretion and option, City may inform other

Entities that they may acquire items listed in this RFCSP. If this contract will be subject to cooperative purchasing, such fact will be indicated in the Supplemental Terms and Conditions portion of this RFCSP. Such acquisition(s) shall be at the prices stated in the proposal, and shall be subject to Respondent's acceptance. Entities desiring to acquire items listed in this RFCSP shall be listed on a rider attached hereto, if known at the time of issuance of the RFCSP. City may issue subsequent riders after contract award setting forth additional Entities desiring to utilize this proposal.

Respondent must sign and submit the rider, if attached to this RFCSP, with its proposal, indicating whether Respondent wishes to allow other Entities to use its proposal. Respondent shall sign and return any subsequently issued riders within ten calendar days of receipt. Respondent's decision on whether to allow other Entities to use the proposal shall not be a factor in awarding this RFCSP.

Costs of Proposing. Respondent shall bear any and all costs that are associated with the preparation of the Proposal, attendance at the Pre-Submittal conference, if any, or during any phase of the selection process.

Rejection of Proposals.

City may reject any and all proposals, in whole or in part, cancel the RFCSP and reissue the solicitation. City may reject a proposal if:

Respondent misstates or conceals any material fact in the proposal; or

The proposal does not strictly conform to law or the requirements of the solicitation;

The proposal is conditional; or

Any other reason that would lead City to believe that the proposal is non-responsive or Respondent is not responsible.

City, in its sole discretion, may also waive any minor informalities or irregularities in any proposal, such as failure to submit sufficient proposal copies, failure to submit literature or similar attachments, or business affiliation information.

Variances and Exceptions to Proposal Terms. In order to comply with State law, respondents must submit proposals on the same material terms and conditions. Respondents may submit requested changes to material terms for City's review prior to the submission deadline. Any changes to the RFCSP will be made by addendum. Proposals that contain material variances or exceptions to the terms and conditions, including additional terms and conditions, will be rejected.

Changes to Proposal Form. Proposals must be submitted on the forms furnished, where forms are provided. Proposals that change the format or content of City's RFCSP will be rejected.

Withdrawal of Proposals. Proposals may be withdrawn prior to the due date for submission. Written notice of withdrawal shall be provided to the City Clerk for proposals submitted in hard copy. Proposals submitted electronically may be withdrawn electronically.

Proposal Opening. Proposals will be opened publicly and the names of the respondents read aloud at 2:30 P.M. on the day the proposals are due. Proposal openings are held at Purchasing & General Services, Riverview Tower, 11th floor, 111 Soledad, Suite 1100, San Antonio, Texas 78205. However, in accordance with state law, the contents will not be revealed until after the contract is awarded.

Evaluation and Award of Contract.

Per Section §252.043 of the Texas Local Government Code, the contract will be awarded to the responsible offeror whose proposal is determined to be the most advantageous to City, considering the relative importance of price and the other evaluation factors included in this RFCSP.

City reserves the right to make an award on the basis of low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an "all or none" proposal in the Supplemental Terms & Conditions.

A written award of acceptance (manifested by a City Ordinance) and Purchase Order furnished to Respondent results in a binding contract without further action by either party. Vendor must have the Purchase Order before making any delivery.

City reserves the right to utilize historical usage data as a basis for evaluation of proposals when future usages are unable to be determined.

City reserves the right to delete items prior to the awarding of the contract, and purchase said items by other means.

Inspection of Facilities/Equipment.

Depending on the nature of the RFCSP, Respondent's facilities and equipment may be a determining factor in making the proposal award. All respondents may be subject to inspection of their facilities and equipment.

Prospective respondents must prove beyond any doubt to the City Purchasing Administrator that they are qualified and capable of performing the contract's requirements.

Prompt Payment Discount.

Provided Respondent meets the requirements stated herein, City shall take Respondent's offered prompt payment discount into consideration. The evaluation will not be based on the discount percentage alone, but rather the net price as determined by applying the discount to the proposal price, either per line item or total proposal amount. However, City reserves the right to reject a discount if the percentage is too low to be of value to City, all things considered. City may also reject a discount if the percentage is so high as to create an overly large disparity between the price City would pay if it is able to take advantage of the discount and the price City would pay if it were unable to pay within the discount period. City may always reject the discount and pay within the 30 day period, at City's sole option.

City will not consider discounts that provide fewer than 10 days to pay in order to receive the discount.

For example, payment terms of 2% 5, Net 30 will NOT be considered in proposal evaluations or in the payment of invoices. However, payment terms of 2% 10, Net 30 will result in a two percent reduction in the proposal price during proposal evaluation, and City will take the 2% discount if the invoice is paid within the 10 day time period.

Prohibited Financial Interest.

The Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as those terms are defined in the Ethics Code, from having a financial interest in any contract with City or any City agency such as City-owned utilities. An officer or employee has a "prohibited financial interest" in a contract with City or in the sale to City of land materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale: the City officer or employee; his parent, child or spouse; a business entity in which he or his parent, child or spouse owns ten (10) percent or more of the voting stock or shares of the business entity, or ten (10) percent or more of the fair market value of the business entity; or a business entity in which any individual or entity above listed is a subcontractor on a City contract, a partner or a parent or subsidiary business entity.

State of Texas Conflict of Interest Questionnaire (Form CIQ). Chapter 176 of the Texas Local Government Code requires that persons, or their agents, who seek to contract for the sale or purchase of property, goods, or services with the City, shall file a completed Form CIQ with the City Clerk if those persons meet the requirements under §176.006(a) of the statute.

By law this questionnaire must be filed with the City Clerk not later than the 7th business day after the date the vendor becomes aware of facts that require the statement to be filed. See Section 176.006(a-1), Texas Local Government Code.

Contractor’s only payment or compensation from the City under this Agreement shall be pre-approved and billed hours at the applicable rate indicated for the specific Agreement year, or as specified elsewhere herein. These rates shall not be adjusted for any reason during the term of the Agreement, therefore Contractor should calculate and include within each rate any and all costs (i.e. overhead, Service Equipment) Contractor seeks to recoup for the provision of these Services, as well as Contractor’s profit.

The hourly billing rate shall be the rate paid for any particular hour of the day on any given day of the week, including nights, holidays and weekends. All overtime costs shall be the responsibility of the Contractor and the City will not reimburse the company at any rate higher than the standard base rate that Contractor submits on RFCSP Attachment B, Price Schedule.

As CONTRACTOR acknowledges that the terms of the CITY’s SBEDA Ordinance, as amended, together with all requirements, guidelines, and procedures set forth in the CITY’s SBEDA Policy & Procedure Manual are in furtherance of

the CITY's efforts at economic inclusion and, moreover, that such terms are part of CONTRACTOR's scope of work as referenced in the CITY's formal solicitation that formed the basis for contract award and subsequent execution of this Agreement, these SBEDA Ordinance requirements, guidelines and procedures are hereby incorporated by reference into this Agreement, and are considered by the Parties to this Agreement to be material terms. CONTRACTOR voluntarily agrees to fully comply with these SBEDA program terms as a condition for being awarded this contract by the CITY. Without limitation, CONTRACTOR further agrees to the following terms as part of its contract compliance responsibilities under the SBEDA Program:

1. All proposed changes to the Subcontractor / Supplier Utilization Plan including, but not limited to, proposed self-performance of work by CONTRACTOR of work previously designated for performance by Subcontractor or supplier, substitutions of new Subcontractors, terminations of previously designated Subcontractors, or reductions in the scope of work and value of work awarded to Subcontractors or suppliers, shall be subject to advanced written approval by the Originating Department and the SBO.
5. CONTRACTOR shall immediately notify the Originating Department and SBO of any transfer or assignment of its contract with the CITY, as well as any transfer or change in its ownership or business structure.

E. Definitions

Affirmative Procurement Initiatives (API) – Refers to various S/M/WBE Program tools and Solicitation Incentives that are used to encourage greater prime and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE Program tools, see Section III.D of Attachment A to the SBEDA Ordinance). To be eligible for the benefits of race- and gender-conscious APIs as provided in the SBEDA Ordinance, M/WBE firms must also satisfy the size standards for being a Small Business Enterprise or SBE as defined herein.

Annual Aspirational Goal – a non-mandatory annual aspirational percentage goal for overall M/WBE Prime and subcontract participation in City of San Antonio contracts is established each year for Construction, Architectural & Engineering, Professional Services, Other Services, and Goods & Supplies contract Industry Categories. This Annual Aspirational Goal is to be set (and thereafter adjusted) by the Goal Setting Committee (GSC) based upon the M/WBE availability by industry in accordance with the City's 2015 Disparity Study findings, along with relative M/WBE availability data to be collected by the City through its CVR system, and the utilization of M/WBEs. Any adjusted Annual Aspirational Goals for a given industry should not exceed the Expected Availability for award dollar weights as found in the 2015 Disparity Study. Annual Aspirational Goals are not to be routinely applied to individual contracts, but are intended to serve as a benchmark against which to measure the overall effectiveness of the S/M/WBE Program on an annual basis, and to gauge the need for future adjustments to the mix and to the aggressiveness of remedies being applied under the Program. Percentage Goals for S/M/WBE participation may be established by the GSC on a contract-by-contract basis based upon similar data and analysis for the particular goods and services being purchased in a given contract.

Award – the final selection of a Respondent for a specified Prime Contract or subcontract dollar amount. Contract awards are made by the City to Prime Contractors or vendors and by Prime Contractors or vendors to Subcontractor or sub-vendors, usually pursuant to a solicitation process. (Contract awards are to be distinguished from contract payments in that they only reflect the anticipated dollar amounts instead of actual dollar amounts that are paid to a contractor under an awarded contract).

Best Value Contracting – a purchasing solicitation process through which the Originating Department may evaluate factors other than price. Evaluation criteria for selection may include a Respondent's previous experience and quality of product or services procured, and other factors identified in the applicable statute.

Centralized Vendor Registration System (CVR) – a mandatory electronic system of hardware and software programs by which the City recommends all prospective Respondents and Subcontractors that are ready, willing and able to sell goods or services to the City to register. All businesses awarded a City contract shall be required to register in the CVR. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices, and for receiving payments from the City. The CVR-assigned identifiers are also used by the Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE firms by Industry or commodity codes, and for establishing Annual Aspirational Goals and Contract-by-Contract Subcontracting Goals.

Certification – the process by which the Small Business Office (SBO) staff determines a firm to be a bona-fide small, minority-, women-owned, or emerging small business enterprise. Emerging Small Business Enterprises (ESBEs) are automatically eligible for Certification as SBEs. Any firm may apply for multiple Certifications that cover each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, the City may accept any firm that is certified by local government entities and other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6.

City – refers to the City of San Antonio, TX.

Commercially Useful Function – an S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm must also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material, and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work

subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it is actually performing and the S/M/WBE credit claimed for its performance of the work, and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation, when in similar transactions in which S/M/WBE firms do not participate, there is no such role performed.

Control – the authority of a person or business owner to sign responses to solicitations and contracts, make price negotiation decisions, sell or liquidate the business and have the primary authority to direct the day-to-day management and operation of a business enterprise without interference from others.

Economic Inclusion – efforts to promote and maximize commercial transactions within, between and among all segments of the business population, regardless of race or gender, within the Relevant Marketplace.

Emerging SBE (ESBE) – a certified SBE corporation, partnership, sole proprietorship or other legal entity for the purpose of making a profit, which is independently owned and operated by Individuals legally residing in, or that are citizens of, the United States or its territories whose annual revenues and number of employees are no greater than 25% of the small business size standards for its industry as established by the U.S. Small Business Administration, and meets the Significant Business Presence requirements as defined herein.

Emerging M/WBE – a certified M/WBE firm whose annual revenues and number of employees are no greater than 25% of the small business size standards for its industry as established by the U.S. Small Business Administration, and meets the Significant Business Presence requirements as defined herein.

Evaluation Preference – an API that may be applied by the Goal Setting Committee to Construction, Architectural & Engineering, Professional Services, Other Services, and Goods and Supplies contracts that are to be awarded on a basis that includes factors other than lowest price, and wherein responses that are submitted to the City by S/M/WBE firms may be awarded additional Points in the evaluation process in the scoring and ranking of their proposals against those submitted by other prime Respondents.

Formal Solicitation – an invitation for bids, request for proposals, request for qualifications or other solicitation document issued by a City department for a contract that requires City Council approval, in accordance with the procurement rules adopted by the City Manager or designee through a memorandum issued by the City Manager or designee, an Administrative Directive or a procurement manual issued under the authority of the City Manager or designee, and/or pursuant to statutory requirements.

Goal Setting Committee (GSC) – a committee, or series of committees, appointed and chaired by the City Manager or designee from the Executive Team that includes, at a minimum, the EDD Director or designee, and the Director of Finance or Director of Transportation and Capital Improvements (TCI) or their designees, the Director or designee of the Originating Department (if the Originating Department is neither Finance nor TCI,) all without duplication of designees and two citizens appointed by City Council who are eligible to vote during the goal setting committee on contracts valued at \$3,000,000 and above. The City Manager or designee may also appoint two ex-officio members of the Small Business Advocacy Committee to serve on any GSC purely in an advisory and non-voting capacity. The GSC establishes S/M/WBE Program Goals for the City of San Antonio (e.g., Annual Aspirational Goals, Contract-by-Contract Subcontracting Goals, and determining which M/WBE segments are eligible for Segmented Subcontracting Goals annually) based upon Industry Categories, vendor availability, project-specific characteristics, and M/WBE utilization. The GSC also makes determinations about which Affirmative Procurement Initiatives (APIs) are to be applied to specific contracts based upon various criteria.

Good Faith Efforts – documentation of the Respondent's intent to comply with S/M/WBE Program Goals and procedures including, but not limited to, the following: (1) documentation as stated in the solicitation reflecting the Respondent's commitment to comply with SBE or M/WBE Program Goals as established by the GSC for a particular contract; or (2) documentation of efforts made toward achieving the SBE or M/WBE Program Goals (e.g., solicitations of bids/proposals/qualification statements from all qualified SBE or M/WBE firms listed in the Small Business Office's directory of certified SBE or M/WBE firms; correspondence from qualified SBE or M/WBE firms documenting their unavailability to perform SBE or M/WBE contracts; documentation of efforts to subdivide work into smaller quantities for subcontracting purposes to enhance opportunities for SBE or M/WBE firms; documentation of a Prime Contractor's posting of a bond covering the work of SBE or M/WBE Subcontractors; documentation of efforts to assist SBE or M/WBE firms with obtaining financing, bonding or insurance required by the Respondent; and documentation of consultations with trade associations and CONTRACTORS that represent the interests of SBE and/or M/WBEs in order to identify qualified and available SBE or M/WBE Subcontractors.) 0

HUBZone Firm – a business that has been certified by U.S. Small Business Administration for participation in the federal HUBZone Program, as established under the 1997 Small Business Reauthorization Act. When specified by the GSC, the M/WBE Subcontracting Program may also be required to reflect Good Faith Efforts that a Prime Contractor or vendor has taken (or commits to taking in the case of solicitations that do not include a detailed scope of work or those in which price cannot be considered a factor in evaluation), toward attainment of subcontracting goals for M/WBE firms.

M/WBEs that submit responses for these kinds of solicitations are awarded additional Points in the scoring of their responses when evaluating and ranking their responses against those submitted by non-minority firms. Where specified in contract specifications as approved by the Goal Setting Committee, the M/WBE Evaluation Preference may be limited to Emerging M/WBE firms.
