

Sec. 35-339.05. - "MSAO" Military Sound Attenuation Overlay District.

- (c) **District Standards - Camp Bullis (MSAO-1), ~~and~~ Martindale (MSAO-2), and Lackland (MSAO-3)**. All habitable portions of structures occupied by noise sensitive land uses shall be designed and constructed to achieve either: an outside to inside noise level reduction (NLR) of at least twenty-five (25) a-weighted decibels (dBA), or be built to the standards set forth in subsection (c)(1)B. below.

These standards are required regardless of whether the noise sensitive land use is stand-alone as a single use or part of a larger development that may include more than one land use.
