5. Indemnity.

5.01. These definitions apply to the indemnity provisions of this Contract:

5.01.01. **“Indemnified Claims” mean all loss, cost, liability, or expense, directly or indirectly arising, in whole or in part, out of acts or omissions of any person other than an Indemnitee that give rise to assertions of Indemnitee liability under this Contract, whether or not the person is a party to this agreement. Indemnified Claims include attorneys’ fees and court costs and include claims arising from property damage and from personal or bodily injury, including death. Indemnified Claims also include claims in which an Indemnitee shares liability with the Indemnitor, excluding only claims as to which Indemnitees are solely negligent.**

5.01.02. **“Indemnitees” means the City of San Antonio and its elected officials, officers, employees, agents, and other representatives, collectively, against whom an Indemnified Claim has been asserted.**

5.01.03. **“Indemnitor” means Tenant.**

5.02. Indemnitor must indemnify Indemnitees, individually and collectively, from all Indemnified Claims. Indemnitor must indemnify Indemnitees from the

consequences of their own negligence or from the negligence of any of them for so long as it is not sole negligence.

5.03. If Indemnitor and one or more Indemnitees are finally adjudged to have liability that is outside the scope of this indemnity, Indemnitor need not further indemnify the so-adjudged Indemnitees from such liability. But despite allegations of Indemnatee negligence, Indemnitor must nevertheless defend all Indemnitees until final adjudication. Indemnitor may not recover sums previously spent defending or otherwise indemnifying the Indemnatee who has been adjudged to be negligent and must continue to indemnify other Indemnitees.

5.04. There are no third-party beneficiaries of this indemnity other than the category of people and entities included within the definition of Indemnitees.

5.05. Indemnitor must promptly advise the City of San Antonio in writing of any Indemnified Claim and must, at its own cost, investigate and defend the Indemnified Claim. Whether or not the City of San Antonio is an Indemnatee as to a particular Indemnified Claim, the City of San Antonio may require Indemnitor to replace the counsel Indemnitor has hired to defend Indemnitees. The City may also require Indemnitor to hire specific-named counsel for so long as the named counsel's hourly rates do not exceed the usual and customary charges for counsel handling sophisticated and complex litigation in the locale where the suit is pending. No such actions release or impair Indemnitor's obligations under this indemnity paragraph, including its obligation to pay for the counsel selected by City. Regardless of who selects the counsel, the counsel's clients are Indemnitees, not Indemnitor.

5.06. In addition to the indemnity required under this Contract, each Indemnatee may, at its own expense, participate in its defense by counsel of its choosing without relieving or impairing Indemnitor's obligations under this indemnity paragraph.

5.07. Indemnitor may not settle any Indemnified Claim without the consent of the City of San Antonio, whether or not the City is an Indemnatee as to the particular Indemnified Claim, unless (A) the settlement will be fully funded by Indemnitor and (B) the proposed settlement does not contain an admission of liability or wrongdoing by any Indemnatee. The City's withholding its consent as allowed in the preceding sentence does not release or impair Indemnitor's obligations of this indemnity paragraph. Even if the City of San Antonio is not an Indemnatee as to a particular Indemnified Claim, Indemnitor must give City at least 20 days advance written notice of the details of a proposed settlement before it becomes binding. Any settlement purporting to bind an Indemnatee must first be approved by City Council.

5.08. Nothing in this Contract waives governmental immunity or other defenses of Indemnitees under applicable law.

5.09. If, for whatever reason, a court refuses to enforce this indemnity as written, and only in that case, the parties must contribute to any Indemnified Claim 5% by the Indemnitees and 95% by the Indemnitor. Indemnitor need look only to the City of San Antonio for Indemnitees' 5% if the City of San Antonio is an Indemnified Party as to a particular Indemnified Claim.

6. Tenant's Affirmative Promises.

Tenant promises that it will:

6.01. Be compliant with (a) All federal, state and local laws; (b) All applicable laws and regulations relating to the use, condition, and occupancy of the Premises and Building; (c) Any requirements imposed by utility companies serving or insurance companies covering the Premises or Building; and (d) Any rules and regulations for the Building and Common Areas adopted by Landlord.

Tenant agrees to conduct its business, and control its agents, employees, and invitees in such manner so as to avoid creation of a nuisance, interfere with, annoy or disturb other Tenants or Landlord. Tenant shall inform Landlord of all public events, if any, held on the Leased Premises hosted by Tenant no later than seven (7) days prior to the date the event occurs.

6.08. Vacate the Premises and return all keys to the Premises on the last day of the Term, subject to any holdover rights.

6.09. On request, execute an estoppel certificate that states the Lease Commencement Date and Expiration Date of the lease, identifies any amendments to the lease, describes any rights to extend the Term or purchase rights, lists defaults by Landlord, and provides any other information reasonably requested. If Landlord sells the Premises, Tenant must deliver to the buyer or the buyer's lender a subordination, non-disturbance, and attornment agreement reasonably satisfactory to the buyer and its lender. Tenant's obligation to deliver the agreement may be conditioned on buyer's agreement to honor this Lease according to its terms, but buyer will not be estopped to act on Tenant's default under this Lease.

6.10 Pay all real and personal property taxes assessed against the Premises or the personal property of Tenant to the government entity having jurisdiction for collection of taxes on or before the assessment of interest or penalties for late payment.

6.11 To complete the finish-out as detailed in Exhibit B of this Lease within six months of the Rent Commencement Date at Tenant's sole cost and expense and without any obligation whatsoever for Landlord to contribute to the cost associated with Tenant's completion of the finish-out.

6.12 Reimburse Landlord the cost of any repairs allocated to Landlord in Section 8 of this Lease if the necessity to make such repair is a result of Tenant, its employees or invitees negligence.

7. Tenant's Negative Promises.

Tenant promises that it will not:

7.01. Use the Premises for any purpose other than the Permitted Use.

7.02. Create a nuisance.

7.03. Permit waste.

7.04. Use the Premises in any way that would increase insurance premiums or void insurance on the Building.

7.05. Change Landlord's lock system without Landlord's written approval.

7.06. Alter the Premises, except for as authorized under the terms of the Lease.

7.07. Allow a lien to be placed on the Premises.

8. Landlord's Affirmative Promises.

Landlord promises that it will:

8.01. Lease to Tenant the Premises for the entire Term beginning on the Rent Commencement Date and ending on the Expiration Date.

8.02. Landlord has completed an asbestos survey for the building of which the Premises is part as of June 15, 2012 as indicated in the report prepared by Aleo Environmental Enterprises, Inc. in accordance with the provisions of § 6-293 of the City Code of the City of San Antonio, Texas.

8.03. Obey all applicable laws with respect to Landlord's operation of the Building and Common Areas.

City shall not be liable to Tenant for any damage to merchandise, trade fixtures, or personal property of Tenant in the Leased Premises caused by water leakage from the roof, water lines, sprinkler, or heating, ventilation and air conditioning equipment, or acts of other Tenants in the Building (if any), unless due to the sole active negligence of City.

9. Landlord's Negative Promise.

Landlord promises that it will not interfere with Tenant's possession of the Premises as long as Tenant is not in default.

10. Alterations.

10.01. Physical additions or improvements to the Premises made by Tenant, if any, will become the property of Landlord. Landlord may require that Tenant, at the end of the Term and at Tenant's expense, remove any physical additions and improvements,

repair any alterations, and restore the Premises to the condition existing at the Commencement Date, normal wear excepted.

10.03. Landlord's approval as landlord for any Alterations including the finish-out detailed in Exhibit B of this Lease is not the approval of the City of San Antonio as a municipality. To complete the finish-out as detailed in Exhibit B of this Lease, Tenant must procure all the permits, certificates, zoning changes and licensing that may be required under the City Code of San Antonio that a tenant from a private landlord would be required to procure for the intended use.

11.03. Tenant must maintain the insurance during the construction phase. Tenant or its contractors or subcontractors must further provide payment and performance bonds naming Landlord as indemnitee. If the construction is minor, Tenant may request the requirements of this Section be waived, but a waiver may be granted only by Landlord's Risk Manager. In deciding whether to waive, Landlord's Risk manager has absolute discretion. The Risk Manager may make the waiver without further action of council.

11.04. On or before the Rent Commencement Date and prior to the expiration thereafter of required policies of insurance or promptly upon a Landlord's request, Tenant must, at its own expense, deliver to Landlord's Risk Manager and to the City Clerk policy declarations pages reflecting all required insurance coverage. Landlord may request changes in policy terms, conditions, limitations, or exclusions (except where established by law). If Landlord does so and the changes would increase premiums, Landlord will discuss the changes. If Landlord still wants the changes after discussion, Tenant must make the changes and pay the cost thereof. Landlord's review and approval of the above documents does not waive noncompliance with the requirements of this Lease.

11.05. The Notices and Certificates of Insurance must be provided to the same addresses as for notices of cancellation.

11.06. Nothing in this Lease limits Tenant's liability for damages to persons or property resulting from Tenant's activities or the activities of Tenant's agents, employees, sublessees, or invitees.

11.07. Landlord disclaims an employee, agent, or invitee relationship with any person whose presence on the Premises is through Tenant. Claims resulting from assertions of tort liability or any obligation for which Tenant may be liable under any workers' compensation, unemployment compensation, disability benefits, similar statutory scheme are the sole obligation of Tenant.

11.08. Landlord will self-insure as it deems advisable. As a political subdivision of the State of Texas, Landlord is subject to the Texas Tort Claims Act, and the obligations of Landlord and the rights of persons claiming against Landlord are subject to that Act.

12. Reserved.

13. Environmental Matters.

13.01. “Environmental Laws” means applicable federal, state, and local laws relating to protection of the public health, welfare, and the environment, including without limitation, those laws relating to the storage, handling, and use of chemicals and other hazardous substances, those relating to the generation, processing, treatment, storage, transport, disposal, or other management of waste materials of any kind, and those relating to the protection of environmentally sensitive areas.

13.02. “Hazardous Material” means “hazardous substance,” “pollution or contaminant,” “petroleum,” and “natural gas liquids,” as those terms are defined by or used in Environmental Laws, or that are regulated because of their effect or potential effect on human health and the environment.

Tenant will obtain all permits required under Environmental Law for its use of the Premises, if any. At least 180 calendar days before expiration of any such permit, Tenant must present proof to Landlord that it has applied for renewal.

13.05. Tenant must not allow the Release of any Hazardous Material from its use of the Premises on, onto, or from the Property. Tenant further must not handle, use, or otherwise manage any Hazardous Material on the Premises or the Property in violation of any Environmental Laws or in any but a reasonable and prudent manner.

13.06. Tenant must to immediately provide to Landlord copies of: (i) any documents required to be submitted to a Governmental Authority under Environmental Law; (ii) any notice alleging a violation of Environmental Law, or (iii) any demand from or allegation by any third party in relation to Hazardous Materials or Environmental Law. Tenant must promptly deliver to Landlord any information it receives regarding any Release of Hazardous Materials on, to, from, or about the Premises.

13.07. Landlord may conduct, at Tenant's expense, periodic inspections of the Premises and Tenant's operations thereon to assure compliance with Tenant's environmental covenants. Tenant need not pay the expense of more than such inspection in any 12-month period.

13.08. If Tenant breaches any of its representations, warranties or covenants, Tenant at its sole expense, must take all actions required, including environmental cleanup of the Premises, to comply with the representations, warranties, and covenants or applicable law. Tenant must take all action required by applicable Environmental Laws. If Tenant's actions under this provision involve cleaning up a Release of Hazardous Materials, Tenant must perform the cleanup consistently with residential use of the Premises and will not use any institutional controls or engineering controls in lieu of clean-up. Tenant will further obtain a Certificate of Completion from the TCEQ's Voluntary Cleanup Program. Institutional controls include laws, rules, or regulations or private prohibitions limiting use of a property, such as a prohibition against water well use within a certain contaminated track or area of a local government's jurisdiction. Engineering controls mean physical apparatus such as an asphalt or concrete cap, detention basin, extraction well, or other engineered device to control, contain, or remove pollutants.

13.09. Tenant must indemnify Landlord and hold Landlord and its officials, employees, and contractors from loss, cost, liability, or expense (including, but not limited to, attorneys' fees and expenses, including all attorney's fees and expenses incurred by Tenant in enforcing this indemnity) arising from or relating to breach of Tenant's environmental representations, warranties, and covenants..

14. Landlord's Municipal Powers.

Landlord is a municipality as well as landlord under this Lease. As a municipality, it may from time to time exercise municipal powers unrelated to the Lease that will nevertheless adversely affect Tenant. Such actions may include redirection of traffic, street closures, or other actions intended to facilitate public safety, the public interest, or the conduct of major events. No such action by Landlord as a municipality is a breach of Landlord's duties as landlord or entitles Tenant to any relief under this Lease. Likewise, no breach of contract or other duty by municipal utility providers is a breach of Landlord's duties as landlord or entitles Tenant to any relief under this Lease. Tenant has no more rights under this Lease than it would if its landlord were a private entity.

15. Prohibited Interests in Contracts.

15.01. The Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as defined in Section 2-52 of the Ethics Code, from having a financial interest in any contract with the City or any City agency such as city owned utilities. An officer or employee has a "prohibited financial interest" in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale:

- (i) a City officer or employee;
- (ii) his parent, child or spouse;
- (iii) a business entity in which the officer or employee, or his parent, child or spouse owns (i) 10% or more of the voting stock or shares of the business entity, or (ii) 10% or more of the fair market value of the business entity;
- (iv) a business entity in which any individual or entity above listed is a (i) subcontractor on a City contract, (ii) a partner, or (iii) a parent or subsidiary business entity.

15.02. Tenant warrants and certifies as follows:

- (i) Tenant and its officers, employees and agents are neither officers nor employees of the City.
- (ii) Tenant has tendered to the City a Discretionary Contracts Disclosure Statement in compliance with the City's Ethics Code.

15.03. Tenant acknowledges that City's reliance on the above warranties and certifications is reasonable.

16. Casualty/Total or Partial Destruction.

16.01. If the Premises are damaged by casualty and can be restored within ninety calendar days, Landlord will, at its expense, restore the roof, foundation, Common Areas, and structural soundness of the exterior walls of the Premises and any leasehold improvements within the Premises the maintenance of which is not assigned to Tenant under this lease. Restoration must be to substantially the same condition existing before the casualty. If Landlord fails to complete the portion of the restoration for which Landlord is responsible within ninety calendar days from the date of written notification by Tenant to Landlord of the casualty, Tenant may terminate this lease by written notice delivered to Landlord before Landlord completes Landlord's restoration obligations.

16.02. If the Premises cannot be restored within ninety calendar days, Landlord has an option to restore the Premises. If Landlord chooses not to restore, this lease will terminate. If Landlord chooses to restore, Landlord will notify Tenant of the estimated time to restore and give Tenant an option to terminate this lease by notifying Landlord within ten calendar days. If Tenant does not terminate this lease, the lease will continue, and Landlord will restore the Premises as provided above.

16.03. To the extent the Premises are untenantable after the casualty, the Rent will be adjusted as may be fair and reasonable.

16.04. If Landlord is obligated to rebuild or chooses to do so, Tenant must promptly rebuild and restore all improvements the maintenance of which are its responsibility under this Lease. Restoration must be to substantially the same condition existing before the casualty.

16.05. As with the insurance requirements, the rebuilding obligations of this paragraph are a bargained-for allocation of risk.

17. Condemnation/Substantial or Partial Taking.

17.01. If the Premises cannot be used for the purposes contemplated by this lease because of condemnation or purchase in lieu of condemnation, this lease will terminate.

17.02. If there is a condemnation or purchase in lieu of condemnation and this lease is not terminated, Landlord will, at Landlord's expense, restore the Premises, and the Rent payable during the unexpired portion of the Term will be adjusted as may be fair and reasonable.

17.03. Tenant will have no claim to the condemnation award or proceeds in lieu of condemnation.

18. Holdover.

If Tenant holds over after termination or expiration of this Lease, the terms of this Lease apply during the holdover period, except (A) Tenant is a tenant at sufferance and (B) the monthly Rent due to the Landlord will be equal to 125% of the monthly rent paid in the month prior to the month in which the Holdover became effective.

19. Contractual Lien.

19.01. To secure the payment of Rent and the full performance of this Lease by Tenant, Tenant hereby grants to Landlord an express first and prior security interest and contract lien on all property (including fixtures, furniture, furnishings, equipment, chattels, merchandise, goods, inventory, and all other personal property) that may now or hereafter be placed in the Premises and all additions, accessions and replacement thereto, and all proceeds therefrom and also upon all proceeds of any insurance that may accrue to Tenant by reason of destruction of or damage to any such property ("Collateral"). Tenant must not remove the Collateral from the Premises without Landlord's written consent until Rent arrearages then due to Landlord are paid in full. Tenant waives all exemption laws in favor of this lien and security interest. Landlord does not waive its statutory lien, and this lien and security interest is cumulative with the statutory lien.

19.02. In case of an event of default, Landlord may, in addition to any other remedies, enter the Premises and take possession of any and all personal property of Tenant situated on the Premises, without liability for trespass or conversion. This lien

may be foreclosed with or without court proceedings by public or private sale, provided, Landlord gives Tenant at least 10-calendar days notice of the time and place of sale. Landlord has the right to bid and purchase at the sale. Any sale or disposition of the Collateral made under this section is commercially reasonable (A) if held at the Premises or where the Collateral is located and (B) if the time, place, and method of sale and a general description of the Collateral to be sold is advertised in a daily newspaper published in the county in which the property is located for five consecutive days before the date of sale. Tenant must inform Landlord as soon as reasonably possible after receiving the notice of sale about any and all prospects of whom Tenant is aware who have any interest in purchasing any of the Collateral. Tenant must further inform Landlord of any marketing or selling activity that Tenant believes will bring a fair sale price for the Collateral, balancing the cost of the activity. Should Tenant fail to cooperate in offering information to assist in the disposition of the Collateral, Tenant should not be heard to complain about the Landlord's disposition made according to this Lease.

19.03. The proceeds from any disposition of the Collateral, less any and all expenses connected with the taking of possession, holding and selling of the Collateral (including reasonable attorney's fees and other expenses), will be applied as a credit against the indebtedness secured by the security interest granted in this paragraph. Any surplus goes to Tenant or as otherwise required by law, and the Tenant must pay any deficiencies forthwith. Contemporaneously with the execution of this Lease (and if requested hereafter by Landlord), Tenant shall execute and deliver to Landlord Uniform Commercial Code financing statements in sufficient form so that, when properly filed, the security interest will be perfected. If Landlord requests, Tenant must also execute and deliver to Landlord Uniform Commercial Code financing statement change instruments in sufficient form to reflect any proper amendment of, modification in, or extension of the contract lien and security interest hereby granted. A carbon, photographic, or other reproduction of this Lease is sufficient as a financing statement. In addition to all of its rights, Landlord also has all the rights and remedies of a secured party under the Uniform Commercial Code as adopted in Texas. Landlord may execute any financing statement as agent for Tenant so that the document is in proper form to be filed.

20. Default, Remedies for Default.

20.01. *Events of Default.* If Tenant permits or fails to prevent any of the following occurrences, it is a Tenant event of default:

20.01.01. Tenant fails to pay when due any installment of Rent.

20.01.02. Tenant fails to comply with any term, provision or covenant of this Lease, other than the payment of rental or expenses demanded by Landlord and does not cure such failure within 30 calendar days after written notice thereof to Tenant, or any representation or warranty by Tenant or any guarantor of this Lease is false or misleading in any material respect when given to Landlord.

20.01.03. This Lease or the Premises or any part thereof is taken upon execution or by other process of law directed against Tenant, or is taken upon or subject to any attachment at the instance of any creditor or claimant against Tenant, and the attachment is not to be discharged or disposed of within 30 days after the levy thereof.

20.01.04. Tenant or any guarantor of the Lease files a petition in bankruptcy or insolvency or for reorganization or arrangement under the bankruptcy laws of the United States or under any insolvency act of any state, or voluntarily takes advantage of any such law or act by answer or otherwise, or is dissolved, or makes a transfer in fraud of creditors or makes an assignment for the benefit of creditors, or admits in writing its inability to pay its debts as they mature.

20.01.05. Involuntary proceedings under any such bankruptcy law or insolvency act or for the dissolution of Tenant or any guarantor of the Lease is instituted against Tenant or such guarantor, as the case may be, or a receiver or trustee of all or substantially all of the property of Tenant or any guarantor is appointed, and such proceeding is not dismissed or such receivership or trusteeship vacated within sixty (60) days after such institution or appointment.

20.01.06. Tenant deserts, vacates, or abandons all or any portion of the Premises, or ceases to physically occupy any substantial portion of the Premises and continuously operate its business on the Premises. If Tenant removes or makes preparations to remove its goods, equipment, inventory, and fixtures (other than in the normal course of business) in amounts sufficient to indicate a probable intent to vacate the Premises, Tenant's breach is established conclusively.

20.01.07. Tenant does or permits to be done anything which creates a lien upon the Premises which is not removed or released within 30 calendar days of its filing.

20.01.08. The business operated by Tenant is closed for failure to pay any State sales tax as required or for any other reason, other than repairs, death of the principals of Tenant, or normal business holidays.

20.01.09. This Lease or the estate of Tenant hereunder is transferred to, or passes to any other person or party except in a manner permitted herein.

20.01.10. Failure to pay taxes assessed against Tenant's leasehold interest in the Premises or the personal property of Tenant in full before assessment of interest or penalty.

20.02. *Remedies for Default.* Upon the occurrence of any Tenant event of default, Landlord has the option to pursue anyone or more of the following:

20.02.01. In addition to, and without limiting any other remedies available to Landlord at law or in equity, immediately terminate this Lease and all rights of Tenant hereunder. Upon termination, Tenant must immediately surrender the Premises to Landlord. If Tenant fails to do so, Landlord may, without prejudice to any other remedy, enter and take possession of the Premises or any part thereof and expel or remove Tenant and any other person who may be occupying the Premises or any part thereof, by force if necessary, without being liable for prosecution or any claim of damages.

20.02.02. Enter upon and take possession of the Premises or any part thereof and expel or remove Tenant and any other person who may be occupying said Premises or any part thereof, by force if necessary, without being liable for prosecution or any claim for damages therefor without having terminated the Lease.

20.02.03. Enter upon the Premises, by force if necessary, without being liable for prosecution or any claim for damages, and do whatever Tenant is obligated to do under the terms of this Lease. In such case, Tenant must reimburse Landlord on demand for expenses Landlord may incur in thus effecting compliance with Tenant's obligations. Landlord is not liable for any damages resulting to the Tenant from such action.

20.02.04. Alter all locks and other security devices at the Premises without terminating this Lease. If Landlord does so:

(i) Landlord need not allow Tenant re-entry to the Premises or provide Tenant with a new key unless and until Tenant cures any and all defaults under this Lease,

(ii) Landlord may refuse to give Tenant a new key unless Tenant establishes a security deposit in an amount determined by Landlord,

(iii) if Landlord does provide Tenant with a key, it will do so only during the Landlord's regular business hours, and

(iv) Tenant must pay Landlord all costs and expenses incurred by Landlord in connection with altering the locks and other security devices.

Landlord's remedies and rights under this Lease entirely supersede and supplant the provisions of Texas Property Code § 93.002.

20.03. *Repossession and Alteration of Locks.* Landlord's exercise of one or more remedies is not acceptance of Tenant's purported surrender of the Premises, whether by agreement or by operation of law. Surrender can occur only by the written agreement of Landlord and Tenant. No such alteration of locks or other security devices and no removal or other exercise of dominion by Landlord over the property of Tenant or others

at the Premises is unauthorized or constitutes conversion. Tenant consents to Landlord's exercise of dominion over Tenant's property within the Premises in case of Tenant's default. Tenant waives (A) all claims for damages by reason of such reentry, repossession, or alteration of locks or other security devices and (B) all claims for damages by reason of any distress warrant, forcible detainer proceedings, sequestration proceedings, or other legal process. Re-entry by Landlord may be pursuant to judgment obtained in forcible detainer proceedings or other legal proceedings or without the necessity for any legal proceedings, as Landlord may elect. Landlord is not liable in trespass or otherwise for such re-entry. Landlord's remedies and rights under this Lease entirely supersede and supplant the provisions of Texas Property Code § 93.002.

20.04. *Effect of Termination.* If Landlord terminates the Lease for an event of default, then despite the termination, Tenant is liable for and must pay Landlord, at the Address for Payment of Rent, all Rent accrued to the date of termination. Landlord's acceptance of past-due rent after termination does not reinstate the Lease.

20.05. *Effect if No Termination.* If Landlord repossesses the Premises without terminating the Lease, then Tenant is liable for and must pay Landlord, at the Address for Payment of Rent, all Rent accrued to the date of repossession, plus Rent due during the remainder of the term until the date of expiration. Tenant's obligation is diminished by any net sums thereafter received by Landlord through reletting the Premises (after deducting expenses of reletting). Tenant is liable for the full Rent for the remainder of the Lease term if the Premises are not relet. In no event is Tenant entitled to any excess of any rental obtained by reletting over and above the Rent. Actions to collect amounts due by Tenant to Landlord may be brought at one time or from time to time, on one or more occasions, without the necessity of Landlord's waiting until expiration of the Lease term. In the alternative, if Landlord relets the Premises, Landlord may recover from Tenant (A) the unpaid Rent accrued before Tenant's default, plus (B) the then present value of the amount by which the Rent for the remainder of the term exceeds the rental received from reletting the Premises. Present value is computed by allowing interest at 1% in excess of the discount rate of the Federal Reserve Bank of Dallas, Texas. No repossession of the Premises by Landlord hereunder is either an acceptance of surrender or an election to terminate this Lease. Neither does it cause a forfeiture of Rent remaining to be paid during the balance of the Lease term, unless a written notice of such intention is given to Tenant or unless the termination thereof be decreed by a court of competent jurisdiction. Notwithstanding Landlord's right to relet and collect the difference in rental values, Landlord may, at any time after default, terminate this Lease. Landlord also may decline to repossess the Premises, and may from time to time, without terminating this Lease, recover all rent as it becomes due.

20.06. *Liability for Costs Incurred.* If Tenant defaults, in addition to any other sum required by this Lease, Tenant must also pay to Landlord, at the Address for Payment of Rent, (A) brokers and management fees incurred by Landlord in connection with reletting the whole or any part of the Premises; (B) the costs of removing and storing Tenant's or any other occupant's property; (C) the costs of repairing, altering, remodeling, or otherwise putting the Premises into a condition acceptable to a new tenant

or tenants; (D) all rental concessions as a result of reletting; and (E) any and all other costs, fees, and expenses associated with reletting the Premises and all reasonable expenses incurred by Landlord in repossessing the Premises and in enforcing or defending Landlord's rights and/or remedies, including reasonable attorney's fees, which shall be not less than 10% of all sums then owing by Tenant to Landlord.

20.07. *Obligation to Reimburse.* If Tenant fails to timely make any payment or cure any default, Landlord, without an obligation to do so and without waiving default, may make the payment or remedy the other default for the account of Tenant (and enter the Premises for such purposes). Thereupon Tenant must pay upon demand, all costs, expenses, and disbursements (including reasonable attorney's fees) incurred by Landlord in taking the remedial action.

20.08. *Default by Landlord.* If Landlord defaults, Tenant's exclusive remedy is an action for damages (Tenant hereby waiving the benefit of any laws granting it a lien upon the property of Landlord or on rent due Landlord). Tenant is not permitted to withhold Rent. Before filing any such action Tenant must give Landlord 30-calendar days prior written notice specifying the alleged default and giving Landlord opportunity to cure. Unless and until Landlord fails to timely cure a default after written notice, Tenant has no remedy or cause of action by reason thereof. All obligations of Landlord are covenants, not conditions. Landlord's liability to Tenant for default is limited to actual, direct, but not consequential, damages. **Tenant hereby waives its statutory lien under § 91.004 of the Texas Property Code.**

20.09. *Payments After Termination.* Tenant's payment of money to Landlord after termination or after notice of default (other than a demand for payment of money within any applicable cure period) does not reinstate, continue, or extend the term or affect any notice given to Tenant prior to the payment. After the service a suit or after any final judgment granting Landlord possession of the Premises, Landlord may receive and collect any sums due under the terms of this Lease or may otherwise exercise any of its rights and remedies hereunder. Such payment, whether as rent or otherwise, does not waive any notice or a termination of Tenant's right of possession, or in any manner affect any suit theretofore commenced or judgment previously obtained.

20.10. *Rights Respecting Personal Property.* If Landlord takes possession of the Premises under the authority of this Lease, Landlord may keep in place and use all furniture, fixtures, and equipment at the Premises, including that owned by or leased to Tenant at all times before foreclosure thereon by Landlord or repossession thereof by any lessor thereof or lienholder thereon. Landlord may also remove from the Premises (without obtaining a distress warrant, writ of sequestration, or other legal process) all or any part of the furniture, fixtures, equipment, and other property and place same in storage anywhere in the county in which the Premises are located. In such case, Tenant is liable to Landlord for costs incurred by Landlord in the removal and storage and must indemnify Landlord from all loss, damage, cost, expense, and liability arising from or relating to the removal and storage. Landlord also may relinquish all or any part of the furniture, fixtures, equipment, and other property to any person ("Claimant") who

presents to Landlord a copy of any instrument represented to have been executed by Tenant, if the instrument purports to grant Claimant the right under various circumstances to take possession of the property. Landlord need not inquire into the authenticity of the instrument or Tenant's or Tenant's predecessor's signature thereon. Landlord further need not investigate or inquire into the validity of the factual or legal basis on which Claimant purports to act. Tenant will indemnify Landlord from all loss, cost, liability, or expense arising from or relating to Landlord's relinquishment of property to a Claimant. These rights of Landlord are additional to any other rights that Landlord has or may hereafter have at law or in equity. Tenant stipulates that the rights herein granted Landlord are commercially reasonable.

20.11. *Cumulative Remedies.* Each right and remedy provided to Landlord in this Lease is cumulative to every other right or remedy provided to Landlord by this Lease or applicable law, including, but not limited to, suits for injunctive relief and specific performance. The exercise or beginning of the exercise by Landlord of one or more of the right or remedy does not preclude the simultaneous or later exercise by Landlord of another remedy. All costs incurred by Landlord in collecting any amounts and damages owed by Tenant under this Lease or to enforce any provision of it, including reasonable attorneys' fees from the date any such matter is turned over to litigation counsel, are also recoverable by Landlord from Tenant.

21. Landlord's Mitigation of Damages.

Any duty imposed by law on Landlord to mitigate damages after a default by Tenant under this Lease will be satisfied in full if Landlord undertakes to lease the Premises to another tenant (a "Substitute Tenant") in accordance with the following criteria:

21.01. Landlord will have no obligation to solicit or entertain negotiations with any other prospective tenants for the Premises until Landlord obtains full and complete possession of the Premises including without limitation, the final and unappealable legal right to relet the Premises free of any claim of Tenant;

21.02. Landlord will not be obligated to lease or show the Premises on a priority basis, or offer the Premises to a prospective tenant when other space in the Building suitable for the prospective tenant's use is (or soon will be) available;

21.03. Landlord will not be obligated to lease the Premises to a Substitute Tenant for a Rent less than the current fair market Rent then prevailing for similar uses in comparable buildings in the same market area as the Building, nor will Landlord be obligated to enter into a new lease under terms and conditions that are unacceptable to Landlord under Landlord's then current leasing policies for comparable space in the Building.

21.04. Landlord will not be obligated to enter into a lease with a Substitute Tenant whose use would:

- (i) violate any restriction, covenant, or requirement contained in the lease of another tenant of the Building;
- (ii) adversely affect the reputation of the Building; or
- (iii) be incompatible with other users of the Building.

21.05. Landlord will not be obligated to enter into a lease with any proposed Substitute Tenant that does not have, in Landlord's reasonable opinion, sufficient financial resources to operate the Premises in a first class manner; and

21.06. Landlord will not be required to expend any amount of money to alter, remodel, or otherwise make the Premises suitable for use by a proposed Substitute Tenant unless:

- (i) Tenant pays any such sum to Landlord in advance of Landlord's execution of a lease with the proposed Substitute Tenant (which payment will not be in lieu of any damages or other sums to which Landlord may be entitled as a result of Tenant's default under this Lease; or
- (ii) Landlord, in Landlord's reasonable discretion, determines that any such expenditure is financially justified in connection with entering into a lease with the prospective Substitute Tenant.

22. Quiet Enjoyment.

As long as Tenant pays the rent and other charges under this lease and observes the covenants and terms of this lease, Tenant will lawfully and quietly hold, occupy, and enjoy the Premises during the lease term without being disturbed by Landlord or any person claiming under Landlord, except for any portion of the Premises that is taken under the power of eminent domain.

23. Tenant's Bankruptcy.

In addition to other available remedies, if Tenant becomes the subject of a voluntary or involuntary bankruptcy, reorganization, composition, or other similar proceeding under the federal bankruptcy laws:

23.01. "Adequate protection" of Landlord's interest in the Premises pursuant to Sections 361 and 363 (or their successor sections) of the Bankruptcy Code, 11 U.S.C., Paragraph 101, et seq., as amended from time to time ("Bankruptcy Code"), before assumption or assignment of the Lease by Tenant include but are not limited to all (or any part) of the following:

- (i) continued payment by Tenant of all Rent due and owing hereunder and the performance of all other covenants and obligations hereunder by Tenant;

(ii) hiring security guards to protect the Premises if Tenant abandons or ceases operations, the obligation of Tenant only to be effective so long as Tenant remains in possession and control of the Premises to the exclusion of Landlord;

(iii) furnishing an additional/new security deposit by Tenant in the amount of three times the then-current monthly Base Rental and Additional Rent payable hereunder.

23.02. "Adequate assurance of future performance" by Tenant or any assignee of Tenant pursuant to Bankruptcy Code Section 365 includes (but is not be limited to) payment of an additional/new Security Deposit in the amount of three times the then-current monthly Base Rental and Additional Rent payable hereunder.

23.03. Any person or entity to which this Lease is assigned pursuant to the Bankruptcy Code, assumes, without further act or deed, all obligations of Tenant arising under this Lease on and after the effective date of such assignment. Any such assignee must, on demand by Landlord, execute and deliver to Landlord an instrument confirming the assumption of liability.

23.04. Despite anything in this Lease to the contrary, all amounts payable by Tenant to or on behalf of the Landlord under this Lease, whether or not expressly denominated as "rent", constitute "rent" for the purposes of Section 502(b)(6) of the Bankruptcy Code.

23.05. If this Lease is assigned to any person or entity pursuant to the Bankruptcy Code, any and all monies or other considerations payable or otherwise to be delivered to Landlord (including Base Rentals and other rent hereunder) remain the exclusive property of Landlord and are not property of Tenant or of the bankruptcy estate of Tenant. Any and all monies or other considerations constituting Landlord's property under the preceding sentence not paid or delivered to Landlord must be held in trust by Tenant or Tenant's bankruptcy estate for the benefit of Landlord and must be promptly paid to Landlord.

23.06. If Tenant assumes this Lease and proposes to assign it to a specific assignee on specific terms, Tenant must deliver to Landlord notice of the proposed assignment. The notice must set forth (i) the name and address of the proposed assignee; (ii) all terms and conditions of the offer, and (iii) the adequate assurance to be provided Landlord to assure the assignee's future performance under the Lease. Tenant must deliver the notice no later than 20 calendar days after Tenant's receipt of the proposal, but in no event later than 10 calendar days before Tenant applies to a court of competent jurisdiction for authority and approval of the proposed assumption and assignment. Landlord thereupon has the prior right and option to accept the assignment itself on the same terms and conditions and for the same consideration, if any, as Tenant's proposed assignee, less any brokerage commission otherwise payable by the proposed assignee.

Landlord must exercise its prior right and option by delivering notice to Tenant not later than 30 calendar days after Landlord's receipt of the notice.

23.07. To the extent permitted by law, this Lease is a contract under which applicable law excuses Landlord from accepting performance from (or rendering performance to) any person other than Tenant.

24. Warranty Disclaimer.

24.01. There are no implied warranties of merchantability, of fitness for a particular purpose, or of any other kind arising out of this lease, and there are no warranties that extend beyond those expressly stated in this lease. Without limitation, this Lease contains no express or implied warranty that the Premises have no latent defects or that the Premises are or will remain suitable for Tenant's purposes.

24.02. Tenant acknowledges it has had ample opportunity to perform due diligence regarding the Premises and accepts the Premises in their present condition, as-is with due regard to occupancy legal requirements.

25. Abandoned Property.

Landlord may retain, destroy, or dispose of any property left on the Premises at the end of the Term without any accounting to Tenant.

26. Appropriations.

All obligations of the City of San Antonio under this instrument are funded through the City of San Antonio General Fund and are subject to the discretion of City Council whether to appropriate funding for any given year of a term. If the City Council fails to appropriate money for this Lease in an annual City of San Antonio Budget, the City may terminate this Lease and have no further liability.

27. Sublease, Assignment.

Tenant cannot assign or sublease this lease or any portion of this lease without Landlord's prior written consent.

28. Dispute Resolution.

28.01. Before bringing any action arising out of this agreement, including an action for declaratory relief but not an action specifically excepted below, the disputants must first submit in good faith to mediation. The parties may not assert limitations, laches, waiver, and estoppel based upon attempts to mediate.

28.02. Filing suit on a claim that should be mediated waives the filer's right to demand mediation. But one party's waiver does not affect another party's right. A defendant does not waive mediation for so long as, within a reasonable time after appearing, the defendant gives written notice to the plaintiff or its counsel of intent to require compliance with this paragraph.

28.03. Mediation must be conducted in San Antonio, Bexar County, Texas.

28.04. The party desiring relief has the burden to initiate mediation. Waiting for another party to initiate mediation does not waive the right to it.

28.05. If the parties can otherwise agree on a mediator, they may do so. Alternatively, either party may petition any court of competent jurisdiction to appoint a mediator. The only predicate issues the court need consider before appointing a mediator are whether (i) the copy of the contract before the court is authentic and (ii) the contract was duly signed and delivered by all parties to be bound to mediate. If neither of those issues is denied under oath, the court may appoint a mediator upon motion, without trial.

28.06. Mediator fees must be borne equally.

28.07. The parties need not mediate before going to court (1) for either party to seek emergency injunctive relief or (2) for Landlord to seek forcible entry and detainer relief against Tenant.

29. Miscellaneous.

29.01. *Applicable Law.* This Agreement is entered into in San Antonio, Bexar County, State of Texas. **Its Construction And The Rights, Remedies, And Obligations Arising Under It Are Governed by The Laws of The State Of Texas.** But the Texas conflicts of law rules must not be used to apply the laws of a jurisdiction other than Texas. Both parties' obligations under this agreement are performable in San Antonio, Bexar County, Texas, and venue for any action arising under this agreement is only in Bexar County, Texas.

29.02. *Severability.* If any part of this agreement is found invalid or unenforceable, the finding does not affect the remainder.

29.03. *Successors.* This Agreement inures to the benefit of and binds the heirs, representatives, successors, and permitted assigns of each party. This clause does not authorize any assignment not otherwise authorized.

29.04. *Integration.* **This Written Agreement Represents The Final Agreement Between The Parties And May Not Be Contradicted By Evidence Of Prior, Contemporaneous, Or Subsequent Oral Agreements Of The Parties. There Are No Oral Agreements Between The Parties.**

29.05. *Modification.* This Agreement may be changed only by a written agreement, signed by the party against whom enforcement of any modification is sought. Subject to that restriction, any of this Agreement's terms may be modified by the party entitled to their benefit, but no modification, express or implied, affects the right of the modifying party either (i) to apply any other term or condition or (ii) to apply the same term or condition to a later or earlier occasion. Any modification of this Lease must be authorized by an ordinance adopted by City Council that specifically addresses the modification.

29.06. *Third Party Beneficiaries.* This Agreement benefits the parties and their successors and permitted assigns only. It has no third party beneficiaries.

29.07. *Notices.* Notices must be in writing and by certified mail, return receipt requested, addressed to the parties at their respective addresses set forth at the beginning. If the addressee is a corporation, notices must be addressed to the attention of its President. Notice is complete three calendar days after deposit, properly addressed and postage prepaid, with the United States Postal Service. Failure to use certified mail does not defeat the effectiveness of notice actually received, but such notice is effective only on actual receipt. Address for notice may be changed by giving notice.

29.08. *Pronouns.* Plural constructions include the singular, and singular constructions include the plural. Whether a pronoun is masculine, feminine, or neuter does not affect meaning or application of the relevant term. The words "herein," "hereof," and other, similar compounds of the word "here" refer to the entire Agreement, not just to a part of it.

29.09. *Captions.* Paragraph captions are for ease of reference only and do not affect the interpretation.

29.10. *Counterparts.* This Agreement may be executed in multiple counterparts, each of which is an original, whether or not all parties sign the same document. Regardless of their number, counterparts constitute only one agreement. In making proof of this agreement, one need not produce or account for more counterparts than necessary to show execution by or on behalf of all parties.

29.11. *Further Assurances.* The parties must execute and deliver such additional documents and instruments as may be necessary to effect fully the provisions hereof. But no such additional documents can alter the rights or obligations of the parties stated in this agreement.

29.12. *Administrative Actions and Agreements.* The Director of the Center City Development Office may, without further council action, agree to, sign, and deliver on behalf of the City all consents, certificates, memoranda, estoppels, and modifications of nonmaterial rights and obligations arising under this Lease and may declare Tenant defaults and pursue remedies for such defaults, including terminating this Lease. This paragraph does not authorize lease amendments or renewals without council consent.

29.13. *Conflicts Between Numbers Stated Two Ways.* Whenever this lease states numbers more than one way, such as by using both words and numerals or by stating a fixed amount and a calculation for arriving at an amount, and there is a conflict, the highest number controls.

29.14. *Incorporation of Exhibits.* All exhibits to this Lease are incorporated into it for all purposes as if fully set forth.

29.15. *Square Footage.* For all purposes for which square footage of the Premises is relevant, the Premises are approximately 22,300 square feet as depicted in Exhibit A.

30. Public Information.

Tenant acknowledges that this instrument is public information within the meaning of Chapter 552 of the Texas Government Code and accordingly may be disclosed to the public. Nothing in this agreement waives an otherwise applicable exception to disclosure.

In Witness Whereof, the parties have caused their representatives to set their hands.

Notes

1. The former lease as amended on May 1, 2002 under Ordinance No. 95475 allows Base Rent for the 620 SF portion of the Premises to increase 10% every three years, those increases are shown above in bold.
2. The former lease as amended on May 12, 2005 under Ordinance No. 100739 allows an increase on CAM and Janitorial pass throughs based on actual expense to provide service. The increases reflected in this chart are set at 1.25% annually.
3. All components of rent are proposed to be consolidated into one category as shown in the chart as Total Rents as reflected in Section 3.03 of this lease.
4. The April 2033 date stems from the former lease as amended in Amendment No. 3 which specified how the space in excess of 15,000 usable square feet, totaling 620 usable square feet would be occupied and over what duration.
5. The square footage figures are based on usable figures. The new lease has converted all of these numbers to rentable square footage figures. Therefore the 15,620 usable square feet detailed in the chart above is equal to the 17,500 rentable square feet identified in the Premises Section of this Lease.
