

Audit and Accountability Committee

Pre Solicitation Briefing for Airfield Package 6

March 19, 2019

Presented by: Russell J. Handy, Director, Aviation

Project & Solicitation Overview

This project will install duct bank and new fiber for the FAA cable loop system at both Taxiways E and J; remove and relocate Taxiway E to meet current FAA standards; and, install a temporary Taxiway J from Runway 13R to Taxiway RC.

This solicitation will be the first of this alternative project delivery type for a construction contract for an airfield project.
