WHEREAS, Big Diamond LLC has requested the abandonment of an 0.3910 acre unimproved portion of a public alley right of way between Anacacho Road and O’Connor Road; and

WHEREAS, the right-of-way segment has not been constructed and is no longer needed for public purposes; and

WHEREAS, it is in the interest of the public that the City of San Antonio be relieved of the obligation to maintain the right-of-way segment; **NOW THEREFORE**,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. Subject to the reservation below, as an exercise of its discretion, the City Council closes, vacates, and abandons the right-of-way (“Right-of-Way Segment”) identified in Section 2 of this Ordinance. A condition of the closure, vacation, and abandonment is City’s receipt of the \$50,474.00 fee in accordance with the funding section of this Ordinance.

SECTION 2. The detailed description of the Right-of-Way Segment is set forth on **Attachment I**. Maps and pictures of the Right-of-Way Segment are set forth on **Attachment II**. Both Attachments I and II are incorporated into this ordinance for all purposes as if they were fully set forth. Attachment I controls over any discrepancy between it and Attachment II.

SECTION 3. The properties abutting the Right-of-Way Segment are:

SECTION 4. All presently existing water and wastewater lines and facilities, electric transmission and distribution lines and facilities, gas lines and facilities, communication lines and facilities, or any other public utility lines and facilities, if any, may remain in place despite this Ordinance and may continue to be used, repaired, enlarged, and maintained in the ordinary course of business. Any person wanting removal of an existing utility line or facility must negotiate separately with the pertinent utility. Any person building on the Right-of-Way Segment without first reaching an agreement with a utility having lines or facilities in the segment does so at his own risk. After the date of this Ordinance, no utility may add additional utility lines or facilities in the Right-of-Way Segment based on a claim that the Right-of-Way Segment is public right of way. All existing drainage rights in the Right-of-Way Segments are retained by the City. This closure does not give up any right arising other than from the plat or other instrument creating the public street right of way.

SECTION 5. In addition to the condition stated in Section 1, a further condition to the closure effected by this Ordinance is the dedication to the City of San Antonio of a .0062 acre portion of property adjacent to the proposed closure for street purposes in substantially the same form and for the area described in **Attachment III**. Time is of the essence in dedicating the right of way segment. If no such dedication is filed within a year of passage of this ordinance, this ordinance is voidable.

SECTION 6. The City Manager or her designee, severally, are authorized and directed to execute and deliver all documents and to do all other things conducive to reflect this closure, abandonment, and vacation.

SECTION 7. The Right-of-Way Segment exists by easement. The underlying fee ownership of the Right-of-Way Segments by the adjacent lot owners is now unburdened by the rights closed, vacated, and abandoned.

SECTION 8. Funds generated by this ordinance will be deposited into Fund 11001000, Internal Order 256000000001 and General Ledger 4903101.

Amount	General Ledger	Internal Order	Fund

\$ 2,474.00	6301120	256000000001	11001000
Total Amt \$ 50,474.00			

SECTION 9. The disposition of surplus property must be coordinated through the city's Finance Department to assure the removal of these assets into the City's financial records and to record the proper accounting transactions.

SECTION 10. The financial allocations in this Ordinance are subject to approval by the Director of Finance, City of San Antonio. The Director of Finance, may, subject to concurrence by the City Manager or the City Manager's designee, correct allocations to specific SAP Fund Numbers, SAP Project Definitions, SAP WBS Elements, SAP Internal Orders, SAP Fund Centers, SAP Cost Centers, SAP Functional Areas, SAP Funds Reservation Document Numbers, and SAP GL Accounts as necessary to carry out the purpose of this Ordinance.

SECTION 11. This ordinance becomes effective 10 days after passage, unless it receives the eight votes requisite to immediate effectiveness under San Antonio Municipal Code § 1-15, in which case it becomes effective immediately.
