If such a lien is recorded, Subtenant must either cause it to be removed, or if Subtenant in good faith wishes to contest the lien, take timely action to do so at Subtenant's sole expense. If Subtenant contests the lien, Subtenant must indemnify Tenant and hold it harmless from all loss, cost, liability, or expense arising from the lien contest. If Subtenant loses the contest, Subtenant must cause the lien to be discharged and removed before any judgment is executed.

Required Deliveries

12.05. Subtenant must require its insurance carrier(s) to deliver to Tenant's Risk Manager and City Clerk, upon request and without expense, copies of policies and endorsements pertinent to the limits required by Tenant. Tenant may request changes in policy terms, conditions, limitations, or exclusions (except where established by law). If Tenant does so and the changes would increase premiums, Tenant will provide 30 days' prior notice to Subtenant and an opportunity to discuss the changes. If Tenant still wants the changes after discussion, Subtenant must make the changes and pay the cost thereof.

Additional Insurance for Improvement Work

12.06. Throughout the time period of any construction activity on the Premises, Subtenant shall provide Builder's Risk Insurance Coverage, Worker's Compensation and Employer's Liability Insurance Coverage, Professional Liability Insurance Coverage and any other liability or other insurance coverage in the amounts and types of coverage approved by Tenant's Risk Manager, covering all risks of physical loss during the term of any construction contract and until work is accepted by the City of San Antonio. Subtenant must procure and maintain the insurance, as well as other insurance coverage enumerated above, in full force and effect during such construction. Also, payment and performance

bonds naming Tenant as indemnitee must be provided by Subtenant or its contractors or subcontractors. If the construction is minor, Subtenant may send a written request to the City's Director of Transportation and Capital Improvements to waive the requirements in this Section.

If requested by Tenant, Subtenant must send Tenant documentation acceptable to Tenant that confirms that the individual signing the endorsements and certificates is authorized to do so by the insurance company.

Address for Delivery

12.08. The Notices and Certificates of Insurance must be provided to the same addresses as the notices of cancelation.

Liability Not Limited

12.09. Nothing herein contained limits in any way Subtenant's liability for damages to persons or property resulting from Subtenant's activities or the activities of Subtenant's agents, employees, sublessees, or invitees under this Sublease.

Waiver of Claims Against Tenant

12.10. Subtenant waives all claims against Tenant for injury to persons or property on or about the Premises, whether or not caused by Tenant's negligence.

13. Indemnification

13.01. These definitions apply to the indemnity provisions of this Sublease:

13.01.01. "Indemnified Claims" mean all loss, cost, liability, or expense, directly or indirectly arising out of acts or omissions of any person other than an Indemnitee that give rise to assertions of Indemnitee liability under this Contract, whether or not the person is a party to this Sublease. Indemnified Claims include attorneys' fees and court costs and include claims arising from property damage and from personal or bodily injury, including death.

13.01.02. "Indemnitees" means the City of San Antonio and its elected officials, officers, employees, agents, and other representatives, collectively, against whom an Indemnified Claim has been asserted.

13.01.03. "Indemnitor" means Subtenant.

13.02. Indemnitor must indemnify Indemnitees, individually and collectively, from all Indemnified Claims.

13.03. If an Indemnitee is finally adjudged to be solely negligent or grossly negligent, in whole or in part, Indemnitor need not further indemnify the so-adjudged Indemnitee from its sole or gross negligence. But despite allegations of Indemnitee negligence, Indemnitor must nevertheless defend all Indemnitees until final adjudication. Indemnitor may not recover sums previously spent defending or otherwise indemnifying the Indemnitee who has been adjudged to be solely negligent and must continue to indemnify other Indemnitees.

13.04. There are no third-party beneficiaries of this indemnity other than the category of people and entities included within the definition of Indemnitees.

13.05. Indemnitor must promptly advise the City of San Antonio in writing of any Indemnified Claim and must, at its own cost, investigate and defend the Indemnified Claim. Whether or not the City of San Antonio is an Indemnitee as to a particular Indemnified Claim, the City of San Antonio may require Indemnitor to replace the counsel Indemnitor has hired to defend Indemnitees. The City may also require Indemnitor to hire specific-named counsel for so long as the named counsel's hourly rates do not exceed the usual and customary charges for counsel handling sophisticated and complex litigation in the locale where the suit is pending. No such actions release or impair Indemnitor's obligations under this indemnity paragraph, including its obligation to pay for the counsel selected by City. Regardless of who selects the counsel, the counsel's clients are Indemnitees, not Indemnitor.

13.06. In addition to the indemnity required under this Contract, each Indemnitee may, at its own expense, participate in its defense by counsel of its choosing without relieving or impairing Indemnitor's obligations under this indemnity paragraph.

13.07. Indemnitor may not settle any Indemnified Claim without the consent of the City of San Antonio, whether or not the City is an Indemnitee as to the particular Indemnified Claim, unless (A) the settlement will be fully funded by Indemnitor and (B) the proposed settlement does not contain an admission of liability or wrongdoing by any Indemnitee. The City's withholding its consent as allowed in the preceding sentence does not release or impair Indemnitor's obligations of this indemnity paragraph. Even if the City of San Antonio is not an Indemnitee as to a particular Indemnified Claim, Indemnitor must give City at least 20 days advance written notice of the details of a proposed settlement before

it becomes binding. Any settlement purporting to bind an Indemnitee must first be approved by City Council.

13.08. Nothing in this Contract waives governmental immunity or other defenses of Indemnitees under applicable law.

13.09. If, for whatever reason, a court refuses to enforce this indemnity as written, and only in that case, the parties must contribute to any Indemnified Claim 5% by the Indemnitees and 95% by the Indemnitor. Indemnitor need look only to the City of San Antonio for Indemnitees' 5% if the City of San Antonio is an Indemnified Party as to a particular Indemnified Claim.

14. Assignment and Subletting

Consent Required

14.01. Any attempt at transfer, assignment, or subletting of Subtenant's rights, duties, and obligations hereunder, without the Tenant's prior written consent, is void and, at Tenants option, will terminate the Sublease.

15. Default and Remedies.

Termination on Default

15.01. If Subtenant defaults in performing any obligation arising out of this Sublease and does not correct the default in a reasonable time but in no case longer than 30 days after receipt of written notice to Tenant, Tenant may terminate this Sublease. Tenant or its agent or attorney may resume possession of the Premises and relet them for the remainder of the term. Upon any such early termination Subtenant shall, at Tenant's option, owe to Tenant any amount sufficient to repay any outstanding indebtedness used to finance the construction of improvements on the Premises.

Other Remedies

15.02. Termination of this Sublease does not relieve Subtenant from paying (A) money owing to Tenant under the Sublease at the time of termination, or (B) any claim for damages against Subtenant under this Sublease. Termination does not prevent Tenant from enforcing payment by any remedy provided for by law or from recovering from Subtenant for any default. Tenant's rights, options, and remedies under this Sublease are cumulative, and no one of them is exclusive of the other. Tenant may pursue any or all such remedies or any other remedy or relief provided by law, whether or not stated in this lease. No waiver by Tenant of a breach of any covenant or condition of this Sublease is a waiver of any succeeding or preceding breach of the same or any other covenant or condition of this Sublease.

16. General Protective Provisions.

Right of Entry and Inspection

16.01. Subtenant must permit Tenant or its agents, representatives, or employees to enter the Premises to (A) inspect, (B) determine whether Subtenant is complying with this Sublease, (C) maintain, repair, or alter the Premises, or (D) show the Premises to prospective tenants, purchasers, mortgagees, or beneficiaries under trust deeds.

No Partnership or Joint Venture

16.02. The relationship between Subtenant and Tenant is at all times solely that of subtenant and tenant, not that of partners or a joint venturers.

Force Majeure

16.03. If constructing the building, curing any default (other than failure to pay rent, insurance premiums, or taxes), or performing any other obligation is delayed by war; civil commotion; act of God; fire or other casualty; or any other circumstance beyond the control of the party obligated to perform, each party so delayed is excused from performance during the delay period.

Joint and Several Liability

16.04. If the Lease names more than one Tenant or Landlord; the obligations of all Tenants and Landlords are joint and several.

17. Prohibited Interests in Contracts

Prohibited Interest

17.01. The Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as defined in Section 2-52 of the Ethics Code, from having a financial interest in any contract with the City or any City agency such as city owned utilities. An officer or employee has a "prohibited financial interest" in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale:

- (i) a City officer or employee;
- (ii) his parent, child or spouse;
- (iii) a business entity in which the officer or employee, or his parent, child or spouse owns (i) 10% or more of the voting stock or shares of the business entity, or (ii) 10% or more of the fair market value of the business entity;
- (iv) a business entity in which any individual or entity above listed is a (i) subcontractor on a City contract, (ii) a partner, or (iii) a parent or subsidiary business entity.

18.08. This Sublease may not be changed orally but only by a written agreement, signed by the party against whom enforcement of any modification is sought. No such modification, express or implied, affects the right of the modifying party to require observance of either (i) any other term or (ii) the same term or condition as it applies on a subsequent or previous occasion.

Third Party Beneficiaries

18.09. This Sublease benefits only the parties hereto and their successors and permitted assigns. There are no third party beneficiaries.

18.10. Any notice provided for or permitted hereunder must be in writing and by certified mail, return receipt requested, addressed to the parties at their respective addresses set forth in the preamble. If the addressee is a corporation, notices must be addressed to the attention of its President. Notice is complete three days after deposit, properly addressed and postage prepaid, with the United States Postal Service. Failure to use certified mail does not defeat the effectiveness of notice actually received, but such notice is effective only on actual receipt. Address for notice may be changed by giving notice hereunder.

Captions

18.11. Paragraph captions in this Sublease are for ease of reference only and do not affect the interpretation hereof.

Counterparts

18.12. This Sublease may be executed in multiple counterparts, each of which is an original, whether or not all parties sign the same document. Regardless of the number of counterparts, they constitute only one agreement. In making proof of this Sublease, it is not necessary to produce or account for more counterparts than are necessary to show execution by or on behalf of all parties.

Further Assurances

18.13. The parties must execute and deliver such additional documents and instruments as may be required to effect fully the provisions hereof. No such additional document(s), however, may alter the rights or obligations of the parties as contained in this Sublease.

I. SBEDA Ordinance Compliance Provisions

A. SBEDA Program

The CITY has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2010-06-17-0531 and as amended, also referred to as “SBEDA” or “the SBEDA Program”), which is posted on the City’s Economic Development (EDD) website page and is also available in hard copy form upon request to the CITY. The SBEDA Ordinance Compliance Provisions contained in this section of the Agreement are governed by the terms of this Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by the CITY pursuant to this Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual that are effective as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this section of the Agreement shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

B. Contract Requirements and Commitment

CONTRACTOR understands and agrees that the following provisions shall be requirements of this contract, and by its execution, CONTRACTOR commits to comply with these requirements. In the absence of a waiver granted by the SBO, failure of CONTRACTOR to commit, through fully-documented and signed SBO-promulgated Subcontractor/Supplier Utilization Plan form, to satisfying the SBE and M/WBE subcontracting goals shall constitute default.

Waiver Request - A CONTRACTOR may request, for good cause, a full or partial Waiver of a **specified subcontracting goal** included in this contract by submitting the *Vendor Subcontracting Waiver Request* form (*which is available at <http://www.sanantonio.gov/SBO/Forms.aspx>*). The CONTRACTOR’s Waiver request must fully document subcontractor unavailability despite the CONTRACTOR’s good faith efforts to comply with the goals. Such documentation shall include all good faith efforts made by CONTRACTOR including, but not limited to, which subcontractors were contacted (with phone numbers, e-mail addresses and mailing addresses, as applicable) and the method of contact.

C. Definitions

Affirmative Procurement Initiatives (API) – Refers to various Small Business Enterprise, Minority Business Enterprise, and/or Women Business Enterprise (“S/M/WBE”) Program tools and Solicitation Incentives that are used to encourage greater Prime and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE program tools, see Section III. D. of Attachment A to the SBEDA Ordinance.)

Centralized Vendor Registration System (CVR) – a mandatory electronic system wherein the City requires all prospective Respondents and Subcontractors that are ready, willing and able to sell goods or services to the City to register. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices, and for receiving payments from the City. The CVR-assigned identifiers are also used by the Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE firms by Industry or commodity codes, and for establishing Annual Aspirational Goals and Contract-by-Contract Subcontracting Goals.

Certification or “Certified” – the process by which the Small Business Office (SBO) staff determines a firm to be a bona-fide small, minority-, women-owned, or emerging small business enterprise. Emerging Small Business Enterprises (ESBEs) are automatically eligible for Certification as SBEs. Any firm may apply for multiple Certifications that cover each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, the City accepts any firm that is certified by local government entities and other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6 of Attachment A.

Commercially Useful Function – an S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of a distinct element of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm must also be responsible, with respect to materials and supplies used on the contract, for negotiating price, determining quantity and quality, ordering the material, and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it is actually performing and the S/M/WBE credit claimed for its performance of the work, and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation, when in similar transactions in which S/M/WBE firms do not participate, there is no such role performed. The use of S/M/WBE firms by CONTRACTOR to perform such “pass-through” or “conduit” functions that are not commercially useful shall be viewed by the CITY as fraudulent if CONTRACTOR attempts to obtain credit for such S/M/WBE participation towards the satisfaction of S/M/WBE participation goals or other API participation requirements. As such, under such circumstances where a commercially useful function is not actually performed by the S/M/WBE firm, the CONTRACTOR shall not be given credit for the participation of its S/M/WBE subcontractor or joint venture partner towards attainment of S/M/WBE utilization goals, and the CONTRACTOR and S/M/WBE firm may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.

Good Faith Efforts – documentation of the CONTRACTOR’s or Respondent’s intent to comply with S/M/WBE Program Goals and procedures including, but not limited to, the following: (1)

documentation within a solicitation response reflecting the Respondent's commitment to comply with SBE or M/WBE Program Goals as established by the GSC for a particular contract; or (2) documentation of efforts made toward achieving the SBE or M/WBE Program Goals (e.g., timely advertisements in appropriate trade publications and publications of wide general circulation; timely posting of SBE or M/WBE subcontract opportunities on the City of San Antonio website; solicitations of bids/proposals/qualification statements from all qualified SBE or M/WBE firms listed in the Small Business Office's directory of certified SBE or M/WBE firms; correspondence from qualified SBE or M/WBE firms documenting their unavailability to perform SBE or M/WBE contracts; documentation of efforts to subdivide work into smaller quantities for subcontracting purposes to enhance opportunities for SBE or M/WBE firms; documentation of a Prime Contractor's posting of a bond covering the work of SBE or M/WBE Subcontractors; documentation of efforts to assist SBE or M/WBE firms with obtaining financing, bonding or insurance required by the Respondent; and documentation of consultations with trade associations and consultants that represent the interests of SBE and/or M/WBEs in order to identify qualified and available SBE or M/WBE Subcontractors.) The appropriate form and content of CONTRACTOR's Good Faith Efforts documentation shall be in accordance with the SBEDA Ordinance as interpreted in the SBEDA Policy & Procedure Manual.

When specified by the GSC, the SBE Subcontracting Plan or Good Faith Efforts plan submitted by CONTRACTOR may also be required to reflect Good Faith Efforts that a Prime Contractor or vendor has taken (or commits to taking in the case of solicitations that do not include a detailed scope of work or those in which price cannot be considered a factor in evaluation), toward attainment of subcontracting goals for SBE firms.

incorporated by reference into this Agreement, and are considered by the Parties to this Agreement to be material terms. CONTRACTOR voluntarily agrees to fully comply with these SBEDA program terms as a condition for being awarded this contract by the CITY. Without limitation, CONTRACTOR further agrees to the following terms as part of its contract compliance responsibilities under the SBEDA Program:

1. CONTRACTOR shall cooperate fully with the Small Business Office and other CITY departments in their data collection and monitoring efforts regarding CONTRACTOR's utilization and payment of Subcontractors, S/M/WBE firms, and HUBZone firms, as applicable, for their performance of Commercially Useful Functions on this contract including, but not limited to, the timely submission of completed forms and/or documentation promulgated by SBO, through the Originating Department, pursuant to the SBEDA Policy & Procedure Manual, timely entry of data into monitoring systems, and ensuring the timely compliance of its Subcontractors with this term;

2. CONTRACTOR shall cooperate fully with any CITY or SBO investigation (and shall also respond truthfully and promptly to any CITY or SBO inquiry) regarding possible non-compliance with SBEDA requirements on the part of CONTRACTOR or its Subcontractors or suppliers;

3. CONTRACTOR shall permit the SBO, upon reasonable notice, to undertake inspections as necessary including, but not limited to, contract-related correspondence, records, documents, payroll records, daily logs, invoices, bills, cancelled checks, and work product, and to interview Subcontractors and workers to determine whether there has been a violation of the terms of this Agreement;

4. CONTRACTOR shall immediately notify the SBO, in writing on the Change to Utilization Plan form, through the Originating Department, of any proposed changes to CONTRACTOR's Subcontractor / Supplier Utilization Plan for this contract, with an explanation of the necessity for such proposed changes, including documentation of Good Faith Efforts made by CONTRACTOR to replace the Subcontractor / Supplier in accordance with the applicable Affirmative Procurement Initiative. All proposed changes to the Subcontractor / Supplier Utilization Plan including, but not limited to, proposed self-performance of work by CONTRACTOR of work previously designated for performance by Subcontractor or supplier, substitutions of new Subcontractors, terminations of previously designated Subcontractors, or reductions in the scope of work and value of work awarded to Subcontractors or suppliers, shall be subject to advanced written approval by the Originating Department and the SBO.

5. CONTRACTOR shall immediately notify the Originating Department and SBO of any transfer or assignment of its contract with the CITY, as well as any transfer or change in its ownership or business structure.

7. In instances wherein the SBO determines that a Commercially Useful Function is not actually being performed by the applicable S/M/WBE or HUBZone firms listed in a CONTRACTOR's Subcontractor / Supplier Utilization Plan, the CONTRACTOR shall not be given credit for the participation of its S/M/WBE or HUBZone subcontractor(s) or joint venture partner(s) toward attainment of S/M/WBE or HUBZone firm utilization goals, and the

CONTRACTOR and its listed S/M/WBE firms or HUBZone firms may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.

8. CONTRACTOR acknowledges that the CITY will not execute a contract or issue a Notice to Proceed for this project until the CONTRACTOR and each of its Subcontractors for this project have registered and/or maintained active status in the CITY's Centralized Vendor Registration System, and CONTRACTOR has represented to CITY which primary commodity codes each registered Subcontractor will be performing under for this contract.

E. SBEDA Program Compliance – Affirmative Procurement Initiatives

The CITY has applied the following contract-specific Affirmative Procurement Initiative to this contract:

M/WBE Subcontracting Program. In accordance with SBEDA Ordinance Section III. D. 2. (b), this contract is being awarded pursuant to the **M/WBE Subcontracting Program**. CONTRACTOR agrees to subcontract at least **twenty percent (20%)** of its prime contract value to certified S/M/WBE firms headquartered or having a significant business presence within the **San Antonio Metropolitan Statistical Area (SAMSA)**. The Subcontractor / Supplier Utilization Plan that CONTRACTOR submitted to CITY with its response for this contract (or, as appropriate, that it agrees to submit during the price proposal negotiation phase of this contract), and that contains the names of the certified M/WBE Subcontractors to be used by CONTRACTOR on this contract, the respective percentages of the total prime contract dollar value to be awarded and performed by each M/WBE Subcontractor, and documentation including a description of each M/WBE Subcontractor's scope of work and confirmation of each S/M/WBE Subcontractor's commitment to perform such scope of work for an agreed upon dollar amount is hereby attached and incorporated by reference into the material terms of this Agreement. In the absence of a waiver granted by the SBO, the failure of CONTRACTOR to attain these subcontracting goals for SBE or M/WBE firm participation in the performance of a Commercially Useful Function under the terms of its contract shall be a material breach and grounds for termination of the contract with the CITY, and may result in debarment from performing future CITY contracts, withholding of payment for retainage equal to the dollar amount of the underutilization below the agreed upon SBE or M/WBE subcontracting goals, and/or shall be subject to any other remedies available under the terms of this Agreement for violations of the SBEDA Ordinance, or under any other law.

Segmented M/WBE Goal. In accordance with SBEDA Ordinance Section III. D. 2. (d), this contract is being awarded pursuant to Segmented M/WBE Goals. CONTRACTOR agrees to subcontract at least **three percent (3%)** of the contract value to a certified African American Business Enterprise (AABE) firm headquartered or having a significant business presence within the San Antonio Metropolitan Statistical Area (SAMSA). This three percent (3%) subcontracting goal will also count toward the aforementioned twenty percent (20%) M/WBE subcontracting goal.

The Subcontractor / Supplier Utilization Plan that CONTRACTOR submitted to CITY with its response for this contract (or, as appropriate, that it agrees to submit during the price proposal negotiation phase of this contract), and that contains the names of the certified AABE Subcontractors to be used by CONTRACTOR on this contract, the respective percentages of the

total prime contract dollar value to be awarded and performed by each AABE Subcontractor, and documentation including a description of each AABE Subcontractor's scope of work and confirmation of each AABE Subcontractor's commitment to perform such scope of work for an agreed upon dollar amount is hereby attached and incorporated by reference into the material terms of this Agreement. In the absence of a waiver granted by the SBO, the failure of CONTRACTOR to attain this subcontracting goal for AABE firm participation in the performance of a Commercially Useful Function under the terms of its contract shall be a material breach and grounds for termination of the contract with the CITY, and may result in debarment from performing future CITY contracts, withholding of payment for retainage equal to the dollar amount of the underutilization below the agreed upon AABE subcontracting goal, and/or shall be subject to any other remedies available under the terms of this Agreement for violations of the SBEDA Ordinance, or under any other law.

Subcontractor Diversity: The City of San Antonio strongly encourages each bidder to be as inclusive as possible, and to reach out to all segments of the M/WBE community in its efforts to exercise good faith in achieving the M/WBE subcontracting goal of 20% and AABE Subcontracting goal of 3% that have been established for this contract. While the relative availability of ready, willing, and able firms within various ethnic and gender categories will vary significantly from contract to contract based upon the particular trades that are involved, overall in the San Antonio Construction industry, as reflected in the City's Centralized Vendor Registration system for the month of February 2015, African-American owned firms represent approximately 2.75% of available subcontractors, Hispanic-American firms represent approximately 16.47%, Asian-American firms represent approximately 1.17%, Native American firms represent approximately 0.27%, and Women-owned firms represent approximately 4.74% of available construction subcontractors.

F. Commercial Nondiscrimination Policy Compliance

As a condition of entering into this Agreement, the CONTRACTOR represents and warrants that it has complied with throughout the course of this solicitation and contract award process, and will continue to comply with, the CITY's Commercial Nondiscrimination Policy, as described under Section III. C. 1. of the SBEDA Ordinance. As part of such compliance, CONTRACTOR shall not discriminate on the basis of race, color, religion, ancestry or national origin, sex, age, marital status, sexual orientation or, on the basis of disability or other unlawful forms of discrimination in the solicitation, selection, hiring or commercial treatment of Subcontractors, vendors, suppliers, or commercial customers, nor shall the company retaliate against any person for reporting instances of such discrimination. The company shall provide equal opportunity for Subcontractors, vendors and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in the CITY's Relevant Marketplace. The company understands and agrees that a material violation of this clause shall be considered a material breach of this Agreement and may result in termination of this Agreement, disqualification of the company from participating in CITY contracts, or other sanctions. This clause is not enforceable by or for the benefit of, and creates no obligation to, any third party. CONTRACTOR's certification of its compliance with this Commercial Nondiscrimination Policy as submitted to the CITY pursuant to the solicitation for this contract is hereby incorporated into the material terms of this

Agreement. CONTRACTOR shall incorporate this clause into each of its Subcontractor and supplier agreements entered into pursuant to CITY contracts.

G. Prompt Payment

Upon execution of this contract by CONTRACTOR, CONTRACTOR shall be required to submit to CITY accurate progress payment information with each invoice regarding each of its Subcontractors, including HUBZone Subcontractors, to ensure that the CONTRACTOR's reported subcontract participation is accurate. CONTRACTOR shall pay its Subcontractors in compliance with Chapter 2251, Texas Government Code (the "Prompt Payment Act") within ten days of receipt of payment from CITY. In the event of CONTRACTOR's noncompliance with these prompt payment provisions, no final retainage on the Prime Contract shall be released to CONTRACTOR, and no new CITY contracts shall be issued to the CONTRACTOR until the CITY's audit of previous subcontract payments is complete and payments are verified to be in accordance with the specifications of the contract.

H. Violations, Sanctions and Penalties

In addition to the above terms, CONTRACTOR acknowledges and agrees that it is a violation of the SBEDA Ordinance and a material breach of this Agreement to:

1. Fraudulently obtain, retain, or attempt to obtain, or aid another in fraudulently obtaining, retaining, or attempting to obtain or retain Certification status as an SBE, MBE, WBE, M/WBE, HUBZone firm, Emerging M/WBE, or ESBE for purposes of benefitting from the SBEDA Ordinance;
2. Willfully falsify, conceal or cover up by a trick, scheme or device, a material fact or make any false, fictitious or fraudulent statements or representations, or make use of any false writing or document, knowing the same to contain any false, fictitious or fraudulent statement or entry pursuant to the terms of the SBEDA Ordinance;

5. Make false statements to any entity that any other entity is, or is not, certified as an S/M/WBE for purposes of the SBEDA Ordinance.

Any person who violates the provisions of this section shall be subject to the provisions of Section III. E. 13. of the SBEDA Ordinance and any other penalties, sanctions and remedies available under law including, but not limited to:

1. Suspension of contract;
2. Withholding of funds;
3. Rescission of contract based upon a material breach of contract pertaining to S/M/WBE Program compliance;
4. Refusal to accept a response or proposal; and
5. Disqualification of CONTRACTOR or other business firm from eligibility for providing goods or services to the City for a period not to exceed two years (upon City Council approval).
