Litigation Disclosure Form

FORM 4 LITIGATION DISCLOSURE

Respond to each of the questions below by checking the appropriate box. Failure to fully and truthfully disclose the information required by this Litigation Disclosure form may result in the disqualification of your proposal from consideration or termination of the contract, once awarded.

1. Have you or any member of your Firm or Team to be assigned to this engagement ever been indicted or convicted of a felony or misdemeanor greater than a Class C in the last five (5) years?

Yes No

2. Have you or any member of your Firm or Team to be assigned to this engagement been terminated (for cause or otherwise) from any work being performed for the City of San Antonio or any other Federal, State or Local Government, or Private Entity?

Yes No

3. Have you or any member of your Firm or Team to be assigned to this engagement been involved in any claim or litigation with the City of San Antonio or any other Federal, State or Local Government, or Private Entity during the last ten (10) years?

Yes No

If you have answered "Yes" to any of the above questions, please indicate the name(s) of the person(s), the nature, and the status and/or outcome of the information, indictment, conviction, termination, claim or litigation, as applicable. Any such information should be provided on a separate page, attached to this form and submitted with your proposal.

2. Have you or any member of your Firm or Team to be assigned to this engagement been terminated (for cause or otherwise) from any work being performed for the City of San Antonio or any other Federal, State or Local Government, or Private Entity?

AECOM Technical Services, Inc. ("ATS") performs thousands of contracts each year. From time to time, occasions arise when ATS does not complete the performance of an awarded contract. These situations include (i) where a client terminates the contract for its convenience; e.g. where the client is unable to secure continued funding for the underlying project and, as a result, terminates the associated contract, (ii) where ATS ceases performance under the contract in accordance with the applicable terms of the contract in response to the client's nonpayment or other breach, and the contract is ultimately terminated; and (iii) where one of the contracting parties terminated the contract for default.

Upon knowledge and belief, formed after reasonable inquiry, within the past three (3) years, ATS (i) has not failed to complete a contract where the other party to such contract was not in breach unless the contract afforded ATS that right and (ii) ATS has not had a contract terminated by a client wherein that termination was ultimately determined to be other than for convenience, except in the following instance:

1. In August 2016, ATS received a letter from the Redevelopment Authority for the City of Milwaukee asserting that the Authority considered its contract with ATS terminated for cause. ATS believes the termination is unjustified and ignores relevant Project history. ATS is contesting the termination, and will actively work with the client to address the client's underlying concerns.

3. Have you or any member of your Firm or Team to be assigned to this engagement been involved in any claim or litigation with the City of San Antonio or any other Federal, State or Local Government, or Private Entity during the last ten (10) years?

AECOM does not have any current litigation with the City of San Antonio or Bexar County.

However, AECOM Technical Services, Inc. ("AECOM") is a large design, engineering, planning and related professional services company that executes thousands of projects annually. As with any large services company, from time to time, AECOM is involved in claims and litigation, many of which involve third party personal injury and property damage claims. However, we strive to avoid litigation and have a risk management program in place that includes early recognition of situations that might give rise to a claim, open lines of communication and proactive dispute resolution.

Upon knowledge and belief, formed after reasonable inquiry, AECOM Technical Services, Inc. has been involved in the disclosed litigation over the past five (5) years related to the performance of professional engineering, design, and construction services in the U.S. None of our current claims could reasonably be expected to have a material adverse effect on AECOM or its ability to perform under the contract contemplated by the proposal. If you require additional information, please contact Scott Hillman, West/Gulf Coast Region Chief Counsel, DCS Americas, at 512-419-6373.

Notice Regarding Prohibited Interest in Contracts.

Please be aware, the City's Charter and Ethics Code prohibits members of certain more-than-advisory boards and commissions, as well as their close family members and any businesses they or their families hold a 10% or greater ownership interest from obtaining a contract with the City during their board or commission service.
