Permitted Use:

Commencement Date:

Term: 90 days

1. Demise of Premises

1.01. Landlord leases the Premises to Tenant, and Tenant leases the Premises from Landlord, under the terms and conditions of this Lease. Tenant may take possession on the Commencement Date.

1.02. Landlord may from time to time to install, maintain, repair, and replace utility lines, pipes, ducts, wires, and similar items passing through the Premises to serve other parts of, or premises within, the Building. No such work will be the basis for an abatement of rent or any other thing owed to Landlord.

2. Use

2.01. Tenant may use the Premises for the Permitted Use only unless Landlord consents in writing, evidenced by the passage of a future ordinance by the City Council.

2.02. Before occupancy, Tenant must secure all necessary permits, licenses, and other evidences of authority to operate in the Premises, as required by all City, County, State, and Federal authorities in accordance with all applicable statutes, laws, ordinances, rules, and regulations.

3. Term of Lease/Renewal

3.01. The Term of this Lease is as stated above, unless terminated earlier according to the terms of this Lease.

3.02. During the Term, Landlord can: (1) post a "**For Lease**" sign in the Premises window(s) and (2) show the Premises to potential tenants during normal business hours.

3.03. Unless approved by a subsequent City Ordinance there shall be no option to renew under this Lease.

4. Acceptance and Condition of Premises

4.01. Tenant has had ample opportunity to examine the Premises before the Commencement Date. Tenant acknowledges that no condition hazardous to life, limb, or health exists on the Premises. Tenant will neither create such a condition nor permit one created by others to exist. Tenant hereby waives all claims, whether for personal or property damage, arising out of the condition of the Premises as of the Commencement Date. Tenant accepts the Premises **“As Is, Where Is, and With All Faults.”**

4.02. Landlord has made no representations respecting the condition of the Premises and no promises to decorate, alter, repair, or improve the Premises, either before or after the execution hereof, except as expressly set forth in this Lease. 5.01. Tenant is activating an otherwise vacant City of San Antonio space and helping with the Landlord’s initiative to bring retail back to the downtown area. Tenants will cross promote City of San Antonio programs as directed by Landlord through the City Manager or her designee. In addition, tenant must provide monthly sales figures and customer counts to Landlord by the fifth day of each month to assist Landlord with marketing the space to potential long-term tenants. Failure to provide such figures shall be considered a default under the Lease. These obligations of Tenant together shall constitute “Rent” to Landlord under this Lease.

5.02. Tenant shall provide Rent to Landlord without deduction or set-off of any kind (and without notice or demand).

5.03. All Rent must be delivered to Landlord prior to commencement of Lease or as directed by Landlord’s City Manager or her designee. Monetary payments, if any, may be made in person or mailed for receipt to the City of San Antonio Finance Department, Revenue and Taxation Division, 506 Dolorosa Street, San Antonio, Texas 78205.

5.04. If Tenant holds over past the Term, whether negotiating a new term or otherwise, monthly rent for the hold-over period is the same as during the Term. Holding over is a tenancy at sufferance. Failure to evict or acceptance of hold-over rent is not Landlord’s approval of the tenancy and does not create a month-to-month tenancy.

5.06. Tenant’s obligation to pay Rent is an independent covenant, and no act or circumstance, whether or not a breach by Landlord, releases Tenant of the obligation to pay Rent or other sums due hereunder.

6. Security Deposit

7. Construction and Alterations

7.01. Tenant must not make any improvements or alterations without first obtaining the written approval of Landlord.

7.02. Landlord may at any time make alterations or additions to, and build additional stories on, or remove adjoining portions of, the Building in which the Premises is contained. 8. Fixtures and Personal Property

8.01. Tenant may, upon the expiration or earlier termination of this Lease, if Tenant is not in default, remove its trade fixtures and other personal property. Tenant, at its sole cost and expense, must immediately repair any damage occasioned to the Premises by reason of the removal. Any trade fixtures or other personal property of Tenant, whether or not installed or attached, if not removed by Tenant from the Premises on or before 30 days after the termination of this Lease, are deemed to be permanently affixed and become the property of Landlord without any further notice to Tenant or to its creditors, and without any liability whatsoever of Landlord.

8.02. Any covering affixed to the floor of the Premises is and becomes the property of Landlord absolutely.

9. Tenant's Signs

All signs must conform to all applicable laws, including the City's historic and/or sign ordinance. Tenant must not install any sign without Landlord's written permission. No sign may cause structural damage or injury to the Building or injury to any persons on or about the Premises.

10. Taxes and Fees

Tenant must pay before delinquency all current and future taxes, including but not limited to, personal property taxes and real property taxes levied against Tenant's leasehold interest. Tenant must further pay before delinquency all assessments, license and permit fees, and governmental impositions imposed on to the Premises, including but not limited to taxes on leasehold improvements, business operations, trade fixtures, and merchandise. If the fee interest of Landlord is taxed, Tenant must pay a ratable share of the tax to Landlord as additional rent. If Landlord ever pays any sums allocated to Tenant in this Lease, Tenant must promptly on request reimburse Landlord with interest at 18% per annum from the date of Landlord's request. Such reimbursement is additional rent, except no late fee applies to the reimbursement.

11. Liens

11.01. Tenant must pay promptly for any work done by Tenant (or materials furnished therefor) in or about the Premises.

11.02. Tenant will not bind, or attempt to bind, Landlord for payment of any money in connection with leasehold improvements. Tenant must not permit any liens against the Premises or improvements thereon, or any equipment, machinery and/or fixtures therein belonging to Landlord. **Tenant must indemnify Landlord and the Premises and hold them harmless of and from any and all loss, cost, liability, or expense arising from or related to Tenant's failure to pay sums owing in respect of work done at the behest of Tenant.** If any contractor and/or subcontractor employed by Tenant is bonded, Tenant must use every reasonable effort to have Landlord named in any contractor or subcontractor bond as an additional insured party.

11.03. If any mechanic's or other lien or order for payment is filed against the Premises or improvements thereon, or City (Landlord)-owned property located therein, Tenant must, within 30 days after the date of filing, cause it to be canceled and discharged of record by bond or otherwise. Defense against the claim is encompassed within the indemnity of the preceding subparagraph.

11.04. Failure of Tenant to comply with any requirement of this article is an event of default.

12. Maintenance and Repairs

12.01. Tenant must, at its own expense, keep the Premises in good order and repair, and in clean, safe, and sanitary condition. For the purposes of this obligation, the term "Premises" includes the interior paint, interior walls, the interior plumbing system and interior sewer system including fixtures, the interior utility and interior sewer lines and connections, the interior electrical system, including interior and exterior fixtures, if any, exterior electrical lights and fixtures are installed by Tenant, lamps, bulbs, wiring and connections, all interior utility lines and connections within and to the Premises, and interior walls, flooring, doors, and other interior improvements. 12.02. Tenant must keep the Premises clean and free of debris.

12.03. If Tenant fails to maintain or repair the Premises, Landlord may demand in writing that Tenant do so promptly. If Tenant refuses or fails to begin promptly, Landlord may, but is not required to, make or cause such maintenance or repairs to be made. If Landlord does so, it is not responsible to the Tenant for any loss or damage to Tenant's stock or business by reason thereof. If the Landlord makes or causes such maintenance or repairs to be made, the Tenant will promptly, on demand, pay Landlord the cost thereof as additional rent. If Tenant fails to do so, it is an event of default.

13. Laws and Ordinances

13.01. Tenant must comply promptly with all laws, ordinances, orders, and regulations affecting the Premises, and all Tenant's activities in the Premises must be clean and safe and must specifically comply with all regulations of the local Board of Fire Underwriters.

13.02. Tenant must comply with the regulations or requirements of any insurance underwriter, inspection bureau, or similar agency, with respect to the Premises. Tenant must, at its own expense, comply with the requirements of the City of San Antonio Development Services Department.

13.03. Hazardous Materials. 14. Subordination to Scheduled Events

Landlord may from time to time accommodate or hold events requiring temporary street closures, controlled or limited access to the Premises, and temporary closures of access to, or temporary closure of, the Premises. Any such activity is superior to any right, privilege, or leasehold interest under this Lease, and Tenant must cooperate fully with Landlord. Tenant waives all claims for damages, including, but not limited to, loss of business.

15. Utilities

15.01. Tenant must obtain its own telecommunications services, insurance and electricity independently and must pay all monthly charges therefor as they become due. Failure to do is a default hereunder.

15.02. Tenant must furnish all electric light bulbs and tubes. Tenant must not install any electrical or other equipment that overloads electric lines serving the Premises or adjacent premises. Neither Tenant nor any person within Tenant's control will interfere with such activities or notices.

17. Insurance

17.01. Landlord disclaims any employee, agent, or invitee relationship with any person whose presence on the Premises is through Tenant. Any and all claims resulting from any obligation for which Tenant may be held liable under any workers' compensation, unemployment compensation, disability benefits, similar statutory scheme, or common law negligence is the sole obligation of Tenant.

"The insurance provided by Tenant is primary to any insurance or self-insurance maintained by the City of San Antonio."

"Any insurance or self-insurance maintained by the City of San Antonio applies in excess of, and does not contribute with, insurance provided by this policy."

Each insurance policy required by this Lease, excepting policies for Workers' Compensation and Employer's Liability, must contain the following clause:

17.05. Tenant must require its insurance carrier(s) to deliver to Landlord’s Risk Manager and City Clerk, upon request and without expense, copies of policies and endorsements pertinent to the limits required by Landlord. Landlord may request changes in policy terms, conditions, limitations, or exclusions (except where established by law). If Landlord does so and the changes would increase premiums, Landlord will provide 30 days’ prior notice to Tenant and an opportunity to discuss the changes. If Landlord still wants the changes after discussion, Tenant must make the changes and pay the cost thereof.

17.06. If Tenant makes leasehold improvements, Tenant must further provide Builder’s Risk Insurance Coverage, Worker’s Compensation and Employer’s Liability Insurance Coverage, Professional Liability Insurance Coverage and any other liability or other insurance coverage in the amounts and types of coverage approved by Landlord’s Risk Manager, covering all risks of physical loss during the term of any construction contract and until work is accepted by the City of San Antonio. Tenant must procure and maintain the insurance, as well as other insurance coverage enumerated above, in full force and effect during the construction phase. Also, payment and performance bonds naming Landlord as indemnitee must be provided by Tenant or its contractors or subcontractors. If the construction is minor, Tenant may send a written request to the City’s Director of Asset Management to waive the requirements in this Section, but a waiver may be granted only by Landlord’s Risk Manager, whose decision is final.

17.07. Within 30 days after the Commencement Date, Tenant must deliver certificates to Landlord’s Risk Manager and the Center City and Downtown Operations Department from Tenant’s insurance carrier, reflecting all required insurance coverage. All endorsements and certificates must be signed by an authorized representative of the insurance company and must include the signatory’s company affiliation and title. If requested by Landlord, Tenant must send Landlord documentation acceptable to Landlord that confirms that the individual signing the endorsements and certificates is authorized to do so by the insurance company.

17.08. The Notices and Certificates of Insurance must be provided to the same addresses as for notices of cancellation.

17.09. Nothing herein contained limits in any way Tenant’s liability for damages to persons or property resulting from Tenant’s activities or the activities of Tenant’s agents, employees, sublessees, or invitees under this Lease.

17.10. Tenant waives all claims against Landlord for injury to persons or property on or about the Premises, whether or not caused by Landlord’s negligence.

18. Indemnification

18.01. Tenant must indemnify Landlord and its agents, officials, and employees and hold them harmless of and from any and all loss, cost, liability, or expense arising from or related to either Tenant's or Landlord's activities on or regarding the Premises or the building. Tenant's indemnity of Landlord includes the acts or omissions of those whose presence is through Tenant.

18.02. Nothing in this lease waives any governmental immunity available to Landlord under Texas Law, and nothing in this lease waives any defenses of the parties to claims by third parties under applicable law.

18.03. This indemnification is solely for the benefit of the parties hereto and is not intended to create or grant any rights, contractual or otherwise, to any other person or entity.

18.04. Tenant must promptly deliver written notice to Landlord of any claim or demand subject to this indemnity. Tenant must investigate and defend such claim or demand at its sole cost. Notwithstanding any condition imposed by an insurance policy in which Tenant and Landlord are named, Landlord retains the right, at its option and at its own expense, to participate in any such defense provided by any insurance or self-insurance of Tenant without relieving Tenant of any of its indemnity.

18.05. This indemnity expressly covers the consequences of Landlord's own negligence.

19. Assignment and Subletting

19.01. Any attempt at transfer, assignment, or subletting of Tenant's rights, duties, and obligations hereunder, without the Landlord's prior written consent, is void and terminates the Lease. Tenant must, upon such termination, immediately and peacefully vacate the Premises within three days after Landlord's notice to Tenant.

19.02. Landlord's consent on one occasion does not waive need for consent to any later attempted transfer, assignment, or subletting.

19.03. Tenant must remain fully and primarily liable under this Lease, notwithstanding any assignment or sublease, and each assignee or sublessee is required to attorn to Landlord (by instrument reasonably satisfactory to Landlord).

19.04. Landlord's Director of Asset Management may approve an assignment of Tenant's interest in this Lease if the assignment otherwise conforms to the requirements of this section. Any assignment deviating from the requirements of this section must be approved by council.

20. Damage or Destruction of Premises

If the Premises or more than 25% thereof are destroyed by fire or other casualty, either Landlord or Tenant may terminate this Lease by delivering 30 days prior written notice to the other party. After any such termination is effective, neither party will have any liability to the other under this agreement relating to the period after termination.

21. Eminent Domain

If the Premises or more than 25% thereof are taken by power of eminent domain, either Landlord or Tenant may terminate this Lease by delivering 30 days prior written notice to the other party. After any such termination is effective, neither party will have any liability to the other under this agreement relating to the period after termination.

22. Default and Remedies

22.01. Each of the following, independently of any other of the following, is an event of default:

- A. Tenant's failure to pay any sums due under this lease ("monetary default") and the failure is not cured within 10 days after notice thereof.
- B. Tenant's failure to perform or observe any of other term, provision, condition, or covenant of this lease and the failure is not cured within 10 days after notice thereof, except if more than 10 days is reasonably required to cure a non-monetary default, it is an event of default of Tenant fails to begin cure within 10 days of notice or if Tenant fails to diligently pursue cure once begun. No cure may take more than 30 days from notice.
- C. The leasehold estate being taken by execution or by other process of law.
- D. Tenant becoming subject to an order for relief under the United States Bankruptcy Code, becoming subject to a receivership, or entering into a composition of creditors.
- E. Entry by any court of an order modifying the rights of Tenant's creditors.
- F. Tenant's becoming defunct or merging or joining with another entity without the prior written approval of the Landlord.
- G. Any other event denominated as an event of default elsewhere in this lease.

22.02. In accordance with the § 137 of the City Charter, Landlord may further terminate this Lease for any of the following:

- A. This Lease is deemed by the City Council to be inconsistent with the public use of the property.
- B. Tenant's use of the Premises is finally adjudicated to be a nuisance by a court of competent jurisdiction.

23. Remedies-Termination and Other Options

23.01. If Tenant defaults, Landlord may after the notice and cure periods set forth above, at its option, declare this Lease and all rights and interests created by it to be terminated. This Lease then ceases as if it had expired. Landlord, its agents or attorney, may resume possession of the Premises and re-let the same for the remainder of the original term at the best rent Landlord, its agents or attorney may obtain for the account of Tenant, who must make good any deficiency.

23.02. To the full extent permitted by law, Landlord's duty to relet the Premises or otherwise to mitigate damages under this Lease is limited to the minimum requirements of Texas law. To the full extent permitted by law, Landlord is deemed to have used objectively reasonable efforts to relet the Premises and mitigate damages by: (1) posting a "For Lease" sign on Premises; (2) advising Landlord's lease agent, if any, of the availability of the Premises; and (3) advising at least one outside commercial brokerage entity of the availability of the Premises.

23.03. In connection with any such reletting, Landlord may make or cause to be made such repairs to the Premises as Landlord, in good faith, deems advisable. Making such repairs does not release Tenant from liability hereunder. Landlord is in not liable, and Tenant's liability is not affected or diminished, for Landlord's inability to relet the Premises, or if the Premises are relet, its inability to collect rental under such reletting.

23.04. Termination of this Lease for Tenant's default does not relieve Tenant from liability for any sum owing for the period before termination.

23.05 In addition to the remedies explicitly set forth, Landlord has all remedies for Tenant's default otherwise provided by Texas law. All rights, options, and remedies of Landlord contained in this Lease are cumulative of the other, and Landlord may pursue any one or all of such remedies or any other remedy or relief available at law or in equity. No waiver by Landlord of a breach of any of the covenants, conditions, or restrictions of this Lease waives earlier or later breach of the same or any other covenant, condition, or restriction herein contained.

23.06. Upon any expiration or termination of this Lease, Tenant must quit and peacefully surrender the Premises to Landlord. Upon termination or at any time thereafter, Landlord may, without further notice, enter the Premises and possess them, by force, summary proceedings, ejectment or otherwise, and may dispossess Tenant and remove Tenant and all other persons and property therefrom.

23.07. Landlord's repossession of the Premises is not an election to terminate this Lease and does not cause a forfeiture of rents or other charges remaining to be paid during the balance of the term hereof, unless a written notice of such intention is given to Tenant by Landlord. Notwithstanding any reletting without termination by Landlord because of any default by Tenant, Landlord may, at any time after such reletting, terminate this Lease for any such default.

23.08. If Landlord relets, then rentals received by Landlord from such reletting are applied:

1. to payment of any cost of reletting;
2. to payment of any cost of repairs to the Premises;
3. to payment of any indebtedness due hereunder from Tenant to Landlord;

The residue, if any, belongs to Landlord. Tenant must also pay to Landlord, as soon as ascertained, any costs and expenses incurred by Landlord in such reletting or in making such repairs not covered by the rentals received from such reletting of the Premises.

23.09. If Tenant fails to timely remove its goods and effects when required to do so, Landlord may, without liability to Tenant, remove the goods and effects and store them for the account of Tenant at any place selected by Landlord, with all costs for the removal and storage to be borne by Tenant.

23.10. In addition to any other lien Landlord may have under applicable law, Tenant hereby gives Landlord a contractual lien against all its goods and effects to secure payment of any money owing to Landlord under this lease. At Landlord's request, Tenant must execute and deliver to Landlord a UCC financing statement evidencing Landlord's lien rights. Landlord may file financing statements as allowed by law to protect its interests. In exercising its lien rights, Landlord may, without limiting other rights granted by applicable law:

- a. Take the goods and effects in lieu of the remaining indebtedness relating to the period before termination of the lease, and Tenant must execute and deliver any instruments necessary to document Landlord's ownership.
- b. Dispose of Tenant's goods and effects, without notice, at a private or public sale and without liability to Tenant and while retaining the right to seek a deficiency from Tenant.

23.11. All amounts expended by Landlord for the account of Tenant are additional rent, and Landlord may add them to any other sums then due or thereafter falling due hereunder.

24. Release from Liability/Notice of Sale.

24.01. If Landlord sells or exchanges the Premises, Landlord is freed of all liability under this lease for all periods. Upon written request of Landlord or any transferee of Landlord, including a ground lessor or a mortgagee, beneficiary, or assignee of Landlord, Tenant will, in writing

(1) subordinate its rights hereunder to the interest of any transferee of the Premises and to the lien of any mortgage or deed of trust, now or hereafter in force against the land and Building of which the Premises are a part ("Land"), and upon any building hereafter placed upon the Land and to all advances made or hereafter to be made upon the security thereof.

(2) attorn to any assignee of Landlord and

(3) if Tenant is not in default hereunder, execute a Certificate of Estoppel if requested, in a form reasonably acceptable to Tenant, provided in each instance that the transferee agrees not to disturb Tenant's possession of the Premises if Tenant does not default.

24.02. Landlord and Tenant will execute any legal instrument purporting to be a Subordination, Non-Disturbance, and Attornment Agreement and an Estoppel Certificate requested by transferee, if it does not impair the rights or enlarge the obligations of the signing party. The Director of the City of San Antonio Department of Asset Management or successor, as designee of the City Manager of the City of San Antonio, and upon review by the City Attorney, is authorized to execute the instrument, without the prior passage an ordinance by the San Antonio City Council.

25. Miscellaneous Provisions

25.01. Joint and Several. If there is more than one tenant, the covenants of Tenant are joint and several. If Tenant is a partnership, the covenants of Tenant are the joint and several obligations of the firm and each of the partners.

25.02. Yielding Up. Tenant will, upon expiration or termination, yield up the Premises peacefully to Landlord, in good order, condition, and repair, reasonable use and wear excepted.

25.03. Applicable Law. This Agreement is entered into in San Antonio, Bexar County, State of Texas. **The Construction Of This Agreement And The Rights, Remedies, And Obligations Arising Thereunder Are Governed By The Laws Of The State Of Texas.** But the Texas conflicts of law rules must not cause the application of the laws of a jurisdiction other than Texas.
