

City of San Antonio Contract Summary Sheet

Date: 12/19/13
Agenda Item: 13-1159

Name/Title (Caption as shown on agenda): Full Coverage Service for HVAC Systems at Branch Libraries 6100003359 LM	
Brief Description of Item(s) and Use: This contract will provide the San Antonio Public Library (SAPL) Department with full coverage regularly scheduled preventive maintenance service, and repairs as needed of heating, ventilation, and air conditioning (HVAC) systems at Branch Library locations throughout the City. These regularly scheduled preventive maintenance and repair services are required to maintain peak operational efficiencies while extending the life duty cycle of the HVAC equipment. Authorization of this contract will provide the City with a contractor licensed by the Texas Department of Licensing and Regulation (TDLR) to provide full coverage preventive maintenance and repair services for the Branch Libraries' HVAC systems. Services to be provided in this contract include preventive maintenance and repair services on HVAC package units and split systems ranging from 1 ½ to 20 tons and HVAC unit chilled water systems from 25-50 tons.
