

City of San Antonio Contract Summary Sheet

Date: 10/17/2013
Agenda Item: 13-559

Name/Title (Caption as shown on agenda): Annual Contract for Asphalt and Pothole Paving Materials 6100003037 DS	
Brief Description of Item(s) and Use: This contract will provide the Department of Public Works, Streets Maintenance Division, a contract in order to provide asphalt construction materials for pothole patching and street paving rehabilitation projects and repairs. The Department of Public Works, Streets Maintenance Division ensures street rehabilitation projects are completed on a timely basis and within budget. Throughout the City, there are more than 4,000 miles of streets and over 100 miles of service alleys that the Streets Maintenance Division is responsible for maintaining. Materials procured from this contract will also support over 100 street rehabilitation projects currently included in the Streets Maintenance component of the Infrastructure Management Program as well as pothole and other street repairs as reported through the 311 system by residents and staff.	
Total \$:	\$4,305,000.00 annually
Contract Period:	Upon award through December 31, 2015
Method of Procurement:	Competitive (2 bids received)
Price Trend:	2.15% decrease
Contract Info:	Formal ___ Annual <input checked="" type="checkbox"/> Support/Maintenance ___ Lease ___
Recommended Contractor(s):	Vulcan Materials Co., 800 Isom Road, San Antonio, TX 78216 (Local)
Previous Contractor(s):	Vulcan Construction Materials, LP, 800 Isom Road, Ste. 300, San Antonio, TX 78216
Comments:	N/A
Anticipated Future Requirements and Action:	N/A
Procurement Alternative:	Should this contract not be approved, the Department of Public Works would be required to procure material on an as needed basis. The City could lose the pricing advantage afforded through a competitively bid contract. Furthermore, the department's budget could be negatively impacted through continuous price variations.
Using Department (s):	Public Works
