PUBLIC PROPERTY: No

APPLICANT: Office of Historic Preservation - 1901 S Alamo

OWNER: Various

REQUEST:

The applicant is requesting a Finding of Historic Significance for 28 properties that were surveyed as part of the Eastside Churches Resource Survey and identified as architecturally, historically and culturally significant.

FINDINGS:

- a. These eligible properties were identified through a survey of historic churches on the Eastside undertaken in 2017. OHP staff performed the survey and reviewed the properties to identify those potentially eligible for landmark designation.
- b. On March 7, 2017, the Office of Historic Preservation hosted an information hearing for the property owners and any of those interested regarding the proposed designations.
- c. Consistent with the UDC sec. 35-607(b)(1), these properties are a reminder of the cultural heritage of San Antonio and the growth of its spiritual communities during unprecedented bursts of development during the period following the Civil War through World War II.
- d. Consistent with the UDC sec. 35-607(b)(3), these properties identify with long lasting congregations, some established prior to the construction of the structure. The properties also identify with key historical and spiritual figures who contributed to the development of the community including, Reverend L. H. Kelly, who formed the congregation of The Rose of Sharon Church; Reverend Kelly, pastor and builder of the Second Baptist Church, J.C. Wilder, one of the earliest pastors of Assemblies of God in San Antonio, and Rev. Claude Black Jr. of Mount Zion First Baptist Church who would later become a city councilman. As pastor, Rev. Black invited several prominent figures to speak at his parish. The congregation of Porter Memorial formed in c.1918 as the Olive Street Colored Methodist Episcopal, which was renamed in honor of its founding pastor, Reverend (later Bishop) Henry Phillips Porter (c. 1882- 1960), a prominent figure in the Color Methodist Episcopal church.
- e. Consistent with the UDC sec. 35-607(b)(4), these properties are the work of key architects including: KD Beckmann, Leo Dielmann, and Norcell Haywood. Haywood was one of the first four African-American students admitted to the University of Texas, and was the second to graduate from the UT School of Architecture in 1960.
- f. Consistent with the UDC sec. 35-607(b)(5), these properties embody distinguishing architectural characteristics ranging from greek revival to mid-century modern to vernacular architecture, reflecting the diverse social heritage of spiritual and cultural communities in San Antonio.
- g. Consistent with the UDC sec. 35-607(b)(8), these properties maintain a high level of historical, architectural, and cultural integrity, designs reflect religious denomination preferences, authentic materials, decorative features from high design to vernacular traditions.
- h. Consistent with the UDC sec. 35-607(b)(11), these sacred spaces exemplify the cultural and religious heritage of San Antonio, especially that of German, Hispanic and Black communities as well as Baptist, Protestant, Catholic and Assembly of God denominations.
- i. Consistent with the UDC sec. 35-607(b)(13), these properties bear an important and significant relationship to the area. Before these structures were constructed, congregations met at homes or under tents. The combination and density of churches in this area combine to create an architectural and cultural motif and reflect a preponderance of religious institutions on San Antonio’s Eastside;
- j. Consistent with the UDC sec. 35-607(b)(15), these properties represent a significant resource, which greatly

contributes to the character of the eastside community. There is a shared legacy among these structures and congregations as specific churches help foster new congregations within the area.

k. Historic landmarks possess cultural and historical value and contribute to the overall quality and character of the City. The City offers a tax incentive for the substantial rehabilitation of historic properties. If historic designation is approved, rehabilitation and restoration work may be eligible for this incentive.

RECOMMENDATION:

Staff recommends approval of a Finding of Historic Significance for the 28 properties specified above.

COMMISSION ACTION:

Approval and concurrence of a finding of significance for the properties listed.
