|--|--|
| Name/Title (Caption as shown on agenda): Annual Contract for Flexible Base and Flexible Base for Stabilization 6100007352 DS | |
| Brief Description of Item(s) and Use: This contract will provide the Transportation and Capital Improvements Department – Street Maintenance Division with a vendor to furnish flexible base and flexible base for stabilization. This material will be utilized for the reinforcement of street sub-grades in base failures and used as a base for all concrete construction projects throughout the City. | |
| Total \$: | \$82,000.00 annually |
| Contract Period: | July 1, 2016 through March 31, 2019 |
| Method of Procurement: | Competitive (2 bids received) |
| Price Trend: | 22.43% increase from previous contract awarded in 2012 |
| Contract Info: | Formal ___ Annual <u>X</u> Support/Maintenance ___ Lease ___ |
| Recommended Contractor(s): | Vulcan Construction Materials, LLC., 800 Isom Rd., Ste 300, San Antonio, TX 78216 (Local) |
| Previous Contractor(s): | Vulcan Construction Materials, LLC., 800 Isom Rd., Ste 300, San Antonio, TX 78216 Martin Marietta Materials, 5710 W. Hausman Rd, Suite 121, San Antonio, TX 78249 |
| Comments: | NAS: Martin Marietta – exceptions made to terms and conditions, non-responsive. |
| Anticipated Future Requirements and Action: | N/A |
| Procurement Alternative: | Should this contract not be approved, the Transportation and Capital Improvements Department will be required to procure materials on an as needed basis. The City could lose the pricing advantage afforded through a competitively bid contract. While the flexible base and flexible base for stabilization may be purchased for each individual projects, the department’s budget could be negatively impacted through continuous price variations and longer lead times for delivery. |
| Using Department (s): | Transportation and Capital Improvements |
