Dear Mrs. Vacek,

I would like to follow up on my recommendation for David Christian as my appointment to the Brooks Development Authority. Mr. Christian was a former District 7 Zoning Board member under my predecessor, State Representative Justin Rodriguez. He will most certainly be an asset to the board as he has grown up in my District, and furthermore his parents still reside in the District. Mr. Christian has been an active member of the community during his longtime residence in District 7 and has continued his service to the community since his residential relocation. I would like to respectfully and formally request a waiver of residency in this special case, given my appointment's familiarity with and continual dedication to serving my District.

Sincerely,

Cris Medina
Councilmember District 7
