WHEREAS, Section 53A.331 of the Act further authorizes the Issuer to refinance any educational facility or housing facility acquired, constructed, or improved; and

WHEREAS, at the request of the University, on March 12, 2015, the Board of Directors of the Issuer adopted a resolution which approved and authorized the execution by the Issuer of certain documents relating to a tax-exempt loan transaction in the principal amount of \$12,325,000 (the "**Loan**") to be provided to the University by **DNT ASSET TRUST** (the

"**Lender**"), a Delaware business trust and wholly owned subsidiary of *JPMorgan Chase Bank, N.A.* (the "**Bank**"), through the Issuer as a conduit issuer under the Internal Revenue Code of 1986, as amended (the "**Code**"), for the purpose of refinancing certain then outstanding obligations which were used by the University to finance certain educational and housing facilities as permitted by the Act; and

WHEREAS, Section 147(f) of the Code requires that the issuance of any "qualified 501(c)(3) bonds" be approved by the governing body of the City, or a designee of the City, after a public hearing following reasonable public notice, and the Issuer Loan was considered a "qualified 501(c)(3) bond" for purposes of Section 147(f) of the Code; and

WHEREAS, Bond Counsel to the Issuer in connection with the Loan (McCall, Parkhurst & Horton L.L.P.) has advised the Issuer, the University and the Lender that the restructuring of the Loan requested by the University will constitute a "reissuance" of the Issuer Loan under the Code; and

WHEREAS, in order to comply with certain requirements under the Code relating to the requested restructuring of the Issuer Loan, on February 26, 2019, the Issuer published notice of a public hearing relating to such restructuring (the "**Public Notice**") in a newspaper of general circulation in the jurisdiction of the City as required by Section 147(f) of the Code, and such public hearing was held on March 14, 2019, by the representative of the Issuer ratified and approved by this Resolution; and

RECITALS

WHEREAS, the Issuer previously made the Borrower Loan to the Borrower, pursuant to the Original Loan Agreement, to refinance the Projects; and

WHEREAS, pursuant to the Original Loan Agreement, and at the request of the Borrower, the Lender previously made the Issuer Loan to the Issuer, for the purpose of providing funds to the Issuer to use to make the Borrower Loan to refinance the Projects; and

WHEREAS, the Issuer, the Borrower and the Lender wish to defer the April 1, 2019 principal payment to the maturity date on April 1, 2020; and

WHEREAS, the Issuer executes and delivers this Second Amendment based upon the approval of the Board of Directors of the Issuer by a Resolution, adopted on March 21, 2019;

NOW, THEREFORE, in consideration of the premises set forth herein, the Issuer, the Borrower and the Lender agree as follows:

Section 101. Definitions. Except as otherwise set forth herein or as required by the context, all terms used herein that are defined in the Original Loan Agreement shall have the meanings assigned to them in the Original Loan Agreement.

Section 102. Amendment to Article III of Original Loan Agreement. Article III of the Original Loan Agreement is hereby amended to add the following Section 3.11 to read in full as follows:

Section 3.11. LIBOR Notification; Alternate Rate of Interest.

The interest rate on the Borrower Loan is determined by reference to the LIBOR Rate, which is derived from the London interbank offered rate (“LIBOR”). LIBOR is intended to represent the rate at which contributing banks may obtain short-term borrowings from each other in the London interbank market. In July 2017, the U.K. Financial Conduct Authority announced that, after the end of 2021, it would no longer persuade or compel contributing banks to make rate submissions to the ICE Benchmark

Administration (together with any successor to the ICE Benchmark Administrator, the “IBA”) for purposes of the IBA setting LIBOR. As a result, it is possible that commencing in 2022, LIBOR may no longer be available or may no longer be deemed an appropriate reference rate upon which to determine the interest rate on the Borrower Loan. In light of this eventuality, public and private sector industry initiatives are currently underway to identify new or alternative reference rates to be used in place of LIBOR. In the event LIBOR is no longer available (or in certain other circumstances), this Section provides a mechanism for determining an alternative rate of interest. The Lender will notify the Borrower, pursuant to this Section, in advance of any change to the reference rate upon which the interest rate of the Borrower Loan is based. However, the Lender does not warrant or accept any responsibility for, and shall not have any liability with respect to, the administration, submission or any other matter related to LIBOR or other rates in the definition of “LIBOR Rate” or with respect to any alternative, successor rate thereto, or replacement rate thereof, including without limitation, whether the composition or characteristics of any such alternative, successor or replacement reference rate will be similar to, or produce the same value or economic equivalence of the LIBOR Rate or have the same volume or liquidity as did LIBOR prior to its discontinuance or unavailability.

If at any time the Lender determines (which determination shall be conclusive absent manifest error) that (i) adequate and reasonable means do not exist for ascertaining the Adjusted One Month LIBOR Rate or the LIBOR Rate, as applicable (including, without limitation, by means of an Interpolated Rate or because the LIBOR Screen Rate is not available or published on a current basis) and such circumstances are unlikely to be temporary or (ii) the circumstances set forth in clause (i) have not arisen but either (w) the supervisor for the administrator of the LIBOR Screen Rate has made a public statement that the administrator of the LIBOR Screen Rate is insolvent (and there is no successor administrator that will continue publication of the LIBOR Screen Rate), (x) the administrator of the LIBOR Screen Rate has made a public statement identifying a specific date after which the LIBOR Screen Rate will permanently or indefinitely cease to be published by it (and there is no successor administrator that will continue publication of the LIBOR Screen Rate), (y) the supervisor for the administrator of the LIBOR Screen Rate has made a public statement identifying a specific date after which the LIBOR Screen Rate will permanently or indefinitely cease to be published or (z) the supervisor for the administrator of the LIBOR Screen Rate or a governmental authority having jurisdiction over the Lender has made a public statement identifying a specific date after which the LIBOR Screen Rate may no longer be used for determining interest rates for loans, then the Lender and the Borrower shall endeavor to establish an alternate rate of interest to the LIBOR Rate that gives due consideration to the then prevailing market convention for determining a rate of interest for bank loans in the United States at such time, and shall enter into an amendment to this Agreement to reflect such alternate rate of interest and such other related changes to this Agreement as may be applicable (but, for the avoidance of doubt, such related changes shall not include a reduction of the LIBOR Rate).

Section 103. Amendment to Exhibit B to Original Loan Agreement. Exhibit B to the Original Loan Agreement is hereby amended to read in full as follows:

EXHIBIT B

SCHEDULE OF PRINCIPAL PAYMENTS

<u>Payment Date</u>	<u>Principal Payment (\$)</u>
April 1, 2016	2,400,000

Section 104. Representations of the Borrower. The representations of the Borrower as set forth in Sections 4.03 and 8.04(e) of the Original Loan Agreement are true and correct as of the date hereof.

Section 105. Conditions to Execution of this Second Amendment. The obligation of the Lender to execute this Second Amendment shall be subject to receipt of the following in form and substance satisfactory to the Lender and its counsel:

(a) An opinion from Borrower's counsel that this Second Amendment constitutes the legal, valid and binding obligation of the Borrower and is enforceable in accordance with its terms under the laws of the State; and

(b) An opinion from Bond Counsel that the execution and delivery of this Second Amendment in accordance with the provisions of the Original Loan Agreement will not, in and of itself, result in the inclusion of interest on the Issuer Loan in gross income for purposes of federal income taxation; and

(c) Any additional operational, financial and regulatory compliance as the Lender may reasonably require.

Section 106. Fees and Expenses. All legal fees, disbursements and Lender out-of-pocket expenses will be for the Borrower's account and payable on the date hereof.

Section 107. Ratification of Original Loan Agreement and Second Amendment. Except as expressly amended and supplemented by this Second Amendment, the Original Loan Agreement is in all respects ratified and confirmed, and the Original Loan Agreement as so amended hereby shall be read, taken and construed with this Second Amendment as one and the same instrument.

Section 108. Applicable Law. This Second Amendment shall be governed in all respects, whether as to validity, construction, performance, or otherwise, by the Laws of the State and, if applicable, federal Law.

Section 101. Entire Agreement. This Second Amendment and all other instruments, documents and agreements executed and delivered in connection with this Second Amendment embody the final, entire agreement among the parties hereto and supersede any and all prior commitments, agreements, representations and understandings, whether written or oral, relating to this Second Amendment, and may not be contradicted or varied by evidence of prior, contemporaneous or subsequent oral agreements or discussions of the parties hereto.

Section 103. Severability. If any part of this Second Amendment is ruled invalid or unenforceable by a court of competent jurisdiction, the invalidity or unenforceability thereof shall not affect the remainder of this Second Amendment.

Section 104. Counterparts. This Second Amendment may be executed in several counterparts, each of which shall be an original and all of which shall constitute one instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Second Amendment to be duly executed by their duly authorized officers, as of the date first written above.
