

**TASER International, Inc.'s Sales Terms and Conditions
for Direct Sales to End User Purchasers
(Effective January 14, 2015)**

These Sales Terms and Conditions apply to your purchase of all TASER International, Inc. ("TASER," "we," "us," or "our") products and services purchased directly from us. Products and services sold by us are expressly subject to and conditioned upon the terms and conditions set forth below. By signing a quote, issuing a purchase order, or accepting delivery of the product or service, you accept and are bound to these Sales Terms and Conditions. Any different or additional terms set forth by you, whether in your purchase order or another communication, are expressly objected to and will not be binding on us.

Return Policies. All sales are final and no refunds or exchanges are allowed, except as provided by state or federal law and as specified below for TASER® Citizen Products.

Exchanges for TASER Citizen Products. The citizen model products that are unopened and still in their sealed package may be returned or exchanged within 15 days from the date of receipt of the product for a credit or a refund of the purchase price paid, less shipping and handling, and any applicable restocking fees. Any product returned to TASER without prior authorization from us will be considered an unauthorized return, and you will not receive credit for the product and we will not ship the product back to you. Unless the product is defective or the return is a direct result of our error, we may charge a restocking fee of up to 15% of the purchase price paid, plus any applicable sales tax.

To return a citizen model product, you must first go to our website, www.TASER.com and obtain a Return Material Authorization ("RMA") number before the end of the applicable return period. We will not accept returns without an RMA number. See the Product Warranty, www.TASER.com, or contact us at 800.978.2737 (+1.480.905.2000 for International callers) for information on how to obtain an RMA number. You must ship the product to us within 5 days of the date that we issue the RMA number as follows:

- in the original product packaging, in as-new condition, along with any media, documentation, and any other items that were included in your original shipment;
- at your expense and insured (if you return the product uninsured then you accept the risk of loss or damage during shipment);
- with the RMA number clearly marked on the outside of the return packaging;
- with proof of purchase of the product (receipt, purchase order, or invoice); and
- with your name, address, and phone number of where to send the exchange item or the product credit or refund.

Upon receipt of your return, we will issue a credit or a refund of the purchase price paid, less shipping and handling, and any applicable restocking fees. For partial returns, your credit may be less than the invoice or individual component price due to bundled or promotional pricing or any unadvertised discounts or concessions. If you fail to follow the return or exchange instructions and policies provided by us, we are not responsible for product that is lost, damaged, modified, or otherwise processed for disposal or resale.

Quotes. A quotation is an offer to sell, is valid only for the products and services listed on the quote at the prices listed on the quote, and is subject to these Sales Terms and Conditions, all of which are

deemed incorporated into the quote. The quote from TASER contains the entire terms and conditions associated with the transaction. You may accept a quotation by signing the quote, issuing a purchase order, or other writing expressing your intention to be bound. Any terms, conditions or writing within your purchase order or other writing addressing the subject matter of the transaction, will be for your internal purposes only and the terms and conditions contained therein will have no force or effect. If you have not signed a quote from TASER, then your order is subject to cancellation by us, in our sole discretion. We are not responsible for pricing, typographical, or other errors in any offer by us and reserve the right to cancel any orders resulting from such errors.

Prices. The price of the products and services are set forth in the quote specifically provided to you (if no quote was provided then the price is that set forth on our current price list or www.TASER.com). Prices do not include taxes, shipping, handling, insurance or other similar charges; any such charges will be added to the price or separately invoiced unless otherwise expressly indicated at the time of sale.

Payment Terms. Invoices are due and payable within the time period noted on your invoice, measured from the date of the invoice. We may invoice parts of an order separately. Where no credit has been granted to you or where credit has been withdrawn (in our absolute discretion) or for international sales, payment is required in full prior to shipment. Payment must be by credit card, wire transfer, or some other prearranged payment method. If we have reasonable grounds to believe that you will fail to comply with the payment terms or with the agreed credit terms, we are entitled to postpone or to refuse delivery of an order.

Taxes. Unless you provide us with a valid and correct tax exemption certificate applicable to your purchase and ship-to location, you are responsible for sales and other taxes associated with your order.

Shipping; Title; Risk of Loss. We reserve the right to make partial shipments and products may ship from multiple locations. All shipments are E.X.W. via common carrier, unless otherwise specified, and title and risk of loss pass to you upon delivery to the common carrier by TASER. You are responsible for all freight charges. Any loss or damage that occurs during shipment is your responsibility. Shipping dates are estimates only. Delivery is typically 2–6 weeks after receipt of order or payment.

Excusable delays. We will use commercially reasonable efforts to deliver all products and services ordered by you as soon as reasonably practicable. In the event of interruption of any delivery due to causes beyond our reasonable control, including but not limited to force majeure, fire, labor disturbances, riots, accidents, or inability to obtain necessary materials or components, we have the right, in our sole discretion and upon oral or written notice to you, to delay or terminate the delivery.

Not For Resale or Export. Shipping of some our products out of the United States is restricted by U.S. federal law and neither the product nor its technology can be exported out of the U.S. without a validated export license issued by the U.S. Department of Commerce and a signed BIS-711 on file with us.

Regulations and Restrictions. You agree to comply with all applicable laws, codes and license requirements, and controls of the United States and other applicable jurisdictions in connection with the use of TASER products and services including your acceptance of responsibility for the payment of any relevant taxes or duties.
