purpose in deciding this matter to the City  
feeling that they are entitled to  
receive public utilities to serve the  
small houses adjacent to the street that  
the Council adopted the recommendation  
of the City Engineer and accept the  
fact that the sewer is a matter  
by the Engineer. After a review of  
the Commission's report, the City  
Engineer was carried by all  
call note, to wit: City, Commission,  
Callaghan, Han, Steffen and  
Anderson.
