Exhibit 1

**SAN ANTONIO INTERNATIONAL AIRPORT
FIRST AMENDMENT OF LEASE**

THIS FIRST AMENDMENT OF LEASE ("Amendment") is entered into by and between **M7 AEROSPACE LLC** ("Lessee"), a Delaware limited liability company authorized to conduct business in the State of Texas (formerly named M7 Aerospace LP), acting by and through its general partner, M7 Aerospace GP, LLC, a Delaware limited liability company; and the **City of San Antonio** ("City" or "Lessor") acting by and through its City Manager pursuant to Ordinance No. _____ passed and approved on _____, which Amendment is set forth as follows:

WHEREAS, City and Lessee entered into that certain San Antonio International Airport Lease on November 18, 2010, pursuant to Ordinance No. 2010-11-18-0980 (hereinafter the "Lease"); and

WHEREAS, Tenant and City have agreed to remove Building 12, located in Parcel B, from the Leased Premises, resulting in the necessity of changing the exhibit which depicts the location of the Leased Premises, and resulting in an adjustment to the rental payment to exclude Building 12 and ground space for Building 12 and adjacent parking;

NOW THEREFORE: in consideration of the terms, covenants and promises, agreements and demises herein contained, and for other good and valuable consideration, each to the other given, the receipt and sufficiency of which is hereby acknowledged, Lessee and City agree:

I. Article 2, Description of Leased Premises of the Lease Agreement is hereby deleted in its entity and replaced with the following:

ARTICLE 2. DESCRIPTION OF LEASED PREMISES

2.01 Lessor, for and in consideration of the rents, covenants and promises herein contained to be kept, performed and observed by Lessee, does hereby lease unto Lessee, and Lessee does hereby accept from Lessor, the following described property (collectively referred to as "Leased Premises"):

2.02 Ground Space: 20.69 acres (901,530 square feet) of land at the San Antonio International Airport, San Antonio, Bexar County, Texas, identified in **Exhibits 1-A and 1-B** attached hereto and made a part hereof by reference ("Ground Space"), and consisting of the following:

Ground	Area in square feet
Parcel A	523,747
Parcel B	88,642
Parcel D	279,901
Parcel F	9,240
Total Ground	901,530

2.03 Building Space: 437,940 square feet of hangar, shop, warehouse and office space identified in the attached **Exhibit 1-A and 1-B**, and listed below:

mk

<u>Building Name</u>	<u>Area in square feet</u>
Building 130/1820	25,199
Hangar 5/1830	171,274
Building 150/1833	56,960
Building 13 (B)/1835	37,536
Building 14/1845	50,550
Hangar 11/1825	43,621

2.04 The Leased Premises were previously occupied by Lessee under a different lease. Said lease had its inception in 1987 and had been amended six times. Each of the six amendments enlarged and/or reduced the original leasehold, making the lease more complex and the lease boundary lines more difficult to ascertain. Lessor and Lessee have agreed that a new survey is necessary to ascertain the current boundaries of the Leased Premises. In furtherance of this objective, Lessor shall perform a meets and bounds survey of the Leased Premises, at Lessor's expense, within 180 days of the commencement of this Lease Agreement. Said survey shall be delivered to Lessee and incorporated into and become part of this Lease Agreement, and shall become the controlling description of the Leased Premises and its boundaries; provided Lessee shall have the right to reasonably approve any material differences in said survey and the description of the Leased Premises attached to this Lease Agreement. Notwithstanding the foregoing, rental for December 1, 2014 through November 30, 2015 shall be \$730,979.27 and rental for December 1, 2015 through November 30, 2020 shall be \$824,193.51.

2.05 Lessor hereby reserves an access easement across that portion of the Leased Premises identified on **Exhibit 1**, as an access easement for the use of Lessor and its assigns, including without limitation its other permitted users and occupants of the Airport and any and all emergency service vehicles or personnel.

2.06 **Exhibits 1-A and 1-B** attached hereto and incorporated by reference replace Exhibit 1 attached to the Lease in its entirety.

II. Article 3, Rental of the Lease Agreement is hereby deleted in its entity and replaced with the following:

ARTICLE 3. RENTAL

3.01 Lessor and Lessee have agreed on the rental that Lessee shall pay for the Leased Premises prior to the performance of the survey described above. Lessee agrees to pay Lessor as rental as indicated on the tables below, monthly in advance (without notice or demand, both of which are expressly waived except as expressly provided for in **Article 21** below) for the use and occupancy of the Leased Premises, at the times and in the manner hereinafter provided. All rentals shall be calculated on an annual basis and shall be paid by Lessee to Lessor in advance without invoicing, notice or demand, in equal monthly installments on or before the first day of each calendar month beginning on the Commencement Date and continuing throughout the remainder of the term of this Lease Agreement and any extension(s) hereof. In the event that the Effective Date of this Amendment shall be a day other than the first day of any calendar

MR

month or the term of this Lease Agreement shall expire on a day other than the last day of a calendar month, then, and in such event, rental installments will be prorated for the first or last month as the case may be.
