7.04 Licensee must promptly advise Licensor in writing of any claim or subject to this indemnity and must investigate and defend such claim at Licensee's cost. J) It is agreed that Licensee's insurance shall be deemed primary and non-contributory with respect to any insurance or self insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.

Licensor may request changes in policy terms, conditions, limitations, or exclusions (except where established by law). If Licensor does so and the changes would increase premiums, Licensor will provide 30 days' prior notice to Licensee and an opportunity to discuss the changes. If Licensor still wants the changes after discussion, Licensee must make the changes and pay the cost thereof.

8.06. If Licensee makes improvements to the Premises, Licensee, or its contractors or subcontractors, must further provide Builder's Risk Insurance Coverage, Worker's Compensation and Employer's Liability Insurance Coverage, Professional Liability Insurance Coverage and any other liability or other insurance coverage in the amounts and types of coverage approved by Licensor's Risk Manager, covering all risks of physical loss during the term of any construction contract and until work is accepted by the City of San Antonio. Licensee, or its contractors or subcontractors, must procure and maintain the insurance, as well as other insurance coverage enumerated above, in full force and effect during the construction phase. Also, payment and performance bonds naming Licensor as indemnitee must be provided by Licensee or its contractors or subcontractors. If the construction is minor, Licensee may send a written request to the City's Director of Asset Management to waive the requirements in this Section, but a waiver may be granted only by Licensor's Risk Manager, whose decision is final.

All endorsements and certificates must be signed by an authorized representative of the insurance company and must include the signatory's company affiliation and title. If requested by Licensor, Licensee must send Licensor documentation acceptable to Licensor that confirms that the individual signing the endorsements and certificates is authorized to do so by the insurance company.

8.08. The Notices and Certificates of Insurance must be provided to the same addresses as for notices of cancellation.
