Agenda Item: 18-1026

<b>Name/Title (Caption as shown on agenda):</b> Annual Contract for Hazmat Equipment Calibration and Maintenance Program 6100009559 SC	
<b>Brief Description of Item(s) and Use:</b> This Contract will provide the San Antonio Fire Department with an annual maintenance program to perform Hazmat equipment reviews to include inspection, cleaning, maintenance & calibration on the current Hazmat equipment.  The hazmat detection equipment is used to respond to chemical, nuclear, biological threats or emergencies. The most common incidents are accidents involving the transportation of or industrial use of large production volume materials most of which involve flammable liquids such as gasoline or corrosives. The equipment is also used at large events to preemptively detect if a chemical has been released into the crowd.  This purchase is made through the Houston-Galveston Area Council of Governments (HGAC) Contract EP11-17 in accordance with the Houston-Galveston Cooperative Purchasing Program Passed in Resolution 96-41-48, dated 10-10-1996.
