

City of San Antonio

AACOG Grant Application

City Council A Session – Item #24
December 12, 2019

Presented by: David W. McCary, CPM
Director, SWMD

CITY OF SAN ANTONIO
**SOLID WASTE MANAGEMENT
DEPARTMENT**

AACOG Application

- Application for, and acceptance of if awarded, approximately \$213,000 in grant funds.
- Application is for two year period.
- Amount for both Solid Waste and Office of Historic Preservation:

SWMD = \$76,000/year x 2

OHP = \$30,000/year x 2

AACOG Application

- If awarded, SWMD funding will be used for educational and outreach programs, creating new educational materials, and targeting new audiences.
- OHP funding will be used to support their draft deconstruction and salvaging policy (for example, development of a strategic plan for a salvaged building materials exchange program).

AACOG Application

- Acceptance of funds would support SWMD efforts to attain the City's goal of a 60% residential recycling rate by 2025 (Recycling and Resource Recovery Plan).
- Would help with education and policy efforts to help divert materials away from the landfill.
- Staff recommends approval.
