This Certificate of Exemption is executed and filed with the Finance Department as follows:

1. The undersigned is authorized to approve an exemption.
2. An exemption according to Section 252.022 of the Local Government Code exists. More specifically, the following event has occurred:

The San Antonio Police Department purchased and implemented the Automated Field Reporting (AFR) and Records Management (RMS) systems from Intergraph Corporation. Implementation support and administration of the software applications is necessary to maximize their availability and efficiency. Because AFR and RMS are copyrighted and proprietary, any modification, reverse engineering, source code analysis or support of the systems by another vendor or party outside of Intergraph would be a violation of the Copyright Act, 17 USC §§ 101 et seq.

3. Because the exemption stated above exists, the City of San Antonio intends to contract with Intergraph Corporation which will cost approximately \$ 512,366
