11.1 Lessee has had full opportunity to examine the Leased Premises. Except for environmental matters not caused by or reasonably discoverable by Lessee prior to the commencement of this Lease Agreement, Lessee's taking possession of the Leased Premises shall be conclusive evidence of Lessee's acceptance thereof in an "AS IS" condition, and Lessee hereby accepts same in its present condition as suitable for the purpose for which leased.

11.2 Lessee agrees that no representations respecting the condition of the Leased Premises and no promises to improve same, either before or after the execution hereof, have been made by Lessor or its agents to Lessee, unless contained herein or made a part hereof by specific reference.

#### **ARTICLE 12. CONSTRUCTION BY LESSEE**

12.1 Should this Lease Agreement be for premises unimproved at the time of the commencement of the lease term, Lessee shall have the right and duty to improve same. Lessee agrees that five (5) sets of plans and specifications, detailing the improvements to be made by Lessee and prepared by registered architects and engineers, must be submitted to the Aviation Director, for his approval as set forth below, no later than one hundred eighty (180) days following the execution of this Lease Agreement. In the event that construction of said improvements is not completed within one (1) year following such approval, if any, this Lease Agreement may, at the option of Lessor, be terminated.

12.2 In all circumstances other than as set forth in **Section 12.1** above, Lessee shall have the right to erect, alter, remodel and renovate buildings and other improvements on the Leased

Premises, provided that it shall submit to the Aviation Director plans and specifications prepared by registered architects and engineers setting forth the renovations, construction, alterations or improvements that Lessee desires to perform, in such detail as may be required by the Aviation Director, and provided that approval of such plans and specifications by said Director is obtained as set forth below.

12.3 Lessor agrees to examine and approve or disapprove plans and specifications submitted in accordance with the provisions of **Sections 12.1 and 12.2** above, within thirty (30) business days after receipt thereof, and to give Lessee written notification of same. The approval by Lessor of such plans and specifications refers only to the conformity of same to the general architectural plan for the Leased Premises, as opposed to their architectural or engineering design. Lessor, by giving its approval, assumes no liability or responsibility therefor or for any defect in any work performed according to such plans and specifications. Lessee agrees not to commence any renovations, construction, alterations or improvements until Lessor, through the Aviation Director, has given written approval regarding Lessee's plans and specifications.

12.4 Further, prior to the commencement of construction, Lessee shall procure any and all additional approvals of the plans and specifications for its buildings and improvements required by any federal, state or municipal authorities, agencies, officers and departments having jurisdiction thereof and shall obtain any and all requisite building or construction licenses, permits or approvals. Construction shall comply with applicable building code requirements and with applicable regulations promulgated by any federal, state or municipal agency or department having jurisdiction thereof. Lessee specifically agrees that it shall hold Lessor completely harmless from and against any and all claims, causes of action or liabilities, whether actual or potential, associated with any construction undertaken by Lessee hereunder.

12.5 The cost of any renovations, construction, alterations or improvements upon the Leased Premises shall be borne and paid for solely by Lessee. Except as may be otherwise set forth herein, Lessor has no financial or other obligation of any kind under this Lease Agreement, other than the rental to Lessee of the premises which are the subject hereof, for the term and consideration hereinbefore set forth.

12.6 Upon completion of all renovations, construction, alterations or improvements, a conformed set of "as built" plans and a Certificate of Occupancy shall be provided by Lessee to the Aviation Director.

12.7 In undertaking any such renovations, construction, alterations or improvements, it is expressly understood that, where applicable, unless otherwise agreed to in writing by the parties, Lessee shall be responsible, at its sole expense, for any and all construction and maintenance of taxiways and connections to the Airport's runway and taxiway system, along an alignment and in accordance with designs and plans approved in advance, in writing, by the Aviation Director. It is further expressly understood and agreed that any improvements and access thereto constructed by Lessee on the Leased Premises shall be performed in such a manner that shall not cause flowage of surface drainage onto adjacent tracts or interrupt flow to the storm drainage system.

### **ARTICLE 13. LIENS PROHIBITED**

13.1 Lessee shall not suffer or permit any mechanics' or other liens to be filed against the fee of the Leased Premises, or against Lessee's leasehold interest in the land, buildings or improvements thereon, by reason of any work, labor, services or materials supplied, or claimed

to have been supplied, to Lessee or to anyone holding the Leased Premises, or any part thereof, through or under Lessee.

13.2 If any such mechanics' lien or materialmen's lien shall be recorded against the Leased Premises, or any improvements thereon, Lessee shall cause the same to be removed or, in the alternative, if Lessee, in good faith, desires to contest the same, it shall be privileged to do so; however, in such case, Lessee hereby agrees to indemnify and save Lessor harmless from all liability for damages occasioned thereby and shall, in the event of a judgment of foreclosure on said mechanics' lien, cause the same to be discharged and removed prior to sale of the property or execution of such judgment.

#### **ARTICLE 14. MAINTENANCE AND REPAIR**

14.1 Lessee shall pay or cause to be paid, any and all charges for water, heat, gas, electricity, sewer and any and all other utilities used on the Leased Premises, throughout the term of, or any extension of, this Lease Agreement, including, but not limited to, any connection fees and any and all additional costs related to utility connection, metering, maintenance, repair and usage.

14.2 Except as may be otherwise provided herein, Lessee shall, throughout the term of this Lease Agreement and any extension hereof, assume the entire responsibility, cost and expense, for all repair and maintenance of the Leased Premises and all buildings and improvements thereon, whether such repair or maintenance be ordinary, extraordinary, structural or otherwise. Additionally, without limiting the foregoing, Lessee shall:

- 14.2.1 at all times maintain the buildings and improvements in a good state of repair and preservation, excepting ordinary wear and tear and obsolescence in spite of repair; and
- 14.2.2 replace or substitute any fixtures and equipment which have become inadequate, obsolete, worn out, unsuitable or undesirable, with replacement or substitute fixtures and equipment, free of all liens and encumbrances, which shall automatically become a part of the buildings and improvements; and
- 14.2.3 at all times keep the Leased Premises, its buildings, improvements, fixtures, equipment and personal property, in a clean and orderly condition and appearance; and
- 14.2.4 provide, and maintain in good working order, all obstruction lights and similar devices, fire protection and safety equipment, and all other equipment of every kind and nature required by laws, rules, orders, ordinances, resolutions or regulations of any competent authority, including Lessor and Aviation Director; and
- 14.2.5 observe all insurance regulations and requirements concerning the use and condition of the Leased Premises, for the purpose of reducing fire hazards and insurance rates on the Airport; and
- 14.2.6 repair any damage, caused by Lessee, to paving or other surfaces of the Leased Premises or the Airport, in connection with the scope of the Lease Agreement,

caused by any oil, gasoline, grease, lubricants, flammable liquids and/or substances having a corrosive or detrimental effect thereon, or by any other reason whatsoever; and

- 14.2.7 take measures to prevent erosion, including, but not limited to, the planting and replanting of grass on all unpaved or undeveloped portions of the Leased Premises; the planting, maintaining and replanting of any landscaped areas; the designing and constructing of improvements on the Leased Premises; and the preservation of as many trees as possible, consistent with Lessee's construction and operations; and
- 14.2.8 be responsible for the maintenance and repair of all utility services lines upon the Leased Premises, including, but not limited to, water and gas lines, electric power and telephone conduits and lines, sanitary sewers and storm sewers; and
- 14.2.9 keep and maintain all vehicles and equipment operated by Lessee on the Airport in safe condition, good repair and insured, as required by this Lease Agreement; and
- 14.2.10 replace broken or cracked plate glass, paint/repaint structures upon the Leased Premises and, where applicable, mow the grass; and
- 14.2.11 provide and use suitable covered metal receptacles for all garbage, trash and other refuse; assure that boxes, cartons, barrels or similar items are not piled in an unsightly, unsafe manner, on or about the Leased Premises; provide a complete and proper arrangement, satisfactory to the Aviation Director, for the adequate sanitary handling and disposal away from the Airport, of all trash, garbage and refuse caused as a result of the operation of its business; and
- 14.2.12 furnish janitorial service for the Leased Premises, keeping them in a neat, orderly, sanitary and presentable condition, free of trash, rubbish or other debris. Lessee shall remove, at Lessee's own expense, from all Leased Premises all waste, garbage and rubbish and agrees not to deposit same on any part of Airport, except that Lessee may deposit same temporarily on its Leased Premises or in space designated by City in connection with collection for removal.

14.3 The adequacy of the performance of the foregoing maintenance and repair by Lessee shall be determined by the Aviation Director, whose reasonably exercised judgment shall be conclusive. Should Lessee refuse or neglect to undertake any such maintenance or repair, or if Lessor is required to perform any maintenance or repair necessitated by the negligent acts or omissions of Lessee, its employees, agents, assignees, subtenants or licensees, then Lessor shall have the right, but not the obligation, to perform such maintenance or repair on behalf of and for Lessee. The costs of such maintenance or repair, plus any associated overhead reasonably determined by Lessor, shall be reimbursed by Lessee to Lessor no later than ten (10) days following receipt by Lessee of written demand from Lessor for same. In cases not involving maintenance or repair requiring exigent action, Lessor shall provide Lessee a written request that Lessee perform such maintenance or repair, at least thirty (30) days before Lessor effects such maintenance or repair on behalf of Lessee.

## **ARTICLE 15. TITLE**

It is expressly understood and agreed that any and all items of personal property owned, placed or maintained by Lessee on the Leased Premises during the term hereof shall be and remain Lessee's property. Provided that Lessee is not in default under this Lease Agreement, it may remove or cause to be removed all such items from the Leased Premises. At Lessor's sole election, any such items remaining on the Leased Premises more than thirty (30) days after the expiration of the term hereof, shall then belong to Lessor without payment of consideration therefor.

## **ARTICLE 16. ENVIRONMENTAL COMPLIANCE**

16.1 Lessee shall, in conducting any activity or business on the Leased Premises, including environmental response or remedial activities, comply with all environmental laws, including, but not limited to, those regarding the generation, storage, use, transportation and disposal of solid wastes, hazardous materials, toxic chemicals, special wastes or other contaminants, and all laws, regulations and notice requirements pertaining to releases or threatened releases of hazardous materials, toxic chemicals, special wastes or other contaminants into the environment. Lessee shall not cause the release, or permit its employees, agents, permittees, contractors, subcontractors, sublessees, or others in Lessee's control, supervision, or employment, to release (whether by way of uncapping, pouring, spilling, spraying, spreading, attaching or otherwise), into or onto the Leased Premises or any other location upon or above the Airport (including the air, ground and ground water thereunder and the sewer and storm water drainage systems thereon), any quantity of hazardous substances (as defined or established from time to time by applicable local, state, or federal law and including, among other things, hazardous waste and any other substances that have been or may in the future be determined to be toxic, hazardous or unsafe). To the extent any such release may exceed quantities or volumes permitted by applicable federal, Texas or local law, Lessee shall immediately notify the Aviation Director, TCEQ, and Local Emergency Planning Committee, as may be required under the federal Emergency Planning and Community Right To Know Act. The Lessee, or any occupant of Leased Premises, shall be responsible for compliance with said Act, in the event of any such release.

16.2 Lessee shall remedy any release or threatened release caused by Lessee's operations at the Airport, as described above and, whether resulting from such release or otherwise, remove any hazardous materials, special wastes and any other environmental contamination caused by Lessee on, under or upon the Leased Premises, as may be required by a governmental or regulatory agency responsible for enforcing environmental laws and regulations. Such work shall be performed, at Lessee's sole expense, after Lessee submits to Lessor a written plan for completing such work. Lessor shall have the right to review and inspect all such work at any time, using consultants and representatives of its choice, at Lessor's sole cost and expense. Specific cleanup levels for any environmental remedial work shall be designed to meet all of the applicable environmental laws and regulations, to the satisfaction of the appropriate government or regulatory agency responsible for enforcing environmental laws and regulations.

16.3 Lessee shall, in conducting any activity or business on the Leased Premises, including environmental response or remedial activities, comply with all environmental laws, including, but not limited to, those regarding the generation, storage, use, transportation and disposal of solid wastes, hazardous materials, toxic chemicals, special wastes or other contaminants, and all laws, regulations and notice requirements pertaining to releases or threatened releases of hazardous materials, toxic chemicals, special wastes or other contaminants into the environment. Lessee shall not cause the release, or permit its employees, agents, permittees,

contractors, subcontractors, sublessees, or others in Lessee's control, supervision, or employment, to release (whether by way of uncapping, pouring, spilling, spraying, spreading, attaching or otherwise), into or onto the Leased Premises or any other location upon or above the Airport (including the air, ground and ground water thereunder and the sewer and storm water drainage systems thereon), any quantity of hazardous substances (as defined or established from time to time by applicable local, state, or federal law and including, among other things, hazardous waste and any other substances that have been or may in the future be determined to be toxic, hazardous or unsafe). To the extent any such release may exceed quantities or volumes permitted by applicable federal, Texas or local law, Lessee shall immediately notify the Aviation Director, TCEQ, and Local Emergency Planning Committee, as may be required under the federal Emergency Planning and Community Right to Know Act. The Lessee, or any occupant of Leased Premises, shall be responsible for compliance with said Act, in the event of any such release.

16.4 Lessee shall remedy any release or threatened release, caused by its operations at the Airport, as described above and, whether resulting from such release or otherwise, remove any hazardous materials, special wastes and any other environmental contamination caused by Lessee on, under or upon the Leased Premises, as may be required by a governmental or regulatory agency responsible for enforcing environmental laws and regulations. Such work shall be performed, at Lessee's sole expense, after Lessee submits to Lessor a written plan for completing such work. Lessor shall have the right to review and inspect all such work at any time, using consultants and representatives of its choice, at Lessor's sole cost and expense. Specific cleanup levels for any environmental remedial work shall be designed to meet all of the applicable environmental laws and regulations, to the satisfaction of the appropriate government or regulatory agency responsible for enforcing environmental laws and regulations.

**16.5 With the exception of environmental matters not caused by, or reasonably discoverable by Lessee prior to the commencement of this Lease Agreement, Lessee agrees to defend, indemnify and hold harmless Lessor, its elected and appointed officials, officers, agents and employees, from and against any and all reasonable losses, claims, liability, damages, injunctive relief, injuries to person, property or natural resources, costs, expenses, enforcement actions, actions or causes of action, fines and penalties, arising as a result of action or inaction of Lessee, its employees, agents or contractors, in connection with the release, threatened release or presence of any hazardous material, contaminants, or toxic chemicals at, on, under, over or upon the Leased Premises and Airport, whether or not foreseeable, regardless of the source or timing of occurrence, release, threatened release, presence or discovery of same. The foregoing indemnity includes, without limitation, all reasonable costs at law or in equity for removal, clean-up, remediation and disposal of any kind, as well as all reasonable costs associated with determining whether the Airport is in compliance, and causing the Airport to be in compliance with, all applicable environmental laws and regulations and all reasonable costs associated with claims for damages to persons, property or natural resources. In the event that Lessor is named in any enforcement action or lawsuit by any party in connection with the environmental condition of the Leased Premises, caused by the action or inaction of the Lessee, Lessee shall defend Lessor and indemnify and hold harmless Lessor from any reasonable costs, damages, fines and penalties resulting therefrom.**

16.6 In addition to any other rights of access herein regarding the Leased Premises, Lessor shall, upon reasonable notice, have access thereto in order to inspect and confirm that the Lessee is using same in accordance with all applicable environmental laws and regulations.

Lessee shall, upon the Aviation Director's demand and at Lessee's sole expense, demonstrate to said Director (through such tests, professional inspections, samplings, or other methods as may be reasonably required by said Director) that Lessee has not caused or permitted any release of hazardous substances or contaminants in excess of quantities or volumes permitted by applicable federal, Texas or local law. Qualified independent experts, chosen by Lessee, subject to Lessor's approval, which approval shall not be unreasonably withheld, shall conduct any such tests and assessments. Lessee shall provide copies of reports from any such testing or assessments to Lessor upon receipt. Should Lessee not provide same to Lessor, Lessor may conduct, or cause to be conducted, such tests, inspections, samplings and assessments, and Lessee shall reimburse Lessor for all costs of such actions, no later than thirty (30) days following receipt by Lessee of invoices therefor. Lessor reserves the right to conduct any of the above actions, at the Aviation Director's discretion, when in the opinion of same, additional or supplemental assessments are in Lessor's best interest.

16.7 Lessee, at Lessor's request, shall make available for inspection and copying, upon reasonable notice and at reasonable times, any or all of the non-privileged documents and materials Lessee has prepared pursuant to any environmental law or regulation, which may be retained by Lessor or submitted to any governmental regulatory agency; provided, such documents and materials relate to environmental regulatory compliance and pertain to the Airport or the Leased Premises. If any environmental law or regulation requires Lessee to file any notice or report of a release or threatened release of regulated materials on, under or about the Leased Premises or the Airport, Lessee shall promptly submit such notice or report to the appropriate governmental agency and simultaneously provide a copy of such report or notice to Lessor. In the event that any written allegation, claim, demand, action or notice is made against Lessee regarding Lessee's failure or alleged failure to comply with any environmental law or regulation, Lessee, as soon as practicable, shall notify Lessor in writing and provide same with copies of any such written allegations, claims, demands, notices or actions so made.

16.8 The parties to this Lease Agreement, including the tenants or sublessees who may enjoy a future right of occupation through Lessee, acknowledge a right and a duty in Lessor, exercised by the Aviation Director, to review safety and potential environmental impacts of any proposed operation, business, maintenance or other activity of the Lessee and its sublessees. To this end, said Director shall have authority to disapprove an activity of the Lessee and/or any sublessee, on the basis of a risk assessment. The parties understand that Airport premises are not intended for use involving refining, processing, manufacturing, maintenance, overhaul, or similar heavy industrial activities entailing use, storage, manufacture, or transport of critical volumes of regulated or hazardous materials or toxic chemicals. For purposes of this Lease Agreement, "critical volumes" are those which, in the discretion and judgment of the Aviation Director, pose or may pose an unreasonable risk to Airport property, its occupants, employees or the traveling public. Discretion and judgment are reserved to the Aviation Director due to the fact that combinations and proximity of such materials are synergistic. The Aviation Director's decision in this regard is final, and said Director shall exercise such review prior to any lease or sublease, from time to time, as he may deem necessary for appropriate risk assessment of existing leases and subleases.

#### **ARTICLE 17. SIGNS**

Lessee shall neither erect signs nor distribute advertising matter upon Airport Premises, without the prior written consent of the Aviation Director. Such consent will not be unreasonably withheld or delayed.

## **ARTICLE 18. TIME OF EMERGENCY**

During time of war or national emergency, Lessor shall have the right to lease the landing area or any part thereof to the United States for government use, and, if such lease is executed, the provisions of this Lease Agreement, insofar as they are inconsistent with those of the Government lease, shall be suspended.

## **ARTICLE 19. SUBORDINATION OF LEASE**

19.1 This Lease Agreement shall be subordinate to the provisions of any existing or future agreement between Lessor and the United States regarding operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of Federal funds for the development of the Airport. Should the effect of such agreement with the United States be to take any of the property under lease, or substantially alter or destroy the commercial value of the leasehold interest granted herein, Lessor shall not be held liable therefore, but, in such event, Lessee may cancel this Lease Agreement upon ten (10) days' written notice to Lessor. Notwithstanding the foregoing, Lessor agrees that, in the event it becomes aware of any such proposed or pending agreement or taking, Lessor shall utilize its best efforts to (i) give the maximum possible notice thereof to Lessee; and (ii) cooperate with Lessee to mitigate the impact of such agreement or taking or other government action upon Lessee, including, but not limited to, reasonably assisting Lessee in securing alternate premises and minimizing any disruption of or interference with Lessee's business.

19.2 Lessor shall have the right to recapture any or all of the Leased Premises to the extent that such are necessary for the City's development, improvement, and or maintenance of the Airport's runways and taxiways; for protection or enhancement of flight operations; or for other development in compliance with any current or future Airport Master Plan. In the event of any such recapture, Lessee and Lessor shall execute a writing reflecting a corresponding adjustment to the Leased premises and rent. If Lessee is required to relocate to other Airport premises pursuant to this **Article 19**, Lessor shall assist Lessee to identify other substitute premises on the Airport, if available. Lessor shall assist Lessee with relocation costs without impact to the rental terms of this Lease Agreement.

## **ARTICLE 20. SECURITY**

20.1 Lessee shall comply with all rules, regulations, statutes, orders, directives or other mandates of the United States or State of Texas, regarding Airport security requirements or measures.

20.2 Lessee shall comply with all current and future mandates of the Transportation Security Agency for background investigations of its personnel.

20.3 Lessee shall indemnify and hold harmless Lessor, its officers and employees from any charges, fines or penalties that may be assessed or levied by any department or agency of the United States or State of Texas, by reason of Lessee's failure to comply with any applicable security provision and/or requirement for compliance set forth herein.

## **ARTICLE 21. DEFAULT AND REMEDIES**

21.1 Each of the following shall constitute an event of default by Lessee:

- 21.1.1 Lessee shall fail to pay any rent as provided for in this Lease Agreement and such failure shall continue for a period of ten (10) days after receipt by Lessee of written notice thereof.
- 21.1.2 Lessee shall fail to provide or maintain insurance as provided for in this Lease Agreement and such failure shall continue for a period of five (5) days after receipt by Lessee of written notice hereof provided, however, that Lessee shall not be entitled to any notice from Lessor under this provision when failure to maintain insurance is due to a cancellation or expiration of policy or coverage.
- 21.1.3 Lessee shall neglect or fail to perform or observe any of the terms, provisions, conditions or covenants herein contained, and if such neglect or failure should continue for a period of thirty (30) days after receipt by Lessee of written notice of same, or if more than thirty (30) days shall be required because of the nature of the default, if Lessee shall fail within said thirty (30) day period to commence and thereafter diligently proceed to cure such default.
- 21.1.4 Lessee shall become insolvent; take the benefit of any present or future insolvency statute; make a general assignment for the benefit of creditors; file a voluntary petition in bankruptcy or a petition or answer seeking a reorganization or the readjustment of its indebtedness under the federal bankruptcy laws, or under any other law or statute of the United States or of any state thereof; or consent to the appointment of a receiver, trustee or liquidator of all or substantially all of its property.
- 21.1.6 An Order of Relief shall be entered, at the request of Lessee or any of its creditors, under federal bankruptcy, reorganization laws or any law or statute of the United States or any state thereof.
- 21.1.7 A petition under any part of the federal bankruptcy laws, or an action under any present or future insolvency law or statute, shall be filed against Lessee and shall not be dismissed within thirty (30) days after the filing thereof.
- 21.1.8 Pursuant to, or under the authority of, any legislative act, resolution, rule, or any court, governmental, agency or board order or decree or officer, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of Lessee and such possession or control shall continue in effect for a period of fifteen (15) days.
- 21.1.9 Lessee shall become a corporation in dissolution or voluntarily or involuntarily forfeit its corporate charter.
- 21.1.10 The rights of Lessee hereunder shall be transferred to, pass to or devolve upon, by operations of law or otherwise, any other person, firm, corporation or other entity, in connection with or as a result of any bankruptcy, insolvency, trusteeship, liquidation or other proceeding or occurrence described in **paragraphs 21.1.4 through 21.1.9 of this Section 21.1.**
- 21.1.11 Lessee shall voluntarily discontinue its operations at the Airport for a period of sixty (60) consecutive days.

21.2 In the event any default shall occur, Lessor then, or at any time thereafter, but prior to the removal of such condition of default, shall have the right, at its election, either to terminate this Lease Agreement, by giving at least five (5) days written notice to Lessee, at which time Lessee will then quit and surrender the Leased Premises to Lessor, but Lessee shall remain liable as hereinafter provided, or enter upon and take possession of the Leased Premises (or any part thereof in the name of the whole), without demand or notice, and repossess the same as of the Lessor's former estate, expelling Lessee and those claiming under Lessee, without prejudice to any remedy for arrears of rent or preceding breach of covenant and without any liability to Lessee or those claiming under Lessee for such repossession. In addition to any other remedies herein, the parties shall be entitled to an injunction restraining the violation, or attempted violation, of any of the covenants, conditions or provisions hereof, or to a decree compelling performance of same; subject, however, to other provisions herein.

21.3 Lessor's repossession of the Leased Premises shall not be construed as an election to terminate this Lease Agreement nor shall it cause a forfeiture of rents or other charges remaining to be paid during the balance of the term hereof, unless a written notice of such intention be given to Lessee, or unless such termination is decreed by a court of competent jurisdiction.

21.4 Upon repossession, Lessor shall have the right, at its election and whether or not this Lease Agreement shall be terminated, to relet the Leased Premises or any part thereof for such period(s), which may extend beyond the term hereof, at such rent and upon such other terms and conditions as Lessor may, in good faith, deem advisable. Notwithstanding any law or anything contained herein to the contrary, to the full extent permitted under applicable law, Lessee and Lessor agree that Lessor's duty to relet the premises or otherwise to mitigate damages hereunder shall be limited to those requirements set forth in the Texas Property Code, as amended. Lessor shall in no event be liable, and Lessee's liability shall not be affected or diminished whatsoever, for failure to relet the Leased Premises, or in the event the Leased Premises are relet, for failure to collect any rental under such reletting, so long as the Lessor uses objectively reasonable efforts to comply with said Property Code. Lessor and Lessee agree that any such duty shall be satisfied and Lessor shall be deemed to have used objective reasonable efforts to relet the Premises and mitigate Lessor's damages by: (1) posting a "For Lease" sign on the Premises; (2) advising Lessor's lease agent, if any, of the availability of the Premises; and (3) advising at least one outside commercial brokerage entity of the availability of the Premises.

21.5 In the event that Lessor elects to relet, rentals received by same from such reletting shall be applied: first, to the payment of any indebtedness, other than rent due hereunder from Lessee under this Lease Agreement; second, to the payment of any cost of such reletting; third, to the payment of rent due and unpaid hereunder; and finally, the residue, if any, shall be held by Lessor and applied hereunder. Should that portion of such rentals received from such reletting during any month, which is applied to the payment of rent hereunder, be less than the rent payable during that month by Lessee hereunder, then Lessee shall pay such deficiency to Lessor. Such deficiency shall be calculated and paid monthly. Lessee shall also pay to Lessor, as soon as ascertained, any costs and expenses incurred by Lessor in such reletting not covered by the rentals received from such reletting of the Leased Premises.

21.6 If Lessor shall terminate this Lease Agreement or take possession of the Leased Premises by reason of a condition of default, Lessee and those holding under Lessee, shall forthwith remove their goods and effects from the Leased Premises. If Lessee or any such

claimant shall fail to effect such removal forthwith, Lessor may, without liability to Lessee or those claiming under Lessee, remove such goods and effects and store same for the account of Lessee or of the owner thereof at any place selected by Lessor, or, at Lessor's election, and upon giving fifteen (15) days' written notice to Lessee of date, time and location of sale, Lessor may sell the same at public auction or private sale on such terms and conditions as to price, payment and otherwise, as Lessor in its sole discretion may deem advisable. If, in Lessor's judgment, the cost of removing and storing, or of removing and selling any such goods and effects, exceeds the value thereof or the probable sale price thereof, as the case may be, Lessor shall have the right to dispose of such goods in any manner Lessor may deem advisable.

21.7 Lessee shall be responsible for all costs of removal, storage and sale, and Lessor shall have the right to reimburse the Airport Revenue Fund from the proceeds of any sale for all such costs paid or incurred by Lessor. If any surplus sale proceeds remain after such reimbursement, Lessor may deduct from such surplus any other sum due to Lessor hereunder and shall pay over to Lessee any remaining balance of such surplus sale proceeds.

21.8 If Lessor shall enter into and repossess the Leased Premises as a result of Lessee's default in the performance of any of the terms, covenants or conditions herein contained, then Lessee hereby covenants and agrees that it will not claim the right to redeem or re-enter the said Premises to restore the operation of this Lease Agreement, and Lessee hereby waives the right to such redemption and re-entrance under any present or future law, and does hereby further, for any party claiming through or under Lessee, expressly waive its right, if any, to make payment of any sum or sums of rent, or otherwise, of which Lessee shall have made default under any of the covenants of the Lease Agreement and to claim any subrogation of the rights of Lessee under these presents, or any of the covenants thereof, by reason of such payment.

21.9 All rights and remedies of Lessor herein created or otherwise existing at law are cumulative, and the exercise of one or more rights or remedies shall not be taken to exclude or waive the right to the exercise of any other. All such rights and remedies may be exercised and enforced concurrently, whenever and as often as deemed desirable.

21.10 If proceedings shall, at any time, be commenced for recovery of possession, as aforesaid, and compromise or settlement shall be effected either before or after judgment whereby Lessee shall be permitted to retain possession of said Premises, then such proceeding shall not constitute a waiver of any condition or agreement contained herein or of any subsequent breach thereof or to this Agreement.

21.11 Any amount paid or expense or liability incurred by Lessor for the account of Lessee may be deemed to be additional rental and the same may, at the option of Lessor, be added to any rent then due or thereafter falling due hereunder.

## **ARTICLE 22. HOLDING OVER**

It is agreed and understood that any holding over by Lessee, with Lessor's consent, after the termination of this Lease Agreement, shall not renew and extend same, but shall operate and be construed as a tenancy from month-to-month, upon all the terms and conditions set forth herein, except that rental, as reasonably determined by the Aviation Director, shall also be paid to Lessor by Lessee for all buildings on the Leased Premises, as of the end of the primary term of this Lease Agreement. Should Lessee hold over against Lessor's will, Lessee agrees to pay to Lessor, as monthly rent during such period of holding over, for such Premises (including all

buildings located thereon, whether title to such buildings is in the name of Lessor or Lessee) for each month of such tenancy, one hundred and twenty-five percent (125%) the Ground and Building Rental paid for the last month of the Lease Agreement term, plus all applicable fees, including but not limited to any other fees authorized by this Agreement and/or authorized by Ordinance. To the extent Lessee ceases negotiations for an extension with Lessor, thereafter hold over rent for each month of such tenancy shall be one hundred fifty percent (150%) of the Rental paid for the last month of the Lease Agreement term, plus all applicable fees and any other fees authorized by this Agreement and/or authorized by Ordinance.
