**WHEREAS**, trees will be species-appropriate and sourced locally to the extent possible, and MGA-SA has full responsibility for irrigation and maintenance of all trees planted through the establishment period; and

**WHEREAS**, this caliper of tree is most appropriate for planting on golf courses as they are mature and frame the course of play while providing privacy to the surrounding area; and

**WHEREAS**, Mission Del Lago golf course has existing irrigation ideal for newly planted trees which will be expanded as necessary to maximize the tree survival rate during the establishment period; and

**WHEREAS**, trees planted under this agreement will not be used to offset any other tree mitigation efforts; and

**WHEREAS**, the solicitation conducted by the MGA-SA associated with this Funding Agreement will be executed in compliance with the Small Business Economic Development Advocacy (SBEDA) Program, which requires contracts be reviewed by a Goal Setting Committee to establish a requirement and/or incentive unique to the particular contract in an effort to maximize the amount of small, minority, and women-owned business participation on the contract; and

**WHEREAS**, the Goal Setting Committee applied the Small Business Enterprise Prime Contract Program with ten (10) evaluation preference points; and

**WHEREAS**, this agreement is consistent with the park system plan and City policy to increase the number of trees planted on public property to improve overall air quality, storm-water runoff control, reduce temperatures, and enhance the overall beauty of the greater San Antonio area; and
