SAWS E-19: Seguin Road to Nacogdoches Road Project

City Council A Session

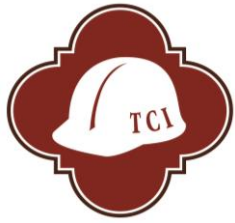

November 3, 2016

Presented by: Christie Chapman

Interim Assistant Director, TCI

CITY OF SAN ANTONIO
TRANSPORTATION & CAPITAL IMPROVEMENTS

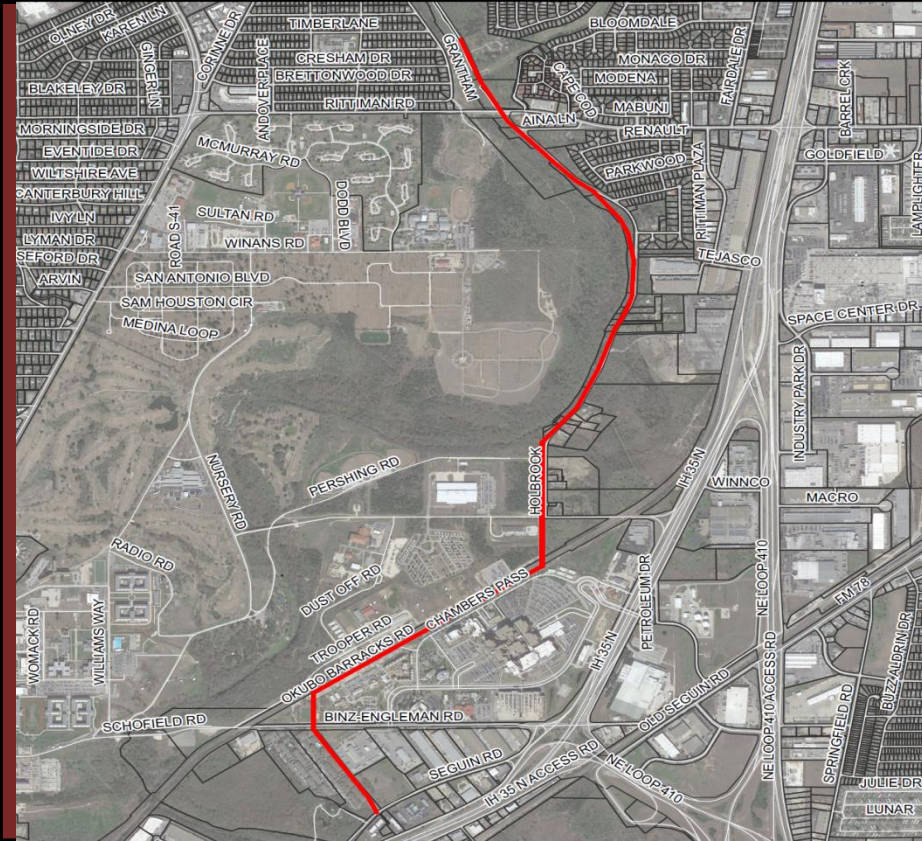

SAWS E-19 Project

- On behalf of SAWS, authorizing the acquisition through negotiation or condemnation seven (7) temporary construction easements across private property
- 5 of the 7 temporary construction easements have been acquired
- Pursuant to Texas Senate Bill 18, item requires City Council to initiate a motion authorizing the use of power of eminent domain, should it be needed.

SAWS E-19 Project Scope & Route

- Phase I upgrades three miles of sewer mains from 48-inch to 78-inch along Salado Creek from Seguin Road running north to a point just north of Rittiman Road
- Construction expected to begin in early 2017 and be completed in mid-2018
