XII. INDEPENDENT CONTRACTOR

12.1 Contractor covenants and agrees that he or she is an independent contractor and not an officer, agent, servant or employee of City; that Contractor shall have exclusive control of and exclusive right to control the details of the work performed hereunder and all persons performing same, and shall be responsible for the acts and omissions of its officers, agents, employees, contractors, subcontractors and consultants; that the doctrine of respondent superior shall not apply as between City and Contractor, its officers, agents, employees, contractors, subcontractors and consultants, and nothing herein shall be construed as creating the relationship of employer-employee, principal-agent, partners or joint venturers between City and Contractor. The parties hereto understand and agree that the City shall not be liable for any claims which may be asserted by any third party occurring in connection with the services to be performed by the Contractor under this Agreement and that the Contractor has no authority to bind the City.

XIII. CONFLICT OF INTEREST

13.1 Contractor acknowledges that it is informed that the Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as those terms are defined in Part

B, Section 10 of the Ethics Code, from having a financial interest in any contract with the City or any City agency such as city owned utilities. An officer or employee has a "prohibited financial interest" in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale: a City officer or employee; his parent, child or spouse; a business entity in which the officer or employee, or his parent, child or spouse owns ten (10) percent or more of the voting stock or shares of the business entity, or ten (10) percent or more of the fair market value of the business entity; a business entity in which any individual or entity above listed is a subcontractor on a City contract, a partner or a parent or subsidiary business entity.

13.2 Pursuant to the subsection above, Contractor warrants and certifies, and this Agreement is made in reliance thereon, that it, its officers, employees and agents are neither officers nor employees of the City. Contractor further warrants and certifies that it has tendered to the City a Discretionary Contracts Disclosure Statement in compliance with the City's Ethics Code.

XIV. AMENDMENTS

14.1 Except where the terms of this Agreement expressly provide otherwise, any alterations, additions, or deletions to the terms hereof, shall be effected by amendment, in writing, executed by both City and Contractor and subject to City Council approval, when required.

XV. SEVERABILITY

15.1 If any clause or provision of this Agreement is held invalid, illegal or unenforceable under present or future federal, state or local laws, including but not limited to the City Charter, City Code, or ordinances of the City of San Antonio, Texas, then and in that event it is the intention of the parties hereto that such invalidity, illegality or unenforceability shall not affect any other clause or provision hereof and that the remainder of this Agreement shall be construed as if such invalid, illegal or unenforceable clause or provision was never contained herein; it is also the intention of the parties hereto that in lieu of each clause or provision of this Agreement that is invalid, illegal, or unenforceable, there be added as a part of the Agreement a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

XVI. LICENSES/CERTIFICATIONS

16.1 Contractor warrants and certifies that Contractor and any other person designated to provide services hereunder has the requisite training, license and/or certification to provide said services, and meets all competence standards promulgated by all other authoritative bodies, as applicable to the services provided herein.

17.2 Non-Discrimination- As a party to this Agreement, Contractor understands and agrees to comply with the *Non-Discrimination Policy* of the City of San Antonio contained in Chapter 2, Article X of the City Code and further, shall not discriminate on the basis of race,

color, religion, national origin, sex, sexual orientation, gender identity, veteran status, age or disability, unless exempted by state or federal law, or as otherwise established herein.

XVIII. SBEDA

City has adopted a Small Business Economic Development Advocacy Ordinance (Ordinance No. 2010-06-17-0531 and as amended, also referred to as "SBEDA" or "the SBEDA Program"), which is posted on the City's Economic Development (EDD) website page and is also available in hard copy form upon request to City. The SBEDA Ordinance Compliance Provisions contained in this section of the Agreement are governed by the terms of this Ordinance, as well as by the terms of the SBEDA Ordinance Policy & Procedure Manual established by City pursuant to this Ordinance, and any subsequent amendments to this referenced SBEDA Ordinance and SBEDA Policy & Procedure Manual that are effective as of the date of the execution of this Agreement. Unless defined in a contrary manner herein, terms used in this section of the Agreement shall be subject to the same expanded definitions and meanings as given those terms in the SBEDA Ordinance and as further interpreted in the SBEDA Policy & Procedure Manual.

A. Definitions

Affirmative Procurement Initiatives (API) – Refers to various Small Business Enterprise, Minority Business Enterprise, and/or Women Business Enterprise ("S/M/WBE") Program tools and Solicitation Incentives that are used to encourage greater Prime and subcontract participation by S/M/WBE firms, including bonding assistance, evaluation preferences, subcontracting goals and joint venture incentives. (For full descriptions of these and other S/M/WBE program tools, see Section III. D. of Attachment A to the SBEDA Ordinance.)

Certification or "Certified" – the process by which the Small Business Office (SBO) staff determines a firm to be a bona-fide small, minority-, women-owned, or emerging small business enterprise. Emerging Small Business Enterprises (ESBEs) are automatically eligible for Certification as SBEs. Any firm may apply for multiple Certifications that cover each and every status category (e.g., SBE, ESBE, MBE, or WBE) for which it is able to satisfy eligibility standards. The SBO staff may contract these services to a regional Certification agency or other entity. For purposes of Certification, City accepts any firm that is certified by local government entities and other organizations identified herein that have adopted Certification standards and procedures similar to those followed by the SBO, provided the prospective firm satisfies the eligibility requirements set forth in this Ordinance in Section III.E.6 of Attachment A.

Centralized Vendor Registration System (CVR) – a mandatory electronic system wherein City requires all prospective Respondents and Subcontractors that are ready, willing and able to sell goods or services to City to register. The CVR system assigns a unique identifier to each registrant that is then required for the purpose of submitting solicitation responses and invoices, and for receiving payments from City. The CVR-assigned identifiers are also used by the Goal Setting Committee for measuring relative availability and tracking utilization of SBE and M/WBE firms by Industry or commodity codes, and for establishing Annual Aspirational Goals and Contract-by-Contract Subcontracting Goals.

Commercially Useful Function – an S/M/WBE firm performs a Commercially Useful Function when it is responsible for execution of a distinct element of the work of the contract and is carrying out its responsibilities by actually performing, staffing, managing and supervising the work involved. To perform a Commercially Useful Function, the S/M/WBE firm must also be responsible, with respect to materials and supplies used on the contract, for negotiating price,

determining quantity and quality, ordering the material, and installing (where applicable) and paying for the material itself. To determine whether an S/M/WBE firm is performing a Commercially Useful Function, an evaluation must be performed of the amount of work subcontracted, normal industry practices, whether the amount the S/M/WBE firm is to be paid under the contract is commensurate with the work it is actually performing and the S/M/WBE credit claimed for its performance of the work, and other relevant factors. Specifically, an S/M/WBE firm does not perform a Commercially Useful Function if its role is limited to that of an extra participant in a transaction, contract or project through which funds are passed in order to obtain the appearance of meaningful and useful S/M/WBE participation, when in similar transactions in which S/M/WBE firms do not participate, there is no such role performed. The use of S/M/WBE firms by Contractor to perform such “pass-through” or “conduit” functions that are not commercially useful shall be viewed by City as fraudulent if Contractor attempts to obtain credit for such S/M/WBE participation towards the satisfaction of S/M/WBE participation goals or other API participation requirements. As such, under such circumstances where a commercially useful function is not actually performed by the S/M/WBE firm, Contractor shall not be given credit for the participation of its S/M/WBE subcontractor or joint venture partner towards attainment of S/M/WBE utilization goals, and Contractor and S/M/WBE firm may be subject to sanctions and penalties in accordance with the SBEDA Ordinance.

Evaluation Preference – an API that may be applied by the Goal Setting Committee (“GSC”) to Construction, Architectural & Engineering, Professional Services, Other Services, and Goods and Supplies contracts that are to be awarded on a basis that includes factors other than lowest price, and wherein responses that are submitted to the City by S/M/WBE firms may be awarded additional Points in the evaluation process in the scoring and ranking of their proposals against those submitted by other Prime Contractors or Respondents.

Good Faith Efforts – documentation of Contractor’s or Respondent’s intent to comply with S/M/WBE Program Goals and procedures including, but not limited to, the following: (1) documentation within a solicitation response reflecting the Respondent’s commitment to comply with SBE or M/WBE Program Goals as established by the GSC for a particular contract; or (2) documentation of efforts made toward achieving the SBE or M/WBE Program Goals (e.g., timely advertisements in appropriate trade publications and publications of wide general circulation; timely posting of SBE or M/WBE subcontract opportunities on the City of San Antonio website; solicitations of bids/proposals/qualification statements from all qualified SBE or M/WBE firms listed in the Small Business Office’s directory of certified SBE or M/WBE firms; correspondence from qualified SBE or M/WBE firms documenting their unavailability to perform SBE or M/WBE contracts; documentation of efforts to subdivide work into smaller quantities for subcontracting purposes to enhance opportunities for SBE or M/WBE firms; documentation of a Prime Contractor’s posting of a bond covering the work of SBE or M/WBE Subcontractors; documentation of efforts to assist SBE or M/WBE firms with obtaining financing, bonding or insurance required by the Respondent; and documentation of consultations with trade associations and consultants that represent the interests of SBE and/or M/WBEs in order to identify qualified and available SBE or M/WBE Subcontractors.) Contractor voluntarily agrees to fully comply with these SBEDA program terms as a condition for being awarded this Agreement by City. Without limitation, Contractor further agrees to the following terms as part of its compliance responsibilities under the SBEDA Program:

1. Contractor shall cooperate fully with the Small Business Office and other City departments in their data collection and monitoring efforts regarding Contractor's utilization and payment of Subcontractors, S/M/WBE firms, and HUBZone firms, as applicable, for their performance of Commercially Useful Functions on this contract including, but not limited to, the timely submission of completed forms and/or documentation promulgated by SBO, through the Originating Department, pursuant to the SBEDA Policy & Procedure Manual, timely entry of data into monitoring systems, and ensuring the timely compliance of its Subcontractors with this term;

Contractor shall provide equal opportunity for Subcontractors, vendors and suppliers to participate in all of its public sector and private sector subcontracting and supply opportunities, provided that nothing contained in this clause shall prohibit or limit otherwise lawful efforts to remedy the effects of marketplace discrimination that have occurred or are occurring in City's Relevant Marketplace. - **DEVELOPMENT OF 'COUNT US IN' SIGN-UP PROCESS – Month 4 - January 2016**
TEI provides CVB team with the wording and process steps to implement the "Count Us In" sign-up form for completion by participating area businesses. CVB determines the best way to maintain a list of participating businesses and a means to capture the designated contacts for each business for: (a) visitor surveys; (b) customer growth month-over-month surveys; and (c) annual insight survey.
- **SYSTEM SETUP & TECHNOLOGY INTERFACE – MONTHS 4-6 – January – March 2016**
In months 4-6, we work with you to set up the system for ongoing data capture and report generation. This includes password-protected access to the scorecard system

and customizing the mobile-based survey.

➤ **SIGNAGE DEVELOPMENT & PRINTING – MONTHS 4-5 – January - February 2016**

TEI provides camera-ready copy in all sizes desired by the CVB. CVB is responsible for printing the signage and providing it to participating businesses. TEI will also provide digital versions of the signage and will work with the CVB team to match brand colors to meet both CVB and TEI brand objectives. SACVB has the ability to brand design the customer relevant pieces under the San Antonio brand, in cooperation with TEI with final versions mutually agreed to by both Parties. SACVB has a supply of printed items on hand at all future Sector Panel Sessions and handles order fulfillment.

➤ **INTRODUCTORY SESSIONS FOR SECTOR PANELS – MONTH 6 – March 2016**

Six, 90-minute facilitated sessions with each sector: *Lodging, Restaurant, Venues/Facilities, Transportation, Local Government/Civic Organizations, Attractions/Activities*. Businesses come together for their first meeting as a Sector Panel. For some sectors, it may be the first time they've all been together in the same room. The session drives sector buy-in to the standards and best practices, while setting the stage for ongoing visitor surveys and regular discussions to determine initiatives and actions. **NOTE: Visitor surveys would begin in April; the streamlined business surveys would begin in July (reporting on April/May/June's customer growth data); giving you a April-May-June first report.**

Phase Three: EDD Implementation - Month 7/Beyond

➤ **QUARTERLY SECTOR LEADER CONFERENCE CALLS – Quarterly; First One in August 2016**

Facilitated Conference Calls: Through quarterly conference calls, we engage the six Sector Leaders in facilitated discussion on the ongoing visitor/consumer data and stakeholder input, review current scores/indicators, and measures against the balanced scorecard strategic objectives, and discuss destination-wide, cross-sector initiatives/objectives. And, prepare them and help them feel comfortable for the upcoming quarterly Sector Panel session.

➤ **QUARTERLY SECTOR PANEL FACILITATED SESSIONS – Quarterly; First One in August 2016**

Up to Six, 90-minute facilitated sessions with each sector: *Lodging, Restaurant, Venues & Facilities, Transportation, Local Government & Civic Organizations; Attractions & Activities*

At these interactive, facilitated sessions we engage participating businesses and keep them excited about shaping the total visitor experience including: sharing survey insight, pertinent narrative comments and marketing 'intel'; discussing the *Experience Report* strategic objectives/measures/scores; and discussion of initiatives & actions to improve the total experience – within their sector or across sectors. SACVB will coordinate the invitations, RSVPs, and handle all meeting planning and F&B costs.

➤ **BALANCED SCORECARD REPORTS – Quarterly *Experience Report***

Every three months, you will receive an *Experience Report* to share with participating businesses – a PDF report with user-friendly charts and graphs on how your destination is doing against the consumer-driven standards, including your *Experience Scorecard™* strategic objective scores/KPIs (Key Performance Indicators). A month-over-month report, generated for three successive months, shows aggregate and Sector data on visitor/customer growth and spending indicators. SACVB will be responsible for printing the report (if on-site handout is desired), as well as printing the Verbatim report, also if desired.

➤ **ONGOING, ‘REAL-TIME’ VISITOR/CONSUMER DATA COLLECTION – Ongoing Destination-wide System & Visitor Surveys**

The mobile-based survey platform gives destinations an ongoing method to capture daily/ongoing information/surveys from visitors/consumers via the *Our Community Cares About Your Visit* signage/messaging and face-to-face encounters at the front-line. The Visitor Survey language will be presented in English. In addition to the existing EDD standard questions, the CVB has the option of adding up to two 'add-on' visitor survey questions, which will be captured separately for reports and will not be formally integrated into the EDD standards or KPIs. .

➤ **COMPARATIVE REPORTS AGAINST *EXPERIENCE INDEX™* – Quarterly Comparative Experience Index™**

This one-page report will eventually show how your destination is doing against all Ed destinations – in the aggregate – based upon a rolling Experience Index™ as tied to the standards.
