**CITY OF SAN ANTONIO
SUBCONTRACTOR/SUPPLIER UTILIZATION PLAN**

SOLICITATION NAME: **Laurens Lane Hike & Bike Trail Connection**

RESPONDENT NAME: CGC

SOLICITATION API: **Minority / Women-Owned Business Enterprise (M/WBE) AND African American Business Enterprise (AABE) Subcontracting Programs**

API REQUIREMENTS: Respondents must demonstrate commitment to satisfy a twelve percent (12%) M/WBE subcontracting goal. Moreover, one percent (1%) out of the 12% M/WBE subcontracting goal is to be subcontracted to AABE firms headquartered or having a significant business presence within the San Antonio Metropolitan Statistical Area (SAMSA). Self-performance by M/WBE and/or AABE prime respondents does not count towards these subcontracting goals. **Commitment to meet subcontracting requirements must be demonstrated by writing the company name and SAePS vendor number of each subcontractor/supplier**.** In the absence of a waiver granted by the Small Business Office, failure of a Respondent to commit to satisfying the M/WBE and AABE subcontracting goals shall render its response NON-RESPONSIVE. To qualify as an M/WBE pursuant to the SBEDA Ordinance, a vendor must also be an SBE. Pursuant to the SBEDA Ordinance, segmented AABE goals target the participation of AABEs within select industries (Construction, Professional Services & Other Services) as identified by the availability in the Central Vendor Registry. To satisfy an AABE subcontracting goal, AABE vendors must also be SBEs. Thus, participation by AABE vendors automatically counts toward the M/WBE subcontracting goal. S/M/WBEs and AABEs must be certified with the South Central Texas Regional Certification Agency (SCTRCA) and be headquartered or have a Significant Business Presence in the San Antonio Metropolitan Statistical Area to satisfy the above-stated goals. Please be sure to indicate dollar value or percentage of the value of the contract that will be paid to the subcontractors. For further clarification, please contact Edson Zavala at (210) 207-3962.
