WHEREAS, it is in the interest of the public that the City of San Antonio be relieved of the obligation to maintain the Right-of-Way Segment; **NOW THEREFORE**,

BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF SAN ANTONIO:

SECTION 1. Subject to the reservation below, as an exercise of its discretion, the City Council closes, vacates, and abandons the rights-of-way (“Right-of-Way Segments”) identified in Section 2 of this Ordinance.

SECTION 2. The detailed description of the Right-of-Way Segment is set forth on **Attachment I**. Maps and a picture of the Right-of-Way Segment are set forth on **Attachment II**. Both Attachments I and II are incorporated into this ordinance for all purposes as if they were fully set forth. Attachment I controls over any discrepancy between it and Attachment II.

Any person wanting removal of an existing utility line or facility must negotiate separately with the pertinent utility. Any person building on the Right-of-Way Segment without first reaching an agreement with a utility having lines or facilities in the segment does so at his own risk. After the date of this Ordinance, no utility may add additional utility lines or facilities in the Right-of-Way Segment based on a claim that the Right-of-Way Segment is public right of way. All existing drainage rights in the Right-of-Way Segment are retained by the City. SECTION 8: The donation of property to the City of San Antonio must comply with GASB 33 and AD 8.8. All necessary information must be coordinated through the city's Finance Department to assure the recording of the proper accounting transactions.
