 - c. *Persons providing services on the Project (“subcontractor” in §406.096 of the Texas Labor Code)* - includes all persons or entities performing all or part of the services the Developer has undertaken to perform on the Project, regardless of whether that person contracted directly with the Developer and regardless of whether that person has employees. This includes, without limitation, independent contractors, subcontractors, leasing companies, motor carriers, owner-operators, employees of any such entity, or employees of any entity which furnishes persons to provide services on the Project. “Services” include, without limitation, providing, hauling, or delivering equipment or materials, or providing labor, transportation, or other service related to a Project. “Services” does not include activities unrelated to the Project, such as food/beverage vendors, office supply deliveries, and delivery of portable toilets.
- 10.3 Developer shall provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements that meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all employees of the Developer providing services on the Project, for the duration of the Project.
- 10.4 Developer must provide a certificate of coverage to the City prior to being awarded the contract.
- 10.5 If the coverage period shown on the Developer's current certificate of coverage ends during the duration of the Phase of the Project, Developer must, prior to the end of the coverage period, file a new certificate of coverage with the City showing that coverage has been extended.
- 10.6 Developer shall obtain from each person providing services on a project, and shall provide to the City:

- a. a certificate of coverage, prior to that person beginning work on the Phase of the Project, so the City will have on file certificates of coverage showing coverage for all persons providing services on the Project; and
 - b. no later than seven (7) days after receipt by Developer, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the Phase of the Project.
- 10.7 Developer shall retain all required certificates of coverage for the duration of the Project and for one year thereafter.
- 10.8 Developer shall notify the City in writing by certified mail or personal delivery, within ten (10) days after the Developer knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the Project.
- 10.9 Developer shall post on the TIRZ property a notice, in the text, form and manner prescribed by the Texas Workers' Compensation Commission, informing all persons providing services on the Project that they are required to be covered, and stating how a person may verify coverage and report lack of coverage.
- 10.10 Developer shall contractually require each person with whom it contracts to provide services on a Project, to:
- a. provide coverage, based on proper reporting of classification codes and payroll amounts and filing of any coverage agreements that meets the statutory requirements of Texas Labor Code, Section 401.011(44) for all of its employees providing services on the Project, for the duration of the applicable Phase of the Project;
 - b. provide to the Developer, prior to that person beginning work on the Project, a certificate of coverage showing that coverage is being provided for all employees of the person providing services on the Project, for the duration of the applicable Phase of the Project;
 - c. provide the Developer, prior to the end of the coverage period, a new certificate of coverage showing extension of coverage, if the coverage period shown on the current certificate of coverage ends during the duration of the applicable Phase of the Project;
 - d. obtain from each other person with whom it contracts, and provide to the Developer:
 - (i) a certificate of coverage, prior to the other person beginning work on the Project; and
 - (ii) a new certificate of coverage showing extension of coverage, prior to the end of the coverage period, if the coverage period shown on the current certificate of coverage ends during the duration of the applicable Phase of the Project;
 - e. retain all required certificates of coverage on file for the duration of the applicable Phase of the Project and for one year thereafter;
 - f. notify the City in writing by certified mail or personal delivery, within ten (10) days after the person knew or should have known, of any change that materially affects the provision of coverage of any person providing services on the Project; and,
 - g. perform as required by paragraphs a-f above with the certificates of coverage to be

provided to the person for whom they are providing services.

- 10.11 By signing this Agreement or providing or causing to be provided a certificate of coverage, Developer is representing to the City that all employees of Developer who will provide services on the Project will be covered by workers' compensation coverage for the duration of the applicable Phase of the Project, that the coverage will be based on proper reporting of classification codes and payroll amounts, and that all coverage agreements will be filed with the appropriate insurance carrier or, in the case of a self-insured, with the commission's Division of Self Insurance Regulation. Providing false or misleading information may subject Developer to administrative penalties, criminal penalties, civil penalties, or other civil actions.
- 10.12 Developer's failure to comply with any of these provisions is a breach of this Agreement by the Developer which entitles the City and/or Board to declare the Agreement void and exercise all legal remedies if the Developer does not remedy the breach within ten (10) days after receipt of notice of breach from the City without necessity of the sixty (60) day cure period as set forth in Section 11.3.2 of this Agreement.

ARTICLE XI. TERMINATION AND RECAPTURE

- 11.1 TERMINATION. For purposes of this Agreement, termination shall mean the expiration of the term as provided by Article II. Section 2.1 Term, herein. The City and/or the Board may also terminate this Agreement, (1) Termination without Cause, (2) Termination for Cause, and (3) Termination by law.
- 11.2 TERMINATION WITHOUT CAUSE. This Agreement may also be terminated by mutual consent and a written agreement of the Parties. In such case, the Parties shall agree upon the reason(s) of such termination, the termination conditions, any proposed pay-back plan of disbursed funds, and the proposed effective date of such termination.
- 11.3 TERMINATION FOR CAUSE/DEFAULT. Upon written Notice, which shall be provided in accordance with Article XVII. Notice of this Agreement, the City and/or the Board shall have the right to terminate this Agreement for cause in whole or in part for cause if Developer fails to: (1) comply with any material term or and condition of this Agreement, which shall be deemed a default; and, (2) cure such default.
- 11.3.1 NOTICE OF DEFAULT. After sending a written Notice of Default, the City shall not distribute TIRZ funds to Developer until the default is cured.
- 11.3.2 CURE. Upon written Notice of Default resulting from a breach of this Agreement, such default shall be cured within sixty (60) calendar days from the date of the Notice of Default. In the case of default, which cannot with due diligence be cured within such Cure Period, at the reasonable discretion of the Director of the City's Neighborhood & Housing Services (or successor) Department, the Cure Period may be extended provided that Developer shall immediately upon receipt of Notice of Default advises the City and the Board of Developer's intent to cure such default within the extended period granted.
- 11.3.3 FAILURE TO CURE. In the event Developer fails to cure any default of this Agreement within the Cure Period (or extended period), the City and the Board may, upon issuance to Developer of a written Notice of Termination, terminate this

Agreement in whole or in part. Such notification shall include the reasons for such termination, the effective date of such termination; and, in the case of partial termination, the portion of the Agreement to be terminated.

- 11.3.4 REMEDIES UPON DEFAULT. The Parties shall have the right to seek any remedy in law to which they may be entitled, in addition to termination and repayment of funds, if a Party defaults under the material terms of this Agreement. The City and Board shall have the right to recapture all the disbursed funds pursuant to this Agreement and the Developer shall repay all disbursed funds to the TIRZ Fund.
- 11.4 TERMINATION BY LAW. If any state or federal law or regulation is enacted or promulgated which prohibits the performance of any of the duties herein, or, if any law is interpreted to prohibit such performance, this Agreement shall automatically terminate as of the effective date of such prohibition.
- 11.5 RECAPTURE. Upon Notice of Termination in accordance with Article XVII. Notice, of this Agreement, the City and/or the Board, shall have the right to recapture all disbursed funds made under this Agreement and Developer shall repay disbursed funds as requested by the City and/or the Board in the said Notice of Termination within sixty (60) days from the effective date of the Notice of Termination. All recaptured funds made under this Agreement shall be deposited into the Inner City TIRZ fund.
- 11.6 CLOSE-OUT. Regardless of how this Agreement is terminated, Developer shall effect an orderly transfer to City or to such person or entity as the City may designate, at no additional cost to the City, all completed or partially completed documents, records, or reports, produced as a result of or pertaining to this Agreement, regardless of storage medium, if so requested by the City, or shall otherwise be retained by Developer in accordance with Article XIV. Records, of this Agreement. Reimbursements due to Developer will be conditioned upon delivery of all such documents, records, or reports, if requested by the City. Within ninety (90) calendar days of the effective date of completion, or termination or expiration of this Agreement, Developer shall submit to City and/or the Board all requests for reimbursements in accordance with Section 6.13 above through the effective date of termination. Failure by Developer to submit requests for reimbursements within said ninety (90) calendar days shall constitute a Waiver by Developer of any right or claim to collect Available Tax Increment that Developer may be otherwise eligible for pursuant to this Agreement.

ARTICLE XII. INDEMNIFICATION

- 12.1 **DEVELOPER covenants and agrees TO FULLY INDEMNIFY AND HOLD HARMLESS, the CITY (and the elected officials, employees, officers, directors, and representatives of the CITY), and the BOARD (and the officials, employees, officers, directors, and representatives of the BOARD), individually or collectively, from and against any and all costs, claims, liens, damages, losses, expenses, fees, fines, penalties, proceedings, actions, demands, causes of action, liability and suits of any kind and nature, including but not limited to, personal injury or death and property damage, made upon the CITY, and/or upon the BOARD, directly or indirectly arising out of, resulting from or related to DEVELOPER, any agent, officer, director, representative, employee, consultant or subcontractor of DEVELOPER, and their respective officers, agents, employees, directors and representatives while in the exercise of the rights or performance of the duties under this AGREEMENT, all without however, waiving any governmental immunity available to**

the CITY and/or the BOARD, under Texas Law and without waiving any defenses of the parties under Texas Law. IT IS FURTHER COVENANTED AND AGREED THAT SUCH INDEMNITY SHALL APPLY EVEN WHERE SUCH COSTS, CLAIMS, LIENS, DAMAGES, LOSSES, EXPENSES, FEES, FINES, PENALTIES, ACTIONS, DEMANDS, CAUSES OF ACTION, LIABILITY AND/OR SUITS ARISE IN ANY PART FROM THE NEGLIGENCE OF CITY, THE ELECTED OFFICIALS, EMPLOYEES, OFFICERS, DIRECTORS AND REPRESENTATIVES OF CITY, UNDER THIS AGREEMENT.

- 12.2 **It is the EXPRESS INTENT of the parties to this AGREEMENT, that the INDEMNITY provided for in this section, is an INDEMNITY extended by DEVELOPER to INDEMNIFY, PROTECT and HOLD HARMLESS, the CITY, and the BOARD, from the consequences of the CITY'S and/or the Board's OWN NEGLIGENCE, provided however, that the INDEMNITY provided for in this section SHALL APPLY only when the NEGLIGENT ACT of the City and/or Board is a CONTRIBUTORY CAUSE of the resultant injury, death, or damage, and shall have no application when the negligent act of the City and/or the Board is the sole cause of the resultant injury, death, or damage. DEVELOPER further AGREES TO DEFEND, AT ITS OWN EXPENSE and ON BEHALF OF THE CITY AND/OR THE BOARD AND IN THE NAME OF THE CITY AND IN THE NAME OF THE BOARD, any claim or litigation brought against the CITY and its elected officials, employees, officers, directors, volunteers and representatives, in connection with any such injury, death, or damage for which this INDEMNITY shall apply, as set forth above.**

ARTICLE XIII. LIABILITY

- 13.1 DEVELOPER. As between the City, the Board, any Participating Taxing Entity, and Developer, Developer shall be solely responsible for compensation payable to any employee, contractor, or subcontractor of the Developer, and none of Developer's employees, contractors, or subcontractors will be deemed to be employees, contractors, or subcontractors of the City, the Board, or any Participating Taxing Entity as a result of the Agreement.
- 13.2 CITY AND BOARD. To the extent permitted by Texas law, no director, officer, employee or agent of the City, the Board, or any other Participating Taxing Entity shall be personally responsible for any liability arising under or growing out of this Agreement.

ARTICLE XIV. RECORDS

- 14.1 RIGHT TO REVIEW. Following notice to the Developer, the City reserves the right to conduct, at its own expense, examinations, during regular business hours, the books and records related to this Agreement including such items as contracts, paper, correspondence, copy, books, accounts, billings and other information related to the performance of the Developer's services hereunder. The City also reserves the right to perform any additional audits relating to Developer's services, provided that such audits are related to those services performed by Developer under this Agreement. These examinations shall be conducted at the offices maintained by Developer.
- 14.2 PRESERVATION OF RECORDS. All applicable records and accounts of the Developer relating to this Agreement, together with all supporting documentation, shall be preserved and made

available in Bexar County, Texas by the Developer throughout the term of this Agreement and for twelve (12) months after the termination of this Agreement, and then transferred for retention to the City at no cost to the City upon request. During this time, at Developer's own expense, may require that any or all of such records and accounts be submitted for audit to the City or to a Certified Public Accountant selected by the City within thirty (30) days following written request.

- 14.3 DISCREPANCIES. Should the City discover errors in the internal controls or in the record keeping associated with the Project, Developer shall be notified of such errors and the Parties shall consult on what steps may be necessary to correct such discrepancies within a reasonable period of time, not to exceed sixty (60) days after discovery. The Board shall be informed of the action taken to correct such discrepancies.
- 14.4 OVERCHARGES. If it is determined as a result of such audit that Developer has overcharged for the cost of the Public Improvements, then such overcharges shall be immediately returned to the TIRZ Fund and become due and payable with interest at the maximum legal rate under applicable law from the date the City paid such overcharges. In addition, if the audit determined that there were overcharges of more than 2% of the greater of the budget or payments to Developer for the year in which the discrepancy occurred, and the TIRZ Fund is entitled to a refund as a result of such overcharges, then Developer shall pay the cost of such audit.

ARTICLE XV. NON-WAIVER

- 15.1 ACTIONS OR INACTIONS. No course of dealing on the part of the City, the Board, or the Developer nor any failure or delay by the City, the Board, or the Developer in exercising any right, power, or privilege under this Agreement shall operate as a waiver of any right, power or privilege owing under this Agreement.
- 15.2 RECEIPT OF SERVICES. The receipt by the City of services from an assignee of the Developer shall not be deemed a waiver of the covenant(s) in this Agreement against assignment or an acceptance of the assignee or a release of the Developer from further performance by Developer of the covenant(s) contained in this Agreement. No provision of this Agreement shall be deemed waived by the City unless such waiver is in writing, and approved by the City through an ordinance passed and approved by its City Council.

ARTICLE XVI. ASSIGNMENT

- 16.1 ASSIGNMENT BY CITY. The City and/or Board may assign their rights and obligations under this Agreement to any governmental entity the City creates without prior consent of Developer. If the City and/or Board assign their rights and obligations under this Agreement then the City and/or the Board shall provide Developer written notice of assignment within thirty (30) days of such assignment.
- 16.2 ASSIGNMENT BY DEVELOPER. Developer may sell or transfer its rights and obligations under this Agreement only upon approval and written consent by the Board, as evidenced by Board Resolution, when a qualified purchaser or assignee specifically agrees to assume all of the obligations of the Developer under this Agreement.
- 16.3 WORK SUBJECT TO AGREEMENT. Any work or services referenced herein shall be by written contract or agreement and, unless the City grants specific waiver in writing, such written contract or agreement shall be subject by its terms, insofar as any obligation of the City is concerned, to

each and every provision of this Agreement. Compliance by Developer's contractor and/or subcontractors with this Agreement shall be the responsibility of Developer.

- 16.4 NO THIRD PARTY OBLIGATION. The City and/or the Board shall in no event be obligated to any third party, including any contractor, subcontractor, or consultant of the Developer, for performance of work or services under this Agreement.
- 16.5 LENDING INSTITUTIONS. Any restrictions in this Agreement on the transfer or assignment of the Developer's interest in this Agreement shall not apply to and shall not prevent the assignment of this Agreement to a lending institution or other provider of capital in order to obtain financing for the Project. Developer shall notify the City of all such assignments to a lending or other provider of capital. In no event, shall the City and/or the Board be obligated in any way to the aforementioned financial institution or other provider of capital. The City shall only issue a check or other form of payment to Developer.
- 16.6 WRITTEN INSTRUMENT. Each transfer or assignment to which there has been consent, pursuant to paragraph 16.2 above, shall be by instrument in writing, in form reasonably satisfactory to the Board, and shall be executed by the transferee or assignee who shall agree in writing, for the benefit of the City and the Board, to be bound by and to perform the terms, covenants and conditions of this Agreement. Three executed copies of such written instrument shall be delivered to the TIF Unit. Failure to obtain, the Board's consent by resolution, or failure to comply with the provisions herein first, shall prevent any such transfer or assignment from becoming effective. In the event the Board approves the assignment or transfer of this Agreement, Developer shall be released from such duties and obligations.
- 16.7 NO WAIVER. Except as set forth in Section 16.3 of this Agreement, the receipt by the City of services from an assignee of the Developer shall not be deemed a waiver of the covenants in this Agreement against assignment or an acceptance of the assignee or a release of further observance or performance by Developer of the covenants contained in this Agreement. No provision of this Agreement shall be deemed waived by the City unless such waiver is in writing, and approved by City Council in the form of a duly passed ordinance.

ARTICLE XVII. NOTICE

- 17.1 ADDRESSES. Any notice sent under this Agreement shall be written and mailed with sufficient postage, sent by certified mail, return receipt requested, documented facsimile or delivered personally to an officer of the receiving Party at the following addresses:

<u>THE CITY</u>	<u>THE BOARD</u>	<u>DEVELOPER</u>

If received after normal business hours, the notice shall be considered received on the next business day after such delivery. Whenever any notice is required to be given by applicable law or this Agreement, a written waiver thereof, signed by the Person entitled to notice, whether before or after the time stated therein, shall be deemed equivalent to the giving of such notice.

ARTICLE XVIII. CONFLICT OF INTEREST

18.1 CHARTER AND ETHICS CODE PROHIBITIONS. The Charter of the City of San Antonio and the City of San Antonio Code of Ethics prohibit a City officer or employee, as those terms are defined in Section 2-52 of the Code of Ethics, from having a direct or indirect financial interest in any contract with the City. An officer or employee has a “prohibited financial interest” in a contract with the City or in the sale to the City of land, materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale:

- a. a City officer or employee; his or her spouse, sibling, parent, child or other family member within the first degree of consanguinity or affinity;
- b. an entity in which the officer or employee, or his or her parent, child or spouse directly or indirectly owns (i) 10 percent or more of the voting stock or shares of the entity, or (ii) 10 percent or more of the fair market value of the entity; or
- c. an entity in which any individual or entity listed above is (i) a subcontractor on a City contract, (ii) a partner or (iii) a parent or subsidiary entity.

18.2 CERTIFICATION. Pursuant to the subsection above, Developer warrants and certifies, and this Agreement is made in reliance thereon, that by contracting with the City, Consultant does not cause a City employee or officer to have a prohibited financial interest in the Contract. Developer further warrants and certifies that it has tendered to the City a Contracts Disclosure Statement in compliance with the City’s Ethics Code.

ARTICLE XIX. INDEPENDENT CONTRACTORS

19.1 NO AGENCY. All Parties expressly agree that in performing their services, the Board and Developer at no time shall be acting as agents of the City and that all consultants or contractors engaged by the Board and/or Developer respectively shall be independent contractors of the Board and/or the Developer. The Parties hereto understand and agree that the City and the Board shall not be liable for any claim that may be asserted by any third party occurring in connection with services performed by Developer, under this Agreement unless any such claim is due to the fault of the City.

19.2 NO AUTHORITY. The Parties further understand and agree that no party has authority to bind the others or to hold out to third parties that it has the authority to bind the others.

ARTICLE XX. TAXES

20.1 DUTY TO PAY. Developer shall pay, on or before the respective due dates, to the appropriate collecting authority all applicable Federal, State, and local taxes and fees which are now or may

be levied upon the TIRZ Property, the Developer or upon the Developer's business conducted on the TIRZ Property or upon any of the Developer's property used in connection therewith, including employment taxes. Developer shall maintain in current status all Federal, State, and local licenses and permits required for the operation of the business conducted by the Developer.

ARTICLE XXI. PREVAILING WAGES

- 21.1 The TIF Program is a discretionary program, and it is the policy of the City that the requirements of Chapter 2258 of the Texas Government Code, entitled "Prevailing Wage Rates," shall apply to TIF Development Agreements. Developer agrees that the Developer will comply with City Ordinance No. 71312 and its successors such as Ordinance No. 2008-11-20-1045 and will require subcontractors to comply with City Ordinance 71312 and its successors such as Ordinance No. 2008-11-20-1045.
- 21.2 In accordance with Chapter 2258, Texas Government Code, and Ordinance No. 2008-11-20-1045, a schedule of the general prevailing rate of per diem wages in this locality for each craft or type of workman needed to perform this Agreement is included as **Exhibit F**, and made a part of this Agreement. Developer is required, and shall require its subcontractors to comply with each updated schedule of the general prevailing rates in effect at the time the Developer calls for bids for construction of a given phase.
- 21.3 Developer is further required to cause the latest prevailing wage determination decision to be included in bids and contracts with the Developer's general contractor and all subcontractors for construction of each Phase. The Developer shall forfeit as a penalty to the City \$60.00 for each laborer, workman, or mechanic employed, for each calendar day, or portion thereof, that such laborer, workman or mechanic is paid less than the said stipulated rates for any work done under said contract, by Developer or any subcontractor under the Developer. The establishment of prevailing wage rates in accordance with Chapter 2258, Texas Government Code shall not be construed to relieve the Developer from his obligation under any Federal or State Law regarding the wages to be paid to or hours worked by laborers, workmen or mechanics insofar as applicable to the work to be performed under this Agreement.

ARTICLE XXII. CHANGES AND AMENDMENTS

- 22.1 ORDINANCE AND ORDER REQUIRED. Except when the terms of this Agreement expressly provide otherwise, any alterations, additions, or deletions to the terms hereof shall be by amendment in writing executed by the City, the Board and the Developer and evidenced by passage of a subsequent City ordinance.
- 22.2 CONSTRUCTION SCHEDULE. Notwithstanding the above, the Construction Schedule may be amended, as evidenced by approval of the Director of the City's Neighborhood & Housing Services (or successor) Department. In the event an amendment to the Construction Schedule will result in a material change to this Agreement, then such amendment shall comply with the requirements of Section 22.1, above. No change under this section may result in an increase in the maximum contribution of the City or any other Participating Taxing Entity. Developer may rely on the determination of the Director of the City's Neighborhood & Housing Services (or successor) Department, whether a change in the Construction Schedule would result in a material change to the overall Project requirements.

- 22.3 AUTOMATIC INCORPORATION OF LAWS. Changes in local, state and federal rules, regulations or laws applicable to the Board's and the Developer's services under this Agreement may occur during the term of this Agreement and any such changes shall be automatically incorporated into this Agreement without written amendment to this Agreement, and shall become a part as of the effective date of the rule, regulation or law.

ARTICLE XXIII. SEVERABILITY

- 23.1 If any clause or provision of this Agreement is held invalid, illegal or unenforceable under present or future federal, state or local laws, then said clause or provision shall not affect any other clause or provision, and the remainder of this Agreement shall be construed as if such clause or provision was never contained herein. It is also the intent of the Parties that in lieu of each invalid, illegal, or unenforceable provision, there be added as a part of this Agreement a clause or provision as similar in terms to such invalid, illegal or unenforceable clause or provision as may be possible, legal, valid and enforceable.

ARTICLE XXIV. LITIGATION EXPENSES

- 24.1 City policy on litigation is that, except to the extent prohibited by law, persons who are engaged in litigation or adversarial proceedings related to TIF against the City are ineligible to obtain or continue the use of TIF as principals or participants for the duration of the litigation. A principal or participant includes the TIF applicants and the TIF applicant's developers, partners, affiliates, sponsors, payroll employees, or relatives of the first degree of consanguinity. Accordingly, the City shall not consider a project proposing the use of TIF, designate a TIRZ, enter into any TIF contracts or agreements with, or authorize or make any TIRZ payment to persons engaged in litigation or adversarial proceedings related to TIF with the City. Ineligible persons shall be excluded from participating as either participants or principals in all TIRZ projects during the term of their litigation.
- 24.2 During the term of this Agreement, if Developer files or pursues an adversarial proceeding regarding this Agreement against the City and /or the Board, without first engaging in good faith mediation of the dispute, then all access to funding provided hereunder shall withheld and Developer will be ineligible for consideration to receive any future tax increment funding while any adversarial proceedings remains unresolved.
- 24.3 Under no circumstances will the Available Tax Increment received under this Agreement be used, either directly or indirectly, to pay costs or attorney fees incurred in any adversarial proceeding against the City, the Board or any other public entity. Nothing contained in this Article shall effect or otherwise affect the indemnity provisions contained in Article XII. above.

ARTICLE XXV. LEGAL AUTHORITY

- 25.1 Each person executing this Agreement on behalf of each Party, represents, warrants, assures, and guarantees that s/he has full legal authority to execute this Agreement on behalf of the City, the Board, and/or Developer, respectively and to bind the City, the Board, and/or Developer, to all the terms, conditions, provisions, and obligations of this Agreement.

ARTICLE XXVI. VENUE AND GOVERNING LAW

- 26.1 THIS AGREEMENT SHALL BE CONSTRUED UNDER AND IN ACCORDANCE WITH

THE LAWS OF THE STATE OF TEXAS.

- 26.2 Venue and jurisdiction arising under or in connection with this Agreement shall lie exclusively in Bexar, County, Texas. Any legal action or proceeding brought or maintained, directly or indirectly, as a result of this Agreement shall be heard and determined in Bexar County, Texas.

ARTICLE XXVII. PARTIES' REPRESENTATIONS

- 27.1 This Agreement has been jointly negotiated by the City, the Board and Developer and shall not be construed against a Party because that Party may have primarily assumed responsibility for the drafting of this Agreement.

ARTICLE XXVIII. CAPTIONS

- 28.1 All captions used in this Agreement are only for the convenience of reference and shall not be construed to have any effect or meaning as to the agreement between the Parties to this Agreement.

ARTICLE XXIX. LICENSES/CERTIFICATIONS

- 29.1 Developer warrants and certifies that to its knowledge, any person providing services hereunder has the requisite training, license, and/or certification to provide said services and meets the competence standards promulgated by all other authoritative bodies, as applicable to the services provided herein.

ARTICLE XXX. NONDISCRIMINATION AND SECTARIAN ACTIVITY

- 30.1 Developer understands and agrees to comply with the Non-Discrimination Policy of the City of San Antonio contained in Chapter 2, Article X of the City Code, and further shall use reasonable efforts to ensure that no person shall, on the ground of race, color, national origin, religion, sex, age, gender (to include transgender), sexual orientation, veteran status or disability, be excluded from participation in, be denied the benefits of, be subjected to discrimination under, or be denied access to any program or activity funded in whole or in part under Agreement.

ARTICLE XXXI. ENTIRE AGREEMENT

- 31.2 INCORPORATION OF EXHIBITS. 1. GENERAL STATEMENT

For all City of San Antonio funded public works construction contracts, the City of San Antonio, in accordance with Texas Government Code Section 2258, requires that not less than the general prevailing wage rates (minimum hourly base pay and minimum hourly fringe benefit contribution) for work of similar character be paid to contractor and subcontractor employees. These wage rates are derived from the most current applicable federal prevailing wage rates as published by the United States Department of Labor, Dallas, Texas and authority of Ordinance Nos. 60110 and 71312 as amended and passed by the City Council of the City of San Antonio.

Any deviation from Wage and Labor Standard Provisions compliance shall be cause for City's withholding either periodic interim or final payment to the contractor until such deviations are properly corrected.

2. LABOR COMPLIANCE OFFICE, CAPITAL IMPROVEMENTS MANAGEMENT SERVICES DEPARTMENT RESPONSIBILITIES

Labor Compliance Office, Capital Improvements Management Services Department, City of San Antonio, is primarily responsible for all Wage and Labor Standard Provisions investigation and enforcement and will monitor contractor/subcontractor practices to assure the Director of Capital Improvements Management Services Department that:

- a. Appropriate weekly compliance statements and payroll records are submitted to the City by the contractor/subcontractors and that such are reviewed for compliance with the Wage and Labor Standard Provisions.
- b. Apprentices/trainees working on the project are properly identified by the contractor/subcontractor on payroll records and documented as being included in programs currently sanctioned by appropriate federal or state regulatory agencies.
- c. Applicable Wage Determination Decisions, including any applicable modifications and related statements must be posted at the work-site by the contractor and that proper job classification and commensurate minimum hourly base and fringe wage rates are paid.
- d. Employees are periodically interviewed (at random) to assure proper work classification and wage rates.
- e. The Labor Compliance Office will investigate all allegations that no person employed by contractor/subcontractor is induced against his will, by any means, to give up any part of the compensation to which he is otherwise entitled.
- f. That any and all periodic administrative directives to the Labor Compliance Office from the Director of Capital

Improvements are being implemented. For purpose of these Wage and Labor Standard Provisions, the Director of Capital Improvements Management Services means the Director, his successor, or his designee.

3. CLAIMS & DISPUTES PERTAINING TO WAGE RATES

Claims and disputes not promptly and routinely settled by the contractor/subcontractor and employee pertaining to wage rates, or to job classifications of labor employed regarding the work covered by this contract, shall be reported by the employee in writing, within sixty (60) calendar days of employee's receipt of any allegedly incorrect classification, wage or benefit report, to the Labor Compliance Office, City of San Antonio for further investigation. Claims and disputes not reported by the employee to the City's Wage & Hour Office in writing within the sixty (60) calendar day period shall be deemed waived by the employee for the purposes of the City administering and enforcing the City's contract rights against the contractor on behalf of the employee. Waiver by the employee of this City intervention shall not constitute waiver by the City to independently pursue contractual rights it has against the contractor/subcontractor for breach of contract and other sanctions available to enforce the Wage and Labor Standard Provisions.

4. BREACH OF WAGE & LABOR STANDARD PROVISIONS

The City of San Antonio reserves the right to terminate a contract for cause if the contractor/subcontractors shall knowingly and continuously breach, without timely restitution or cure, any of these governing Wage and Labor Standard Provisions. A knowing and unremedied proven violation of these Wage and Labor Standard Provisions may also be grounds for debarment of the contractor/subcontractor from future City of San Antonio contracts for lack of responsibility, as determined by the City of San Antonio. Recurrent violations, whether remedied or not, will be considered by the Director of Capital Improvements Management Services Department when assessing the responsibility history of a potential contractor/subcontractor prior to competitive award of future Project Management Office projects. The general remedies stated in this paragraph 4. above, are not exhaustive and not cumulative for the City reserves legal and contractual rights to other specific remedies outlined herein below and in other parts of this contract and as are allowed by applicable City of San Antonio ordinances, state and federal statutes.

5. EMPLOYMENT OF LABORERS/MECHANICS NOT LISTED IN WAGE DETERMINATION DECISION

In the event that a contractor/subcontractor discovers that construction of a particular work element requires a certain employee classification and skill that is not listed in the wage determinations decision contained in the original contract documents, contractor/subcontractors will make prompt inquiry

(before bidding, if possible) to the Labor Compliance Office identifying that class of laborer/mechanics not listed in the wage determination decision who are intended to be employed, or who are being employed, under the contract. Using his best judgment and information resources available to him at the time, and any similar prior decisions, the Director of Capital Improvements Management Services Department, City of San Antonio shall classify said laborers/mechanics by issuing a special local wage determination decision to the contractor/subcontractor, which shall be enforced by the Labor Compliance Office.

6. MINIMUM WAGE

All laborers/mechanics employed to construct the work governed by this contract shall be paid not less than weekly the full amount of wages due (minimum hourly base pay and minimum hourly fringe benefit contribution for all hours worked, including overtime) for the immediately preceding pay period computed at wage and fringe rates not less than those contained in the wage determination decision included in this contract. Only payroll deductions as are mandated by state or federal law and those legal deductions previously approved in writing by the employee, or as are otherwise permitted by state or federal law, may be withheld by the contractor/subcontractor.

Should the contractor/ subcontractor subscribe to fringe benefit programs for employees, such programs shall be fully approved by the City in adopting a previous U.S. Department of Labor (DOL) decision on such fringe benefit programs or by applying DOL criteria in rendering a local decision on the adequacy of the fringe benefit programs. The approved programs shall be in place at the time of City contract execution and provisions thereof disclosed to the Labor Compliance Office, City of San Antonio, for legal review prior to project commencement.

Regular contractor/subcontractor contributions made to, or costs incurred for, approved fringe benefit plans, funds or other benefit programs that cover periods of time greater than the one week payroll periods of time period (e.g. monthly or quarterly, etc.) shall be prorated by the contractor/subcontractor on weekly payroll records to reflect the equivalent value of the hourly and weekly summary of fringe benefits per employee.

7. OVERTIME COMPENSATION

No contractor/subcontractor contracting for any part of the City of San Antonio funded contract work (except for worksite related security guard services) which may require or involve the employment of laborers/mechanics shall require or permit any laborer/mechanic in any seven (7) calendar day work period in which he or she is employed on such work to work in excess of 40 hours in such work period unless said laborer/mechanic receives compensation at a rate not less than one and one-half times the basic hourly rate of pay for all hours worked in

excess of 40 hours in a seven (7) calendar day work period. Fringe benefits must be paid for straight time and overtime; however, fringe benefits are not included when computing the overtime rate.

8. PAYMENT OF CASH EQUIVALENT FRINGE BENEFITS

The contractor/subcontractor is allowed to pay a minimum hourly cash equivalent of minimum hourly fringe benefits listed in the wage determination decision in lieu of the contribution of benefits to a permissible fringe benefit plan for all hours worked including overtime as described in paragraph 6 above. An employee is not allowed to receive less than the minimum hourly basic rate of pay specified in the wage determination decision.

9. WORK CONDUCTED ON HOLIDAYS

If a laborer/mechanic is employed in the normal course and scope of his or her work on the jobsite on the following holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Day, and Martin Luther King, Jr. Day, or the calendar days observed as such in any given year, work performed shall be paid for at no less than one and one half (1 1/2) times the regular minimum hourly base pay regardless of the total number of the laborer/mechanic has accumulated during the pay period.

10. UNDERPAYMENT OF PREVAILING WAGES OR SALARIES

a. When a "full investigation" (as called for in and as construed under Texas Government Code Section 2258) establishes underpayment of wages by contractor/subcontractor to laborers/mechanics employed upon the work covered by a contract with the City of San Antonio, the City shall withhold an amount from the contractor, out of any payments (Interim progress and/or final) due the contractor, the City of San Antonio may also consider it necessary to secure ultimate payment by the appropriate party to such laborers/mechanics, of full wages plus possible penalty (see b. below). The amount withheld, excluding any possible penalty to be retained by City, may be disbursed at an appropriate time after "full investigation" by the City of San Antonio, for and on behalf of the contractor/subcontractor (as may be appropriate), to the respective laborers/mechanics to whom the same is due or on their behalf to fringe benefit plans, funds or programs for any type of minimum fringe benefits prescribed in the applicable wage determination decision.

b. Texas Government Code Section 2258, states that the contractor shall forfeit as a penalty to the City of San Antonio the sum of sixty dollars (\$60.00) for each calendar day, or portion thereof, for each laborer, workman, or mechanic, who is paid less than the said stipulated rate for any work done under this contract, whether by the contractor himself or by any subcontractor working under him. Pursuant to and supplemental to this statutory authority, the City of

San Antonio and the contractor/subcontractor contractually acknowledge and agree that said sixty dollar (\$60.00) statutory penalty shall be construed by and between the City of San Antonio and the contractor/subcontractor as liquidated damages and will apply to any violations of paragraphs 6, 7, or 9 herein, resulting from contractor/subcontractor underpayment violations.

- c. If unpaid or underpaid workers cannot be located by the Contractor or the City after diligent efforts to accomplish same, the contractor shall report the wages as "unclaimed property" in accordance to Texas State law.

The City of San Antonio requires that the prime contractor send to the Labor Compliance Office a copy of the supporting documentation for the unclaimed property submitted to the State.

11. POSTING WAGE DETERMINATION DECISIONS/AND NOTICE TO LABORERS/MECHANICS STATEMENT

The applicable wage determination decision as described in the "General Statement" (and as specifically included in each project contract), outlining the various worker classifications and mandatory minimum wages and minimum hourly fringe benefit deductions, if any, of laborers/mechanics employed and to be employed upon the work covered by this contract, shall be displayed by the contractor/subcontractor at the site of work in a conspicuous and prominent public place readily and routinely accessible to workmen for the duration of the project. In addition, the contractor/subcontractor agrees with the contents of the following statement, and shall display same, in English and Spanish, near the display of the wage determination decision:

NOTICE TO LABORERS/MECHANICS

Both the City of San Antonio and the contractor/subcontractor agree that you must be compensated with not less than the minimum hourly base pay and minimum hourly fringe benefit contribution in accordance with the wage rates publicly posted at this jobsite and as are applicable to the classification of work you perform.

Additionally, you must be paid not less than one and one-half times your basic hourly rate of pay for any hours worked over 40 in any seven (7) calendar day work period, and for any work conducted on the following holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day, and Martin Luther King Day or the calendar days observed as such in any given year.

Apprentice and trainee hourly wage rates and ratios apply only to apprentices and trainees recognized under approved Federal, or State, apprenticeship training program registered with the Bureau of Apprenticeship and Training, U.S. Dept. of Labor.

If you believe that your employer is not paying the posted minimum wage for the type of work you do, you must make direct inquiry to the employer and inquire in writing within sixty (60) calendar days of your receipt of any allegedly incorrect wage or benefit check or report, to the City of San Antonio Labor Compliance Office, Capital Improvements Management Services Department, P.O. Box 839966, San Antonio, Texas 78283-3966. It is mandatory that the worker promptly file written inquiry of any allegedly incorrect wage or benefit checks or reports with the City of San Antonio, Labor Compliance Office within the sixty (60) calendar day period so that they do not waive your potential right of recovery under the provisions of the City of San Antonio Project Management Office contract that governs this project.

Both the City of San Antonio and the contractor/subcontractor agree that no laborer/mechanic who files a complaint or inquiry concerning alleged underpayment of wages or benefits shall be discharged by the employer or in any other manner be discriminated against by the employer for filing such complaint or inquiry.

12. PAYROLLS & BASIC PAYROLL RECORDS

- a. The contractor and each subcontractor shall prepare payroll reports in accordance with the "General Guideline" instructions furnished by the Labor Compliance Office of the City of San Antonio. Such payroll submittals shall contain the name and address of each such employee, his correct labor classification, rate of pay, daily and weekly number of hours worked, any deductions made, and actual basic hourly and fringe benefits paid. The contractor shall submit payroll records each week, and no later than seven (7) working days following completion of the workweek being processed, to the Labor Compliance Office, City of San Antonio. These payroll records shall include certified copies of all payrolls of the contractor and of his subcontractors, it being understood that the contractor shall be responsible for the submission and general mathematical accuracy of payrolls from all his subcontractors. Each such payroll submittal shall be on forms deemed satisfactory to the City's Labor Compliance Office and shall contain a "Weekly Statement of Compliance", as called for by the contract documents. Such payrolls will be forwarded to Capital Improvements Management Services, Labor Compliance Office, City of San Antonio, P.O. Box 839966, San Antonio, Texas 78283-3966.
- b. All City of San Antonio construction contracts are subject to contract compliance tracking, and the prime contractor and any subcontractors are required to provide any stated and/or requested contract compliance-related data electronically in the Labor Compliance Electronic Certified Payrolls System. The prime contractor and all subcontractors are required to respond not later than the stated response date or due date to any instructions or

request for information from the Labor Compliance Office. All prime contractors and subcontractors shall periodically review the City of San Antonio labor Compliance Electronic Certified Payrolls System to manage contact information and the contract records. The prime contractor shall ensure that all subcontractors have completed all requested forms and that all contact information is accurate and up-to-date. The City of San Antonio Labor Compliance Office may require additional information related to the contract to be provided through the San Antonio Labor Compliance Electronic Certified Payrolls System at any time before, during, or after contract award.

- c. A designated point of contact for contractor access to the San Antonio Labor Compliance Electronic Certified Payrolls System shall be provided for each prime contractor upon award of the contract.
- d. Copies of payroll submittals and basic supporting payroll records of the contractor/subcontractors accounting for all laborers/mechanics employed under the work covered by this contract shall be maintained during the course of the work and preserved for a period of three (3) years after completion of the project. The contractors/subcontractors shall maintain records which demonstrate: any contractor commitment to provide fringe benefits to employees as may be mandated by the applicable wage determination decision, that the plan or program is adjudged financially responsible by the appropriate approving authority, (i.e. U. S. Department of Labor, U.S. Department of Treasury, etc.), and that the provisions, policies, certificates, and description of benefits of the plan or program as may be periodically amended, have been clearly communicated in a timely manner and in writing, to the laborers/mechanics affected prior to their performing work on the project.
- e. The contractor/subcontractor shall make the above records available for inspection, copying, or transcribing by authorized representatives of the City of San Antonio at reasonable times and locations for purposes of monitoring compliance with this contract.
- f. All certified payrolls submitted to the Labor Compliance Office are deemed true and accurate. If upon review of the certified payrolls, wage underpayment violations are identified and noted, restitution will be calculated and penalties will be issued to the prime contractor of the project. In order to refute a wage violation, the contractor/subcontractor must provide supporting documentation to the Labor Compliance Office for review and consideration.

13. LABOR DISPUTES

The contractor/subcontractor shall immediately notify the Project Management Office or designated representative of any actual or impending contractor/subcontractor labor dispute

which may affect, or is affecting, the schedule of the contractor, or any other contractor/subcontractor work. In addition, the contractor/subcontractor shall consider all appropriate measures to eliminate or minimize the effect of such labor disputes on the schedule, including but not limited to such measures as: promptly seeking injunctive relief if appropriate; seeking appropriate legal or equitable actions or remedies; taking such measures as establishing a reserved rate, as appropriate; if reasonably feasible, seeking other sources of supply or service; and any other measures that may be appropriately utilized to mitigate or eliminate the jobsite and scheduling effects of the labor dispute.

14. COMPLAINTS, PROCEEDINGS, OR TESTIMONY BY EMPLOYEES

No laborers/mechanics to whom the wage, salary, or other labor standard provisions of this contract are applicable shall be discharged in any other manner discriminated against by the contractor/subcontractors because such employee has filed any formal inquiry or complaint or instituted, or caused to be instituted, any legal or equitable proceeding or has testified, or is about to testify, in any such proceeding under or relating to the wage and labor standards applicable under this contract.

15. EMPLOYEE INTERVIEWS TO ASSURE WAGE AND LABOR STANDARD COMPLIANCE

The allowable ratio of apprentices to journeymen in any craft classification shall not be greater than the ratio permitted to the contractor/subcontractor as to his entire work force under the registered program. Any employee listed on a payroll at an apprentice wage rate, who is not a trainee as defined in (b) below or is not registered or otherwise employed as stated above, shall be paid the wage rate for the classification of work he actually performs. The contractor/subcontractor is required to furnish to the Labor Compliance Office of the City of San Antonio, a copy of the certification, along with the payroll record that the employee is first listed on. The wage rate paid apprentices shall be not less than the specified rate in the registered program for the apprentice's level of progress expressed as the appropriate percentage of the journeyman's rate contained in the applicable wage determination decision.
- b. The contractor/subcontractor is required to furnish a copy of the trainee program certification, registration of employee-trainees, ratios and wage rates

prescribed in the program, along with the payroll record that the employee is first listed on, to the Labor Compliance Office of the City of San Antonio. In the event the Employment and Training Administration withdraws approval of a training program, the contractor/subcontractor will no longer be permitted to utilize trainees at less than the applicable predetermined rate for the work performed until an acceptable program is approved by the Employment and Training Administration.

- c. Paragraphs above shall not operate to exclude training programs approved by the OFCCP, United States Department of Labor and as adopted by the Associated General Contractors (AGC) of Texas, Highway, Heavy, Utilities and Industrial Branch. Guidelines for these training programs shall be the same as those established for federally funded projects. It is hereby noted that in some circumstances generally governed by this section, a federal statute (see: Fair Labor Standards Act, 29 USCS Section 212; Volume 6A of the Bureau of National Affairs Wage Hour Manual at Paragraph 96:1; "Child Labor Requirements in Nonagricultural Occupations" WH Publication 1330, July 1978 as may be amended), could pre-empt the Texas Statute and therefore be the controlling law on this subject.
