## Electronic Health Record (EHR) Replacement

Presented by: Dr. Colleen M. Bridger, Director

Agenda Item #7

June 21, 2018

# Background

- American Recovery and Reinvestment Act (ARRA) established Meaningful Use Standards
  - Mandates Electronic Health Records (EHR)
  - Enhances data accessibility for Providers and Patients
  - Requires safeguards to ensure confidentiality of health information
- Metro Health currently uses an EHR
  - Current system was implemented in 2009
  - System is near end of life and requires replacement

# Background

---

- Request for Competitive Sealed Proposals (RFCSP) issued May 25, 2017
- Selected vendor: Custom Data Processing, Inc. (CDP) – ezEMRx System
- The EHR (ezEMRx) system will:
  - Improve access to information for providers and patients
  - Integrate with State partners for reporting requirements
  - Meet Meaningful Use requirements
  - Provide for electronic billing

The logo for ezEMRx features the text 'ezEMRx' in a bold, sans-serif font. The 'ez' is colored orange, and 'EMRx' is colored blue. The letters have a slight 3D effect with a drop shadow.
