The City shall have no duty to pay or perform under this Agreement until such certificate and endorsements have been received and approved by the City's Aviation Department. No officer or employee, other than the City's Risk Manager, shall have authority to waive this requirement.

7.2 The City reserves the right to review the insurance requirements of this Article during the effective period of this Agreement and any extension or renewal hereof and to modify insurance

coverages and their limits when deemed necessary and prudent by City's Risk Manager based upon changes in statutory law, court decisions, or circumstances surrounding this Agreement. In no instance will City allow modification whereupon City may incur increased risk.

Lessee shall provide the City with said certificate and endorsement prior to the commencement of any work by the subcontractor. This provision may be modified by City's Risk Manager, without subsequent City Council approval, when deemed necessary and prudent, based upon changes in statutory law, court decisions, or circumstances surrounding this agreement. Such modification may be enacted by letter signed by City's Risk Manager, which shall become a part of the contract for all purposes.

7.5 Lessee shall maintain, at its sole cost and expense, commercial property insurance covering the building, fixtures, equipment, tenant improvements and betterments. The City shall be included as an insured and loss payee under the commercial property insurance. Lessee may, at its option, purchase business income, business interruption, extra expense or similar coverage as part of this commercial property insurance, and in no event shall the City be liable for any business interruption or other consequential loss sustained by Lessee, whether or not it is insured, even if such loss is caused by the negligence of the City, its employees, officers, directors, or agents.

7.6 As they apply to the limits required by the City, the City shall be entitled, upon request and without expense, to receive copies of the policies, declaration page, and all endorsements thereto and may require the deletion, revision, or modification of particular policy terms, conditions, limitations, or exclusions (except where policy provisions are established by law or regulation binding upon either of the parties hereto or the underwriter of any such policies). City of San Antonio
 Attn: Aviation Department
 9800 Airport Boulevard
 San Antonio, Texas 78216

7.7 Lessee agrees that with respect to the above required insurance, all insurance policies are to contain or be endorsed to contain the following provisions:

- Name the City, its officers, officials, employees, volunteers, and elected representatives as additional insureds by endorsement, as respects operations and activities of, or on behalf of, the named insured performed under contract with the City, with the exception of the workers' compensation and professional liability policies;
- Provide for an endorsement that the "other insurance" clause shall not apply to the City of San Antonio where the City is an additional insured shown on the policy;
- Workers' compensation, employers' liability, general liability and automobile liability policies will provide a waiver of subrogation in favor of the City.
- Provide advance written notice directly to City of any suspension, cancellation, non-renewal or material change in coverage, and not less than ten (10) calendar days advance notice for nonpayment of premium.

7.8 Within five (5) calendar days of a suspension, cancellation or non-renewal of coverage, Lessee shall provide a replacement Certificate of Insurance and applicable endorsements to City. City shall have the option to suspend Lessee's performance should there be a lapse in coverage at any time during this contract. Failure to provide and to maintain the required insurance shall constitute a material breach of this Agreement.

7.9 In addition to any other remedies the City may have upon Lessee's failure to provide and maintain any insurance or policy endorsements to the extent and within the time herein required, the City shall have the right to order Lessee to stop work hereunder, and/or withhold any payment(s) which become due to Lessee hereunder until Lessee demonstrates compliance with the requirements hereof.

7.10 Nothing herein contained shall be construed as limiting in any way the extent to which Lessee may be held responsible for payments of damages to persons or property resulting from Lessee's or its subcontractors' performance of the work covered under this Agreement.

7.11 It is agreed that Lessee's insurance shall be deemed primary and non-contributory with respect to any insurance or self insurance carried by the City of San Antonio for liability arising out of operations under this Agreement.

7.12 It is understood and agreed that the insurance required is in addition to and separate from any other obligation contained in this Agreement and that no claim or action by or on behalf of the City shall be limited to insurance coverage provided.

7.13 Lessee and any subcontractors and/or subtenants are responsible for all damage to their own equipment and/or property.

ARTICLE 8. PERFORMANCE GUARANTEE & LANDLORDS LIEN

8.1 Lessee shall deliver to the Aviation Director, on or before the execution of this Lease, and shall keep in force throughout the term hereof, an irrevocable standby letter of credit in favor of Lessor, drawn upon a bank satisfactory to Lessor and payable to City of San Antonio, Aviation Department. The foregoing shall be in a form and content satisfactory to Lessor, shall be conditioned upon satisfactory performance of all terms, conditions and covenants contained herein during the term hereof and shall stand as security for payment by Lessee of all valid claims by Lessor hereunder. **The initial amount of the irrevocable standby letter of credit shall be at least NINE THOUSAND, FOUR HUNDRED AND FORTY SIX AND 78/100 U.S. DOLLARS (\$9,446.78).** Said amount shall be adjusted, as necessary, so that it shall at all times equal at least two (2) times the monthly rental payable by Lessee to Lessor hereunder.

8.2 Lessee hereby gives to Lessor a lien upon all of its property now, or at any time hereafter, in or upon the Leased Premises, to secure the prompt payment of charges herein stipulated to be paid for the use of said Premises; all exemptions of such property, or any of it, being hereby waived.

8.3 In the event that the amount of the Performance Guarantee provided by Lessee under the terms of this Lease Agreement, at all times during the term hereof, shall equal the greater of the rentals, fees and charges payable by Lessee to Lessor for the current calendar year, or double the amount of the Performance Guarantee set forth in **Section 8.1** above, then the provisions set forth in **Section 8.2** above, shall not apply hereto.

ARTICLE 9. ADDITIONAL FEES AND CHARGES

9.1 If applicable, fuel flowage fees shall be paid by Lessee, its sublessees, permittees, and licensees (hereinafter, for purposes of this Article 9, collectively "Lessee"), to the Lessor for fuel delivered to Lessee at the Airport, in the amount per gallon, now or hereafter, established by City ordinance. Lessee agrees to keep accurate books, records and accounts of its purchase and sale of aircraft fuel delivered to it on the Airport premises. All such books, records, accounts, and supporting documentation, shall be preserved by Lessee for thirty-six (36) months, either at the Leased Premises or at the home or regional offices of Lessee, and made available, for audit purposes, to Lessor and its authorized agents or representatives, at the Leased Premises, upon request. Lessee agrees to remit, to the Aviation Director, payment and related statements, certified by the various suppliers, as to the amount of aircraft fuel delivered to the Leased Premises, by the 10th day of the month following such delivery. If no such delivery is made during a particular month, Lessee shall provide the Aviation Director with a written statement to that effect.

9.2 Lessee and all tenants and operators at the Airport, other than those engaged in the carriage of persons, cargo, mail or other property for hire (commercial aircraft operators), pursuant to City ordinance, are obligated to pay a fuel flowage fee on aircraft fuel delivered to them. Nothing herein shall relieve Lessee, its customers or others, from any field use charges levied generally by Lessor, directly or indirectly, upon the operation of aircraft at the Airport.

9.3 Fees and charges for miscellaneous items and services, including, but not limited to, employee badges, shall be assessed, by City ordinance, in connection with the ordinary usage of Airport facilities.

9.4 All rentals, fees and charges payable by Lessee to Lessor under the terms hereof, whether or not expressly denominated as rent, shall constitute rent for all purposes, including, but not limited to, purposes of the United States Bankruptcy Code.

ARTICLE 10. PRIVILEGES AND CONDITIONS

10.1 Lessor hereby grants to Lessee the following general, non-exclusive privileges, uses and rights, subject to the terms, conditions and covenants herein set forth:

10.1.1 The general use by Lessee of all common Airport facilities and improvements, which are now, or may hereafter be, connected with or appurtenant to said Airport, except as hereinafter provided. "Common Airport facilities" shall include all necessary roadways, sidewalks, terminal facilities, restrooms and other common or public facilities appurtenant to said Airport.

10.1.2 The right of ingress to and egress from the Leased Premises, over and across common or public roadways serving the Airport for Lessee, its agents, servants, patrons, invitees, suppliers of service and furnishers of material. Said right shall be subject to such ordinances, rules and regulations as now, or may hereafter, apply at the Airport.

10.2 The granting and acceptance of this Lease Agreement is conditioned upon compliance with the covenant that the right to use said common Airport facilities, in common with others so authorized, shall be exercised subject to and in accordance with the laws of the United States, State of Texas and City of San Antonio, the rules and regulations promulgated by their authority with reference to aviation and navigation, and all reasonable and applicable rules, regulations and ordinances of Lessor, now in force or hereafter prescribed or promulgated by charter authority or by law.

10.3 Lessor reserves the right to enter the Leased Premises at any reasonable time for the purpose of inspecting same or verifying that fire, safety, sanitation regulations and other provisions contained in this Lease Agreement are being adhered to by Lessee.

ARTICLE 11. AS IS ACCEPTANCE AND CONDITION OF PREMISES

11.2 Lessee has had full opportunity to examine the Leased Premises. Except for environmental matters not caused by or reasonably discoverable by Lessee prior to the commencement of this Lease Agreement, Lessee's taking possession of the Leased Premises shall be conclusive evidence of Lessee's acceptance thereof in an "AS IS" condition, and Lessee hereby accepts same in its present condition as suitable for the purpose for which leased.

11.3 Lessee agrees that no representations respecting the condition of the Leased Premises and no promises to improve same, either before or after the execution hereof, have been made by Lessor or its agents to Lessee, unless contained herein or made a part hereof by specific reference.

ARTICLE 12.
[RESERVED]

ARTICLE 13. LIENS PROHIBITED

13.2 If any such mechanics' lien or materialmen's lien described in **Section 13.1** above shall be recorded against the Leased Premises, or any improvements thereon, Lessee shall cause the same to be removed or, bonded around pursuant to the terms of the Texas Property Code. In the alternative, if Lessee, in good faith, desires to contest the same, it shall be privileged to do so; however, in such case, Lessee hereby agrees to indemnify and save Lessor harmless from all liability for damages occasioned thereby and shall, in the event of a judgment of foreclosure on said mechanics' lien, cause the same to be discharged and removed prior to sale of the property or execution of such judgment.

ARTICLE 14. MAINTENANCE AND REPAIR

14.1 Lessor shall pay or cause to be paid, any and all charges for water, heat, gas, electricity, sewer and any and all other utilities used on the Leased Premises (excluding telecommunication services, cable and satellite services), throughout the term of, or any extension of, this Lease Agreement, including, but not limited to, any connection fees and any and all additional costs related to utility connection, metering, maintenance, repair and usage.

14.2 Except as may be otherwise provided herein, Lessee shall, throughout the term of this Lease Agreement and any extension hereof, assume the entire responsibility, cost and expense, for all repair and maintenance of the Leased Premises and all buildings and improvements thereon. Additionally, without limiting the foregoing, Lessee shall:

14.2.1 at all times maintain the buildings and improvements in a good state of repair and preservation, excepting ordinary wear and tear and obsolescence in spite of repair; and

14.2.2 replace or substitute any fixtures and equipment which have become inadequate, obsolete, worn out, unsuitable or undesirable, with replacement or substitute fixtures and equipment, free of all liens and encumbrances, which shall automatically become a part of the buildings and improvements; and

14.2.3 at all times keep the Leased Premises, its buildings, improvements, fixtures, equipment and personal property, in a clean and orderly condition and appearance; and

14.2.4 provide, and maintain in good working order, all obstruction lights and similar devices, fire protection and safety equipment, and all other equipment of every kind and nature required by laws, rules, orders, ordinances, resolutions or regulations of any competent authority, including Lessor and Aviation Director; and

14.2.5 observe all insurance regulations and requirements concerning the use and condition of the Leased Premises, for the purpose of reducing fire hazards and insurance rates on the Airport; and

14.2.6 repair any damage, caused by Lessee, to paving or other surfaces of the Leased Premises or the Airport, in connection with the scope of the Lease Agreement, caused by any oil, gasoline, grease, lubricants, flammable liquids and/or substances having a corrosive or detrimental effect thereon, or by any other reason whatsoever; and

14.2.7 take measures to prevent erosion, including, but not limited to, the planting and replanting of grass on all unpaved or undeveloped portions of the Leased Premises; the planting, maintaining and replanting of any landscaped areas; the designing and constructing of improvements on the Leased Premises; and the preservation of as many trees as possible, consistent with Lessee's construction and operations; and

14.2.8 be responsible for the maintenance and repair of all utility services lines upon the Leased Premises, including, but not limited to, water and gas lines, electric power and telephone conduits and lines, sanitary sewers and storm sewers; and

14.2.10 replace broken or cracked plate glass, paint/repaint structures upon the Leased Premises and, where applicable, mow the grass; and

14.2.11 provide and use suitable covered metal receptacles for all garbage, trash and other refuse; assure that boxes, cartons, barrels or similar items are not piled in an unsightly, unsafe manner, on or about the Leased Premises; provide a complete and proper arrangement, satisfactory to the Aviation Director, for the adequate sanitary handling and disposal away from the Airport, of all trash, garbage and refuse caused as a result of the operation of its business.

14.3 The adequacy of the performance of the foregoing maintenance and repair by Lessee shall be determined by the Aviation Director, whose reasonably exercised judgment shall be conclusive. Should Lessee refuse or neglect to undertake any such maintenance or repair, or if Lessor is required to perform any maintenance or repair necessitated by the negligent acts or omissions of Lessee, its employees, agents, assignees, subtenants or licensees, then Lessor shall have the right, but not the obligation, to perform such maintenance or repair on behalf of and for Lessee. The costs of such maintenance or repair, plus a fifteen percent (15%) overhead charge,

shall be reimbursed by Lessee to Lessor no later than ten (10) days following receipt by Lessee of written demand from Lessor for same. In cases not involving maintenance or repair requiring exigent action, Lessor shall provide Lessee a written request that Lessee perform such maintenance or repair, at least thirty (30) days before Lessor effects such maintenance or repair on behalf of Lessee.

ARTICLE 15. TITLE

15.1 It is expressly understood and agreed that any and all items of personal property owned, placed or maintained by Lessee on the Leased Premises during the term hereof shall be and remain Lessee's property. Provided that Lessee is not in default under this Lease Agreement, it may remove or cause to be removed all such items from the Leased Premises. At Lessor's sole election, any such items remaining on the Leased Premises more than thirty (30) days after the expiration of the term hereof, shall then belong to Lessor without payment or consideration therefor.

15.2 All foundations, buildings, alterations, additions or improvements (hereinafter "Improvements") made upon the Leased Premises by Lessee are and shall be the property of Lessee during the continuance of the term of this Lease. During said term, absent the Aviation Director's written approval, such Improvements shall be conveyed, transferred or assigned, only to a person, corporation or entity to whom this Lease Agreement simultaneously is being transferred or assigned, whereupon the holder of the leasehold interest hereunder shall own the Improvements. Absent such written approval of the Director, any attempted conveyance, transfer or assignment of Improvements, whether voluntary, by operation of law or otherwise, to any person, corporation or other entity, shall be void and of no effect, unless such conveyance, transfer or assignment shall be to a person, corporation or other entity to whom the Lease Agreement itself is being transferred or assigned simultaneously therewith, in compliance with the terms and conditions hereof.

15.3 With the exception of fuel storage facilities, as set forth below in **Article 16 - Environmental Compliance**, at Lessor's sole option, title to Improvements made upon the Leased Premises by Lessee, and fixtures annexed thereto, shall vest in and become the property of Lessor, at no cost to Lessor and without any instrument of conveyance, upon the expiration of this Lease Agreement or upon earlier termination thereof. Notwithstanding the foregoing, Lessee covenants and agrees, upon Lessor's demand, on or after termination of the Lease Agreement, to execute any instruments requested by Lessor in connection with the conveyance of such Improvements. Lessor shall notify Lessee of its intention to take title to Improvements, or any portion thereof, as herein provided, within sixty (60) days of the expiration of this Lease Agreement or earlier termination thereof. Lessor's failure to provide such notice, however, shall not act as a waiver of its rights hereunder; provided that Lessor, within a reasonable time.

15.4 Should Lessor elect not to take title to Improvements, or any portion thereof, as provided in **Section 15.3** above, same shall be removed by Lessee, at its sole cost and risk, in compliance with all applicable laws and regulations and, to the degree reasonably possible, the Leased Premises shall be restored to the condition that existed prior to the construction of same. Should

Lessee fail to undertake such removal within ninety (90) days following the expiration or termination of this Lease Agreement, Lessor may undertake such removal at Lessee's expense.

ARTICLE 16. ENVIRONMENTAL COMPLIANCE

16.1 Lessee acknowledges that it is the owner of any and all fuel storage facilities presently existing upon the Leased Premises and any fuel storage facilities that may in the future be placed by Lessee, its sublessees, licensees or permittees in, on or upon the Leased Premises. (For purposes of this Article 16, "facilities" are defined as any mobile or fixed, onshore building, structure, installation, equipment, pipe, or pipeline used in fuel storage, fuel gathering, fuel transfer, or fuel distribution.) Lessee agrees that it shall, at its sole expense, comply with all applicable federal, state and local statutes, laws, ordinances, rules and regulations concerning fuel storage facilities, including, but not limited to, regulations promulgated by the Environmental Protection Agency, as well as all inspection, financial liability and inventory control recording requirements, and that it shall provide Lessor with copies of certificates of registration from the Texas Commission on Environmental Quality (hereinafter "TCEQ") for any existing or new fuel storage facilities, together with copies of any required proof of financial responsibility and other documentation reasonably required by the Aviation Director or applicable regulatory agency.

16.2 During the term of this Lease Agreement, should changes in applicable statutes, laws, rules or regulations regarding fuel storage facilities necessitate the removal, modification or replacement of such fuel storage facilities in, on, upon or under the Leased Premises, then such removal, modification or replacement shall be timely undertaken and performed by Lessee, at its sole cost and expense. Ownership of the fuel storage facilities shall, at all times, remain in the Lessee, its sublessees, licensees and permittees. Furthermore, if requested by Lessor, Lessee shall within ninety (90) days following the termination or expiration of this Lease Agreement, at its sole cost, remove said items from the Leased Premises, perform any required soil or other investigations, perform regulatory remediation and restore the Leased Premises to a condition in compliance with all applicable statutes, laws, rules, or regulations governing fuel storage facilities. The Performance Guarantee required under the terms of this Lease Agreement shall not be returned or restored to Lessee until such removal, if requested, is accomplished and/or remediation is accomplished to the satisfaction of TCEQ.

16.3 Lessee shall, in conducting any activity or business on the Leased Premises, including environmental response or remedial activities, comply with all environmental laws, including, but not limited to, those regarding the generation, storage, use, transportation and disposal of solid wastes, hazardous materials, toxic chemicals, special wastes or other contaminants, and all laws, regulations and notice requirements pertaining to releases or threatened releases of hazardous materials, toxic chemicals, special wastes or other contaminants into the environment. Lessee shall not cause the release, or permit its employees, agents, permittees, contractors, subcontractors, sublessees, or others in Lessee's control, supervision, or employment, to release (whether by way of uncapping, pouring, spilling, spraying, spreading, attaching or otherwise), into or onto the Leased Premises or any other location upon or above the Airport (including the air, ground and ground water thereunder and the sewer and storm water drainage systems thereon), any quantity of hazardous substances (as defined or established from time to time by

applicable local, state, or federal law and including, among other things, hazardous waste and any other substances that have been or may in the future be determined to be toxic, hazardous or unsafe). To the extent any such release may exceed quantities or volumes permitted by applicable federal, Texas or local law, Lessee shall immediately notify the Aviation Director, TCEQ, and Local Emergency Planning Committee, as may be required under the federal Emergency Planning and Community Right To Know Act. The Lessee, or any occupant of Leased Premises, shall be responsible for compliance with said Act, in the event of any such release.

16.4 Lessee shall remedy any release or threatened release, caused by its operations at the Airport, as described above and, whether resulting from such release or otherwise, remove any hazardous materials, special wastes and any other environmental contamination caused by Lessee on, under or upon the Leased Premises, as may be required by a governmental or regulatory agency responsible for enforcing environmental laws and regulations. Such work shall be performed, at Lessee's sole expense, after Lessee submits to Lessor a written plan for completing such work. Lessor shall have the right to review and inspect all such work at any time, using consultants and representatives of its choice, at Lessor's sole cost and expense. Specific cleanup levels for any environmental remedial work shall be designed to meet all of the applicable environmental laws and regulations, to the satisfaction of the appropriate government or regulatory agency responsible for enforcing environmental laws and regulations.

16.5 With the exception of environmental matters not caused by, or reasonably discoverable by Lessee prior to the commencement of this Lease Agreement, Lessee agrees to defend, indemnify and hold harmless Lessor, its elected and appointed officials, officers, agents and employees, from and against any and all reasonable losses, claims, liability, damages, injunctive relief, injuries to person, property or natural resources, costs, expenses, enforcement actions, actions or causes of action, fines and penalties, arising as a result of action or inaction of Lessee, its employees, agents or contractors, in connection with the release, threatened release or presence of any hazardous material, contaminants, or toxic chemicals at, on, under, over or upon the Leased Premises and Airport, whether or not foreseeable, regardless of the source or timing of occurrence, release, threatened release, presence or discovery of same. The foregoing indemnity includes, without limitation, all reasonable costs at law or in equity for removal, clean-up, remediation and disposal of any kind, as well as all reasonable costs associated with determining whether the Airport is in compliance, and causing the Airport to be in compliance with, all applicable environmental laws and regulations and all reasonable costs associated with claims for damages to persons, property or natural resources. In the event that Lessor is named in any enforcement action or lawsuit by any party in connection with the environmental condition of the Leased Premises, caused by the action or inaction of the Lessee, Lessee shall defend Lessor and indemnify and hold harmless Lessor from any reasonable costs, damages, fines and penalties resulting therefrom.

16.6 In addition to any other rights of access herein regarding the Leased Premises, Lessor shall, upon reasonable notice, have access thereto in order to inspect and confirm that the Lessee is using same in accordance with all applicable environmental laws and regulations. Lessee shall, upon the Aviation Director's demand and at Lessee's sole expense, demonstrate to said

Director (through such tests, professional inspections, samplings, or other methods as may be reasonably required by said Director) that Lessee has not caused or permitted any release of hazardous substances or contaminants in excess of quantities or volumes permitted by applicable federal, Texas or local law. Qualified independent experts, chosen by Lessee, subject to Lessor's approval, which approval shall not be unreasonably withheld, shall conduct any such tests and assessments. Lessee shall provide copies of reports from any such testing or assessments to Lessor upon receipt. Should Lessee not provide same to Lessor, Lessor may conduct, or cause to be conducted, such tests, inspections, samplings and assessments, and Lessee shall reimburse Lessor for all costs of such actions, no later than thirty (30) days following receipt by Lessee of invoices therefor. Lessor reserves the right to conduct any of the above actions, at the Aviation Director's discretion, when in the opinion of same, additional or supplemental assessments are in Lessor's best interest.

16.7 Lessee, at Lessor's request, shall make available for inspection and copying, upon reasonable notice and at reasonable times, any or all of the non-privileged documents and materials Lessee has prepared pursuant to any environmental law or regulation, which may be retained by Lessor or submitted to any governmental regulatory agency; provided, such documents and materials relate to environmental regulatory compliance and pertain to the Airport or the Leased Premises. If any environmental law or regulation requires Lessee to file any notice or report of a release or threatened release of regulated materials on, under or about the Leased Premises or the Airport, Lessee shall promptly submit such notice or report to the appropriate governmental agency and simultaneously provide a copy of such report or notice to Lessor. In the event that any written allegation, claim, demand, action or notice is made against Lessee regarding Lessee's failure or alleged failure to comply with any environmental law or regulation, Lessee, as soon as practicable, shall notify Lessor in writing and provide same with copies of any such written allegations, claims, demands, notices or actions so made.

16.8 The parties to this Lease Agreement, including the tenants or sublessees who may enjoy a future right of occupation through Lessee, acknowledge a right and a duty in Lessor, exercised by the Aviation Director, to review safety and potential environmental impacts of any proposed operation, business, maintenance or other activity of the Lessee and its sublessees. To this end, said Director shall have authority to disapprove an activity of the Lessee and/or any sublessee, on the basis of a risk assessment. The parties understand that Airport premises are not intended for use involving refining, processing, manufacturing, maintenance, overhaul, or similar heavy industrial activities entailing use, storage, manufacture, or transport of critical volumes of regulated or hazardous materials or toxic chemicals. For purposes of this Lease Agreement, "critical volumes" are those which, in the discretion and judgment of the Aviation Director, pose or may pose an unreasonable risk to Airport property, its occupants, employees or the traveling public. Discretion and judgment are reserved to the Aviation Director due to the fact that combinations and proximity of such materials are synergistic. The Aviation Director's decision in this regard is final, and said Director shall exercise such review prior to any lease or sublease, from time to time, as he may deem necessary for appropriate risk assessment of existing leases and subleases.

ARTICLE 17. SIGNS

Lessee shall neither erect signs nor distribute advertising matter upon Airport Premises, without the prior written consent of the Aviation Director.

ARTICLE 18. REGULATIONS

Lessee's officers, agents, employees and servants shall obey all rules and regulations promulgated by Lessor, its authorized agents in charge of the Airport, or other lawful authority, to insure the safe and orderly conduct of operations and traffic thereon.

ARTICLE 19. QUALITY OF SERVICES

Lessee shall, at all times, furnish good, prompt and efficient services, adequate to meet demand for same at the Airport, furnish said services on a non-discriminatory basis to all users thereof, and charge non-discriminatory prices for each unit of sale or service; provided, however, that Lessee will be allowed to make reasonable and non-discriminatory discounts, rebates or other similar types of price reductions to volume purchasers.

ARTICLE 20. TIME OF EMERGENCY

During time of war or national emergency, Lessor shall have the right to lease the landing area or any part thereof to the United States for government use, and, if such lease is executed, the provisions of this Lease Agreement, insofar as they are inconsistent with those of the Government lease, shall be suspended.

ARTICLE 21. SUBORDINATION OF LEASE & RIGHT OF RECAPTURE

21.1 This Lease Agreement shall be subordinate to the provisions of any existing or future agreement between Lessor and the United States of America, to include any federal agencies, regarding operation or maintenance of the Airport, the execution of which has been or may be required as a condition precedent to the expenditure of federal funds for the development of the Airport. Should the effect of such agreement with the United States be to take any of the property under lease, or substantially alter or destroy the commercial value of the leasehold interest granted herein, Lessor shall not be held liable therefore, but, in such event, Lessee may cancel this Lease Agreement upon ten (10) days' written notice to Lessor. Notwithstanding the foregoing, Lessor agrees that, in the event it becomes aware of any such proposed or pending agreement or taking, Lessor shall utilize its best efforts to give the maximum possible notice thereof to Lessee. Any portion of the Leased Premises recaptured from Lessee under this provision shall result in a proportionate abatement of rent as of the date the recapture is effectuated.

21.2 Lessor shall have the right to recapture any or all of the Leased Premises to the extent that such are necessary for the City's development, improvement, and or maintenance of the Airport's runways and taxiways; for protection or enhancement of flight operations; or for other development in compliance with any current or future Airport Master Plan. In the event of any

such recapture, Lessee and Lessor shall execute a writing reflecting a corresponding adjustment to the Leased premises and rent. If Lessee is required to relocate to other Airport premises pursuant to this Article 21, Lessor shall assist Lessee to identify other substitute premises on the Airport, if available. Lessor shall assist Lessee with relocation costs without impact to the rental terms of this Lease Agreement.

ARTICLE 22. SECURITY

22.1 Lessee shall comply with all rules, regulations, statutes, orders, directives or other mandates of the United States or State of Texas, regarding Airport security requirements or measures.

22.2 Lessee shall comply with all current and future mandates of the Transportation Security Agency for background investigations of its personnel.

22.3 Lessee shall indemnify and hold harmless Lessor, its officers and employees from any charges, fines or penalties that may be assessed or levied by any department or agency of the United States or State of Texas, by reason of Lessee's failure to comply with any applicable security provision and/or requirement for compliance set forth herein.

ARTICLE 23. DEFAULT AND REMEDIES

23.1 Each of the following shall constitute an event of default by Lessee:

23.1.1 Lessee shall fail to pay any rent as provided for in this Lease Agreement and such failure shall continue for a period of ten (10) days after receipt by Lessee of written notice thereof.

23.1.2 Lessee shall fail to provide or maintain insurance as provided for in this Lease Agreement and such failure shall continue for a period of five (5) days after receipt by Lessee of written notice hereof provided, however, that Lessee shall not be entitled to any notice from Lessor under this provision when failure to maintain insurance is due to a cancellation or expiration of policy or coverage.

23.1.3 Lessee shall neglect or fail to perform or observe any of the terms, provisions, conditions or covenants herein contained, and if such neglect or failure should continue for a period of thirty (30) days after receipt by Lessee of written notice of same, or if more than thirty (30) days shall be required because of the nature of the default, if Lessee shall fail within said thirty (30) day period to commence and thereafter diligently proceed to cure such default.

23.1.4 Lessee shall become insolvent; take the benefit of any present or future insolvency statute; make a general assignment for the benefit of creditors; file a voluntary petition in bankruptcy or a petition or answer seeking a reorganization or the readjustment of its indebtedness under the federal bankruptcy laws, or under any other law or statute of the United States or of any state thereof; or

consent to the appointment of a receiver, trustee or liquidator of all or substantially all of its property.

23.1.5 An Order of Relief shall be entered, at the request of Lessee or any of its creditors, under federal bankruptcy, reorganization laws or any law or statute of the United States or any state thereof.

23.1.6 A petition under any part of the federal bankruptcy laws, or an action under any present or future insolvency law or statute, shall be filed against Lessee and shall not be dismissed within thirty (30) days after the filing thereof.

23.1.7 Pursuant to, or under the authority of, any legislative act, resolution, rule, or any court, governmental, agency or board order or decree or officer, a receiver, trustee, or liquidator shall take possession or control of all or substantially all of the property of Lessee and such possession or control shall continue in effect for a period of fifteen (15) days.

23.1.8 Lessee shall become a corporation in dissolution or voluntarily or involuntarily forfeit its corporate charter.

23.1.9 The rights of Lessee hereunder shall be transferred to, pass to or devolve upon, by operations of law or otherwise, any other person, firm, corporation or other entity, in connection with or as a result of any bankruptcy, insolvency, trusteeship, liquidation or other proceeding or occurrence described in **Subsections 23.1.4 through 23.1.8** of this Section 23.1.

23.1.10 Lessee shall voluntarily discontinue its operations at the Airport for a period of sixty (60) consecutive days.

23.2 In the event any default shall occur, Lessor then, or at any time thereafter, but prior to the removal of such condition of default, shall have the right, at its election, either to terminate this Lease Agreement, by giving at least five (5) days written notice to Lessee, at which time Lessee will then quit and surrender the Leased Premises to Lessor, but Lessee shall remain liable as hereinafter provided, or enter upon and take possession of the Leased Premises (or any part thereof in the name of the whole), without demand or notice, and repossess the same as of the Lessor's former estate, expelling Lessee and those claiming under Lessee, without prejudice to any remedy for arrears of rent or preceding breach of covenant and without any liability to Lessee or those claiming under Lessee for such repossession. In addition to any other remedies herein, the parties shall be entitled to an injunction restraining the violation, or attempted violation, of any of the covenants, conditions or provisions hereof, or to a decree compelling performance of same; subject, however, to other provisions herein.

23.3 Lessor's repossession of the Leased Premises shall not be construed as an election to terminate this Lease Agreement nor shall it cause a forfeiture of rents or other charges remaining to be paid during the balance of the term hereof, unless a written notice of such intention be given to Lessee, or unless such termination is decreed by a court of competent jurisdiction.

23.4 Upon repossession, Lessor shall have the right, at its election and whether or not this Lease Agreement shall be terminated, to relet the Leased Premises or any part thereof for such period(s), which may extend beyond the term hereof, at such rent and upon such other terms and conditions as Lessor may, in good faith, deem advisable. Notwithstanding any law or anything contained herein to the contrary, to the full extent permitted under applicable law, Lessee and Lessor agree that Lessor's duty to relet the premises or otherwise to mitigate damages hereunder shall be limited to those requirements set forth in the Texas Property Code, as amended. Lessor shall in no event be liable, and Lessee's liability shall not be affected or diminished whatsoever, for failure to relet the Leased Premises, or in the event the Leased Premises are relet, for failure to collect any rental under such reletting, so long as the Lessor uses objectively reasonable efforts to comply with said Property Code. Lessor and Lessee agree that any such duty shall be satisfied and Lessor shall be deemed to have used objective reasonable efforts to relet the Premises and mitigate Lessor's damages by: (1) posting a "For Lease" sign on the Premises; (2) advising Lessor's lease agent, if any, of the availability of the Premises; and (3) advising at least one outside commercial brokerage entity of the availability of the Premises.

23.5 In the event that Lessor elects to relet, rentals received by same from such reletting shall be applied: first, to the payment of any indebtedness, other than rent due hereunder from Lessee under this Lease Agreement; second, to the payment of any cost of such reletting; third, to the payment of rent due and unpaid hereunder; and finally, the residue, if any, shall be held by Lessor and applied hereunder. Should that portion of such rentals received from such reletting during any month, which is applied to the payment of rent hereunder, be less than the rent payable during that month by Lessee hereunder, then Lessee shall pay such deficiency to Lessor. Such deficiency shall be calculated and paid monthly. Lessee shall also pay to Lessor, as soon as ascertained, any costs and expenses incurred by Lessor in such reletting not covered by the rentals received from such reletting of the Leased Premises.

23.6 If Lessor shall terminate this Lease Agreement or take possession of the Leased Premises by reason of a condition of default, Lessee and those holding under Lessee, shall forthwith remove their goods and effects from the Leased Premises. If Lessee or any such claimant shall fail to effect such removal forthwith, Lessor may, without liability to Lessee or those claiming under Lessee, remove such goods and effects and store same for the account of Lessee or of the owner thereof at any place selected by Lessor, or, at Lessor's election, and upon giving fifteen (15) days' written notice to Lessee of date, time and location of sale, Lessor may sell the same at public auction or private sale on such terms and conditions as to price, payment and otherwise, as Lessor in its sole discretion may deem advisable. If, in Lessor's judgment, the cost of removing and storing, or of removing and selling any such goods and effects, exceeds the value thereof or the probable sale price thereof, as the case may be, Lessor shall have the right to dispose of such goods in any manner Lessor may deem advisable.

23.7 Lessee shall be responsible for all costs of removal, storage and sale, and Lessor shall have the right to reimburse the Airport Revenue Fund from the proceeds of any sale for all such costs paid or incurred by Lessor. If any surplus sale proceeds remain after such reimbursement, Lessor may deduct from such surplus any other sum due to Lessor hereunder and shall pay over to Lessee any remaining balance of such surplus sale proceeds.

23.8 If Lessor shall enter into and repossess the Leased Premises as a result of Lessee's default in the performance of any of the terms, covenants or conditions herein contained, then Lessee hereby covenants and agrees that it will not claim the right to redeem or re-enter the said Premises to restore the operation of this Lease Agreement, and Lessee hereby waives the right to such redemption and re-entrance under any present or future law, and does hereby further, for any party claiming through or under Lessee, expressly waive its right, if any, to make payment of any sum or sums of rent, or otherwise, of which Lessee shall have made default under any of the covenants of the Lease Agreement and to claim any subrogation of the rights of Lessee under these presents, or any of the covenants thereof, by reason of such payment.

23.9 All rights and remedies of Lessor herein created or otherwise existing at law are cumulative, and the exercise of one or more rights or remedies shall not be taken to exclude or waive the right to the exercise of any other. All such rights and remedies may be exercised and enforced concurrently, whenever and as often as deemed desirable.

23.10 If proceedings shall, at any time, be commenced for recovery of possession, as aforesaid, and compromise or settlement shall be effected either before or after judgment whereby Lessee shall be permitted to retain possession of said Premises, then such proceeding shall not constitute a waiver of any condition or agreement contained herein or of any subsequent breach thereof or to this Lease Agreement.

23.11 Any amount paid or expense or liability incurred by Lessor for the account of Lessee may be deemed to be additional rental and the same may, at the option of Lessor, be added to any rent then due or thereafter falling due hereunder.

ARTICLE 24. ASSIGNMENT AND SUBLET

24.1 Lessee shall not transfer or assign this Lease Agreement or Lessee's interest in or to the Leased Premises, or any part thereof, without having first obtained Lessor's prior written consent, which may be given only by or pursuant to an ordinance enacted by the City Council of the City of San Antonio, Texas; provided, however, that the foregoing shall not apply to and prevent the assignment of this Lease Agreement to any corporation with which Lessee may merge or consolidate or which may succeed to a controlling interest in the business of Lessee. Notwithstanding the foregoing and for so long as any pledge or collateral assignment of Lessee's interest in the Lease Agreement shall be by instrument substantially in such form as shall have previously been approved by the City Council, the consent of Lessor to such pledge or collateral assignment may be given by Lessor acting by and through the Aviation Director.

24.2 Lessee shall not sublet the Leased Premises or any part thereof without having first obtained the Aviation Director's written consent. In the event Lessee requests permission to sublease, the request shall be submitted to the said Director, prior to the effective date of the sublease requested, and shall be accompanied by a copy of the proposed sublease agreements and of all agreements collateral thereto. The identity of the sublessee, the area or space to be subleased, the rental to be charged, the type of business to be conducted, reasonable financial history and all other information requested by said Director shall be specified. Lessee shall not sublease a total of more than fifty percent (50%) of the Leased Premises. If such limit is

exceeded, Lessor shall have the right, upon thirty (30) days' written notice, to recapture the space described in the sublease, and terminate the entire Lease Agreement on the expiration of such thirty (30) day period. In the event of any recapture, Lessee's rental payments shall be adjusted on a pro-rata basis; provided, however, that all options of Lessor contained in **Article 23 – Default and Remedies** remain available to Lessor.

24.3 In the event of a sublease where the rental per square foot established in the sublease exceeds the rental for same established in the Lease Agreement, Lessee shall pay to Lessor, as additional rent, the excess of the rental received from the sublessee over that specified to be paid by Lessee herein per square foot, provided that Lessee may charge a reasonable fee for administrative costs in addition to the sublease rental, not to exceed fifteen percent (15%) of the specified sublease rental. Such fifteen percent (15%) shall not be considered as excess rental. Nothing herein shall prevent Lessee from charging a reasonable fee to others for the use of capital equipment and facilities on the subleased premises and charging for use of utilities and other services being paid for by Lessee. Should any method of computation of rental to be paid by a sublessee, other than computation based upon a rental rate per square foot be employed, the provisions of this paragraph will apply if the rental received for the proportionate area of the Leased Premises by Lessee exceeds the rental paid to Lessor for said proportionate area of the Leased Premises.

24.4 Each transfer, assignment or subletting to which there has been consent shall be by written instrument, in a form satisfactory to Lessor, and shall be executed by the transferee, assignee or sublessee who shall agree, in writing, for the benefit of Lessor to be bound by and to perform the terms, covenants and conditions of this Lease Agreement. Four (4) executed copies of such written instrument shall be delivered to Lessor. Failure either to obtain Lessor's prior written consent or to comply with the provisions herein contained, shall operate to prevent any such transfer, assignment or subletting from becoming effective.

24.5 Should the assignment of this Lease Agreement be approved by Lessor and to the extent that such assignee assumes Lessee's obligation hereunder, Lessee shall, by virtue of such assignment, be released from such obligation. Should the subletting of the Leased Premises be approved by Lessor, however, Lessee agrees and acknowledges that it shall remain fully and primarily liable under this Lease Agreement, notwithstanding any such sublease and that any such sublessee shall be required to attorn to Lessor hereunder.

24.6 The receipt by the Lessor of rent from an assignee, subtenant or occupant of the Leased Premises shall not be deemed a waiver of the covenant in this Lease Agreement against assignment and subletting or an acceptance of the assignee, subtenant or occupant as a tenant or a release of the Lessee from further observance or performance by Lessee of the covenants contained in this Lease Agreement. No provision of this Lease Agreement shall be deemed to have been waived by the Lessor, unless such waiver be in writing, signed by the Aviation Director.

ARTICLE 25. DAMAGE OR DESTRUCTION OF LEASED PREMISES

25.1 In the event any structure, Improvements, and/or betterments on the Leased Premises are destroyed or damaged to the extent that they are unusable, Lessee shall have the election of repairing or reconstructing structure, Improvements, and/or betterments substantially as they were immediately prior to such casualty, or in a new or modified design, or not to construct the Improvements. Lessee shall give the Director written notice of its election within sixty (60) days after the occurrence of such casualty. If the entirety or substantially all of the structure, Improvements, and/or betterments are damaged or destroyed and Lessee elects not to repair or reconstruct the damaged or destroyed structure, Improvements, and/or betterments within the sixty (60) day election period, the Director may terminate this Lease Agreement by written notice to Lessee given within sixty (60) days following expiration of Lessee's election period, whereupon (i) this Lease Agreement shall terminate and Lessee shall abandon the Leased Premises and (ii) the insurance proceeds covering the Improvements shall be paid to the owner of the structure, Improvements, and/or betterments as of the date of such damage or destruction (provided, however, Lessee shall have the right to retain there from its actual costs paid in making improvements to the damaged or destroyed Improvement). If such damage or destruction is to less than substantially all of the structure, Improvements, and/or betterments and Lessee elects not to repair or reconstruct the damaged or destroyed structure, Improvements, and/or betterments within the said 60-day period following such damage or destruction, then (i) this Lease Agreement shall be deemed modified (and the rentals hereunder adjusted) so as to terminate the Lease Agreement as to such structure, Improvements, and/or betterments, and (ii) the insurance proceeds covering the structure, Improvements, and/or betterments shall be paid to the owner of the structure, Improvements, and/or betterments as of the date of such damage or destruction (provided, however, Lessee shall have the right to retain there from its actual costs paid in making improvements to the damaged or destroyed structure, Improvements, and/or betterments). In the event of damage or destruction to any of the structure, Improvements, and/or betterments upon the Leased Premises, the City shall have no obligation to repair or rebuild the structure, Improvements, and/or betterments or any fixtures, equipment or other personal property installed by Lessee on the Leased Premises.

25.2 If Lessee elects to repair or reconstruct the structure, Improvements, and/or betterments, Lessee shall use its insurance proceeds from the policy covering the destroyed structure, Improvements, and/or betterments. If the insurance proceeds are not sufficient, Lessee agrees to pay the deficiency. If Lessee elects to repair or reconstruct, Lessee shall, at its expense, replace and repair any and all fixtures, equipment and other personal property necessary to properly and adequately continue its authorized activities on the Leased Premises. In no event shall Lessee be obligated to provide equipment and fixtures in excess of those existing prior to the damage or destruction. Lessee agrees that such work will be commenced and completed with due diligence.

25.3 Prior to any repair or reconstruction described above, Lessee shall submit plans and specifications to the Director for his written approval. Such repair or reconstruction shall be in accordance therewith. Any changes must be approved in writing by the Director.

ARTICLE 26. LAWS AND ORDINANCES

Lessee agrees to comply promptly with all laws, ordinances, orders and regulations affecting the Leased Premises, including, but not limited to, those related to its cleanliness, safety, operation, use, and business operations. Lessee shall comply with all Federal and State regulations concerning its operation on the Airport and shall indemnify and hold harmless Lessor, its officers and employees, from any charges, fines or penalties that may be assessed or levied by any department or agency of the United States or the State of Texas, by reason of Lessee's failure to comply with the terms of this Article or with any other terms set forth in this Lease Agreement.

ARTICLE 27. REGULATIONS

Lessee's officers, agents, employees and servants shall obey all rules and regulations promulgated by Lessor, its authorized agents in charge of the Airport, or other lawful authority, to insure the safe and orderly conduct of operations and traffic thereon.

ARTICLE 28. TAXES AND LICENSES

Lessee shall pay, on or before their respective due dates, to the appropriate collecting authority, all Federal, State and local taxes and fees, which are now or may hereafter be levied upon the Lessee, Leased Premises (including leasehold taxes), the business conducted thereon or upon any of Lessee's property used in connection therewith. Lessee shall also maintain, in current status, all Federal, State and local licenses and permits required for the operation of its business.

ARTICLE 29. NONDISCRIMINATION & AFFIRMATIVE ACTION REGULATIONS
