

STATE OF TEXAS §
COUNTY OF TRAVIS §

**AGREEMENT FOR THE TEMPORARY CLOSURE
OF STATE RIGHT OF WAY – MULTI-YEAR AGREEMENT**

THIS AGREEMENT is made by and between the State of Texas, acting by and through the Texas Department of Transportation, hereinafter called the "State," and the City of San Antonio, a municipal corporation, acting by and through its duly authorized officers, hereinafter called the "local government."

W I T N E S S E T H

WHEREAS, the State owns and operates a system of highways for public use and benefit, including Loop 13, Spur 536, US 281, IH 10, IH 37, IH 35, in Bexar, County; and

WHEREAS, the local government has requested the temporary closure of Loop 13, Spur 536, US 281, IH 10, IH 37 and IH 35 for the purpose of Rock-n-Roll Marathon, from 5:30 a.m. to 5:00 p.m. on November 17, 2013, and various dates for years 2014 - 2017 as described in the attached "**Exhibit A**," hereinafter identified as the "**Event**;" and

WHEREAS, the Event will be located within the local government's incorporated area; and

WHEREAS, the State, in recognition of the public purpose of the Event, wishes to cooperate with the City so long as the safety and convenience of the traveling public is ensured and that the closure of the State's right of way will be performed within the State's requirements; and

WHEREAS, on the _____ day of _____, 20____, the _____ City Council passed Resolution / Ordinance No. _____, attached hereto and identified as "**Exhibit B**," establishing that the Event serves a public purpose and authorizing the local government to enter into this agreement with the State; and

WHEREAS, 43 TAC, Section 22.12 establishes the rules and procedures for the temporary closure of a segment of the State highway system; and

WHEREAS, this agreement has been developed in accordance with the rules and procedures of 43 TAC, Section 22.12;

NOW, THEREFORE, in consideration of the premises and of the mutual covenants and agreements of the parties hereto, to be by them respectively kept and performed as hereinafter set forth, it is agreed as follows:

A G R E E M E N T

Article 1. CONTRACT PERIOD

This agreement becomes effective upon final execution by the State and the maximum duration of this agreement shall not exceed five years unless terminated or modified as hereinafter provided.

Article 2. EVENT DESCRIPTION

*{Give a physical description of the annual event and when it will be held, the limits of the Event, including county names and highway numbers, the number of lanes the highway has and the number of lanes to be used, the proposed schedule of start and stop times and dates at each location, a brief description of the proposed activities involved, approximate number of people attending the Event, number and type of animals and equipment, planned physical modifications of any man-made or natural features in or adjacent to the right of way involved shall be attached hereto along with a **location map** and identified as "Exhibit C."}*

Article 3. OPERATIONS OF THE EVENT

A. The local government shall assume all costs for the operations associated with the Event, to include but not limited to, plan development, materials, labor, public notification, providing protective barriers and barricades, protection of highway traffic and highway facilities, and all traffic control and temporary signing.

B. The local government shall submit to the State for review and approval the construction plans, if construction or modifications to the State's right of way is required, the traffic control and signing plans, traffic enforcement plans, and all other plans deemed necessary by the State. The State may require that any traffic control plans of sufficient complexity be signed, sealed and dated by a registered professional engineer. The traffic control plan shall be in accordance with the latest edition of the Texas Manual on Uniform Traffic Control Devices. All temporary traffic control devices used on state highway right of way must be included in the State's Compliant Work Zone Traffic Control Devices List. The State reserves the right to inspect the implementation of the traffic control plan and if it is found to be inadequate, the local government will bring the traffic control into compliance with the originally submitted plan, upon written notice from the State noting the required changes, prior to the event. The State may request changes to the traffic control plan in order to ensure public safety due to changing or unforeseen circumstances regarding the closure.

C. The local government will ensure that the appropriate law enforcement agency has reviewed the traffic control for the closures and that the agency has deemed them to be adequate. If the law enforcement agency is unsure as to the adequacy of the traffic control, it will contact the State for consultation no less than 10 workdays prior to the closure.

D. The local government will complete all revisions to the traffic control plan as requested by the State within the required timeframe or that the agreement will be terminated upon written notice from the State to the local government. The local government hereby agrees that any failure to cooperate with the State may constitute reckless endangerment of the public and that the Texas Department of Public Safety may be notified of the situation as soon as possible for the appropriate action, and failing to follow the traffic control plan or State instructions may result in a denial of future use of the right of way for three years.

E. The local government will not initiate closure prior to 24 hours before the scheduled Event and all barriers and barricades will be removed and the highway reopened to traffic within 24 hours after the completion of the Event.

F. The local government will provide adequate enforcement personnel to prevent vehicles

from stopping and parking along the main lanes of highway right of way and otherwise prevent interference with the main lane traffic by both vehicles and pedestrians. The local government will prepare a traffic enforcement plan, to be approved by the State in writing at least 48 hours prior to the scheduled Event. Additionally, the local government shall provide to the State a letter of certification from the law enforcement agency that will be providing traffic control for the Event, certifying that they agree with the enforcement plan and will be able to meet its requirements.

G. The local government hereby assures the State that there will be appropriate passage allowance for emergency vehicle travel and adequate access for abutting property owners during construction and closure of the highway facility. These allowances and accesses will be included in the local government's traffic control plan.

H. The local government will avoid or minimize damage, and will, at its own expense, restore or repair damage occurring outside the State's right of way and restore or repair the State's right of way, including, but not limited to, roadway and drainage structures, signs, overhead signs, pavement markings, traffic signals, power poles and pavement, etc. to a condition equal to that existing before the closure, and, to the extent practicable, restore the natural and cultural environment in accordance with federal and state law, including landscape and historical features.

Article 4. OWNERSHIP OF DOCUMENTS

Upon completion or termination of this agreement, all documents prepared by the local government will remain the property of the local government. All data prepared under this agreement shall be made available to the State without restriction or limitation on their further use. At the request of the State, the Local Government shall submit any information required by the State in the format directed by the State.

Article 5. TERMINATION

A. This agreement may be terminated by any of the following conditions:

- (1) By mutual written agreement and consent of both parties.
- (2) By the State upon determination that use of the State's right of way is not feasible or is not in the best interest of the State and the traveling public.
- (3) By either party, upon the failure of the other party to fulfill the obligations as set forth herein.
- (4) By satisfactory completion of all services and obligations as set forth herein.

B. The termination of this agreement shall extinguish all rights, duties, obligations, and liabilities of the State and local government under this agreement. If the potential termination of this agreement is due to the failure of the local government to fulfill its contractual obligations as set forth herein, the State will notify the local government that possible breach of contract has occurred. The local government must remedy the breach as outlined by the State within ten (10) days from receipt of the State's notification. In the event the local government does not remedy the breach to the satisfaction of the State, the local government shall be liable to the State for the costs of remedying the breach and any additional costs occasioned by the State.

Article 6. DISPUTES

Should disputes arise as to the parties' responsibilities or additional work under this agreement, the State's decision shall be final and binding.

Article 7. RESPONSIBILITIES OF THE PARTIES

The State and the Local Government agree that neither party is an agent, servant, or employee of the other party and each party agrees it is responsible for its individual acts and deeds as well as the acts and deeds of its contractors, employees, representatives, and agents.

Article 8. INSURANCE

A. Prior to beginning any work upon the State's right of way, the local government and/or its contractors shall furnish to the State a completed "Certificate of Insurance" (TxDOT Form 1560, latest edition) and shall maintain the insurance in full force and effect during the period that the local government and/or its contractors are encroaching upon the State right of way.
B. In the event the local government is a self-insured entity, the local government shall provide the State proof of its self-insurance. The local government agrees to pay any and all claims and damages that may occur during the period of this closing of the highway in accordance with the terms of this agreement.

Article 9. AMENDMENTS

Any changes in the time frame, character, agreement provisions or obligations of the parties hereto shall be enacted by written amendment executed by both the local government and the State.

Article 10. COMPLIANCE WITH LAWS

The local government shall comply with all applicable federal, state and local environmental laws, regulations, ordinances and any conditions or restrictions required by the State to protect the natural environment and cultural resources of the State's right of way.

Article 11. LEGAL CONSTRUCTION

In case one or more of the provisions contained in this agreement shall for any reason be held invalid, illegal or unenforceable in any respect, such invalidity, illegality or unenforceability shall not affect any other provisions hereof and this agreement shall be construed as if such invalid, illegal or unenforceable provision had never been contained herein.

Article 12. NOTICES

All notices to either party by the other required under this agreement shall be delivered personally or sent by certified U.S. mail, postage prepaid, addressed to such party at the following respective addresses:

Local Government:	State:
Mr. Anthony Chukwudolue, P.E. Interim Director, Public Works City of San Antonio P.O. Box 839966 San Antonio, TX 78283	Mr. Mario R. Jorge, P.E. District Engineer Texas Department of Transportation P.O. Box 29928 San Antonio, TX 78229

All notices shall be deemed given on the date so delivered or so deposited in the mail, unless otherwise provided herein. Either party hereto may change the above address by sending written notice of such change to the other in the manner provided herein.

Article 13. SOLE AGREEMENT

This agreement constitutes the sole and only agreement between the parties hereto and supersedes any prior understandings or written or oral agreements respecting the within subject matter.

IN TESTIMONY WHEREOF, the parties hereto have caused these presents to be executed in duplicate counterparts.

How to Register

Registering is easy! You may [register](#) for any Rock 'n' Roll Marathon in two ways.

1. [Register Online](#)
2. Request an entry form by mail. Please [contact us](#) and we will be happy to mail a form to you. All registrations submitted by paper entry form will be charged a \$15 Green Fee for processing. We do not accept phone entries.

Please enter only once. If you fax or register online, do not mail a hard copy. Do not send multiple faxes or online entries.

Making Corral Changes

The start line corral system allows for a smooth race start for participants of varying levels. Based on the estimated finish time that you provide on your race entry form, you are assigned a race number and corresponding corral, with other participants of similar running pace.

- **Before the [event deadline](#):** If you would like to change your corral/predicted finish time for your race, simply email this request along with your first name, last name, the mailing address that you registered with, and your new predicted finish time to [Customer Service](#).
- **After the [event deadline](#):** If your training has gone better than expected, and you would like to move up to a faster corral, pick up your race number at the Health & Fitness Expo and then proceed to the "Corral Change" table to be re-assigned to the appropriate corral. To move back to a slower corral, simply start in that corral on race morning. No official corral change is necessary.

Race Changes

- [Switching from a Marathon to a Half Marathon](#)
- [Switching from a Half Marathon to a Marathon](#)
- [Switching from a Marathon/Half Marathon to a Mini Marathon](#)
- [Switching from a Mini Marathon to a Marathon/Half Marathon](#)

****Race changes are only allowed up to 8 weeks prior to race day. [Please visit our Event Timelines page for event specific deadlines](#)**

Switching from a Marathon to a Half Marathon | Marathon/half marathon combo events only |

- **Before the [event deadline](#):** If you would like to switch from a **Marathon** to a **Half Marathon**, simply email this request along with your first name, last name, the mailing address that you registered with, and your new predicted finish time to [Customer Service](#).
- **After the [event deadline](#):** If you decide to switch from a **Marathon** to a **Half Marathon**, simply show up to the half Marathon start line on race morning and your timing tag will reflect the change. You can visit the corral change table in the Check-In area of the Expo for information on the appropriate corral to start in.

Switching from a Half Marathon to a Marathon | Marathon/half marathon combo events only |

- **Before the [event deadline](#):** Upgrades from a **Half Marathon** to a **Marathon** simply email this request along with your first name, last name and mailing address registered with, and your new predicted finish time to Customer Service. The early upgrade fee is \$20.

You can help disaster victims.

Race Rules

- Entry fees are non-refundable and non-transferable. No exceptions.
- Once we receive and accept your entry, you will not receive a refund if you cannot participate, you may not give or sell your race number to anyone else, and you may not transfer your entry fee to future races.
- If you attempt to sell your race number, you may be banned from future Competitor Group events for three years.
- You must be at least 18 years old to participate in the Marathon and 12 years old to participate in the Half Marathon or 2-Person Half Marathon Relay. You must be 8 years old to participate in the Mini Marathon.
- You must be in good health and physically prepared to take on the challenge of a Marathon or Half Marathon.
- You must show photo ID to receive your race number and timing chip.
- You must pick up your own race packet and race number at the Health & Fitness Expo.
- Race numbers are required to participate.
- No coaches, handcycles, bikes, in-line skates, skateboards, baby joggers or dogs will be allowed on the course. For more information about handcycles, [click here](#).
- Overall winners will not qualify for their age group category awards.

Cancellations

Entry fees are NON-REFUNDABLE and entries are NON-TRANSFERABLE. Sorry, no exceptions. Once we receive and accept your entry, you will not receive a refund if you cannot participate. You may not give or sell your number to anyone else. You also may not transfer your application to the following year or another Competitor Group event.

If you registered and are unable to participate in the race, we will be happy to mail your participant T-shirt to you. [Please fill out and submit the Cancellation/T-shirt Request Form](#). T-shirt Request Forms will be accepted up to 30 days after the event. Participant T-shirts will be mailed approximately 4-6 weeks after the event.

[Course Time Limits](#)

To ensure that roads reopen to vehicular traffic at the scheduled times, the [course time limits](#) will be STRICTLY ENFORCED. Participants must maintain a pace faster than the [course time limits](#) in order to complete the race on closed city streets. A cut-off location will be enforced on the course; runners or walkers who

do not reach the cut-off location by this time will be stopped and shuttled to the finish line area. Please note – this is timing tag time, not gun time. [Course time limits](#) begin when the last participant and Tail Vehicle cross the start line.

If a participant’s pace falls below the [course time limit](#), they have a few options:

- Increase their pace to stay within the event minimum pace;
- Board a “sag wagon” shuttle to move forward on the course, where they may continue to participate in the event, maintaining the minimum pace required; or
- If the participant cannot continue, they may board a sag wagon to be dropped off at the next shuttle location, at a nearby medical station. The participant will be seen by a Medical Team captain to be cleared for the medical shuttle to transport the participant to the finish line.

[View event specific time limits](#)

[back to top ↑](#)

Information Booths and Lost & Found

Information Booths will be positioned at the start and finish to assist you with any race day questions and help you find your way. The Information Booths will also serve as the race day Lost & Found. Any valuables found at the start or finish should be turned in to the Information Booth. Items from the start will be transported to the finish.

Any valuable items NOT claimed at the finish by 3 pm will be trucked back to our San Diego office. To claim a lost item after the event, please contact Competitor Group at 800-311-1255.

Medical Information

The [Medical Team](#) is a dedicated group of multidisciplinary medical professionals, available to help assess your race day medical needs and administer acute first aid when necessary.

Numerous medical stations will be located at the Finish as well as at the start and along the course. Look for large RED and WHITE tents and for our medical volunteers dressed in RED shirts for complimentary help before, during and after the race.

[View more important Medical Information.](#)

Age Group Awards

Age group awards will be presented 3-deep in all divisions, for both the marathon (where applicable) and half marathon, for male and female categories. Awards will be mailed within 4 to 6 weeks of results being finalized. In accordance with USATF Rules, overall and cash awards will be determined by gun time while age group awards will be determined by your ChronoTrack time.

Prize Purse

For more information about the [Elite Athlete Program](#) and applicable prize purses, please [visit our Elite Athlete Program page](#).

Chronotrack Timing System

State of the art ChronoTrack systems will be used to record participants’ times at the start, at certain splits along the courses and at the finish. The ChronoTrack system uses a disposable tag, called a D Tag, which allows you to walk away from the finish without the need to have your tag collected.

The ChronoTrack timing tag (D Tag) will be attached to your race bib. The D Tag will be labeled with a number that matches your race number. When you pick up your bib, please make sure these numbers match, and also verify that YOUR name is printed on the bib you are issued*. Proceed to the Solutions Table if any of the information is incorrect.

Prior to the race, you must remove the tag from your number and attach it to your shoe. Please follow the instructions provided in your registration packet.

PLEASE NOTE: All participants in this race must wear the ChronoTrack timing tag on your shoe in order to have their times recorded. ChampionChip timing equipment will NOT be used at this race; ChampionChip timing chips will NOT record your time.

*If you register for the race before online registration closes, your ChronoTrack timing tag should have your name printed on it.

Visit chronotrack.com for more information.

Printable ChronoTrack systems instructions

Participant Perks

- Scenic course highlighting host cities famous sites
- Live, local bands along the course
- Spirited cheer squads lining the course
- Brooks Technical Participant Shirt
- Official Finisher Certificates
- Finishers Medal
- Swag Bag
- Plentiful Course Support
- Free Admission to the Finish Line Festival and Post Race Concert (where applicable)
- Free Admission to the 2 day Health & Fitness Expo

[back to top ↑](#)

Wave Start

In an effort to provide every one of our participants with as comfortable a run as possible, the Wave Start will be incorporated in most Rock 'n' Roll Marathon Series events.

Participants are assigned to an appropriate corral based on the projected finishing time submitted on their entry form. Typically, there are multiple waves assigned to several of the finishing times. All spectators should be aware of this when organizing their viewing schedule for the day.

- When the gun fires, the first corral will be released. The rest of the participants will be held at the start line.
- At pre-determined intervals the next corral will be released.
- By using this staggered starting method, the pack will be spread out and allow every runner to settle into their racing rhythm from the first step right to the finish line.

Gear Check

Before you enter your assigned corral, drop-off your pre-race/post-race clothing and belongings at the Gear Check. While you run, your gear will be held at Gear Check.

Each participant will receive a large, durable swag bag at the Health & Fitness Expo when you pick up your packet that will serve as your gear bag on race day. Gear Check trucks will be arranged alphabetically and by truck number near the Start Line. Attach your gear tag to your gear bag before you leave it with the Gear Check crew. After the race, reclaim your checked bag at the designated Gear Check area.

Please note: DO NOT leave valuables, cash or jewelry in your gear bag. The event is not responsible for any lost items. Gear bags must be claimed before close of the Finish Line Festival on race day.

Secure Zone

Once you cross the finish line, you'll enter the Secure Zone, a fenced off area designated for participants only. In the Secure Zone, have your photo taken, refuel with water and refreshments and receive your finisher's medal. Once you leave the Secure Zone, you cannot re-enter. Just outside of the Secure Zone, you can retrieve your gear bag and join family and friends for the Finish Line Festival.

Family Reunion

After the race, reunite with family and friends in the Family Reunion area and relish in your post race accomplishment with refreshments and live music at the finish line stage. With a large number of participants and thousands of excited spectators, it can be difficult to locate friends and family without a plan. It is highly recommended that you designate a meet-up location for friends and family BEFORE the race in the Family Reunion area. The Family Reunion area will post tall, clearly-marked signs by Letter (A – Z), so be sure to coordinate and plan to meet at a pre-determined letter.
