Extension of Professional Services Contract with Laboratory Corporation (LabCorp) to provide medical laboratory for SAFD Wellness Center.

City Council A Session

June 22, 2017

Presented by: SAFD

BACKGROUND

- The San Antonio Fire Department Wellness Program was created to monitor the health and wellness of its uniformed employees throughout their careers.
- Program was designed to provide early detection of serious medical conditions and encourage better health.

Professional Services Agreement

In 2010 City Council approved a professional services agreement with LabCorp for the provision of medical laboratory testing to determine if an employee may have a potentially life threatening medical condition that requires treatment necessary to ensure activities detrimental to the health and well-being of the employee are altered or ceased.

RECOMMENDATIONS

- Staff recommends approval of this extension
