It is Respondent's responsibility to check for new versions until the proposal due date. City will assume that all proposals received are based on the final version of the RFCSP as it exists on the day proposals are due.

No oral statement of any person shall modify or otherwise change or affect the terms, conditions or specifications stated in the RFCSP.

Preparation of Proposals.

All information required by the RFCSP must be furnished or the proposal may be deemed non-responsive and rejected. Any ambiguity in the proposal as a result of omission, error, unintelligible or illegible wording shall be construed in the favor of City.

Proposal Format. Each proposal shall be typewritten, single spaced on 8 1/2" x 11" white paper. If submitting a hard copy, place proposal inside a three ring binder or other securely bound fashion. The use of recycled paper and materials is encouraged. Unnecessarily elaborate brochures, artwork, bindings, visual aides, expensive paper or other materials beyond that sufficient to present a complete and effective submission are not required. Font size shall be no less than 12-point type. All pages shall be numbered and printed two-sided. Margins shall be no less than 1" around the perimeter of each page. A proposal response to the RFCSP General Information Form may not exceed 75 pages in length. Websites or URLs shall not be submitted in lieu of the printed proposal or electronic submission through City's portal. Each proposal must include the sections and attachments in the sequence listed in the RFCSP Instructions to Respondents Part B - Submission Requirements, and each section and attachment must be indexed and, for hard copy submission, divided by tabs and indexed in a Table of Contents page. For electronic submissions, whether through the portal, or on a CD, each separate section should be attached as a separate file. Failure to meet the above conditions may result in disqualification of the submission or may negatively affect scoring.

Correct Legal Name. If Respondent is found to have incorrectly or incompletely stated the name of the entity that will provide goods and/or services, the proposal may be rejected.

Line Item Proposals. Any proposal that is considered for award by each unit or line item must include a price for each unit or line item for which Respondent wishes to be considered. All proposals are awarded on the basis of low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an “all or none” proposal in the Supplemental Terms & Conditions.

All or None Bid. Any proposal that is considered for award on an “all or none” basis must include a price for all units or line items. In an “All or None” bid, a unit price left blank shall result in the proposal being deemed nonresponsive and disqualified from consideration. An “All or None” bid is one in which City will award the entire contract to one respondent only.

Delivery Dates. Proposed delivery dates must be shown in the proposal where required and shall include weekends and holidays, unless specified otherwise in this RFCSP. Proposed delivery times must be specific. Phrases such as “as required”, “as soon as possible” or “prompt” may result in disqualification of the proposal. Special delivery instructions, if any, may be found in the Specifications / Scope of Services section of this document, or in the Purchase Order.

Tax Exemption. The City of San Antonio is exempt from payment of federal taxes, and State of Texas limited sales excise and use taxes. Respondents must not include such taxes in proposal prices. An exemption certificate will be signed by City where applicable upon request by Respondent after contract award.

Description of Supplies.

Any brand names, catalog or manufacturer’s reference used in describing an item is merely descriptive, and not restrictive, unless otherwise noted, and is used only to indicate quality and capability desired.

Proposals submitted for comparable items must clearly identify the proposed product, model, and type, as applicable, and shall include manufacturer specification sheet(s) for each proposed item with proposal response. Product specifications shall be the most current available and be sufficiently detailed and descriptive so as to permit City to determine the item’s suitability and compliance with proposal specifications. City shall be the sole judge of equality and suitability of comparable items.

Pro-rata adjustments to packaging and pricing may be allowed at the sole discretion of City.

Samples, Demonstrations and Pre-award Testing. If requested by City, Respondent shall provide product samples, demonstrations, and/or testing of items proposed to ensure compliance with specifications prior to award of the contract. Samples, demonstrations and/or testing must be provided within 7 calendar days of City’s request. Failure to comply with City’s request may result in rejection of a proposal. All samples (including return thereof), demonstrations, and/or testing shall be at Respondent’s expense. Samples will be returned upon written request. Requests for return of samples must be made in writing at the time the samples are provided. Otherwise, samples will become property of City at no cost to City. Samples that are consumed or destroyed during demonstrations or testing will not be returned.

Estimated Quantities for Annual Contracts.

Designation as an “annual” contract is found in the contract’s title on the Cover Page of this document. The quantities stated are estimates only and are in no way binding upon City. Estimated quantities are used for the purpose of evaluation. City may increase or decrease quantities as needed. Where a contract is awarded on a unit price basis, payment shall be based on the actual quantities supplied.

Respondents shall thoroughly examine the drawings, specifications, schedule(s), instructions and all other contract documents.

Respondents shall make all investigations necessary to thoroughly inform themselves regarding plant and facilities for delivery of material and equipment, or conditions and sites/locations for providing goods and services as required by this RFCSP. No plea of ignorance by Respondent will be accepted as a basis for varying the requirements of City or the compensation to Respondent.

Confidential or Proprietary Information. All proposals become the property of City upon receipt and will not be returned. Any information deemed to be confidential by Respondent should be clearly noted; however, City cannot guarantee that it will not be compelled to disclose all or part of any public record under the Texas Public Information Act, since information deemed to be confidential by Respondent may not be considered confidential under Texas law, or pursuant to a Court order.

Interlocal Participation.

City may engage in cooperative purchasing with other governmental entities or governmental cooperatives (“Entity” or “Entities”) to enhance City’s purchasing power. At City’s sole discretion and option, City may inform other Entities that they may acquire items listed in this RFCSP. If this contract will be subject to cooperative purchasing, such fact will be indicated in the Supplemental Terms and Conditions portion of this RFCSP. Such acquisition(s) shall be at the prices stated in the proposal, and shall be subject to Respondent’s acceptance. Entities desiring to acquire items listed in this RFCSP shall be listed on a rider attached hereto, if known at the time of issuance of the RFCSP. City may issue subsequent riders after contract award setting forth additional Entities desiring to utilize this proposal.

Respondent must sign and submit the rider, if attached to this RFCSP, with its proposal, indicating whether Respondent wishes to allow other Entities to use its proposal. Respondent shall sign and return any subsequently issued riders within ten calendar days of receipt. Respondent’s decision on whether to allow other Entities to use the proposal shall not be a factor in awarding this RFCSP.

Costs of Proposing. Respondent shall bear any and all costs that are associated with the preparation of the Proposal, attendance at the Pre-Submittal conference, if any, or during any phase of the selection process.

Rejection of Proposals.

City may reject any and all proposals, in whole or in part, cancel the RFCSP and reissue the solicitation. City may reject a proposal if:

Respondent misstates or conceals any material fact in the proposal; or

The proposal does not strictly conform to law or the requirements of the solicitation;

The proposal is conditional; or

Any other reason that would lead City to believe that the proposal is non-responsive or Respondent is not responsible.

City, in its sole discretion, may also waive any minor informalities or irregularities in any proposal, such as failure to submit sufficient proposal copies, failure to submit literature or similar attachments, or business affiliation information.

Variations and Exceptions to Proposal Terms. In order to comply with State law, respondents must submit proposals on the same material terms and conditions. Proposals that contain material variances or exceptions to the terms and conditions, including additional terms and conditions, will be rejected.

Changes to Proposal Form. Proposals must be submitted on the forms furnished, where forms are provided. Proposals that change the format or content of City’s RFCSP will be rejected.

Withdrawal of Proposals. Proposals may be withdrawn prior to the due date for submission. Written notice of withdrawal shall be provided to the City Clerk for proposals submitted in hard copy. Proposals submitted electronically may be withdrawn electronically.

Proposal Opening. Proposals will be opened publicly and the names of the respondents read aloud at 2:30 P.M. on the day the proposals are due. Proposal openings are held at Purchasing & General Services, Riverview Tower, 11th floor, 111 Soledad, Suite 1100, San Antonio, Texas 78205. However, in accordance with state law, the contents will not be revealed until after the contract is awarded.

Evaluation and Award of Contract.

Per Section §252.043 of the Texas Local Government Code, the contract will be awarded to the responsible offeror whose proposal is determined to be the most advantageous to City, considering the relative importance of price and the other evaluation factors included in this RFCSP.

City reserves the right to make an award on the basis of low line item, low total line items, or in any other combination that serves the best interest of City, unless City designates this solicitation as an "all or none" proposal in the Supplemental Terms & Conditions.

A written award of acceptance (manifested by a City Ordinance) and Purchase Order furnished to Respondent results in a binding contract without further action by either party. Vendor must have the Purchase Order before making any delivery.

City reserves the right to utilize historical usage data as a basis for evaluation of proposals when future usages are unable to be determined.

City reserves the right to delete items prior to the awarding of the contract, and purchase said items by other means.

Inspection of Facilities/Equipment.

Depending on the nature of the RFCSP, Respondent's facilities and equipment may be a determining factor in making the proposal award. All respondents may be subject to inspection of their facilities and equipment.

Prospective respondents must prove beyond any doubt to the City Purchasing Administrator that they are qualified and capable of performing the contract's requirements.

Prompt Payment Discount.

Provided Respondent meets the requirements stated herein, City shall take Respondent's offered prompt payment discount into consideration. The evaluation will not be based on the discount percentage alone, but rather the net price as determined by applying the discount to the proposal price, either per line item or total proposal amount. However, City reserves the right to reject a discount if the percentage is too low to be of value to City, all things considered. City may also reject a discount if the percentage is so high as to create an overly large disparity between the price City would pay if it is able to take advantage of the discount and the price City would pay if it were unable to pay within the discount period. City may always reject the discount and pay within the 30 day period, at City's sole option.

City will not consider discounts that provide fewer than 10 days to pay in order to receive the discount.

For example, payment terms of 2% 5, Net 30 will NOT be considered in proposal evaluations or in the payment of invoices. However, payment terms of 2% 10, Net 30 will result in a two percent reduction in the proposal price during proposal evaluation, and City will take the 2% discount if the invoice is paid within the 10 day time period.

Prohibited Financial Interest.

The Charter of the City of San Antonio and its Ethics Code prohibit a City officer or employee, as those terms are defined in the Ethics Code, from having a financial interest in any contract with City or any City agency such as City-owned utilities. An officer or employee has a "prohibited financial interest" in a contract with City or in the sale to City of land materials, supplies or service, if any of the following individual(s) or entities is a party to the contract or sale: the City officer or employee; his parent, child or spouse; a business entity in which he or his parent, child or spouse owns ten (10) percent or more of the voting stock or shares of the business entity, or ten (10) percent or more of the fair market value of the business entity; or a business entity in which any individual or entity above listed is a subcontractor on a City contract, a partner or a parent or subsidiary business entity.

Conflict of Interest.

Effective January 1, 2006, Chapter 176 of the Texas Local Government Code requires that persons, or their agents, who seek to contract for the sale or purchase of property, goods, or services with the City, shall file a completed conflict of interest questionnaire with the City Clerk not later than the 7th business day after the date that the person: (1) begins contract discussions or negotiations with the City; or (2) submits to the City an application, response to a request for proposals or proposals, correspondence, or another writing related to a potential agreement with the City. The conflict of interest questionnaire form is available from the Texas Ethics Commission at www.ethics.state.tx.us. Completed conflict of interest questionnaires may be mailed or delivered by hand to the Office of the City Clerk. If mailing a completed conflict of interest questionnaire, mail to: Office of the City Clerk, P.O. Box 839966, San Antonio, TX 78283-3966. If delivering a completed conflict of interest questionnaire, deliver to: Office of the City Clerk, City Hall, 2nd floor, 100 Military Plaza, San Antonio, TX 78205." Respondent should consult its own legal advisor with questions regarding the statute or form. Do not include this form with your proposal. 4.5. SERVICE CYCLE QUANTITY AND HOURS

Contractor shall provide mowing services as per required cycles on Attachment B - Price Schedule. Contractor shall provide Parks and Recreation Department with a mowing schedule prior to commencement of contract. The City reserves the right to adjust and/or modify proposed work schedules due to heavy peak periods or weather conditions such as heavy rain or drought. Drought conditions in San Antonio may last a few weeks to several months, which would require little if no mowing. Depending on the weather, the frequency of services may be increased or decreased as authorized by the Parks & Recreation staff, or designated representative. Service calls beyond the estimated cycle(s) shall be billed according to prices bid on the price schedule. Services shall take place only between the hours of 7:30 a.m. and 7:00 p.m., Monday through Friday, excluding City Holidays, Attachment L. The proposed 2015 Holiday Schedule is pending release. Contractor shall report graffiti to the "Graffiti Hotline" at 207-4400 or 311.

4.6 TEMPORARY REDUCTION IN SERVICE SCHEDULES

There may be periods during the year where the City may require services being reduced or halted temporarily for some locations. During dormant periods, the City may require that Contractor reduce the number of cycles or stop services all together. Adjustments and/or modifications to the schedule will be coordinated and implemented by designated Parks and Recreation staff. Parks and Recreation will provide a 7 calendar day notice to Contractor for schedule modification. City shall have no obligation to pay when services are not performed.

City encourages the use of equipment operating a Tier 4 conventional fuel engine or alternative fuel such as Compressed Natural Gas, Propane or Electricity. (Tier 4 is defined as a federally mandated air-quality emissions standards established by the U.S. Environmental Protection Agency (EPA) that applies to new diesel-powered mower engines (25 horsepower and larger). Mower equipment distributors such as Toro, John Deere, Jacobsen and Grasshopper offer the new Tier 4 diesel equipment). All equipment must be equipped with safe guards as outlined by ANSI and OSHA. Any additional equipment required to accomplish the requirements of this contract shall be of the size and type customarily used to accomplish work of this kind and no equipment shall be used which is harmful to the areas being serviced. All equipment must be in good working condition at all times. Contractor shall be equipped with enough string trimmers and employees to operate them when ground conditions are too wet for mowers. City will not be responsible for any materials, tools and/or equipment that are unattended by Contractor.

Contractor shall be required to employ staff necessary to complete the requirements of this contract. Personnel shall include, but not be limited to:

Such heights shall be determined by the Parks and Recreation Department Representative through written notification to the Contractor. All mowing shall be even and consistent.
- d. Trails and greenways shall be mowed to a height of 3 inches and a width of approximately 4 feet on either side of the trail and greenway.

- f. Contractor shall take extreme care not to damage trees, plants, shrubs, signs, water faucets, valves, other appurtenances or irrigation systems or create ruts in ground surface. Contractor shall be responsible for any damage to these objects, which shall be replaced by City at Contractor's expense. City may invoice Contractor for said costs or deduct the cost from Contractor's payment otherwise due hereunder. Note: City employs certified park employees in specific areas identified above. These City employees will assess and report damages and associated costs to Parks Manager. Contractor agrees to abide by City's determination of fault and determination of costs. Contractor has a right to appeal the Parks Manager's determination to the Finance Director (or the Parks Director). That final person's determination shall be final and binding.
- g. Hand/string trimming shall be accomplished around trees, plants, shrubs, signs, water faucets, valves, and other appurtenance or hard surfaces.
- h. The Contractor shall mow and trim sites in such a manner to avoid bumping, girdling, or any other activity that may cause damage to trees, shrubs, plants, fences, or other hard surfaces. Contractor shall not mow under conditions wet enough that may result in damage to turf or create unsafe mowing conditions.

4.8.2 REMOVAL OF GRASS CLIPPINGS

Removal of cut grass from the turf area where growth occurred will not be required unless grass is clumped. It is the City's goal to ensure aesthetically pleasing parks, so all clumped grass due to moisture should be removed or spread out evenly. Cut grass and debris which falls or is thrown upon the pavement, streets, sidewalks, driveways, adjacent properties, or other hard surface through the action of the work crew, shall be removed from the project area prior to the exit of the work crew from the work site.

- f. All areas where grass abuts hard surfaces such as sidewalks, curbs, and lawn perimeters shall be edged at each service cycle. Contractor shall string trim around fences, buildings, walks, and curbs to maintain an attractive, even, finished appearance.
- g. Areas where an edger is difficult to maneuver, such as fences, flower beds, utility poles and other immobile objects shall be cut with a string trimmer or by hand to the same height as the lawn areas.
- h. All sidewalks, curbs, and steps must be mechanically edged to a one (1") inch depth and 1/4 inch width where they exist exposing the concrete surface. The initial edging shall be completed by the end of the first cycle.
- i. All edges must be maintained throughout the duration of the contract using a vertical cut approach. All material dislodged by edging must be removed from the site. Sidewalks must be edged on both sides.
- j. All trimming must be accomplished concurrently with mowing operations.

4.8.4 TREE WELLS

Contractor shall maintain all mulched areas adjacent to trees free of weeds. Care should be taken to prevent mechanical damage to landscape and for aesthetic purposes. Contractor shall ensure, at all times, that mulch will not be disturbed. With written approval, herbicides such as RoundUp may be used in place of mowing or weed eating to protect tree wells and mulched areas. Contractor will be responsible for the replacement of any damaged/disturbed mulch with like mulch as a result of the Contractor's service. City shall have the right, at City's election, to delay, cancel or add mowing cycles. If the City cancels a mowing cycle, Contractor will not be paid for the cancelled cycle. If the City delays a mowing cycle, City and Contractor will work together to modify the mowing cycle schedule and Contractor will be paid for all completed mowing cycles. If City elects to add new park locations and mowing cycles, Contractor will be paid for the additional cycles at the per acre rate shown in Attachment B. regardless of the number of acres actually added. Any locations identified on the Price Schedule from a sector that was not originally awarded to Contractor will be paid at the rate Contractor originally bid for that location, if later added. All acreage amounts stated are estimates and may be changed if found to be incorrect. However, the City's determination of acreage shall be final and dispositive.

4.11 UNIFORMS

Contractor's employees shall wear uniforms with name or ID tag when on duty. All employees shall wear uniforms approved by the Parks and Recreation Supervisory representative. Notification shall include, at a minimum, Sector, a list of locations serviced, and the date and time the service(s) were provided. Failure to provide this email notification, as requested, may result in delay or rejection of payment. The Parks and Recreation Supervisory Representative will inspect locations within 48 hours to confirm services were performed as per contract requirements. If contract requirements are not met, Contractor will return to perform/complete services at no additional cost to City.
- b. Additionally, the City reserves the right to make random inspections of the contract area and the work performed to determine whether the requirements of the contract are met. The contractor shall be notified, verbally and in

If a site is added to the contract, the pricing will be at the rate per acre as designated on Attachment B – Price Schedule. Any locations identified on the Price Schedule from a sector that was not originally awarded to Contractor will be paid at the rate Contractor originally bid for that location, if later added.

Said month to month extensions shall be in writing, signed by Director, and shall not require City Council approval, subject to and contingent upon appropriation of funding therefore.

Temporary Contract Pending Award of Contract by City Council

Occasionally, the City has a need for goods or services prior to the date set for the San Antonio City Council to consider a contract for award. City shall provide Vendor advance written notice if such occasion arises.

In such event, City's written notice shall constitute acceptance of Vendor's bid and shall result in a temporary contract to provide goods and/or services until City Council considers and awards the contract contemplated in this solicitation. The total expenditure under the temporary contract shall not exceed \$50,000. The temporary contract shall begin on the date set forth in City's written notice and shall terminate when the total expenditure reaches \$50,000, or upon subsequent written notice from City, whichever shall occur sooner. During the term of the temporary contract, all goods or services shall be provided in accordance with the terms and conditions contained in this solicitation, with the exception of the Original Contract Term, which is modified as indicated above for the temporary contract.

Acceptance of Vendor's bid for the purposes of award of a temporary contract does not constitute award of the full contract with the Original Contract Term. Such a contract may only be awarded by the San Antonio City Council by passage of an ordinance. Neither does award of a temporary contract obligate City to recommend Vendor's bid for award to the City Council, or guarantee that the City Council will award the contract to Vendor.

City of San Antonio
Veteran-Owned Small Business Program Tracking Form

Authority. The City of San Antonio Veteran-Owned Small Business Preference Program Ordinance 2013-12-05-0864 adopted a veteran-owned small business preference program for specific contracting categories for solicitations issued after January 15, 2014.

Tracking. This solicitation is not eligible for a preference based on status as a veteran-owned small business (VOSB). Nevertheless, in order to determine whether the program can be expanded at a later date, the City tracks VOSB participation at both prime contract and subcontract levels.

Certification. The City relies on inclusion in the database of veteran-owned small businesses (VOSB) maintained by the U.S. Small Business Administration to verify VOSB status; however, veteran status may also be confirmed by certification by another public or private entity that uses similar certification procedures.

Definitions. The program uses the federal definitions of veteran and veteran-owned small business found in 38 CFR Part 74.

- The term "veteran" means a person who served on active duty with the U.S. Army, Air Force, Navy, Marine Corps, Coast Guard, for any length of time and at any place and who was discharged or released under conditions other than dishonorable. Reservists or members of the National Guard called to federal active duty or disabled from a disease or injury incurred or aggravated in line of duty or while in training status.
- A veteran-owned small business is a business that is not less than 51 percent owned by one or more veterans, or in the case of any publicly owned business, not less than 51 percent of the stock of which is owned by one or more veterans; the management and daily business operations of which are controlled by one or more veterans and qualifies as "small" for Federal business size stand purposes.

The program does not distinguish between a veteran and a service-disabled veteran-owned business and is not limited geographically.
