| <p>Describe your Volunteer Experience & Community Service</p> | <p>My experience volunteering is expansive, most recently with youth groups through the Boy Scouts and Girl Scouts. I have held leadership positions in both of these organizations to support children in character building, confidence building and to become good citizens who make the world a better place. For the past several years I have been part of the Downtown Run Group, whose routes line the downtown corridor, where I have encountered VIA busses each and every time while out running. The Downtown Run Group has provided a camaraderie that has helped motivate and encourage many of its" members and spectators to stay physically active. My recent volunteer work is with the Alamo Heights Independent School District. I am serving a two year term on the Equity Council, as the district is undergoing an Equity Audit. The shifting demographics in the Alamo Heights ISD is the reason I elected to participate in the equity council, so that the voices of the students and families of color are represented. The goal of an equity audit is to identify institutional practices that produce discriminatory trends in data that affect students.</p> |

These families and students are at the center of my work, so ensuring that their needs are met is vital to me, professionally and personally. I am in tune with the student and family needs of the urban core. I grew up and was educated in San Antonio, Texas in District 4 and college brought me to District 10 in 1993. While social mobility has made this possible, I moved to district 10 for to live in a central location. My parents and siblings still live in District 4 and I have extended family who also rely on public transportation. I would like to help shape VIA"s ideas by being appointed to this board.</p> |
