Councilmember Sandoval recommended that greater engagement and outreach plan be developed by SAWS when requesting future rate increases.

Councilmember Shaw noted that the optics of requesting the rate increase and just having received a bonus was not good. He asked if the SAWS CEO salary increase was tied to the rate increase. He stated that he was supportive of the rate increase to address aging infrastructure and fix water leaks. He requested more accountability and transparency and requested that

Veronica Soto stated that staff was requesting approval of an Ordinance adopting a policy for the issuance of Resolutions of Support or No Objection for applicants seeking Housing Tax Credits from the Texas Department of Housing and Community Affairs (TDHCA). She provided an overview of the timeline noting that developer applications were due to TDHCA by March 1, 2018. She outlined the summary of proposed changes:

Councilmember Viagran seconded the motion.

City Attorney Segovia stated that they had looked at same but did not want to run into potential problems from the Fair Housing Act standpoint. Councilmember Perry stated that he would like to see more points awarded on the public engagement portion of the criteria. He asked of the condensed timeline. Jeff Coyle replied that it was set by State Statute and would require a legislative change.

Councilmember Perry requested a friendly amendment to change the point system from 10 to 20 points on Public Engagement and reduce Project Feasibility and Readiness to 10 points. Councilmember Sandoval stated that she would prefer to leave the policy as is and

review it after one year. Councilmember Perry stated that was acceptable to him and withdrew his friendly amendment.

Councilmember Courage asked of the points awarded for the Area Income Criteria. Ms. Soto stated that points were awarded based on census tracts that have lower than average poverty rates and properties within a four-mile radius of the city's urban core. She added that all of these developments are required to serve families that are making 60% or below the area median income.

Mayor Nirenberg called upon Retired Colonel Sergio Dickerson to speak.

Mr. Sergio Dickerson, Vice-President of the American GI Forum National Outreach Program, requested that the City Council consider extending the submission by an additional 30 days and clarify the City's policy that states that points are awarded to applicants that demonstrate that the subject property is zoned appropriately. He noted that their goal was to ensure safe, affordable housing for Veterans and their families.

Councilmember Gonzales stated that she was prepared to support the motion as it was originally presented and had not had the opportunity to review any changes. She asked if sending out notices by mail to homeowners violated the Fair Housing Act. City Attorney Segovia replied that they would not recommend that be a requirement. Councilmember Gonzales requested that the item go back to a Council Committee.

Councilmember Pelaez asked why the community meeting had to occur on a weeknight. Ms. Soto replied that they could amend the proposal so that meetings could also be held on the weekend.
